

Degree: AA

Major: University Studies

Credits completed in transfer: 60

Degree: BSN

Major: Nursing

Credits completed at Methodist U: 71

The BSN Program at Methodist University provides a foundation of competencies in providing patient-centered care, working within interdisciplinary teams, employing evidence-based practice, applying quality improvement, utilizing informatics, and functioning in an environment of integrated processes within a global society. Graduates are prepared to take the NCLEX-RN to become registered nurses and are prepared for advanced degrees in nursing, such as nurse practitioner, nurse leader, or nurse educator. Methodist University

Transfer students with 12+ total transferable credits will be waived from the following requirements:

MUJ 1100
MUJ 2200
MUJ 3300

All courses must be graded "C" or better to transfer.

A maximum of 64 credits are accepted from community college coursework.

Library Competency (zero credits) must be completed within the first semester at Methodist University.

Methodist University reserves the right to correct any errors found in this guide and to update this information as curriculum changes.

Applicants are expected to demonstrate overall success at all former institutions attended and must be eligible to return to the last postsecondary institution attended. In addition, transfer applicants must provide Methodist University with official copies of all high school transcripts, high school equivalency diploma/test results, and postsecondary transcripts.
