

## Fall Mini-Mester Courses - September 23 - December 15, 2009

Mini-Mester courses only qualify for federal financial aid if students sign up for the FMN courses at the same time as they do for the full session courses for Fall semester or the student is enrolled only in FMN courses. Students should be aware that the ten-week structure of delivery makes the mini-mester courses a challenging learning experience. Please note the pre-requisites for some courses in the mini-mester listing.

**\*In addition to having met the course pre-requisites, if you have never taken a distance learning course at Sandhills, please go to the internet address, [blackboard2.sandhills.edu](http://blackboard2.sandhills.edu), read the Distance Learning Guide, and then complete the Distance Learning Pre-test before signing up for this course.**

Prefix	Course No	Sec	Title	Crd Hrs	Instructor	Room	Days	Begin-End Time	Pre-requisites
