

## PN Stage II College Course Worksheet 2010

NAME: \_\_\_\_\_

Student ID # : \_\_\_\_\_

**Last**

**First**

Choose your best courses to include. Do not include more courses than allowed. See directions and example in nursing department.

*If labs are given a separate grade, calculate separately from course.*

*If you have quarter instead of semester courses to be considered see the Registrar.*

**Applicants may accumulate points for BIO 165, BIO 166, ENG 111 and one of the PSY courses listed below.**

**Formula:**

**Number of credit hours** of designated course *multiplied* by **points for grade** = **TOTAL POINT SCORE FOR COURSE.**

**Points for Grades:**

**A = 4 Points**

**B = 3 Points**

**C = 2 Points**

**Courses attempted/taken more than twice may not be included for points.**

**Applicants may select ONE of the listed Psychology classes for points.**

**You may earn points for the following courses:**

**Maximum Points Possible: [56]**

Course	Semester/Year	Grade/Points Received	Credit Hours	Total
BIO 165*				
BIO 166*				
ENG 111*				
PSY 110* or PSY 150 or PSY 241				
<b><u>TOTAL POINTS FOR SCIENCE and ENGLISH</u></b>	_____		→	

\* PN corequisite curriculum courses.

**Place your total points on Line 1 in the Total Score Calculation Box on the other side of this form.**

I, \_\_\_\_\_, submit this information as true and accurate information of my academic performance as of this date. I am aware that misrepresentation of this information may interfere with my admission into the program. Official transcripts validating all of the above courses are on file with the SCC Registrar.
