*The Retention Rate is defined as the number of students who entered the mid-point of the MLT Program and subsequently completed the program as anticipated. Prior to August 2023, the midpoint was defined as the date between "B" and "C" sessions within third semester which occurs during the summer semester. Beginning August 2023, the midpoint is defined as the point at which a student has completed 20 credits of MLT course.

EMPLOYMENT RATE

	Jul 2023 – Jun 2024	Jul 2024 – Jun 2025	Jul 2025 – Jun 2026	Total (Last 3 Years) Jul 2023 – Jun 2026

# Status unknown	0	0	0	0
Employment Rate (%)**	**50**	**100**	**83**	**87**

**Employment Rate is defined as the total percentage of graduates who obtained a job as an MLT or related position within 1 year of graduation, regardless of whether they sought work in the medical laboratory field. The two graduates who were not employed as MLTs within 12 months of graduation did not seek employment immediately following graduation for personal reasons. Both graduates found positions once they began actively applying and are currently employed as MLTs.
