

# FunFest 2025 Health Programs Skills Competition Rules High School

**Objective:** Teams will compete in the following health areas to demonstrate knowledge and skills: 1) Medical Terminology Jeopardy, 2) Handwashing Competition, and 3) Room of Errors.

## Entries and Judging

**Participants:** (2) Teams per High School, with 3-5 members per team. Teams will participate in a scheduled 45-minute time block to complete the three-station challenge.

**Submission:** No submission prior to FunFest is required.

**SCC Judges:** **Tricia Donadio**, Director, Health Programs and Student Support, and Adjunct Associate Professor, College Transfer Success

**Judging Location:** Foundation Hall 1003 (Fletcher Auditorium)

**Notes:** NA

**Determining the winner:** The team with the highest total points for all three activities wins!

## Competition Rules

1. Each team will compete in each of the three Health Program Skills Competition activities. Each individual activity will be timed to ensure a total 45-minute event cycle.
2. After completion of all three events, the judges will add up the total points on the Team Rubric score card (attached).
3. The team with the most total points wins the Health Programs Skill Competition.
4. In the event of a tie, the tie breaker below will be utilized.

Tie Breaker:

Each tied team will select one team member to represent them. Each representative will do infection control items as quickly as possible.

Items to do:

- Pair of gloves
- Isolation gown
- Surgical mask with shield
- Booties

The team's representative that puts their items in the least amount of time wins!

## **Handwashing Competition Rules**

1. Each team member will utilize Glow Germ to “soil” their hands.
2. Team members will take turns at the sink to wash their hands properly.
3. After all team members have washed their hands, a blacklight will be utilized to identify any remaining “germs”.
4. Quadrants of the hands are identified in the image above- front and back of the hand will be assessed.
5. Team points will be determined utilizing the individual rubric below, adding up each team member’s individual score, and dividing by the number of teammates on the team for an average score.

## **Medical Terminology Competition Rules**

1. Jeopardy board will designate points associated with each question.
2. Team with the team member who has the next birthday will start the first round.
3. The team that answers the question correctly receives the points and chooses the next category/point value.
4. At the end of three rounds, the total score for each team will be determined.
5. The team with the highest score wins.

## **Room of Errors Competition Rules**

1. Designate one team member to write down identified safety errors.
2. When the timer starts, the team may enter the room.
3. Observe the room- do not touch or move equipment.
4. Once the timer stops, the writer must stop.
5. Errors identified on the activity key will be counted on the team’s list.
