Volunteer Tutor Application Form

The Tutoring Center currently has openings for tutors in these categories:

- ❖ **CLASSROOM ASSISTANT:** This position involves helping an instructor in the classroom in reading, English, math, and computers. At the instructor's discretion, an assistant will help students as they work on the computer or in a textbook, either one to two hours, one day weekly, or one hour, two days weekly.
- ❖ **TUTOR:** This position involves helping one to two students in the areas of reading, English, math, science, or engineering on a regular basis. Math tutors, especially in algebra, are sorely needed. Tutoring takes place in 149 Kennedy Hall, using a textbook for one hour, two days weekly, Monday through Friday.
