

FunFest 2026 Automotive Diagnostic – High School Competition Rules

Objective: The objective is for teams to complete a thorough and complete 34-point inspection on a vehicle.

Participants: Maximum of two (2) teams per school with a maximum of four (4) individuals per team.

Submission: No early submission required

Judging Location: Sirotek Hall

Judges: **Charles Proulx**, Associate Professor and Program Coordinator, Automotive Technologies & **Michael Gregory**, Instructor Automotive Technologies

Notes: Three stations will be set up. Vehicles will be on lifts and set to raise. All necessary tools will be provided by Sandhills Community College.

Determining the winner: **Each** checkpoint correct is one point. In the event of a tie, the team with the best time wins.

Competition Rules

Each team will have 30 minutes to complete a 34-point inspection.
