

PROGRAMS

ASSOCIATE IN APPLIED SCIENCE GENERAL EDUCATION ELECTIVES

Candidates for the Associate in Applied Science degree must complete general education and major courses required for the program in which they are enrolled. Students must successfully complete a minimum of 25 percent of course credit hours of the certificate, diploma, or associate degree requirements at Sandhills Community College, with that 25 percent coming from major and other major hours, and not from general education hours, for the program of study.

Please note: In accordance with accreditation standards, 1) All associate degree students must either place out of DMA-010 through 030 or MAT-003 or successfully complete DMA-010 through 030 or MAT-003 to demonstrate competence in fundamental mathematical skills. 2) All graduates of associate degree programs are required to complete successfully at least one mathematic or laboratory-based quantitative science course.
