

Welcome, Campus Map, Table of Contents, and Academic Calendars

Although this section contains the table of contents for the entire catalog, you will have to open the individual documents on the *Catalog* home page to read the information contained in those sections.

President John R. Dempsey

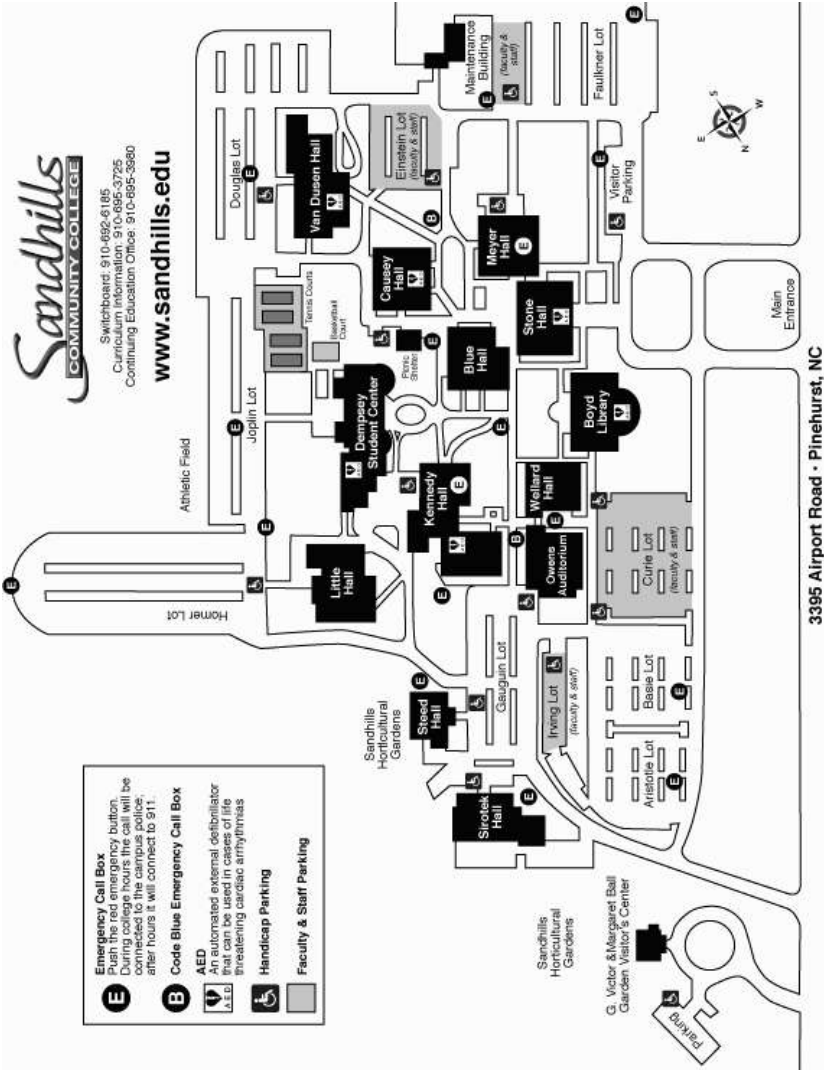

Welcome to Sandhills Community College. This academic catalog contains much of the information you will need as you proceed with your education at Sandhills.

Catalogs, though, are pretty dry and formal. You can make this catalog “come alive” by visiting with your advisor or asking our faculty and staff here at Sandhills (including me) for help with your program. It is the people of Sandhills—those who teach here and who work here—who make it a special place. Don’t hesitate to ask us to amplify the information in this catalog or to explain anything you don’t understand.

We are here to help you succeed. We hope you will use this catalog to your best advantage. Your journey towards graduation begins today. Please call me (695-3700) or visit me in Stone Hall if I can help make that journey easier for you.
