The Learning Resources Computer Lab:

The Learning Resources Computer Lab is an open computer lab located within Boyd Library. The LRCL is fully staff, and we are here to help. Staff members are trained and ready to answer any questions you may have. We work with you to get you started and help you to succeed.

If you have any questions, comments, or suggestions about The Learning Resources Computer Lab, please contact Judy T. Hines at hinesj@sandhills.edu or BL102 or (919)695-3890.

We can help you:

- Locate information on the Internet
- Access on-line databases for research purposes
- Cite references properly
- Access Distance Learning coursework
- Use templates to create a professional looking résumé or business letter
- Prepare a properly formatted paper
- Assist with Excel & Access homework
- Learning computer basics
- Communicate electronically

Mission Statement:

As a vital part of Boyd Library, the Learning Resources Computer Lab supports students, faculty, and staff from all academic programs by providing access to technological resources, including Internet access, distance learning communication tools, and departmentally selected software; additionally, the computer lab provides staff assistance with the use of these resources.

Software:

- Adobe Pro
- Internet Explorer
- Mozilla Firefox
- Microsoft Office:
 - Word, Excel, Access,
 - PowerPoint, Publisher
- Assorted Instructional Software

Equipment:

- 17 computers with Internet access, Microsoft Office, and other assorted software
- 2 LaserJet printers
- Color printer & scanner
- Laminator
