

## FunFest 2026 Health Sciences Career Research Poster Competition Middle School

**Objective:** Teams research and create a Research Poster on one of the following careers: Healthcare, Biotechnology, or Emergency Management. The Research Poster provides students with the opportunity to conduct research on that topic and develop a Research Poster and display their findings and present their research to a panel of judges.

### Entries and Judging

**Participants:** MCS has a maximum of 10 time slots for teams of 2-4.

**Submission:** Participants bring their poster the day of FunFest. No prior submission is required.

**SCC Judge:** Sue Senior, Department Chair/Professor, Health Sciences

**Judging Location:** Foundation Hall Lobby

**Determining the winner:** Judges will use the rubric provided to score the teams on their poster and presentation. The highest rubric score wins.

### Competition Rules

Create a poster that meets the rubric requirements.

Team Names:

School:

### Presentation & Poster Content

	Excellent 10 points	Good 8 points	Average 6 points	Fair 4 points	Poor 0 points	JUDGES SCORE
<b>Understanding of Career</b>	The Public Health career is clearly defined and streamlined into the presentation.	The public health career is stated and appropriate for the presentation. Understanding of the issue or topic is lacking small details	The understanding of the public health career is average and not fully threaded into the presentation	The public health career is not clearly communicated throughout the presentation	No evidence of understanding of public health career
