

UNCW PathWays

Guaranteed Admission Program

About PathWays

UNCW is committed to creating access opportunities and meaningful partnerships to support transfer student success. The UNCW PathWays guaranteed admission program will provide guaranteed access for students transferring between the North Carolina Community College System and UNCW. It is a pathway for guaranteed transfer admission to UNCW for students completing an AA, AS, AE, AATP, ASTP, or AFA from a participating North Carolina Community College.

Benefits include:

- Early access to transfer resources, such as tailored coaching and advising from UNCW
- Access to unique campus visit opportunities and events
- Guaranteed admission as a transfer student
- Application fee waiver
- Priority consideration for transfer merit scholarships

Eligibility

Current students enrolled at a participating community college who are planning to complete a transferable Associates degree are eligible for PathWays benefits. Please note that current high school students are not eligible for PathWays benefits. Cooperative Innovative High School students who are planning to apply as transfer students are eligible for PathWays benefits.

Enroll in PathWays

Students are encouraged to enroll in PathWays during their first year at their partner community college to maximize the benefits of the program.
