

## ***General Catalog 2023–2024 begins on the next page.***

This page is a placeholder. It represents the blank back of the *Catalog* cover to show how the *Catalog* will appear in the printed version. When the *Catalog* is opened, the blank back of the cover will be on the left, and the first page will be on the right. When the *Catalog* is opened, even-numbered pages will appear on the left and odd-numbered pages on the right.

### **Tips for Using the Online *General Catalog 2023–2024*:**

1. Scroll through the *Catalog* to the “Table of Contents” (PDF page 7 or *Catalog* page 6) and then click any heading in the table to jump directly to that section.
2. Click the Bookmarks icon in Adobe Reader (or the bookmarks tab in earlier versions). The list of major sections of the *Catalog* will appear on the left. Each section can be expanded by clicking the + sign in front of the section name. You can then click on the particular subheading or topic under the heading to jump to that section of the *Catalog*. You can read that section and then use the bookmark to jump to another section. The *Catalog* will always remain open on the right side of the screen. You can expand the viewing size by changing from 34%, for example, to 100% or hide the bookmarks and then open the bookmarks again if you want to jump to another section.

The provisions of this publication are not to be regarded as an irrevocable contract between the student and Sandhills Community College. The College reserves the right to change any provision or requirement at any time within the student's term of residence or to add or withdraw course offerings. Updates to this printed edition that reflect such changes will be available on the Sandhills website at [www.sandhills.edu](http://www.sandhills.edu). The official version of the current *Catalog* is the online document. The College further reserves the right, at any time, to request that a student withdraw when such action is considered to be in the best interest of the institution.

## WELCOME TO SANDHILLS COMMUNITY COLLEGE

### College Telephone Numbers

Administrative offices are open Monday through Friday from 8 a.m. until 5 p.m. During the summer sessions, some offices may have an abbreviated schedule. The summer schedule, the academic calendar, and a telephone directory of faculty and staff are available online at [www.sandhills.edu](http://www.sandhills.edu).

### Accreditation

Sandhills Community College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate degrees. Degree-granting institutions also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Sandhills Community College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website ([www.sacscoc.org](http://www.sacscoc.org)).

### Visitors

Sandhills Community College welcomes visitors to campus and encourages them to explore the gardens, to use the Katharine Boyd Library, and to attend various public college functions. The Campus Map on page 4 provides directions. It is important that visitors respect the educational mission of the College and the necessity for campus safety and tranquility. If disruptive visitors are observed, those noting the behavior are asked to relay that information to the switchboard located in the Dempsey Student Center 910-692-6185 or 800-338-3944. The College reserves the right to ask disruptive visitors to leave the campus.

### Non-Discrimination Statement

Sandhills Community College does not and shall not discriminate in its educational programs, activities, and employment practices on the basis of race, color, national or ethnic origin, ancestry, age, religion or religious creed, disability or handicap, sex or gender, gender identity and/or expression (including a transgender identity), sexual orientation, military or veteran status, genetic information, or any other characteristic protected under applicable federal, state or local law, regulations and orders, including those that promote equal protection and equal opportunity for students, employees, and applicants. More detailed policies and procedures on this topic may be found in the [Policies and Procedures Handbook](#) accessible on our website.

## WELCOME

---

### **President Alexander “Sandy” Stewart**

On behalf of the faculty and staff, thank you for choosing Sandhills Community College. Whatever your educational aspirations, Sandhills is here to serve you and help make those dreams a reality. With the wide range of degree and certificate programs we offer, I am confident you will find the

opportunities you are seeking. I am equally confident that at Sandhills you will find a welcoming community and the place you belong.

Our entire Sandhills community joins me in the commitment to the SCC core values: Integrity, Helpfulness, Excellence, Respect, and Opportunity. These core values guide and inspire the work of the college. We are committed to following these principles as we offer the highest quality education possible – whether that educational experience is the quick attainment of a workforce credential or a degree on your pathway to a career or university education. We are focused on students and their learning, engaging, and belonging.

This catalog outlines the scope and work of the college. It goes into quite a bit of detail about the courses offered, support services to ensure your success, the campus community, and our extracurricular activities which make up the Sandhills Community College experience. We hope this information will be helpful to you and answer many of your questions.

We also understand that enrolling in college can be daunting, so reach out to Student Services at 910-695-3765 if you have questions. We are here to help.

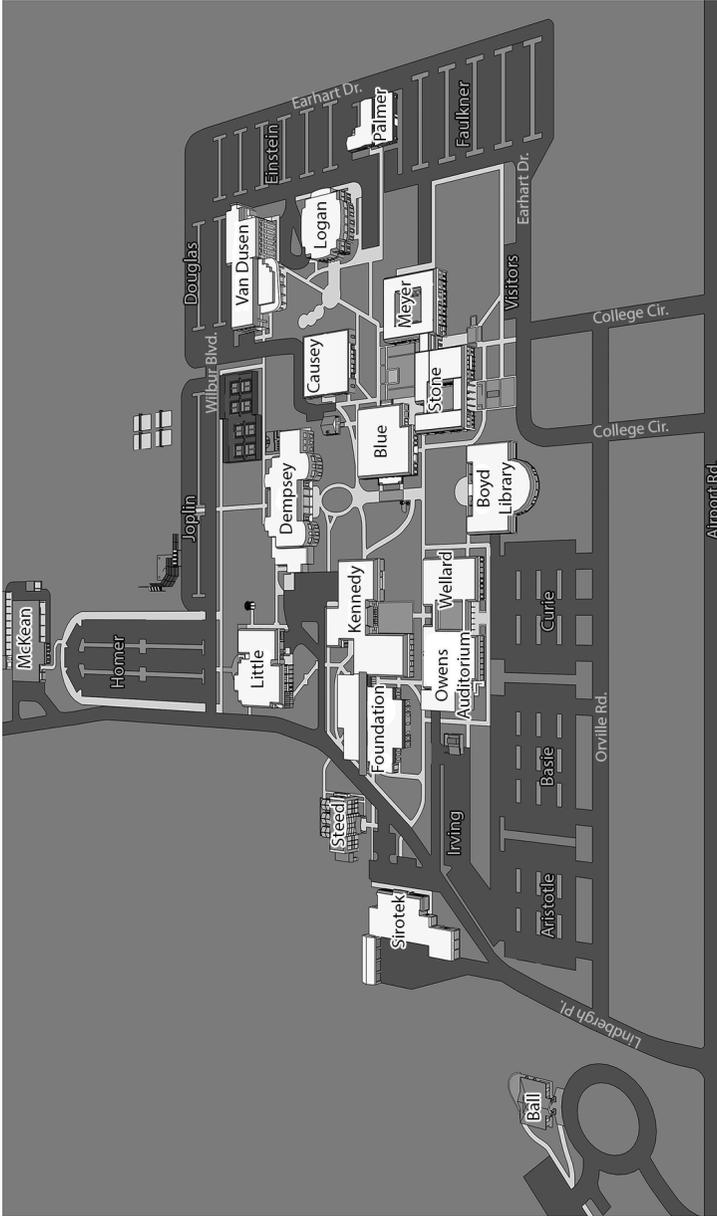

Welcome to the Sandhills Community College family. Since 1963, many thousands of students just like you have found a home at the college, earned degrees and certificates, and gained new skills. We are pleased that you are following in the footsteps of a long line of Sandhills students who now do important work in many fields and enrich their communities.

Personally, I look forward to serving you along your journey. Thank you for choosing Sandhills Community College.

A handwritten signature in black ink that reads "Alexander M. Stewart". The signature is written in a cursive, flowing style.

Alexander M. Stewart

## ACADEMIC CALENDARS

### 2023-2024 Academic Calendar

#### Fall Semester 2023

August 10	Thursday	Registration
August 11	Friday	Last Day 100% Refund
August 14	Monday	First Day of Classes
August 15	Tuesday	Add Period Ends
August 23	Wednesday	Last Day 75% Refund – 16 weeks
September 4-5	Monday-Tuesday	Labor Day Holiday
October 5	Thursday	End of First 8 weeks
October 9-10	Monday-Tuesday	Fall Break
October 11	Wednesday	Beginning of Second 8 weeks
October 27	Friday	Drop Period Ends – 16 weeks
November 1	Wednesday	Spring Semester Priority Registration
November 10	Friday	Veterans Day Holiday
November 22-24	Wednesday-Friday	Thanksgiving Holiday
December 7-12	Thursday-Tuesday	Final Exam Period
December 12	Tuesday	Semester Ends

#### Spring Semester 2024

January 4	Thursday	Registration
January 5	Friday	Last Day 100% Refund
January 8	Monday	First Day of Classes
January 9	Tuesday	Add Period Ends
January 15	Monday	Dr. Martin Luther King Holiday
January 18	Thursday	Last Day 75% Refund – 16 weeks
February 28	Wednesday	End of First 8 weeks
March 4-8	Monday-Friday	Spring Break
March 11	Monday	Beginning of Second 8 weeks
March 26	Tuesday	Drop Period Ends -16 weeks
April 1-2	Monday-Tuesday	Easter Holiday
April 3	Wednesday	Summer and Fall Priority Registration
May 2-7	Thursday-Tuesday	Final Exam Period
May 7	Tuesday	Semester Ends
May 11	Saturday	Commencement

#### Summer Semester 2024

May 16	Thursday	Registration Summer & Fall
May 27	Monday	Memorial Day Holiday
June 10-14	Monday-Friday	College Closed (US Open)
June 27	Thursday	Registration C Summer & Fall
July 4	Thursday	Independence Day Holiday

	Classes Begin	Classes End	Last Day To Add	Last Day To Drop	Last Day 100% Refund	Last Day 75% Refund
Sessions						
Full Session (A)	May 20	July 31	May 21	July 9	May 16	May 24
1st Half (B)	May 20	June 26	May 20	June 7	May 16	May 21
2nd Half (C)	July 1	July 31	July 1	July 19	June 27	July 2

## 2024-2025 Proposed Academic Calendar

(Subject to change; not official until approved in Spring 2024)

### Fall Semester 2024

August 15	Thursday	Registration
August 16	Friday	Last Day 100% Refund
August 19	Monday	First Day of Classes
August 20	Tuesday	Add Period Ends
August 28	Wednesday	Last Day 75% Refund – 16 weeks
September 2-3	Monday-Tuesday	Labor Day Holiday
October 10	Thursday	End of First 8 weeks
October 14-15	Monday-Tuesday	Fall Break
October 16	Wednesday	Beginning of Second 8 weeks
October 27	Friday	Drop Period Ends – 16 weeks
November	To Be Announced	Spring Semester Priority Registration
November 11	Monday	Veterans Day Holiday
November 27-29	Wednesday-Friday	Thanksgiving Holiday
December 12-17	Thursday-Tuesday	Final Exam Period
December 17	Tuesday	Semester Ends

### Spring Semester 2025

January 9	Thursday	Registration
January 10	Friday	Last Day 100% Refund
January 13	Monday	First Day of Classes
January 14	Tuesday	Add Period Ends
January 20	Monday	Dr. Martin Luther King Holiday
January 23	Thursday	Last Day 75% Refund – 16 weeks
March 5	Wednesday	End of First 8 weeks
March 10-14	Monday-Friday	Spring Break
March 17	Monday	Beginning of Second 8 weeks
March 26	Tuesday	Drop Period Ends – 16 weeks
April	To Be Announced	Summer and Fall Priority Registration
April 21-22	Monday-Tuesday	Easter Holiday
May 8-13	Thursday-Tuesday	Final Exam Period
May 13	Tuesday	Semester Ends
May 17	Saturday	Commencement

### Summer Semester 2025

May 26	Monday	Memorial Day Holiday
May 27	Tuesday	Registration Summer & Fall
June 30	Monday	Registration C Summer & Fall
July 4	Friday	Independence Day Holiday

	<b>Classes Begin</b>	<b>Classes End</b>	<b>Last Day To Add</b>	<b>Last Day To Drop</b>	<b>Last Day 100% Refund</b>	<b>Last Day 75% Refund</b>
<b>Sessions</b>						
Full Session (A)	May 28	July 31	May 29	TBD	TBD	TBD
1st Half (B)	May 28	June 26	May 28	TBD	TBD	TBD
2nd Half (C)	July 1	July 31	July 1	TBD	TBD	TBD

## COLLEGE MISSION AND PROGRAMS

### College History

Sandhills Community College was established in December 1963 under authority of the 1963 State Community College Act. Following the leadership of Representative H. Clifton Blue, Moore County citizens petitioned the State Board of Education for approval to establish a community college in the county and voted overwhelmingly for a one-million-dollar bond issue for construction and a tax levy for operation and maintenance of facilities. Before the end of 1963, a board of trustees had been named, an organizational meeting held, an architect selected, and Dr. Raymond Stone chosen as first President of the College.

In 1964, construction of facilities began on land given for the campus by Mrs. Mary Luman Meyer of Pinehurst. Temporary college offices were located in downtown Southern Pines. Classes began on October 1, 1965, in nine scattered locations. The first building on the Pinehurst campus was completed in 1965. Of the 20 building on the current campus, five were completed by 1966, including Meyer Hall for sciences, Stone Hall, Blue Hall, Sirotek Hall, and the President's residence.

Following Dr. Stone's retirement in 1989, Dr. John R. Dempsey was selected to serve as President of the College.

The College's main campus in Moore County has expanded significantly since the 1960s. Kennedy Hall, the current home of the Art Department and most Health Science programs, was constructed in 1978. The 1980s were a time of campus expansion with the addition of four new buildings, to include Causey Hall, Boyd Library, Owens Auditorium, and Wellard Hall. In 1997, Van Dusen Hall was opened to house Continuing Education, Public Services programs, and the Social and Behavioral Science Department.

The early and mid-2000s was a time of continued growth and renovation. The Ball Visitors Center opened in 2000 and continues to serve as a welcome and educational center for the community members visiting the Horticultural Gardens. Little Hall, a facility for culinary technology and the engineering and computer programs, and Dempsey Student Center opened in 2006. In addition, Steed Hall, home of the Landscape Gardening program, opened in 2010 to replace its former home, Huette Hall. Logan Hall, a 36,000 square-foot general purpose office and classroom building, opened in 2012. Blue Hall, one of the earlier structures on campus, underwent a major renovation in 2012 and is now the home to Career Services, Planning & Research, Basic Law Enforcement Training, and Health and Fitness Technology classes. The 2012 opening of the McKean Campus Services Center allowed the old maintenance facility to become the focal point of Continuing Education advanced manufacturing

programs. In 2022, Foundation Hall opened its doors for the first time and is home to the Nursing and Emergency Medical Science (EMS) programs.

The College's Hoke County Center in Raeford, opened a third classroom building in fall 2010 to house the SandHoke Early College High School, adding to Johnson and Upchurch Halls, in which Continuing Education and Curriculum classes are provided to Hoke County citizens. Mobile classroom cottages were added in spring 2013 to house an expansion of the SandHoke Early College High School.

The Caddell Public Safety Training Center serves as a hub for continuing education public safety and construction instruction. Caddell opened in 2011 with four buildings-control tower, drill tower, residential burn building, and a classroom facility. In 2021, a fifth building was added to provide space for Construction classrooms.

Sandhills has been fortunate in attracting a highly competent faculty and staff. Experienced faculty members bring to the classroom a spirit of dedication to teaching and a willingness to advise students in course selection and academic planning. Professional staff provides assistance with admissions, counseling, financial aid, and student life.

## **Mission Statement**

The Mission of Sandhills Community College is to provide educational opportunities of the highest quality to all we serve.

## **Core Values**

### **Integrity**

The Mission of Sandhills Community College is to provide educational opportunities of the highest quality to all we serve.

### **Helpfulness**

The faculty and staff of Sandhills are genuinely and eagerly helpful to the college's students and to each other. Going the 'extra mile' is expected behavior at Sandhills.

### **Excellence**

Sandhills provides educational programs of the highest quality and then provides the support necessary to promote student success. Similarly, the college employs faculty and staff who are exceptionally well-qualified to promote educational excellence and, in addition, encourages and supports them in the performance of their jobs.

**Respect**

The atmosphere of Sandhills Community College is one of respect, friendliness, and civility — values that are taught to students by the way in which faculty and staff interact with them and with each other.

**Opportunity**

Opportunity is at the core of Sandhills' mission. The college provides educational opportunities to the students who enter through its open doors, opportunities for growth to the area's businesses and lifelong learners, and opportunities for professional and personal development to its faculty and staff.

## **Equity Statement**

Sandhills is committed to advancing access and opportunity in an inclusive environment that creates a sense of belonging by actively dismantling equity barriers and eliminating disparities historically underrepresented students face.

## **College Goals**

**Access and Opportunity**

To ensure access for students of all abilities to credit and noncredit courses through various delivery modes; and to provide opportunities for students in curriculum studies and workforce training as well as in adult literacy and personal enrichment.

**For-Credit Academic Programs**

To educate and prepare students for professional and personal opportunities by providing relevant technical and transfer programs that include distinct general education competencies through a variety of course delivery modes.

**Support Services**

To provide comprehensive academic and student support services and resources that facilitate engagement, support student success, and help students meet their academic, career, and personal goals.

**Economic Development**

To provide training for local businesses and to contribute constructively to the economic well-being of the region.

**Campus and Community Life**

To foster an inclusive environment that encourages student involvement, celebrates faculty and staff, contributes to the cultural richness of the community, and promotes community service while honoring our core values.

**Campus Resources**

To ensure that the college has the necessary financial, technological, and physical and human resources to advance a culture of excellence and opportunity; to hire personnel of the highest quality who reflect its diverse community and exhibit its core values; and to create a welcoming campus with a sense of belonging.

**Performance Measures and Standards, 2022-2023****North Carolina Community College System**

The North Carolina Community College System released the most recent data in July 2022.

**Basic Skills Student Progress**

- Percentage of Basic Skills periods of participation (PoP) with a measurable skill gain (MSG) (program year of July 1 – June 30)
- Data Source: LEIS annual data file; Comprehensive Curriculum Student Report; Continuing Education data file
- System Average Band: 0.816 to 1.171
- SCC Performance: .0942

**Student Success Rate in College-Level English Courses**

- Percentage of first-time associate degree-seeking and transfer pathway students passing a credit-bearing English course with a “C” or better within three years.
- Data Source: Comprehensive Curriculum Student Report; National Student Clearinghouse
- System Average Band: 0.947 to 1.081
- SCC Performance: 0.973

**Student Success Rate in College-Level Math Courses**

- Percentage of first-time fall associate degree-seeking and transfer pathway students passing a credit-bearing Math course with a “C” or better within three years.
- Data Source: Comprehensive Curriculum Student Report; National Student Clearinghouse
- System Average Band: 0.927 to 1.104
- SCC Performance: 0.934

**First Year Progression**

- Percentage of first-time fall credential-seeking curriculum students who graduate prior to or enroll in postsecondary education during the subsequent fall term.

---

## COLLEGE MISSION AND PROGRAMS

---

- Data Source: Comprehensive Curriculum Student Report; Graduation Extract data file; National Student Clearinghouse
- System Average Band: 0.970 to 1.036
- SCC Performance: 1.100

### **Curriculum Completion**

- Percentage of first-time fall credential-seeking students who have graduated, transferred, or are still enrolled during the fourth academic year with 42 successfully completed non-developmental hours.
- Data Source: Comprehensive Curriculum Student Report; Graduation Extract data file; National Student Clearinghouse
- System Average Band: 0.973 to 1.054
- SCC Performance: 1.023

### **Licensure and Certification Passing Rate**

- Percentage of first-time test-takers passing licensure and certification exams within each exam. Exams included in this measure are state mandated exams which candidates must pass before becoming active practitioners.
- Data Source: Licensing agencies
- System Average Band: 0.937 to 1.027
- SCC Performance: 0.886

### **Transfer Performance**

- Percentage of community college students (Associate Degree completers and those who have completed 30 or more articulated transfer credits) transferring at a four-year university or college during the fall semester who remain enrolled at any four-year university or college the subsequent fall semester or graduate prior to.
- Data Source: Comprehensive Curriculum Student Report; Graduation Extract data file; National Student Clearinghouse
- System Average Band: 0.973 to 1.007
- SCC Performance: 1.004

## **Campus Services**

### **Bookstore**

Students can purchase textbooks, school supplies, sportswear, and other accessories at the college bookstore located in the Dempsey Student Center. The bookstore is owned and operated by Barnes and Noble. Students may also locate course textbook selection and ISBN information online at [sandhills.bncollege.com](http://sandhills.bncollege.com). Bookstore hours of operation are posted online at [sandhills.bncollege.com](http://sandhills.bncollege.com) and posted in the Dempsey Center. During the

add/drop period, the bookstore will keep hours comparable to those of day and evening registration.

### **Cafeteria**

The Sandhills cafeteria, located in the Dempsey Student Center, is operated to provide a quality assortment of reasonably priced breakfast and lunch items for students, employees, and visitors. Food sales are supplemented by vending machine selections. Cafeteria hours and service availability may vary by semester.

### **Disability Services**

Consistent with the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act of 1973, Sandhills Community College is committed to equality of educational opportunity and ensures that no qualified person shall, by reason of a disability, be denied access to, participation in, or the benefit of any program or activity operated by the College.

For additional information, visit our website at [www.sandhills.edu/student-resources/disability-services](http://www.sandhills.edu/student-resources/disability-services) or call us at (910) 246-4138.

### **SCC Website**

Interested parties may visit the Sandhills Community College website at [www.sandhills.edu](http://www.sandhills.edu) for a wide range of information about the college and its services. In addition to information regarding SACSCOC and specific programs subject to accreditation, visitors to the website will find class schedules, admissions and registration information for both college credit and workforce continuing education classes, and information pages for academic departments and programs. [Sandhills.edu](http://Sandhills.edu) also provides links to information about student resources and library services. A calendar of upcoming events and news articles related to the college are also accessible from the site.

The MySCC page is designed specifically to be the information portal for students and acts as the central location for valuable resources. To support that role, it contains the links for students to log into their online courses, email and Self-Service. In addition, students can access other material that will allow them to plan and be successful in their academic courses. Current students should access this page often for time-sensitive college announcements.

### **Student Printing**

As part of student technology fees, students are allotted \$10 toward printing on campus each semester. To print using a campus printer, students will enter their username and password and select the account they will use for the print

job. If the student exhausts their allotment of copies, he/she will have the option of adding money to their account either using a credit card online or through cash kiosks located in various locations on campus. Black and white copies are \$0.05 each and color copies are \$0.15 each.

Technology fee funds expire at the end of each semester. There will be no refund/carryover of unused technology fee funds. Money added by the student to their printing account will carryover from semester to semester as long as a break in enrollment does not exceed two years.

## **Instructional Programs and Delivery**

College credit and career credit classes and programs are offered for citizens with varied educational needs and backgrounds using traditional (classroom) settings and non-traditional (hybrid and eLearning) instructional methods. Courses are taught day and evening throughout the year on and off the main campus.

## **Credit Programs**

### **University Studies Program**

Courses that lead to the Associate in Arts, Associate in Arts in Teacher Preparation, Associate in Engineering, Associate in Fine Arts, Associate in Science, and Associate in Science in Teacher Preparation degrees are offered at the freshmen and sophomore levels. Credits earned in college transfer courses may be transferred to senior colleges and universities where students may pursue a program of study leading to a baccalaureate degree. Advisors assist students in selecting courses that will be appropriate for baccalaureate degree programs at senior institutions.

### **Applied Science Programs**

Two-year programs are offered leading to the Associate in Applied Science degree. These programs are comprised of specialized and related courses required for successful employment in business, industry, health, horticulture, and service occupations.

### **Diploma Programs**

One-year diploma programs are offered, leading to employment in health, business, industry, and service occupations. These programs include occupational specialty and related courses selected to give students the knowledge and skills needed for successful employment.

## **Certificate Options**

Several of the occupational education programs have a certificate option that includes specialized courses but omits related and general education courses. Students who complete these programs are awarded a program certificate. Students not seeking a college degree, diploma, or certificate may enroll in selected occupational courses as long as the specific course prerequisites are met.

## **General Education Program**

The College offers a non-transferable general education degree for students who want a more flexible two-year college degree. General education students are assisted in the selection of courses that will meet their own special needs and are awarded the Associate in General Education degree upon completion of the program requirements. A program specific AGE degree is offered for each of the Health Science programs which allows students to complete all required general education and non-program specific courses prior to the application process for program entry.

In addition, the college offers the Associate in General Education in Nursing which is designed for students who wish to begin their study toward the Associate in Nursing degree and Baccalaureate degree in Nursing.

## **Special Credit Courses**

The College encourages the enrollment of students who are not seeking a degree but wish to further their education by taking courses of special interest. Courses may be audited or taken for college credit. Students will qualify for special credit status only during the first 16 credit hours of course work. To enroll in additional course work, students must reapply to the college, declare a major, and meet enrollment requirements.

## **Workforce Continuing Education (WCE) Career Credit**

Workforce Continuing Education (WCE) training programs are designed to provide training and certification for individuals to gain new or upgraded occupational skills. Training programs are delivered as a single course or bundled as a series of courses and are designed to provide instruction around skill competencies leading to a recognized credential (licensure, renewal, registry listing) and/or meeting local workforce labor needs.

WCE courses are offered on and off campus to meet the expressed needs of adults wishing to continue their education. The Workforce Continuing Education division awards Continuing Education Units (CEUs) for appropriate programs and courses.

## **Personal Enrichment**

Personal Enrichment classes at Sandhills Community College are designed to enhance the intellectual, physical, and personal well-being of the Sandhills community. The Center for Creative Living and the Lifelong Learning Institute facilitates innovative programs that are designed to promote access to services and community resources and to encourage participation and collaboration with various community organizations and agencies.

## **Instructional Delivery**

In addition to offering traditional classroom instruction, the College also offers classes in non-traditional formats and at non-traditional times. All courses use the college's Learning Management System (LMS) to support learning through online assignments and/or posted course information.

The College currently requires no additional fees related to verification of student identification in courses using the LMS (currently Open LMS). The student's identification is verified through the LDAP Authentication system each time the student enters the system. In addition, while completing instructional activities on the system, biometric and facial recognition technology is used to validate a student's identity. A proctoring system is also available for instructor use.

## **Hybrid Courses**

College curriculum or continuing education courses in which the instruction for some course contact hours of instruction is delivered when the student and the instructor are separated by distance are classified as hybrid courses. Instructional delivery methods may include, but are not limited to, Internet, LMS, licensed instructional videos, CD, TV, DVD, instructional software, or other media. Hybrid courses are advertised in the class schedules and are designated with an H in the section number. The hours offered through the online format are listed on the course syllabi. Students enrolled in these classes must follow the regular admissions and registration process, pay regular tuition and fees, and meet all course prerequisites.

## **Online Courses**

College curriculum or continuing education courses in which 100% of the instruction is delivered via the Internet/online are classified as online courses. Courses may have proctored testing, but instruction is delivered online. Although there may not be specific access times, most online courses have a specific schedule of assignments with due dates. To establish enrollment, students must log into the course and submit the orientation assignment by the deadline designated by the instructor. Students are required to log into the course several times a week for the duration of the semester, and they must

also meet course deadlines specified by the instructor, as would be the case in a traditional campus course. In some online sections, faculty use a conferencing application to meet virtually with the class at a specified time. This information is communicated on the posted online course schedule. Online courses are identified in the class schedules by an N in the section number. Students enrolled in these classes must follow the regular admissions and registration process, pay regular tuition and fees, and meet all course prerequisites. As noted earlier, information related to online student support and procedures is found in the *Online Education at SCC* guide available on the MySCC page of the website at [MySCC.sandhills.edu](http://MySCC.sandhills.edu).

## **COLLEGE ADMISSION AND REGISTRATION**

### **Admission to the General College**

Sandhills Community College maintains an open-door admission policy for high school graduates and others 16 or older who hold a high school equivalency or an adult high school diploma. Additionally, those who are at least 18 years of age but who do not have a high school diploma or equivalency may be accepted for admissions to an adult basic education or adult secondary education program; students may also enroll in continuing education classes or as a special, non-degree-seeking student. Admission to the College does not guarantee placement into a specific program of study.

Sandhills Community College reserves the right to deny admission or readmission to students whose presence on campus is construed by the administration as harmful or potentially harmful to Sandhills Community College students, faculty, and/or staff. Students admitted to the College must adhere to the Student Code of Conduct, which prohibits conduct that significantly impairs the welfare or the educational opportunities of others in the college community.

Exceptions to the admissions policy, including the U.S. Department of Education Ability to Benefit provision, may be determined after a conference with the Vice President of Student Services and Enrollment Management.

### **Admission to Workforce Continuing Education**

Detailed information regarding enrollment into Continuing Education programs and courses is available in the “Workforce Continuing Education” section of this *Catalog*.

### **Admission to Curriculum Education**

#### **Non-Degree-Seeking Student (Special and Visiting Students)**

Admission as a Special or Visiting Student requires the following:

- Submit a completed official admissions application form.
- Submit documentation supporting that any applicable course prerequisites have been met.

Special students may register for courses if course prerequisites are met and if space exists in the class. Further admission information concerning special and visiting students is available below in the “Student Classifications – Guidelines for Admission” section.

## Degree-Seeking Student

Admission to associate degree, diploma, and certain certificate programs requires the following:

- Submit a completed official admissions application form to include your online residency interview via the North Carolina Residency Determination Service.
- Submit an official high school transcript indicating graduation with a diploma, a high school equivalency certificate (HSE), or an adult high school diploma.
- Submit official college transcripts from all previously attended institutions.

It is the responsibility of the student to make certain the required documents are sent; however, the Student Services Division will provide guidance with admissions and placement.

Further admission information concerning specific student populations is available in the “Student Classifications – Guidelines for Admission” section.

## Placement Determination

Placement determination is required for students who plan to enter an instructional program; special students who enroll in English, mathematics, or other restricted courses; and high school students taking college courses.

Students will be placed based on the highest of the following placement methods:

- Unweighted GPA reflected on a high school transcript;
- Qualifying minimum score on high school equivalency exam;
- RISE, ACUPLACER, ASSET or COMPASS scores, or qualifying SAT or ACT scores;
- College credits in English and mathematics awarded as transfer credit;
- Associate degree or bachelor’s degree.

Students who do not achieve college-level placement will be advised to enroll in transition courses to prepare them for future program placement. **Please note:** In some instances, students may challenge a course by passing a departmental exam and earning Credit by Exam (CE). Such requests must be made through the appropriate department chair.

For further details, contact the Admissions Office at (910) 695-3725.

## **Program Placement**

Students who desire to enter a specific instructional program and who meet the testing and placement criteria will be placed in the program of their choice as long as vacancies exist. Placement of qualified candidates into the programs will be made according to the published program admission requirements, which may include the date by which the candidates successfully meet testing and placement criteria and the date by which all required records are received by the college. Program placement requirements and special program requirements are outlined on program sheets that can be obtained online through the Programs link located on the SCC homepage.

## **Registration for Curriculum Classes**

Registration dates for each semester are listed in the academic calendar located in the front of this Catalog and online at [www.sandhills.edu](http://www.sandhills.edu). Admission and program placement requirements must be met before students may register. Students are not officially registered for classes until tuition and fees have been paid.

## **Last Day to Register**

Academic integrity dictates that the “Add Period” (as noted in the Academic Calendar), generally, is the final opportunity for previously enrolled or new students to register for classes in any given semester.

## **Student Classifications – Guidelines for Admission**

### **New Students**

New students enrolling in curriculum classes must meet the admissions requirements outlined above.

### **Readmitted Students**

A student will maintain an active application status provided a break in enrollment does not equal or exceed 2 years. Students returning after an absence of 2 years and those students who applied but never attended must be readmitted following this procedure:

- Submit a completed official admission application form.
- Submit transcripts from all regionally accredited colleges or universities attended since applying to or attending Sandhills.
- Attend a required orientation session.
- Meet the admission and graduation requirements of the *Catalog* in effect at the time of readmission.

Students who have not attended Sandhills Community College in at least five years may be required to re-submit an official high school transcript indicating graduation with a diploma, a high school equivalency certificate (HSE), or an adult high school diploma, as well as transcripts from all regionally accredited colleges or universities previously attended. College and university transcripts will be evaluated for transfer credit by the Office of Records and Registration using criteria in effect at the time of readmission.

In addition, students changing from Special Student status to Degree Seeking must submit a change of status form and submit any required documents to the Admissions Office to become eligible for readmission.

Students returning to Sandhills after a break of two semesters may be required to submit a new residency application. Contact admissions for questions at 910-695-3725.

## **Foreign Students**

### **Permanent Residents**

Applicants must provide current valid documentation from the U.S. Citizenship and Immigration Service (USCIS) before being admitted and placed under regular admissions policies.

### **Other Visas**

Applicants must provide current valid documentation from the U.S. Citizenship and Immigration Service (USCIS) before being admitted — as allowed — and placed under regular admissions policies.

### **F-1 Visas**

The International Student Office located in Blue Hall 101 assists F-1 visa students and students who desire to apply for F-1 visas. The office assists F-1 visa students in communication with U.S. Citizenship and Immigration Services (USCIS) regarding appropriate employment authorization, extension of Form I-20 expiration dates, foreign student transfers of Form I-20s from other colleges, and international student advising. Further, all F-1 students and other non-immigrant visa holders who wish to change to the F-1 student status are mandated by USCIS regulations to have a current record of local and an international address on file with the college.

Applicants seeking an F-1 student visa must provide a satisfactory academic record. Further, an Affidavit of Support form and a letter from your sponsor's bank giving specific current account balance information is needed. Please

limit your bank documentation to no more than 10 pages. The minimum current balance should be at least \$26,154 (US dollars) available for your tuition, fees, transportation, housing, meals, books, and other living expenses for one academic year for an individual student. For dependents, add \$5,000 for the spouse and \$2,000 per child. Applicants seeking an F-1 student visa must provide documentation showing graduation from a secondary school that is equivalent to secondary schools in the United States. English as Foreign Language (EFL) students must submit a Test of English as a Foreign Language (TOEFL) score as evidence of ability to use English at a level of competence necessary for college work. Students can view TOEFL exams and dates at <https://www.ets.org/toefl.html>. A minimum score of 68 is required for the Internet-based TOEFL exam (iBT – with no less than grade 17 on each section), and a minimum score of 213 on the computer-based TOEFL exam (CBT). However, exceptions to the college policy may be granted in rare instances. Applicants seeking an F-1 student visa should contact the Admissions and Community Recruitment Department at Sandhills Community College for additional information. New F-1 students have 72 hours upon arrival in the state to report to the Admissions and Community Recruitment Department – please bring your travel documents (e.g., passport, F-1 visas, I-94 card or online print out and Form I-20). Additionally, F-1 students are required to make an appointment with the Principal Designated School Official (PDSO) for international student affairs within a week of their arrival to complete international student orientation. To schedule an international student orientation, please contact the PDSO, Rosa McAllister-McRae, at 910.246.4944 or [mcallisterr@sandhills.edu](mailto:mcallisterr@sandhills.edu). All applicants seeking an F-1 student visa should contact the Admissions Department at Sandhills Community College for additional information.

### **Undocumented Immigrants**

According to North Carolina and federal legislation, community colleges are responsible for ensuring that a student who is lawfully present in the U.S. will always have priority for a space in a class or program of study over a student who is not lawfully present in the U.S., if there are space limitations. As such, Sandhills Community College follows these admission requirements for undocumented immigrants:

- Colleges should neither enroll undocumented students into a class or program of study for which there are waiting lists, nor should colleges register undocumented students for classes until the conclusion of the last published registration period.
- Colleges shall admit an undocumented immigrant only if they attended and graduated from a U.S. public high school, private high school, or home school that operates in compliance with State or local law. Undocumented immigrants with a HSE diploma are not considered to have "graduated from a U.S. public high school, private high school, or home school" and therefore are not eligible to be

admitted to a community college. An undocumented immigrant with a diploma from an Adult High School that is located in the U.S. and operates or operated in compliance with State or local law is eligible to be admitted to a community college.

- Undocumented immigrants may not be admitted into a program of study that requires a professional license since federal law prohibits states from granting professional licenses to undocumented immigrants.
- Undocumented immigrants will be charged out-of-state tuition whether or not they reside in North Carolina.

### **Foreign College Transcripts**

Foreign college transcripts must be translated into English with a comprehensive course-by-course report before the Office of Records and Registration at Sandhills will evaluate these documents for potential transfer credits. Sandhills will accept official course-by-course foreign college transcript reports from companies that are members of either the Association of International Credential Evaluators (AICE) or the National Association of Credential Evaluation Services (NACES).

Students must contact the company directly and instruct them to mail an official report directly to Sandhills. Students also must request a course-by-course evaluation. Document-by-document evaluations will not be accepted by Sandhills for transfer credit. The Office of Records and Registration, 910-695-3739, provides further information.

### **Transfer Students**

Transfer students must meet the same admission criteria as all new students. In addition to submitting all other application materials, transfer students must submit official transcripts of all post-secondary credits previously earned at other accredited institutions. Students will not be allowed to register beyond their first semester unless all required transcripts are received. These official transcripts become a part of the student's permanent record and cannot be sent to other institutions or returned to the student.

Sandhills Community College will consider granting credit for work done at other regionally accredited institutions of higher education. Courses accepted for transfer credit must parallel course offerings at Sandhills Community College as determined by the Director of Records and Registration, the Vice President of Instruction, and/or the appropriate Department Chair. The *Higher Education Directory* is used for verification that institutions are regionally accredited. This allows SCC to determine whether to accept transfer credits from that college. Upon review of the approved transfer credits, the Director

of Records and Registration enters course information for any transferred classes into Colleague. Transfer credits are indicated by TR in the student record. The Director then files the official transcript from the accredited college in the student's permanent academic file. Courses approved to satisfy the NCCCS Comprehensive Articulation Agreement general education, pre-major or elective course requirement will also be considered for acceptance as transfer credit. Transfer credit may be allowed only for courses in which a student has earned a grade of a "C" or higher. Transfer credit for master's level coursework is not transferrable. Any exception to this policy must be approved by the Vice President of Instruction.

## **Special Students**

Any high school graduate or anyone 18 years of age or older who does not plan to earn a degree, diploma, or certificate but who wishes to enroll in a college credit course may be admitted as a special student. Special students may register for courses if course prerequisites are met and if space exists in the class. A current SCC student's registration may take precedence over a special student's registration. Exceptions to any of the above statements must be approved by the Vice President of Instruction.

Special students will be required to show proof of placement or course completion prior to enrolling in English, mathematics, or other restricted college-level courses. Students who have not met one of these requirements will be allowed to register only for non-restricted course.

Special students are not eligible to receive financial aid or veteran's benefits.

After successfully completing 16 semester hours of course work, a special student should meet with a counselor or with a Transfer Center Advisor concerning possible placement into a curriculum. Upon a later decision to pursue a degree, diploma, or certificate at Sandhills Community College, the special student will be asked to complete a new application, submit proof of high school graduation, and meet certain placement criteria.

Special students planning to transfer credits to another institution are encouraged to obtain written permission with specific course information from the institution from which graduation is planned.

## **Home-Schooled Degree-Seeking Students**

Students who have graduated from a home school must provide the following documentation for admission:

- Proof that the home school is listed with the NC Division of Non-Public Education. This can be verified by the admissions office at

<http://www.ncdnpe.org/homechool.aspx> or a copy of the Certificate of Inspection issued by the State of North Carolina can be provided as verification.

- A final high school transcript, which includes the official school's name and the principal's signature. The transcript must also include the graduation date and both the state and home school established minimum scores required on a Nationally Standardized Test.

If the above criteria cannot be met, home school applicants may also elect to take and pass the HSE exam in lieu of a high school diploma.

## **Career and College Promise**

Career and College Promise offers structured opportunities for qualified high school juniors and seniors to enroll in community college courses. These opportunities are through pathways that lead to a certificate, diploma, or degree as well as provide entry-level job skills and industry certifications. Academic credits earned through Career and College Promise shall enable students who continue into postsecondary education after graduating from high school to complete a postsecondary credential in less time than would normally be required. Sandhills Community College offers three types of pathways: Career and Technical Education, to include Workforce Continuing Education, College Transfer, and Cooperative Innovative High Schools Program.

### **Career Technical Education Pathways**

The Career Technical Education Pathways lead to a certificate aligned with one or more high school Career Clusters. Additional information on these pathways is available online at College Programs for High School Students at [www.sandhills.edu/academics/ccp](http://www.sandhills.edu/academics/ccp).

The Workforce Continuing Education Pathways lead to credentials from national, state, or industry-recognized associations making them eligible to enter the workforce or continue to earn an advanced degree.

### **College Transfer Pathways**

The College Transfer Pathway allows a student to complete 32-35 semester hours of transfer courses, including English and mathematics, for qualified junior and senior high school students. College Transfer Pathways are also open to freshman and sophomore high school students identified as academically or intellectually gifted in Math and English and who meet specific requirements. Additional information on these pathways is available online at [www.sandhills.edu/career-and-college-promise-program-for-high-school-students-2/](http://www.sandhills.edu/career-and-college-promise-program-for-high-school-students-2/).

### **Cooperative Innovative High Schools Pathway**

SandHoke Early College High School (SHECHS) represents a partnership between the Hoke County School System and Sandhills Community College to implement a Cooperative Innovative High Schools program. SHECHS is designed to introduce students to the college setting in their sophomore year of high school by taking Sandhills Community College courses along with honors-level high school courses. The school offers a five-year program through which students have the opportunity to earn both their high school diploma and an Associate in Arts degree or an Associate in Science degree by successfully completing two years of transferable college credit.

*Admissions and Registration Procedures revised January 11, 2024. See revision at [www.sandhills.edu/catalog/about/admission-registration](http://www.sandhills.edu/catalog/about/admission-registration)*

## TUITION AND FEES

### Residence Status for Tuition Purposes

All residency determinations are made by the NC Residency Determination Service. The basis for determining the appropriate tuition charges is contingent upon whether a student is a resident or a nonresident for tuition purposes. To qualify as a resident for tuition purposes, a person must become a legal resident and remain a legal resident for at least twelve consecutive months immediately prior to classification. Thus, there is a distinction between legal residence and residence for tuition purposes. Furthermore, “twelve months legal residence” means more than simple abode in North Carolina. In particular, it means maintaining a domicile (permanent home of indefinite duration) as opposed to “maintaining a mere temporary residence or abode incident to enrollment in an institution of higher education.” The burden of establishing facts that justify classification of a student as a resident entitled to in-state tuition rates is on the applicant for such classification.

For more information and to obtain residency classification, go to [www.ncresidency.org](http://www.ncresidency.org). The Admissions Office provides further information at 910-695-3725.

### Tuition

Tuition for all courses is set by the North Carolina General Assembly and subject to change by its actions. The in-state curriculum tuition rate for the year 2022-2023 for all college credit courses was set at \$76.00 per credit hour up to a maximum of \$1,216.00 for sixteen (16) or more credits during the fall and spring semesters and up to a maximum of \$912 for twelve (12) or more credits during the summer semester; however, at the time of publication of this document, the State of North Carolina had not set 2023-2024 tuition rates.

Out-of-state tuition for 2022-2023 was set at the rate of \$268.00 per credit hour each semester up to a maximum of \$4,288.00 for sixteen (16) or more credit hours for the fall and spring semesters and up to a maximum of \$3,216 for twelve (12) or more credits during the summer semester; however, at the time of publication of this document, the State of North Carolina had not set 2023-2024 tuition rates.

### Student Activity and Technology Fees

The fee structure at Sandhills Community College is in accordance with policies established by the State Board of Community Colleges and is subject to change without notice. All students enrolled are charged a student activity fee of \$35, a technology fee of \$48, and a college access, parking, and security fee of \$25 each semester. The student activity fee covers the cost of a parking

sticker, an I.D. card, accident insurance coverage, library and audiovisual privileges, activities sponsored by the Student Government Association, a diploma for graduates, intramural and intercollegiate athletics, the use of the college fitness center, and other ancillary student-related college expenditures. The technology fee covers the cost of maintaining the computer labs, providing student printing, and supporting software updates. The college access, parking, and security fee provides support for campus safety.

## **Special Program/Course Expenses**

Some programs and courses require miscellaneous expenses for supplies, tools, uniforms, equipment, liability insurance, or travel. The schedule of classes or the class instructor for the following programs will provide specific information about such costs:

### **Programs Requiring Additional Expenses**

- Architectural Technology
- Automotive Systems Technology
- Aviation Management & Career Pilot Technology
- Baking and Pastry Arts
- Basic Law Enforcement Training
- Building Construction Technology
- Business Administration
- Civil Engineering Technology
- Collision Repair & Refinishing
- Computed Tomography Imaging Technology
- Computer Engineering Technology
- Construction Management Technology
- Cosmetology
- Criminal Justice Technology
- Culinary Arts
- Emergency Medical Science
- Environmental Engineering Technology
- Geomatics Technology
- Health and Fitness Science
- Landscape Gardening
- Medical Laboratory Technology
- Medical Office Administration
- Nurse Aide
- Nursing
- Radiography
- Respiratory Care
- Surgical Technology
- Therapeutic Massage

**Courses Requiring Additional Expenses**

- ART-111, 122, 135, 231, 232, 281, 283, 284
- ASL-111, 112, 211, 212
- AST-111A
- BIO-094, 110, 111, 112, 120, 130, 140A, 163, 168, 169, 175, 275
- CHM-130A, 151, 152, 251, 252
- DRA-145
- ENG-111, 112
- GEL-111
- HEA-112
- HIS-111, 112, 121, 122
- HUM-120, 180, 220
- MUS-110, 112
- PED-125, 163, 170, 173, 181, 212
- PHY-110A, 131, 151, 152, 251, 252
- SCI-110

Students in Health Science and Nursing Programs (excluding Nurse Aide and Therapeutic Massage) will be assigned a \$28 fee for medical record tracking in their first curriculum course. This fee is required for clinical participation in these classes:

- CAT-225 CT Clinical Practicum
- EMS-121 AEMT Clinical Practicum
- EMS 122 EMS Clinical Practicum I
- MLT-110 Intro to MLT
- NUR-111 Introduction to Health Concepts
- NUR-214 Nursing Transition Concepts
- RAD-110 Rad Intro & Patient Care
- RCP-110 Intro to Respiratory Care
- SUR-110 Intro to Surgical Technology

In addition, students enrolled in courses that take part in personal service or medical-related situations such as clinical or work-based learning experiences will be required to pay a fee of \$18 per year for professional liability insurance.

## **Criminal Background Check and Drug Screen Testing**

It is the procedure of Sandhills Community College Health Sciences and Nursing Departments to adhere to all policies of clinical agencies with which the College contractually affiliates for student clinical learning experiences. Drug screens and criminal background checks are required by clinical

healthcare affiliates in order to attend clinical rotations. Therefore, students admitted to programs with a clinical component are also required to pay for an official criminal background check and drug screen to meet the requirements of the clinical agencies.

## **Tuition Payments**

Students have several options when paying tuition:

- They can pay online by accessing their account through Self-Service.
- They can make payments in person Monday–Friday during business office hours. Additional payment dates and times are located online at [www.sandhills.edu](http://www.sandhills.edu).
- A drop box is located on the outside wall of Stone Hall and is available for payment twenty-four (24) hours a day, seven (7) days a week, unless otherwise posted.
- Students can mail payments to SCC, Attn: Business Office, 3395 Airport Road, Pinehurst, NC 28374.

Students should not make out checks in advance as payment is required in full and cash refunds are not given. When making or scheduling payments, students must include fines and fees in the total balance. An unpaid balance on an account can cause a student’s schedule to be cleared of classes.

Students with account balances after the “last payment day” will be dropped from their classes.

## **Tuition and Fee Waivers for Qualified High School Students and Full-Time College Employees**

Qualified students may receive a tuition and/or fee waiver, which will automatically post upon registration. High school students enrolled through one of the pathways of Career and College Promise will receive a waiver of tuition, activity fee, and technology fees. Students who are part of a registered youth apprenticeship also receive a waiver for tuition, activity fee, and technology fee. Full-time employees of Sandhills do not receive a waiver of tuition, but the college may pay for one class (up to 3 credits) each fall and/or spring semester.

## **Payment Responsibility**

Students are responsible to pay for classes from which they do not officially withdraw prior to the first day of classes. If financial aid is removed or the third-party sponsor does not pay due to a student’s lack of attendance, the student is liable for the tuition and/or fee charges. It is important that official withdrawal occur if a student does not plan to attend class so that the class seat is available for other students.

## **Graduation Fee**

Graduating students are encouraged to participate in commencement exercises. All students participating students are required to wear a cap and gown. These are available for purchase in the Bookstore located in the Dempsey Student Center in late April. The approximate cost for the package is \$45.00.

## **Refund of Tuition and Fees: State Refund Policy**

The refund policy is set by the North Carolina General Assembly and is subject to change by its actions. A pre-registered curriculum student who officially drops one or more classes prior to the first day of the semester will be eligible for a one hundred percent (100%) tuition refund. The student activity and technology fee will also be refunded if the student drops all classes prior to the first day of the semester. Thereafter, a refund of seventy-five percent (75%) of only the tuition will be made through the ten percent (10%) date of the semester. Students do not qualify for a refund of fees after the one hundred percent (100%) date. All tuition and course fee will be refunded if a class is canceled. The 100% and 75% dates are published online at [www.sandhills.edu](http://www.sandhills.edu).

Refunds will be processed within four weeks of the 10% date. Students should ensure that their address is correct with the Admissions Office so that they receive their refund check in a timely manner. Payments made by credit card will be refunded directly to the credit card account on file in the Business Office.

## **Refund Policies for Financial Aid Students Who Withdraw from Courses**

### **North Carolina Policy**

If a student receives North Carolina grant aid and drops all of his or her classes, a state refund calculation must be performed to determine how much aid the student has earned. The earned amount is determined by calculating the number of class days prior to the date of withdrawal. The unearned portion must be returned. This may require repayment by the student of all or part of any State money that the student received. The return of State funds required by this policy will be applied in the following order up to the maximum amount of funds disbursed from each program:

1. Institution-Specific State Grants:
  - a. UNC Need-Based Grant (UNC NBG);
  - b. North Carolina Scholarship; or
  - c. North Carolina Need-Based Scholarship Programs (NBS);

---

 TUITION AND FEES
 

---

2. North Carolina National Guard Tuition Assistance Program
3. UNC Campus Scholarships;
4. North Carolina School of Science and Mathematics Tuition Grant for UNC;
5. John B. McLendon Scholarship Fund.

### **Federal Refund Policy**

The Federal Refund Policy applies to all students receiving federal financial aid funds, including those who qualify for the state refund policy mentioned above. This policy requires the school to determine the amount of Title IV aid a student has earned. The earned amount is determined by calculating the number of class days prior to the date of withdrawal. The unearned portion must be returned. This may require repayment by the student of all or part of any federal money that the student received.

Refunds will be allocated by law according to the following order:

#### **1. Loans**

- Federal Unsub Direct loans
- Federal Subsidized Direct loans
- Federal Perkins loans
- Federal Direct PLUS loans

#### **2. Grants**

- Federal Pell Grant
- FSEOG
- TEACH
- Iraq/Afghan Service Grant

Students may obtain further information regarding these refund policies and refund calculations from the Financial Aid Office located in Stone Hall.

### **Military Refund Policy**

Upon request of the student, the College shall:

1. Grant a full refund of tuition and registration fees to military reserve and National Guard personnel called to active duty or active duty personnel who have received temporary or permanent reassignments as a result of military operations that make it impossible for them to complete their course requirements; and
2. Buy back textbooks through the Colleges' bookstore operations to the extent allowable under the College's buy back procedures.
3. The College shall use distance learning technologies and other educational methodologies, to the extent possible as determined by the college, to help active duty military students, under the guidance of faculty and administrative staff, complete their course requirements.

## STUDENT RECORDS

The personal records of students are supervised by the Director of Records and Registration. Material contained in students' personal file, with the exception of confidential letters of recommendation written prior to January 1, 1975, may be reviewed by students upon request to the Director of Records and Registration. In accordance with the Family Rights and Privacy Act of 1974, certain student information categorized as "directory information" may be provided to persons other than the student. Directory information includes the student's name, city & county of residence, photograph, major field of study, participation in officially recognized activities and sports, dates of attendance, grade level, student email address, degrees and awards received, and the most recent educational agency or institution attended by the student. A student who desires that any or all of the above-stated directory information not be released must submit a *Request to Block Directory Information* through student eForms no later than two (2) weeks after the first day of class each semester. More information related to the privacy of student records can be found in the "Compliance" section of this *Catalog*.

### Name Change

Students must notify the College of any legal name change by completing the Name Change form online through eForms. When completing the eForm, you must attach a copy of your new Social Security Card with the updated name to this form. Name changes are completed in the College systems in between semesters.

Student may request to be identified by a chosen name by completing the *Chosen Name Request* form online through eForms. The College acknowledges the need and preference for those identifying by a first name other than their legal first name. A chosen name will be used where possible in college systems and records and in the course of college business and education, except when the use of an individual's legal name is required by law or state policy and as long as the use of a chosen name is not intended to avoid legal obligations, for misrepresentation, or as otherwise prohibited.

### Address Change

Students must notify the College of any mailing address change by updating their address under User Profile in Self Service.

### Grades

Students can view their grades online at the end of each semester through Self Service under *Grades*. If a student believes an error or omission has been made, the student should contact the instructor of the class as quickly as

possible. All errors and any pursuant corrections must be reported to the Office of Records and Registration within two weeks of the close of the semester.

Grades are provided to other schools, parents, guardians, or others only with the written and signed authorization of the student. This authorization must be given to the Office of Records and Registration.

## Graduation Requirements

Upon recommendation of the faculty and the approval of the Director of Records and Registration, degrees, diplomas, and/or certificates will be awarded to students successfully completing the requirements of the program in which they are enrolled.

To be eligible for graduation, all students must do the following:

- Successfully complete course requirements as prescribed in the *Catalog* in effect at the time of entry into the program. If students have an interruption in enrollment from their designated program of study of two or more years, they will be subject to the program requirements prescribed in the *Catalog* in effect upon their re-entry into the program.
- Earn a minimum of a 2.0 grade point average in the required courses of the program of study for which they are applying for graduation. *With the exception of Health and Fitness Science, all health science, nursing, and transfer degree students must complete all courses required in their program of study for graduation with a letter grade of C or better. Health and Fitness Science students must earn a minimum grade of C or better for all HFS prefix courses.*
- Successfully complete a minimum of 25 percent of course credit hours of the certificate, diploma, or associate degree requirements at Sandhills Community College, with that 25 percent coming from **major and other major hours**, and not from general education hours, for the program of study. The Director of Records and Registration verifies completion of 25 percent as part of the graduation application process.
- In accordance with accreditation standards, all associate degree students must either place out of MAT-003 or successfully complete MAT-003 to demonstrate competence in fundamental mathematical skills.
- Meet with their advisor to review academic progress and verify eligibility for graduation in the 2023-24 academic year. Fall completers apply for graduation by November 3, 2023; Spring/Summer completers apply by February 1, 2024. To apply for graduation log into *Self Service*, then *Graduation Overview* to begin the process. In order to participate in the May commencement and be

considered a 2024 Sandhills Community College candidate for graduation, all of the above academic requirements must be met by the end of the summer semester 2024. Those who submit late applications for graduation run the risk of not being included in the commencement program. Honor distinctions for late applicants will not be recognized during commencement.

- Clear all financial obligations to the College.

Students are eligible to graduate with honors if their major GPA is a 3.5 or higher.

Students may apply to graduate with both a certificate and associate degree in the same program for the same academic year if the certificate contains technical electives not specified by course in the degree program.

Students cannot apply to graduate from both the Associate in Science and Associate in Arts degree programs for the same academic year. Students cannot apply to graduate from both the Associate in Engineering and either the Associate in Arts or Associate in Science degree programs for the same academic year.

Students cannot apply to graduate with the Associate of General Education degree if they are graduating or *have* graduated with another associate degree (A.A.S, A.S. or A.A).

Students are required to wear academic regalia during commencement. Regalia (caps and gowns) should be purchased from the Sandhills Community College Logan Bookstore in the Dempsey Student Center.

## **Transcripts**

Transcripts are issued at the request of the student. Sandhills Community College has authorized the National Student Clearinghouse to provide transcript ordering via the web. Orders may be placed 24 hours a day, 7 days a week and transcripts can be sent by electronic exchange, electronic PDF, or mail. Sandhills Community College certifies that an electronic transcript issued by the National Student Clearinghouse is an official college transcript. The acceptability of an electronic transcript will be determined by the recipient in accordance with their policies and procedures.

For those who choose not to use the National Student Clearinghouse, orders may be placed in person in the Business Office located in Stone Hall. No official transcript will be issued to or for an enrolled or former student who is indebted to the College.

## **FINANCIAL AID**

Financial assistance at SCC is available for degree-seeking students in qualified programs through grants, scholarships, and/or work-study employment. A student must apply for financial assistance and may be offered a single type of assistance or a combination package depending on the level of need and eligibility requirements. Aid may be provided by or through the college, federal and state agencies, foundations, or corporations. The student or the student's family is considered primarily responsible for paying for educational expenses. Financial assistance from the College and other sources should be considered only as a supplement to the efforts of the student or family. All policies pertaining to financial aid regulations and procedures are available for viewing in the Financial Aid Office and on our website. Most financial aid is awarded on a first-come, first-served basis, so students are encouraged to apply for financial aid as early as possible.

### **Financial Aid Programs**

#### **Federal Pell Grant**

The Federal Pell Grant Program is the largest federal student financial aid program. Pell grants are awarded to help undergraduates who are in curriculum programs pay for their education after high school. These grants may require repayment if the student does not fully complete the term. A student is eligible to receive the Federal Pell Grant for the equivalent of six (6) years or twelve (12) full-time semesters of combined enrollment at all institutions; enrollment is not limited to time spent at Sandhills. To apply for a Federal Pell Grant, students need to complete the Free Application for Federal Student Aid (FAFSA). The grant amount is determined by the federal government and awarded based on need. Students must complete the financial aid process prior to their last date of attendance in an academic year.

#### **Federal Supplemental Opportunity Grant**

Federal Supplemental Educational Opportunity Grants (FSEOG) are awarded to Federal Pell Grant recipients with exceptional financial need. These grants may require repayment if the student does not fully complete the term. Candidates for this grant are selected from applicants who have completed the FAFSA, and funding is limited.

#### **Federal and Institutional Work-Study Program**

The Federal and Institutional College Work-Study (WS) Programs provide jobs for students who need additional financial aid. WS gives students a chance to earn money to pay for their educational expenses and is a great way for students to gain valuable work experience. WS students are paid at a rate

determined by the institution. Current job descriptions can be found at [www.sandhills.edu](http://www.sandhills.edu).

The student must complete an online WS application found at [www.sandhills.edu](http://www.sandhills.edu). The WS Coordinator will then determine financial eligibility and send the application to the hiring supervisor. Hiring supervisors are responsible for conducting interviews and making candidate selections for their positions. Before beginning work, all participants must review the *Work-Study Handbook* and complete all required employment paperwork. WS students are required to complete a monthly timesheet and are paid at the end of the following month. Eligible students are placed in WS positions for each academic year based upon available funds.

### **Student Loans**

Sandhills Community College does not participate in the Federal Direct Loan Program. Alternative loans may be available for curriculum students. Please contact the Financial Aid Office for more information.

### **NC Scholarship**

The NC Scholarship is awarded to NC residents. These grants may require repayment if the student does not fully complete the term. Eligibility is determined by the State. Students enrolling at a North Carolina Community College with an Adjusted Gross Income (AGI) of \$75,000 or less and an Expected Family Contribution (EFC) of \$7,500 or less, as reported on the FAFSA, are guaranteed at least \$2,800 from combined federal and state aid. Consideration for funding is automatic once the FAFSA is filed. The FAFSA filing priority date is August 15 for North Carolina Community Colleges. Applicants completing the FAFSA after these dates may be denied if insufficient funds are available.

### **Childcare Grants**

Limited childcare subsidies are available to economically disadvantaged students. An application may be obtained online or in the Financial Aid Office. The open application period begins in June, and the process of awarding childcare subsidies starts in July. Applications are received on a continuing basis during the school year, and a waiting list is maintained until the following June. All students must re-apply for each academic year. A history of satisfactory academic progress is required, and the student must maintain satisfactory academic progress to continue receiving a childcare subsidy.

### **Endowed and Donor Scholarships**

SCC offers many endowed and donor scholarships. A student completes a single application to apply for all SCC Scholarships. The application must be

completed online at [www.sandhills.edu](http://www.sandhills.edu) beginning in November of each year. There are two deadlines for scholarships. The early consideration deadline is February 28, and the late consideration/final deadline is May 1. Selection of recipients is made by the College during the spring term for scholarship funds to be used for the upcoming school year beginning in the fall.

### **The Sandhills Promise Program**

The Sandhills Promise Program is for Moore and Hoke County residents who graduate from a public/private high school or registered home school having completed four dual enrollment courses at Sandhills with a cumulative GPA of at least 2.0 and a 67% completion rate by the time of high school graduation. For students who qualify, the College will pay the tuition, technology and activity fees up to the in-state rate for two years, including summer terms. The two years of eligibility begin in the fall semester after high school graduation and end following the summer semester of the second year. To apply, students must complete both the Free Application for Federal Student Aid (FAFSA) and the SCC Scholarship Application annually. For more information, students may contact the Sandhills Promise Office.

### **Other Funds and Outside Scholarships**

Other outside scholarships and funds are available to assist students. Some of these include employer-paid tuition, the Workforce Investment Act through the Employment Security Commission, Vocational Rehabilitation, Department of Social Services, and Veterans Administration. Please see the appropriate agency to determine qualification for any of these programs.

### **Federal Aid Eligibility Requirements**

To receive aid, a student must follow these guidelines:

- File a Free Application for Federal Student Aid (FAFSA) application each school year.
- Take only courses that are needed to fulfill graduation requirements.
- Enroll as a degree-seeking student in an eligible program.
- Have an official high school or HSE transcript on file with the Admissions Office.
- Have all college transcripts on file with the Admissions Office within the timeframe required by college policy.
- Be a U. S. citizen or an eligible non-citizen.
- Demonstrate financial need.
- Make satisfactory academic progress.
- Not be in default on a federally subsidized education loan.
- Not owe a federal refund due to a withdrawal from all courses during a term of enrollment.

## **Federal Aid Enrollment Classification**

For all semesters of enrollment (fall, spring, summer), full-time credit hours for financial aid are 12 or more credit hours. Financial Aid for students registered for fewer than 12 total credit hours per semester will be prorated as follows:

- 9 to 11 credit hours =  $\frac{3}{4}$  time or 75% of the award
- 6 to 8 credit hours =  $\frac{1}{2}$  time or 50% of the award
- Fewer than 6 credit hours = 25% of the award or less — see below

Students who are enrolled for fewer than 6 credit hours per semester may be eligible for only a small amount of Pell Grant, or no Pell Grant at all. Students enrolled for fewer than 6 credit hours are not eligible to receive certain State and Federal grants. NC Scholarship is not awarded to students who are less than half-time credit hours. NC Scholarship is not funded in the summer terms.

## **Unusual Enrollment History (UEH)**

### **Purpose**

In order to prevent fraud and abuse in the Federal Pell Grant and Federal Direct Loan Programs, the Federal Department of Education (DOE) identifies students with unusual enrollment histories. This policy describes what steps a student must take to resolve questions about their enrollment history and how Sandhills Community College (SCC) will handle the review process to determine the student's future eligibility for federal and state financial aid at SCC.

### **Scope**

When the Department of Education identifies a student with an unusual enrollment history regarding the receipt of Pell Grant funds and/or Federal Direct Loan funds, SCC must examine the student's academic and enrollment records to determine whether there are valid reasons for the unusual enrollment history. The outcome of the review will determine whether the evidence supports the continuation of Title IV, HEA program assistance eligibility for the student (which includes but is not limited to the Pell Grant, Federal Work Study, the Federal Supplemental Educational Opportunity Grant, as well as all state grants). SCC may also review the enrollment history of a student not identified by DOE as having an unusual enrollment history if it believes the student's prior academic history warrants such a review.

## **Unusual Enrollment History Comment Codes**

After a student submits a FAFSA (or makes a change to their FAFSA) or the Department of Education generates an update that reflects a change in student

eligibility, the student receives a Student Aid Report (SAR). If the SAR shows a Comment Code 359 or 360, SCC must review the student's academic and enrollment records to determine if additional information must be collected about the student's prior enrollment. A student selected by SCC for UEH review will be treated as though DOE had assigned Comment Code 360. Examples of unusual enrollment histories that must be reviewed are when a student received Pell Grant and/or Federal Direct Loan funds at three institutions over two award years or at three or more institutions in one award year. Any federal or state aid that has already been awarded for the current award year will be placed on hold pending the outcome of the student's review by the Financial Aid Office. If a student is deemed ineligible, all funds will be sent back to the government, and the student will owe SCC for all semester costs.

### **Resolving Unusual Enrollment Histories**

SCC Financial Aid must review a student identified as having an unusual enrollment history when the student has indicated intent to enroll at SCC using financial aid. The student must complete an **Unusual Enrollment History Form** from SCC Financial Aid and provide copies of academic transcripts to the Financial Aid Office for *each* institution attended (other than SCC) *where the Pell Grant and/or Federal Direct Loan funds were received* during the review period which includes the four award years prior to the current award year. A student may view their Pell Grant and/or Federal Direct Loan history by going to [www.nsls.ed.gov](http://www.nsls.ed.gov) and logging in using their Federal Student Aid PIN. Official academic transcripts for all other institutions attended during the review period must be sent to the SCC Admissions Department (if not already on file) *before* the student's record can be reviewed by SCC Financial Aid. Students may obtain copies of the official transcripts already on file with SCC by completing a **Request for Unofficial Copy of Other College Transcripts Form** available from SCC Admissions or Registrar. During the review, SCC Financial Aid will use information from the National Student Loan Data System (NSLDS) to identify/verify the institutions where the student received Pell Grant and/or Federal Direct Loan funding over the past four award years.

### **SAR Comment Code 359**

The institution must review the student's enrollment and financial aid records to determine if, during the four award years prior to the current award year, the student received a Pell Grant at SCC that is performing the review. (Federal Direct Loans are not included in this section because SCC has not participated in the Federal Direct Loan Program during the review period.)

- If the student received the Pell Grant at SCC during the review period, SCC would look to see if the student successfully completed any credits and, if the student dropped or withdrew from classes, the last date of attendance. No additional action is required unless SCC has reason to believe that the student is one who remains enrolled just

long enough to collect student aid funds. In this case, SCC must follow the guidance that is provided below for Comment Code 360.

- If the student did not receive the Pell Grant at SCC during the review period, SCC must follow the guidance provided below for Comment Code 360.

### SAR Comment Code 360

SCC must review the student's academic records to determine if the student received academic credit at the institutions the student attended during the four award years prior to the current award year. Based upon the academic transcripts provided by the student, SCC must determine, for each of the previously attended institutions, whether academic credit was earned during the award year in which the student received Pell Grant and/or Federal Direct Loan funds. Academic credit is considered to have been earned if the academic records show that the student completed any credit hours or clock hours, or if a grade was earned for any remedial classes.

- **Academic Credit Earned:** If SCC determines that the student earned any academic credit at *each* of the previously attended institutions during the relevant award years, no further action is required unless SCC has other reasons to believe that the student is one who enrolls just to receive the credit balance. In such instances, SCC must require the student to provide additional information as discussed below under "Academic Credit Not Earned." If it is determined that academic credit was not earned at one or more of the previously attended institutions, SCC must follow the "Academic Credit Not Earned" guidance below.
- **Academic Credit Not Earned:** If the student did not earn academic credit at a previously attended institution and, if applicable, at the institution performing the review, SCC must obtain documentation from the student explaining why the student failed to earn academic credit.
  - **Documentation Required:** The student must have completed an **Unusual Enrollment History Form** from SCC Financial Aid to explain the failure to earn academic credit. Personal reasons may include illness, family emergency, a change where the student is living, and military obligations. Academic reasons may include unexpected academic challenges or that the academic program did not meet the student's needs. Whatever the reason, the student must, to the extent possible, submit third party documentation to support their claims. *SCC may be unable to approve a claim that is submitted without supporting documentation.*

## **SCC UEH Review Process**

The SCC Financial Aid administrator will determine whether the circumstances of the failure of the student to receive academic credit, as evidenced by the student's academic records and other documentation, support the continuation of Title IV, HEA program assistance eligibility. Specifically, the institution must determine whether the documentation supports (1) the reasons given by the student for the student's failure to earn academic credit; and (2) that the student did not enroll only to receive credit balance funds. The Financial Aid administrator will review the student's documentation, and the student will be informed of the decision in writing.

## **Denial of Continued Eligibility**

If a student did not earn academic credit at one or more of the relevant institutions and does not provide, to the Financial Aid administrator's satisfaction, an acceptable explanation and documentation for each of those failures, SCC must deny the student any additional Title IV, HEA program assistance and any state grants. If a student disagrees with the determination by the Financial Aid administrator, the student may appeal the decision to the Vice President of Student Services and Enrollment Management. This appeal must be submitted in writing within five (5) business days from the date of the letter from the Financial Aid administrator. The decision of the Vice President of Student Services and Enrollment Management is final and is not appealable to the Department of Education.

## **Regaining Aid Eligibility**

If SCC denies a student continued Title IV, HEA program assistance under the circumstances described above, the student who attends Sandhills Community College (without federal or state financial aid) may regain financial aid eligibility upon successful completion of academic credit and their subsequent written request to the Financial Aid Office for renewal of Title IV, HEA program eligibility. Once approved, the student would regain eligibility for the Pell Grant, campus-based aid programs, and state grants beginning with the payment period in which the student met the eligibility requirements.

## **Veterans Benefits, Programs, and Guidelines**

### **Veterans Affairs**

Sandhills Community College education programs are approved by the North Carolina State Approving Agency for the enrollment of persons eligible for education assistance benefits from the U.S. Department of Veterans Affairs (VA). Those entitled to VA benefits are eligible veterans, participants in the Montgomery G.I. Bill® contributory program, active-duty military in

voluntary education programs, drilling National Guard, drilling Reservists, and spouses and children of disabled or deceased veterans. The VA certifying official in the on-campus Veterans Center provides information and assistance to students applying for VA education benefits. Following is a general description of the veteran benefit programs available at SCC. Please see the VA certifying official regarding any specific questions regarding these programs.

Sandhills Community College is a member of the Service Members Opportunity Colleges (SMOC), a participant in the Concurrent Admissions Program (ConAP), and a Principles of Excellence educational institution.

### **Montgomery GI Bill® (MGIB)**

The MGIB program provides up to 36 months of education benefits. This benefit may be used for approved degree and certificate programs at SCC. Remedial, deficiency, and refresher courses may be approved under certain circumstances. Generally, benefits are payable for 10 years following an individual's release from active duty. This program is also commonly known as Chapter 30.

### **Montgomery GI Bill® - Selected Reserve (MGIB-SR)**

The MGIB-SR program may be available to a student if they are a member of the Selected Reserve. The Selected Reserve includes the Army Reserve, Navy Reserve, Air Force Reserve, Marine Corps Reserve and Coast Guard Reserve, and the Army National Guard and the Air National Guard. This benefit may be used for approved degree and certificate programs here at SCC. Remedial, deficiency, and refresher courses may be approved under certain circumstances.

### **Post-9/11 GI Bill® (Chapter 33)**

The Post-9/11 GI Bill® provides up to 36 months of education benefit. This benefit is for eligible individuals who served on active duty after 09/10/01. This benefit may be used for approved degree and certificate programs at SCC. Remedial, deficiency, and refresher courses may be approved under certain circumstances. Generally, benefits are payable for 15 years following an individual's eligibility date, unless a student qualifies for the Forever GI Bill® detailed below. There is a transferability component for eligible individuals to transfer this benefit to spouse or dependents. This program is known as Chapter 33.

The Veterans Benefits and Transaction Act of 2018 (Public Law 115-407) provides provisions regarding GI Bill® processes. GI Bill® beneficiaries (Chapter 33) are allowed to attend their course(s) of education or training without paying tuition and fees out of pocket if the beneficiary provides the

school certifying official a Certificate of Eligibility (CoE) or a valid VA Form 22-1990. The college will not impose a penalty or payment requirement on the beneficiary based on late (more than 90 days) payments from VA. However, the CoE or VA Form 22-1990 must be received no later than the first day of the program.

### **Forever GI Bill®**

The Forever GI Bill® eliminates the 15-year time limitation for service members (and dependents) discharged on or after January 1, 2013. As with the Post-9/11 GI Bill®, the benefit may be used for approved degree and certification programs at SCC. Remedial, deficiency, and refresher courses may be approved under certain circumstances.

### **Survivors' and Dependents' Educational Assistance Program (DEA)**

DEA provides education and training opportunities to eligible dependents of veterans who are permanently and totally disabled due to a service-related condition or who died while on active duty or as a result of a service-related condition. The program offers up to 36 months of education benefits. These benefits may be used for approved degree and certificate programs at SCC. Remedial, deficiency, and refresher courses may be approved under certain circumstances.

### **Veteran Readiness and Employment (Chapter 31)**

The Veterans Benefits and Transaction Act of 2018 (Public Law 115-407) provides provisions regarding Chapter 31 processes. VR&E beneficiaries (Chapter 31) are allowed to attend their course(s) of education or training without paying tuition and fees out of pocket if their assigned VR&E Counselor send the SCO an approved authorization letter. The college will not impose a penalty or payment requirement on the beneficiary based on late (more than 90 days) payments from VA. However, the authorization letter must be received no later than the first day of the program.

### **VA Work-Study Program**

Work-study is available on a limited basis to students receiving VA education benefits and attending school at least three-quarter time. An individual working under this program may work at the college's VA office or at approved state employment offices. Work-study is paid at the minimum wage rate, and students can work up to 25 hours a week.

## **NC National Guard Tuition Assistance Program (NC TAP)**

NC TAP is available to any student who is a member of the North Carolina National Guard and pays tuition/fees. Students who wish to apply for the benefits must do so through the website <http://nc.ng.mil/ESO/Pages/NCTAP.aspx>.

## **The Yellow Ribbon Program**

The Yellow Ribbon Program offers tuition assistance to Chapter 33 veterans whose out-of-state tuition costs are not fully covered by their benefits and their maximum benefit payable is 100%. It is a federal program funded by both the Department of Veterans Affairs and Sandhills Community College. The program is administered on a first-come, first-served basis each academic year. For questions regarding the program, please contact the Veterans Affairs Office.

## **VA General Eligibility Requirements**

To be eligible for educational benefits, the student must be enrolled in an approved curriculum, taking only those courses required for graduation in the chosen curriculum. Students must make and maintain academic progress in their program of study for their benefits to be continuously certified.

The VA will not pay for enrollment in the following: (1) course audits, (2) repeated courses previously passed unless a higher grade is required for approved program of study, (3) credit by examination, (4) courses not required in chosen curriculum, (5) continuing education classes, and (6) dropped or withdrawn classes.

## **VA Documentation**

VA regulations governing institution-approved training of veterans and/or dependents of veterans require that certain documents be on file prior to certification of enrollment. Certification will not be made until the VA certifying official receives all documentation. It takes 60-90 days from the date of certification for benefits to start. Required documentation is as follows:

1. Application for admission with all required documentation;
2. Proper Application for VA benefits (form 22-1990, 22-5490, or 28-1990) and all required supporting documentation, including but not limited to the following items:
  - (a) Copy of Member 4 of the DD-214 or National Guard form DD-2384 "NOBE" signed by the Unit Commander;
  - (b) Copy of marriage certificate (if applicable);
  - (c) Copy of divorce decree (if applicable);
  - (d) Dependent children's birth certificates (if applicable);

---

FINANCIAL AID

---

3. Official high school transcript or HSE scores and all academic transcripts from each college or trade school previously attended.

If VA benefits have been received for prior training, the student must submit form 22-1995, Change of Program or Place of Training.

All veterans and dependents of veterans are required to submit a VA Cert Alert to the institution's VA office each semester. A student will not be certified for their enrollment until this form is submitted and approved.

Students receiving VA benefits must notify the VA certifying official of any changes in course load, attendance, or enrollment status within three days of the change. Failure to notify the VA certifying official of these changes may result in termination of benefits and certification of future benefits at the end of the subsequent term upon receipt of the student's official grade report.

GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at <https://www.benefits.va.gov/gibill>.

## STUDENT SERVICES

### Campus Health and Safety

Sandhills Community College is committed to maintaining a safe, healthy, and positive work and learning environment. Toward that end, in a good faith effort to ensure the safety and welfare of all the campus community, the college has adopted codes, statements, and policies that are detailed in the college's *Catalog* and the *Policy and Procedures Manual*, as well as being posted online at [www.sandhills.edu](http://www.sandhills.edu).

### Campus Health and Safety Awareness Activities

Guest speakers, hosted by Student Services, provide workshops on such topics as alcohol/substance abuse, campus security, crime and crime prevention, stress management, financial awareness and credit management, and safety issues. Referrals are made, as needed, to local agencies such as hospitals, mental health centers, social services, Friend-to-Friend, private counselors, and self-help groups. Literature on many health and safety issues is provided in the Dempsey Student Center and in the Counseling Center in Stone Hall. Every other year, the Safety and Environmental Committee hosts a health fair for faculty, staff, students, and community.

### Communicable Disease

Any individual who knows or has a reasonable basis for believing that they are infected with a communicable disease (including but not limited to chickenpox, hepatitis, measles, Acquired Immune Deficiency Syndrome [AIDS], meningitis, mononucleosis, and whooping cough) has an obligation to protect himself or herself and others from the ramifications of the disease. Specifically, such individuals should report this information to the appropriate person (see below). Every effort will be made to try to keep the matter confidential. Only persons with a need to know will be informed and only with prior direct knowledge of the individual who is or believes they may be infected.

Curriculum students should report a communicable disease condition to the Dean of Student Services. Continuing Education students should report such conditions to the Vice President for Workforce Continuing. The Director of Moore County Health Department will be immediately notified. At the Hoke Center, communicable disease conditions should be reported to the Associate Vice President of the Hoke Center who will then report them to the Dean of Student Services and to the Hoke County Health Department.

The appropriate senior administrator will take necessary steps to ensure the medical safety of the student and the college community; if deemed necessary

for the good of all, the student may be asked to remove himself or herself from the campus until a necessary evaluation of the condition is completed and the President of the College issues a final ruling concerning the enrollment status of the student.

This policy is one part of the College's on-going attempt to promote awareness, education, and counseling on communicable diseases. More information is available in the "Compliance" section of this *Catalog*.

### **Student Accident Insurance**

Each year, the Student Government Association (SGA) purchases a student accident insurance plan, an excess policy that may cover medical expenses of students caused by accidental bodily injury during college-related academic and social activities. The provisions governing this policy are contained in the master policy issued to the school and may be viewed during the school's office hours. A brief description of the policy, which varies from year to year, will be available through the Office of Student Services at the beginning of each academic year. Students may obtain a brochure or file a claim with the Administrative Assistant to the Chief Operating Officer in Stone Hall, 105A, 695-3702.

## **Counseling and Career Services**

### **Personal Counseling**

At Sandhills Community College, your personal wellness is important. Licensed clinical mental health counselors are on campus and are available to assist all enrolled students with issues that may affect wellbeing. Our counselors provide a safe and confidential counseling space. Counseling sessions are scheduled by appointment and may last up to forty-five (45) minutes. Students are encouraged to schedule an appointment on the counseling services webpage.

Sandhills Community College does not charge students a fee for counseling sessions. For students who choose to seek professional counseling services from off-campus providers, our counselors can assist with appropriate referrals. Counselors are located in the Counseling Center on the Pinchurst campus in 229 Stone Hall and 100 Blue Hall (inside the Career Center). At the Hoke Center, the Counseling Center is located in 112 Johnson Hall.

High School students who are on campus for classes will be served by their assigned school counselor. If a crisis occurs, our counselors will assist and then follow up with the counseling department at the student's high school. For all other students under the age of 18 on campus, North Carolina law

requires the consent of a parent or legal guardian in order to receive mental health services.

Exceptions include:

1. The student is married.
2. The student serves in the armed forces.
3. The student is legally emancipated.

## **Career Development**

The Career Development professionals provide services that prepare college graduates for a successful transition into the workforce. Our staff provides training to ensure competency in the following areas: oral/written communication skills, professionalism/work ethic, resume writing, interviewing skills and career management. The Career Resource Library provides career-related materials to assist students in further developing their career competencies

## **Career Services**

Student career services are available for current, alumni, and prospective students. The services offered are career assessments, job searching strategies, career counseling, student engagement (career meetups/roundtable), career workshops, business referrals, networking, and a shared online job search link, [www.collegecentral.com/sandhills/student.cfm](http://www.collegecentral.com/sandhills/student.cfm). Our job link provides access to current job market information. Guidance related to student employment is available in Blue Hall, room 103.

## **Job Fairs**

The SCC Career Center hosts an annual job fair each year on campus in the Spring semester. Job Fairs provide an opportunity for a variety of employers to visit campus to provide networking and job considerations with our students. The Director of Career Development Services develops relationships with both local and regional employers to develop job opportunities for Sandhills Community College students.

## **Guarantee to Employers**

Sandhills Community College guarantees that its graduates are proficient in the knowledge and skills covered by their educational programs. In the event that an employer finds a Sandhills graduate deficient in such an area, the employer should — within 90 days of the graduate's employment — contact the Senior Vice President of Academic Affairs. The Senior Vice President of Academic Affairs will arrange to re-enroll the graduate in up to three (3) courses at the College at no charge to the graduate or the employer. This

guarantee applies to graduates of two-year associate in applied science degree programs and one-year diploma programs.

## **Campus Diversity and Inclusion Organizations**

The College promotes campus commitment to belonging through two efforts: The Cultural Outreach Office and the Office of the Dean of Cultural Affairs and Diversity. The Cultural Outreach Center is a social center for student cultural outreach. This is a space for sharing the unique perspectives at Sandhills Community College of all student cultures and to recognize areas of common ground. The students' active collaboration and perspectives in the Cultural Outreach Center will help the Diversity, Equity, and Inclusion Committee to promote inclusion throughout Sandhills Community College.

Promoting diversity, equity, and inclusion on our campus is vital to our success as an institution. These words are not “buzz words,” but commitments that create outcomes. Through listening, participating, and collaborating, we have goals, new investments, accountability, and a passion for making us better. These efforts are directed through the Office of the Dean of Cultural Affairs and Diversity. The Dean, along with the Diversity, Equity, and Inclusion Committee, aspire to achieve the highest excellence levels and serve as a liaison for all campus constituents. By valuing others, we all benefit. This group's mission continues to promote an institutional culture that is fluid and proactive in addressing diversity, equity, and inclusion.

## **Student Involvement in the Institution**

### **Student Government Association (SGA)**

Many student activities at Sandhills Community College are sponsored by the Student Government Association (SGA). Efforts are made to provide students with cultural, social, recreational, and service-oriented activities. Activities sponsored by the SGA include free food days, national days, the annual Fall Fest and Spring Fling, holiday festivities, coffee and doughnuts during exams, and a variety of other events.

The SGA is always looking for new ideas and new Senators. To become a Senator, students must complete a simple online application via Engage at <https://sandhills.campuslabs.com/engage/submitter/form/start/578511>, maintain at least a 2.0 GPA, contribute at least four hours per week to SGA activities, and possess high motivation. Every student on campus is a member of the SGA, and the SGA acts as the students' voice at SCC. Not only does the SGA sponsor fun events and activities, but it also presents student

comments and concerns to the administration and the Board of Trustees. In fact, the SGA President is a trustee of the College.

The SGA office is located upstairs in the Dempsey Student Center, inside the Ewing Leadership Wing.

### **Student's Role in Institutional Decision-Making**

By statutory requirement, the President of the Student Government Association serves *ex officio* on the Board of Trustees, the governing body of the College. Additionally, students serve on the Student Grievance Committee. In serving in these roles, students have opportunities to advocate for the student body, contribute to proposed policies and procedures, and rule on appeals related to student disciplinary cases.

Most significantly, the Student Government Association gives students experience in representative government. Officers are elected by the student body. Students interested in serving in the SGA can get information directly from the Sandhills website or the Director of Student Life located in the Dempsey Student Center.

### **Student Publications**

The Student Government Association produces an in-house, weekly bulletin written by and designed for students.

This bulletin, published weekly, and sent via SCC student email accounts, is overseen by the SGA Public Information Officer and the Director of Student Life, with content by members of the SGA, the student body and SCC Faculty/Staff. While it is an informal publication, this bulletin, like all student publications, is expected to observe the guidelines for student publications.

### **Student Publications Guidelines**

Student publications guidelines at Sandhills Community College are expected to represent the student body at its best. The content of such publications must be in concert with the college Student Code of Conduct. Specifically, all contributors to such publications are bound by the elements of this code:

- Writing that communicates a true threat to an individual or group is prohibited.
- Writing that communicates *harassment* that rises to the level of severe or pervasive is prohibited.
- Writing that involves libelous charges is prohibited.
- Writing that makes use of obscene language and/or expletives is prohibited.

Because this is an educational institution, writing that appears in student created publications is expected to be clear, correct, and well-reasoned. Documents should be well-designed and inviting to the reader.

All materials for student publications must be approved prior to publication by the Director of Student Life. Any disputes about content may be taken to the Dean of Student Services for resolution in concert with the Director of Student Life, the SGA President, and the student-writer. There is an inherent right to appeal. The appeal shall be in accordance with the Student Grievance Procedure.

### **Photo and Video Use**

Sandhills Community College does not collect photo/video release forms. Instead, the College assumes that faculty, staff, students and those visiting our campus are the best resources for marketing the College and are willing to participate in college promotions.

All photographic/video images become the property of Sandhills Community College. Marketing and Public Relations staff members will add the photos or video footage to the College's library of images (maintained by Marketing & Public Relations), which becomes a resource for the College's online and print publications. These images and videos may be used for years after obtaining. The College reserves the right to release images for use by outside agencies for publication by news outlets, magazines, and digital outlets as the College sees fit.

In addition to print use, images may be posted to the college's social media outlets (Facebook, Twitter, Instagram and others).

Still or video photo shoots may be informal (candid photos of campus scenes, athletic events, performances, events, or activities) or formal (planned visits to classrooms, headshots or photo/video shoots on campus).

Students participating in a formal photo shoot (flightPath magazine, billboards, viewbooks, etc.) are giving their permission for their image to be used. Students may opt out of a photo. If a student does not wish to be photographed but fails to identify himself or herself to the photographer, it will be difficult to exclude that person from the resulting images.

Concerns about the uses of individual images may be communicated to the Marketing & Public Relations Department, which will try to resolve individual complaints while still meeting the institutional goals of visually representing the College. Expense is sometimes a consideration in the ability to change a photograph; usually an inventory of printed publications must be exhausted before the change can be implemented.

## **Supervisory Role of the Institution over Student Activities**

While Sandhills Community College takes very seriously its commitment to creating an atmosphere that encourages maximum student self-governance and a range of stimulating activities, the College is also mindful of its responsibility to oversee student life in a responsible and proactive fashion. The supervision of student activities is a function of the Division of Student Services. The Dean of Student Services charges the Director of Student Life to direct student activities and serve as advisor to the Student Government Association (SGA). The Advisor attends all SGA meetings and sponsored activities and serves as a liaison between the SGA and the Dean of Student Services. A description of the supervisory role of the SGA Advisor over the SGA and student activities is found in the *Student Government Association Constitution and Bylaws*.

The SGA is the official sanctioning body for all campus clubs and organizations. The *SGA Constitution and Bylaws* notifies students of their responsibility in initiating and participating in a student club or organization, which must be recognized as such in order to be permitted to use college facilities. Each club or organization has a full-time faculty or staff member who serves as advisor and meets regularly with the group. Additional information may be found in the *Student Club and Advisor Handbook* which may be obtained through the Director of Student Life.

Student activities at Sandhills Community College are evaluated regularly through student surveys and Campus Labs/Engage student participation data. Results provide insight into student needs, interests, satisfaction, and level of participation. These insights are used in determining and planning appropriate student activities.

## **Student Fundraisers**

All student fundraiser events must be approved by the Director of Student Life prior to the event. Proper scheduling will help prevent the possibility of two events occurring on the same day. Activities on campus, including requests for donations or funds, must be submitted in writing using the *Fundraising Request Form* via Engage (<http://sandhills.campuslabs.com/engage/>). Before approval is given for soliciting prizes, funds, or donations from the public, the Director of Student Life will consult the Sandhills Community College Foundation Office to ensure the activity relates directly to the purpose of the College and does not conflict with other fundraising activities or plans (More information is available under “Fundraising Procedure” in the *Club Handbook*.)

## Student Life

There is something special for everyone at SCC. Sandhills Community College sponsors a wide variety of organizations and clubs designed to enhance the educational opportunities available to our students. If you do not see a club that interests you and would like to know more about starting a new club on campus, contact our Director of Student Life at 910-695-3858.

### ACES (The Architecture, Construction, Engineering and Surveying Club)

**Contact: Ed Spidler, Little 163, 695-3797, [spidere@sandhills.edu](mailto:spidere@sandhills.edu)  
 Matthew Sheffield, Little 170, 246-4940, [sheffieldm@sandhills.edu](mailto:sheffieldm@sandhills.edu)  
 Lindsay McManamon, Little 167, 695-3799, [mcmanamonl@sandhills.edu](mailto:mcmanamonl@sandhills.edu)**

The Architecture, Construction, Engineering and Surveying Club, otherwise known as the ACES Club, extends learning opportunities about these and other related fields outside of the classroom. Each year, the ACES members participate in the Experience Industry Project, through which students explore exciting projects and sites related to their industries. Students

have toured the Washington Nationals Baseball Stadium construction, the Freedom Tower construction, the Brooklyn Bridge, the Smithsonian Air & Space Museum, the Skyscraper Museum, the Hoover Dam, the Chunnel, the Big Dig, as well as many other interesting sites.

### Alliance for Black Culture (ABC)

**Contact: Jeffrey Quick, Stone 113, 695-3787, [quickj@sandhills.edu](mailto:quickj@sandhills.edu)  
 Kimberly Aliago, Stone 115A, 695-3738, [aliagok@sandhills.edu](mailto:aliagok@sandhills.edu)  
 Tonelli Hackett, Stone 228, 695-3737, [hackettto@sandhills.edu](mailto:hackettto@sandhills.edu)**

The Alliance for Black Culture (ABC) promotes global diversity, equity and inclusion starting with our community. All races are cordially invited to join this organization. We strive to service our community, learn about Black history and culture, and increase success of Black graduates at Sandhills Community College.

### Athletics

**Contact: Mike Apple, Dempsey 107, 246-2864, [applem@sandhills.edu](mailto:applem@sandhills.edu)**

Sandhills Athletics works to support the mission and purpose of Sandhills Community College. As a member of the National Junior College Athletic Association (NJCAA), SCC athletics provide opportunities for development and competition that

support the educational goals of the College. Athletics were founded to serve the individual student as well as to enrich the college environment for all students, faculty, and staff. The Athletics Department works with students to promote leadership and involvement within our community through public service outreach. The Flyers have won NJCAA regional and district titles in volleyball, men's basketball, men's and women's cross country/track and field, and men's and women's golf. The Flyers have won national titles in men's basketball and men's golf. While many of our athletes will likely continue competing at a four-year college or university, it is our purpose to inspire all student athletes to better themselves academically, socially, and physically.

### **Chess Club**

**Contact: Daniel Regalado, Logan 208, 246-4946, [regaladod@sandhills.edu](mailto:regaladod@sandhills.edu)**

The SCC Chess Club provides an opportunity for students to socialize, learn, and grow through playing chess. Alongside regular meetings, the Chess Club also hosts opportunities for students to teach the game of chess to their fellow peers and holds chess tournaments (for charity). Our main objectives are to teach, learn, and to play chess – and to help people out along the way.

### **Circle K Club**

**Contact: Tammy Stewart, Boyd 107, 695-3821, [stewartt@sandhills.edu](mailto:stewartt@sandhills.edu)**

The SCC chapter of Circle K International will be a prominent, inclusive, and impactful student-led organization helping to improve the quality of life for the people in the Sandhills and SCC students through service, leadership, and fellowship.

### **Computer Technology Club**

**Contact: Paul Steel, Little 213, 695-3815, [steelp@sandhills.edu](mailto:steelp@sandhills.edu)**

The Computer Technology Club gives students the opportunity to meet others with similar interests in computer technology. The club facilitates communication, discussion and dispersion of information relating to computer applications, services and technologies. The club includes students from all areas of computer instruction offered on the campus including, but not limited to, computer programming, computer engineering, digital media, networking, and gaming and simulation. Club members are encouraged, through outreach programs, to give back to the SCC campus community and the Sandhills community at large. Above all else this club is open to all who WANT to know more....

## Creative Writing Club

**Contact: Renee Whitmore, Logan 133, 695-3867, whitmores@sandhills.edu**

The Creative Writing Club is all about writing creatively. Writing is one of those niche interests that only a small percentage of people take part in. As such, finding like-minded individuals who share a literary passion can be a challenge. The Creative Writing Club makes that challenge negligible. All that a literature-loving student will have to do to get involved with other writers is join up! Members of the club will be given the opportunity to share their work with others, and, naturally, have others' work shared with themselves. Peer reviews have been instrumental in my come-up as a writer, and it goes both ways. When my work is analyzed, I get to see what I did right and what I did wrong: perfect information for improvement. When analyzing another's work, I get to see what they did right and what they did wrong: perfect information for improvement.

## CRU

**Contact: TBA**

CRU is a caring community passionate about connecting people to Jesus Christ. The purpose of CRU is helping to fulfill the Great Commission in the power of the Holy Spirit by winning people to faith in Jesus Christ, building them in their faith and sending them to win and build others and helping the body of Christ to do evangelism and discipleship through a variety of creative ways.

## C-Step Club

**Contact: Matthew Dial, Meyer 218, 695-3960, dialm@sandhills.edu**

Students that are accepted into the UNC-CH Student Transfer Excellence Program (C-STEP) at Sandhills Community College are eligible to be members of this organization. The club will educate students interested in applying to the program, provide support to students currently in C-STEP, and participate in campus and community events to provide leadership opportunities for members.

## Fellowship of Christian Athletes

**Contact: J.P. Easterly, McKean 117, 695-3812, easterlyj@sandhills.edu**  
**Lauren Easterly, Logan 216, 695-3855, easterlyl@sandhills.edu**

FCA is a Christian community that is led by those who serve FCA's mission as its representatives, including all of FCA's directors, officers, employees and volunteer leaders, each of whom is an integral part of the community (and

are described in this Manual as “FCA representatives”). Both of FCA’s mission and the association of FCA’s representatives are an exercise and an expression of FCA’s Christian beliefs. The mission of the Sandhills Community College Fellowship of Christian Athletes is “to present to athletes and coaches, and all whom they influence, the challenge and adventure of receiving Jesus Christ as Savior and Lord, serving Him in their relationships and in the fellowship of the church.”

### **Flying Club**

**Contact: Keith Davies, Little 243, 693-2076, [daviesk@sandhills.edu](mailto:daviesk@sandhills.edu)**

The purpose of the club is to provide SCC students access to a growing industry and bridge the gap between the established Ground Training Aviation Program at SCC and Flight Training opportunities. The club will educate students on how to take their ground training learned at SCC to the skies and connect them with local Flight Training facilities.

### **GST\*A (Gay, Straight, Transgender Alliance)**

**Contact: Sue Senior, Kennedy 145, 695-3922, [seniors@sandhills.edu](mailto:seniors@sandhills.edu)  
Jami Dandridge, Stone 126, 693-2072, [dandridgej@sandhills.edu](mailto:dandridgej@sandhills.edu)**

GST\*A is a support group for the LGBT community and allies. The club offers a unique setting in which students, faculty, and staff at SCC can share their true identities. We offer support through weekly meetings as well as scheduled activities throughout the Fall and Spring semesters. GST\*A participates in many of the events held on campus to ensure that SCC maintains a friendly and helpful space for all people attending the college as well as people residing in the community. GST\*A also supports numerous campus events as well as promoting awareness and education that pertain to LGBT issues.

### **Health & Fitness Club**

**Contact: Shelby Basinger, Blue 109, 246-4961, [basingers@sandhills.edu](mailto:basingers@sandhills.edu)**

The SCC Health & Fitness Club helps to gather individuals who appreciate fitness and living a healthy lifestyle. In this club individuals are encouraged to share their ideas and new information that will help to improve the overall health of the group and those around them. Students of all levels/abilities are encouraged and welcomed to join.

### **Horticulture Club**

**Contact: Hilarie Blevins, Steed 209, 695-3885, [blevinsh@sandhills.edu](mailto:blevinsh@sandhills.edu)**

One of the oldest and most renowned organizations on the SCC campus is the Sandhills Horticulture Club. The club’s primary purpose is to provide a vehicle to support outside activities and competitions in which the Landscape Gardening students participate. The club hosts special events such as bedding

plant sales and other creative projects to support student trips, competitions, and student career days.

## **Intramurals**

**Contact: Ryan Riggan, Dempsey 232, 246-4121, [rigganr@sandhills.edu](mailto:rigganr@sandhills.edu)**

Interested in starting a club sport? Club sports that have been popular in the past include soccer, tennis, and sand volleyball. Sandhills club sports are student led meaning students assume the role of captain or co-captain and assist with the recruitment of other students to play. Students of all levels/abilities are encouraged to start a sport and/or participate.

## **Lacrosse Club**

**Contact: Dr. Laura Hill, Van Dusen 224, 695-3770, [hilll@sandhills.edu](mailto:hilll@sandhills.edu)  
Michael Sassano, Little 153, 695-3940, [sassanom@sandhills.edu](mailto:sassanom@sandhills.edu)**

The purpose of the Lacrosse Club is to provide opportunities for students to learn and develop an appreciation for the game. The club is inclusive and wants to support the development of anyone who is interested in learning more about lacrosse with the goal of growing the game on campus and generating greater campus and community awareness.

## **Latin X**

**Contact: Bill Pope, Van Dusen 220, 246-4978, [popew@sandhills.edu](mailto:popew@sandhills.edu)**

Latin X is a club dedicated to raising awareness about the Latin X and Hispanic culture by providing resources for our campus community. Club participants do not need to identify as Latino/a/x in order to join as we aim to actively participate in the expression and inclusion of diversity among campus. The club welcomes anyone and everyone! Our objective is to educate the student body on traditions and cultures they may not be familiar with, along with raising awareness and celebration for marginalized groups on campus.

## **Phi Theta Kappa – Alpha Tau Beta**

**Contact: Jackie Babb, Little 207, 695-3802, [babbj@sandhills.edu](mailto:babbj@sandhills.edu)  
Scott Robinson, Little 206, 695-3869, [robinsons@sandhills.edu](mailto:robinsons@sandhills.edu)**

Phi Theta Kappa is the international honor society for two-year colleges. Membership is available to students by invitation only and requires a 3.7 GPA based on 16+ hours of college credit courses (100 level or higher) in a degree-granting program. Invitees who choose to join are inducted in the spring or fall semesters. The hallmarks of Phi Theta Kappa are scholarship, leadership, fellowship, and service. Kappans serve as hosts for the college

lecture series, as marshals at graduation, and as assistants with on campus activities.

### **Radiography Club**

**Contact: Robin Garner, Kennedy 158, 695-3916, garnerr@sandhills.edu**

The Radiography Technology Club includes students that are enrolled in SCC's Radiography Program. Club members are encouraged to give back to the community through school and community sponsored events. Club members also host fundraisers to support workshops and attendance at State Radiography conferences, where students are encouraged to network, build relationships with peers, reach for higher professional goals, and support patient safety initiatives. This club provides opportunities for students to get involved in school, community, and professional initiatives to give back and raise standards affecting our healthcare profession. Students host fundraising events to provide funding for NCSRT conference and ARRT Registry preparation.

### **Sandhills Association of Nursing Students**

**Contact: Hannah Altergott, Kennedy 110, 695-3935, altergotth@sandhills.edu**

The Sandhills Association of Nursing Students (SANS) seeks to introduce participants to the nursing profession through their professional organization and to provide a setting for professional socialization. Active membership is available to all ADN (Associate Degree Nursing) students. SANS also promotes and encourages participation in community affairs and activities related to improving healthcare. SANS provides opportunities for state and national networking with their professional organization. Fundraisers, service projects, social events, educational programs, and mentoring and recruitment opportunities are all part of the experience available to SANS members.

### **Student Government Association**

**Contact: Dana Cuellar, Dempsey 223, 695-3858, cuellard@sandhills.edu**

The student activities program at SCC is sponsored by the Student Government Association. Members of the SGA make a concerted effort to provide students with cultural, social, recreational, and service-oriented experiences. Activities sponsored by the SGA include free food days, national days, the annual Fall Fest and Spring Fling, holiday festivities, exam fuel during exams, student accident insurance, and scholarships and awards. The SGA is always looking for new ideas and is the students' voice at SCC.

## **Students for Life**

**Contact: Ginny Ferguson, Steed 114, 695-3885, [fergusonv@sandhills.edu](mailto:fergusonv@sandhills.edu)**

Members of Sandhills Students for Life work to save lives threatened by induced abortion, euthanasia, and the destruction of human embryos for research. In furtherance of these goals, members seek to promote respect for life at Sandhills and on a local, state, and national level, to educate on life issues, to help those in need so that life is a promising choice, and to work with others who share common goals.

## **Tennis Club**

**Contact: Alicia Riggan, Dempsey 114, 246-4122, [riggana@sandhills.edu](mailto:riggana@sandhills.edu)**

The Sandhills Tennis Club provides an inclusive environment where students can feel welcome while enjoying the game of Tennis. College life can at times seem overwhelming and every now and then college students may feel the need to have a break from their typical school day. The tennis club is open to all students regardless of experience in playing tennis.

## **Veterans Club**

**Contact: Emily Davis, Stone 221A, 695-3732, [davise@sandhills.edu](mailto:davise@sandhills.edu)**

Sandhills Community College Veterans Club, SCCVC is a community first focused organization, organized with similarly interested students to provide a common sense of esprit de corps amongst Southern Pines, Pinehurst, West End, and Carthage. Volunteer opportunities include hospitality services conducted at the Lee County Veterans Affairs Clinic in Sanford, NC, Community Beautification Drives, Volunteer opportunities at First Health of the Carolinas in Pinehurst, NC, and Weekend Training Clinics. This club works in conjunction with the Veterans department at Sandhills Community College and is in place to guide and encourage recently separated veterans to participate in career bettering opportunities in their community.

## **STUDENT CONDUCT**

### **Student Conduct in the Instructional Environment**

Faculty teaching courses for Sandhills Community College and students taking courses at Sandhills Community College have the right to an instructional environment that is conducive to study, thought, and full concentration on study topics selected by the instructor. It is expected that students conduct themselves in a manner that does not disrupt the learning and teaching environment. The faculty and administration reserve the right to remove a student from a course or a program or to deny his or her admission to a course or a program if the student's behavior is determined to be detrimental to the teaching environment.

The Sandhills Community College faculty, staff, and administration expect student behavior that assures an instructional environment:

- where students arrive and depart on time,
- where there is no disruptive behavior,
- where the rights of others are respected and where students treat each other with politeness and respect,
- that is free from menacing or threatening language or disrespectful behavior directed at either the professor or other students,
- where a student's attire is within the generally accepted bounds of good taste and does not disrupt the learning process, and
- where students are allowed to bring guests (including children) only with the expressed permission of the professor.

Part of Sandhills Community College's responsibility is to prepare students for the world of work, where they will be expected to dress appropriately. Students at Sandhills are therefore expected to dress in a manner that reflects generally accepted standards of modesty and good taste. Faculty members have the right to establish dress standards for their classrooms, and — after appropriate counseling — to ban or remove students who do not meet those standards.

In certain educational settings, such as work-based learning, practicum courses and clinical, student grades are determined, at least in part, based on student behavior. Therefore, violation of the student code of conduct may result in a failing grade as outlined in individual program handbooks.

### **Student Code of Conduct**

Students are adults and are, of course, expected to know what constitutes "acceptable" behavior. The College prefers to emphasize counseling and

---

## STUDENT CONDUCT

---

guidance in promoting good student conduct. However, when this approach fails, our only option is disciplinary action. If a student has any questions concerning appropriate conduct, he/she should see a college counselor, the Vice President of Instruction or the Safety and Student Conduct Officer (curriculum students), Associate Vice President for Workforce Continuing Education (continuing education students), or the Associate Vice President of the Hoke Center (Hoke Center/SandHoke students).

Sandhills Community College reserves the right to deny admission or readmission to students whose presence on campus is construed by the administration as harmful or potentially harmful to Sandhills Community College students, faculty, and/or staff. Moreover, Sandhills Community College may refuse to admit any applicant **during any period that the student is suspended or expelled from any other education entity**. Students admitted to the College must adhere to the Student Code of Conduct, which prohibits conduct that impairs significantly the welfare or the educational opportunities of others in the college community. The college may disclose educational information (which includes disciplinary information/records) with postsecondary institutions where the student seeks to enroll, intends to enroll, or is already enrolled so long as the disclosure is for purposes related to the student's enrollment or transfer. Students may request a copy of their records by contacting the Vice President of Student Services and Enrollment Management.

The Student Code of Conduct has one purpose: to ensure the existence at Sandhills Community College of opportunities and conditions that are conducive to effective learning, teaching and living together. This document is the product of the cooperative thought and dialogue of students, instructors and administrators of the College.

The following Code of Conduct applies to all students enrolled in courses with Sandhills Community College. The code should not be considered an exclusive list of acceptable and unacceptable behavior.

1. Each student is held responsible for information in the college *Catalog* and *Student Handbook* published online at [www.sandhills.edu](http://www.sandhills.edu).
2. Students who lose, damage, deface, destroy, sell, vandalize, or otherwise dispose of college property placed in their possession or entrusted to them will be charged for the full extent of the damage or loss and are subject to disciplinary action.
3. Under no conditions will students be in possession of alcoholic beverages, narcotics, or illicit drugs on college property or at college sponsored events on or off campus. This includes athletic events, field trips, and conferences. Students under the influence of or possessing alcohol or drugs will be in violation of this policy and

subject to disciplinary action. The College will comply fully with local and state laws concerning the possession of and/or sale of alcohol and drugs. *In addition, students might not be able to receive federal student aid if they are or have been convicted of selling or possessing illegal drugs, if the drug offense for which they are/were convicted occurred while they were receiving federal student aid. To regain eligibility, students must provide to the Safety and Student Conduct Officer documentation of a minimum of six months rehabilitation and an ongoing plan to remain drug or alcohol-free.*

4. Acts such as stealing, fraud, forgery, falsifying documents, gambling, fighting, and destruction of property will not be permitted. Any violation of this regulation may result in expulsion from the College on the FIRST offense.
5. Under no condition will the possession of a dangerous weapon, including but not limited to handguns, be permitted on college property. Such acts of possession may result in expulsion from the college on the first offense.
6. The College will comply fully with existing North Carolina laws that make possession of firearms or explosives on campus a Class I Felony and ALL weapons on campus unlawful. Sandhills Community College will immediately report ANY and ALL violations to local authorities.
7. In the interest of protecting students, faculty, staff, or property from harm, the College reserves the right to take disciplinary action in response to behavior off-campus that violates college expectations and policies or could be detrimental to the College.
8. Smoking is permitted only in the following locations on the main campus: Picnic Shelter near Causey Hall; and parking lots. The use of tobacco is prohibited by students, staff, faculty, or visitors in all campus buildings at all campus locations and in any college owned vehicles. For purposes of this policy, tobacco is defined as any type of tobacco product including, but not limited to, cigarettes, cigars, cigarillos, e-cigarettes, pipes, smokeless or spit tobacco, or snuff.
9. Students are not to bring children, or anyone not enrolled to class except under exceptional circumstances and with prior approval of the faculty member.
10. Pets, except for service animals, are not allowed on campus to include classrooms.
11. All vehicles must be properly registered, display appropriate stickers, and abide by posted and announced parking and traffic regulations. Violators of traffic and parking regulations are subject to fines, wheel locks, towing, or possible revocation of campus parking privileges. Student records may also be withheld until fines are paid.

---

STUDENT CONDUCT

---

12. Fiscal irresponsibility such as failure to pay college-levied fines, failure to repay college-funded loans, or the passing of worthless checks to college officials is subject to disciplinary action.
13. True threats directed at a student or faculty/staff member are prohibited. Any or all verbal, written, or physical injury from violence to oneself or others will be taken seriously.
14. Prospective students visiting campus must report to Student Services or the Workforce Continuing Education Division upon arrival. Those failing to do so may be asked to leave.
15. The Dempsey Student Center and other campus facilities are for student use and for authorized activities. Thus, unauthorized individuals may be asked to leave.
16. All curriculum students are required to have and to carry a student ID. Students may be asked to show their ID at random. Failure to comply may result in disciplinary action.
17. Language or behavior that is harassing that rises to the level of severe or pervasive is prohibited by Sandhills Community College.
18. Faculty and students at Sandhills Community College – on the main campus or off-campus locations, including online — have the right to an instructional environment that is conducive to study, thought, and full concentration on study topics. Student behavior that substantially disrupts learning and teaching activities--including unauthorized use of technology--will be subject to disciplinary actions.
19. Part of Sandhills Community College's responsibility is to prepare students for the world of work, where they will be expected to dress appropriately. Students at Sandhills are therefore expected to dress in a manner that reflects generally accepted standards of modesty and good taste. Faculty members have the right to establish dress standards for their classrooms, and – after appropriate counseling – to ban or remove students who do not meet those standards.
20. If, in the opinion of college officials, clothing and/or behavior (including droops or the presence of gang colors, signs, and/or symbols) is deemed obscene or incites an immediate breach of peace, sanctions may be imposed immediately.
21. For the safety of all concerned, the college campus is open during the following hours: Monday through Thursday, 6 a.m. to 12 a.m.; Friday, 6 a.m. to 10 p.m.; Saturday, 7 a.m. to 7 p.m.; Sunday, 7 a.m. to 5 p.m. The college is closed during holidays and times not listed above, except for special events. Students using classrooms and laboratories after scheduled class hours must obtain prior approval from the appropriate faculty/staff member.
22. Failure to abide by the SCC Acceptable Use Policy for Information Technology Resources may lead to disciplinary action, including loss of computer privileges, dismissal from the College, and/or

- criminal prosecution. The college expects and requires ethical and responsible behavior of individuals using information services.
23. Providing false information or fraudulent documents to college officials or procuring any money, goods, or services under false pretense is prohibited.
  24. Rudeness and lying to school officials as well as failing to comply with instructions of college officials acting in performance of their duties are subject to disciplinary action.
  25. Coed accommodations on any club, class, or SCC sponsored trip is prohibited in the interest of civility, privacy, and safety.
  26. For the student's and public's safety, wheeled vehicles, to include but not limited to mopeds, bicycles, roller skate/blades, skateboards, hoverboards, etc., are prohibited for use on sidewalks and pedestrian walkways. Failure to comply may result in disciplinary action.
  27. Any and all other offenses that may need the attention of the Safety and Student Conduct Officer or Vice President of Instruction (all curriculum students), the Associate Vice President for Workforce Continuing Education (all continuing education students), or the Associate Vice President of the Hoke Center (all students taking classes at the Hoke Center) are subject to this code.

### **Student Code of Conduct - Academic Honesty**

Sandhills Community College believes that the pursuit of knowledge requires honesty. Academic dishonesty includes but is not limited to the following:

1. Copying the work of another.
2. Collaboration: Working with another person on a test, examination, or paper without expressed authorization and without indicating that collaboration has occurred.
3. Plagiarism: The representation of the work of another person as one's own; the failure to cite the source of an idea, information, or words that come from someone other than the author of the paper or the exam.
4. Use of books, notes and/or electronic devices in examinations without the explicit permission of the professor.

Penalties for academic dishonesty may include the following:

1. Zero grade on the test or assignment on which cheating occurs.
2. Failing grade of an F or FW for the course depending on the point in the semester as well as immediate dismissal from the course.
3. For repeated breaches of academic honesty, a student may be suspended or expelled from the college.

When a student is accused of academic dishonesty, the resolution of the accusation is between the professor and the student. If the solution is unsatisfactory, there is an inherent right to appeal, however, while the

accusation of academic dishonesty may be appealed, the penalty may not. The appeal shall be in accordance with the Student Grievance Procedure.

### **Disciplinary Procedures**

- A. Report of offenses: Students, faculty members, staff or administrators should immediately report incidents that violate the Student Code of Conduct to the Safety and Student Conduct Officer or the Vice President of Instruction (all curriculum students), Associate Vice President for Workforce Continuing Education (continuing education students) or Associate Vice President of the Hoke Center (all students taking classes at the Hoke Center). When possible, the report should be documented through the Report a Concern link on the bottom of the homepage.
  
- B. The Safety and Student Conduct Officer/Vice President/AVPs will confer with all parties involved and decide on one of the following options:
  1. To declare the case closed immediately for lack of evidence and to notify in writing the accused and the accuser.
  2. To refer the case to the Behavior Intervention Team (BIT) for review and recommendation.
  3. To issue warning that repeated violation of the Code of Conduct may necessitate further disciplinary action.
  4. To reserve the right to deny admission or readmission to any student whose presence on campus is disruptive to other students.
  5. To invoke penalties. A student may be placed on probation, suspended, or expelled from the College for conduct or personal behavior that is in violation of the Student Code of Conduct. The Safety and Student Conduct Officer/Vice President/AVP will, in writing, identify the claimed misconduct and present a statement of any penalty imposed. There is an inherent right to appeal. The appeal shall be in accordance with the Student Grievance Procedure.
  6. Generally, the status of a student accused of a violation of these regulations should not be altered until a final determination has been made regarding the charges. Interim suspension may be imposed, however, upon a finding by the appropriate institutional official that the continued presence of the accused on campus constitutes an immediate threat to the physical safety and well-being of the accused or any other member of the institution's community or its guests, poses a threat of destruction of property, or shows a potential for substantial disruption of classroom or other campus activities.

## Student Grievance

Student grievance is defined as a matter of student concern or dissatisfaction within the control of the College. Items that do not fall under the Student Grievance Procedure include:

- Academic matters including grades, attendance policies, course and academic program dismissal which fall under the Academic Grievance procedure.
- matters involving Title IX, which are addressed elsewhere in this *Catalog* and published online at [www.sandhills.edu](http://www.sandhills.edu);
- residency classification, which is subject to the residency appeal process outlined by the North Carolina Residency Determination Service (RDS); and
- Financial Aid awards and eligibility, which is subject to review by the Financial Aid Appeals Committee with a final ruling by the Vice President of Student Services.

## Student Grievance Procedure

The purpose of the Student Grievance Procedure is to assure students of Sandhills Community College that their grievances will be considered fairly, rapidly, and in a non-threatening atmosphere. This process is designed to be used by students - not their surrogates. In keeping with the college practice of addressing all grievances informally prior to resorting to formal procedures, it is expected that, prior to embarking on the formal Student Grievance Procedure, students will initially address problems and matters of concern informally with the faculty and/or staff members involved.

However, the College recognizes that not *all* student grievances will be satisfactorily settled on an informal basis. Therefore, this Student Grievance Procedure has been adopted and applies to all appeals of disciplinary actions, appeals regarding student records and privacy rights. Appeals based on charges of discrimination will be handled by the Title IX coordinator in Human Resources. Students should follow these procedures first in all applicable situations.

Any student electing initially to pursue a grievance outside of these procedures has thereby waived the ability to pursue his or her grievance hereunder. A complete copy of the Student Grievance Procedure may be obtained from the Student Conduct Officer, Vice President of Instruction, or the SCC website.

Student grievances resulting from academic practices or learning environment activities other than disruptive student behavior should be referred to the attention of the Vice President of Instruction (curriculum students), Associate Vice President for Workforce Continuing Education (continuing education students), or Associate Vice President of the Hoke Center (Hoke Center

students) after the student has met with the faculty member or department chair and attempted an informal resolution of the problem. Student grievances that affect an individual's welfare and are not directly related to academic or classroom activities of the College should be brought to the attention of the Student Conduct Officer (curriculum students), Associate Vice President for Workforce Continuing Education (continuing education students), or Associate Vice President of the Hoke Center (Hoke Center students) after the student has made every effort to resolve the problem in an informal basis through conversation with the individuals involved.

### Student Grievance Procedure Steps

1. **Informal Resolution:** In non-academic disciplinary issues initiated by the student of the college, the informal grievance procedure begins with a meeting with the Student Conduct Officer, Associate Vice President of Workforce Continuing Education, or the Associate Vice President of the Hoke Center (all Hoke Center students). In academic disciplinary issues, the student must meet with the instructor and department chair and, if needed, the Vice President of Instruction to seek an informal resolution. If a satisfactory informal resolution is achieved at any point, the grievance process stops.
2. **Formal Resolution:** If an informal resolution is not achieved, the student may elect to pursue a formal grievance.
  - The student obtains the *Grievance Appeal Form* using the eForms icon located on the MySCC Student Portal landing page. Within the eForms portal, the student should select Etrieve Central, select Forms, and then choose the *Grievance Appeal Form* within the Student Affairs section.
  - When completing the *Grievance Appeal Form*, the student must select whose decision they are appealing (Student Conduct Officer, Associate Vice President of Workforce Continuing Education, Associate Vice President of the Hoke Center (all Hoke Center students), or Vice President of Instruction). Additionally, they must provide the nature of their appeal.
  - Students must submit the *Grievance Appeal Form* within three (3) business days to the Student Conduct Officer, Associate Vice President of Workforce Continuing Education, Associate Vice President of the Hoke Center (all Hoke Center students), or Vice President of Instruction's resolution decision.
3. **Student Grievance Committee Hearing:** Upon submission of the *Grievance Appeal Form* by the student, the form is routed to the Student Grievance Committee Chair.
  - The Student Grievance Committee reviews the appeal, meets with the student (and others) if applicable, and renders a decision within ten (10) business days. (The Student Grievance

Committee may choose to discontinue a hearing if the student fails to attend two or more scheduled meetings.)

4. **President's Review:** Based on the decision of the Student Grievance Committee, the student may elect to continue the appeal to the College President
  - Students intending to appeal to the College President must submit the *Grievance Appeal Form* within three (3) business days of being notified of the Student Grievance Committee's decision.
  - The College President reviews the appeal, meets with the student (and others) if applicable, and renders a decision within ten (10) business days.
  - The President's decision is final.
5. **Final Resolution:** The College President will indicate the final decision on the *Grievance Appeal Form*.
  - Upon making the final decision, the *Grievance Appeal Form* will route back to the student's college email inbox notifying the student of the final resolution decision and effectively ending the student grievance procedure steps.

## **Academic Grievance**

Student grievances resulting from academic practices or learning environment activities should be referred to the attention of the Vice President of Instruction (curriculum students), or Associate Vice President for Workforce Continuing Education (continuing education students) after the student has met with the faculty member or department chair and attempted an informal resolution of the problem.

**Curriculum:** In academic disciplinary issues in curriculum courses, the student must meet with the instructor and department chair, and if needed, the Vice President of Instruction to seek a resolution. Based on the decision of the Vice President of Instruction, the student may elect to continue the appeal to the Senior Vice President of Academic Affairs and Institutional Planning. If a satisfactory resolution is achieved at any point, the academic grievance process stops. The Senior Vice President's decision is final.

**Workforce Continuing Education:** In academic disciplinary issues in workforce continuing education courses, the student must meet with the instructor and program director, and if needed, the Associate Vice President of Workforce Continuing Education to seek a resolution. Based on the decision of the Associate Vice President of Workforce Continuing Education, the student may elect to continue the appeal to the Vice President of Workforce Continuing Education. If a satisfactory resolution is achieved at any point, the academic grievance process stops. The Vice President's decision is final.

### **Sexual Harassment Policy**

Sexual harassment is unacceptable behavior and a violation of the law. Language or behavior that is sexually harassing and rises to the level of severe, persistent, and pervasive is prohibited by Sandhills Community College. The College prohibits any form of harassment of employees and/or students based upon age, race, sex, color, creed, handicap/disability, religion, national origin, political affiliation, gender identity, genetic information, and marital status. Students have the responsibility to bring any such incident (via written as well as verbal report) to the attention of an administrator so that the matter can be resolved informally. Curriculum students should contact the Safety and Student Conduct Officer; Continuing Education students should contact the Associate Vice President of Workforce Continuing Education; students at the SCC Hoke Center should contact the Associate Vice President of the Hoke Center. The administrator will then contact the Title IX coordinator in the Human Resources Department. Any student who feels uncomfortable going to the Safety and Student Conduct Officer or AVPs should go directly to Human Resources Office or the Executive Vice President. Grievances regarding sexual harassment will be handled by the Title IX coordinator and Title IX investigators.

There are two categories of sexual harassment:

1. Sexual harassment in which a person in authority makes sexual demands upon another individual in exchange for favors, and
2. Sexual harassment in which a hostile or uncomfortable college environment is created by unwelcome or offensive sexual conduct.

Thus, it is important to understand that sexual harassment does not require physical contact. A hostile environment may be created by, but certainly is not limited to, the following unwelcome and offensive behaviors: repeated and unwelcome sexual advances, comments, contact, jokes, flirtations or any abuse of a sexual nature.

Students may reference information about sexual violence on the Safe at SCC website, <http://www.sandhills.edu/title-ix>.

## CAMPUS POLICE AND PUBLIC SAFETY

### Traffic Rules and Regulations

All students, faculty, and staff are required to adhere to all rules and regulations related to vehicle use on campus. The complete guide to those rules and regulations can be found on the SCC Homepage under the quick links to Security.

### Automobile Registration

All students who park vehicles on campus must register their vehicles at the time of course registration. The cost of parking stickers is included in the student fees payable at registration.

### Parking Regulations

Students are required to park in paved parking spaces that are not reserved for visitors or for faculty/staff. Reserved parking applies to vehicles 8 a.m.–3 p.m., Monday–Friday, after which time anyone may park in these spaces. This does not apply to visitor parking. A one-hour time limit applies to all visitor spaces. When paved parking spaces are filled, the College will provide designated unpaved areas for temporary student use. Restricted parking, including handicapped parking, is marked with appropriate signs.

### Parking Permit

All students are required to obtain a permit that enables them to park at the College. Students must register for the permit through the MySCC page prior to pick up in the Dempsey Center. **The permit must be displayed in the left rear window of the vehicle.** This permit will also enable staff to notify the student in the event of an emergency (e.g., **someone hits the car**). If a student temporarily drives a vehicle without a permit, he/she must obtain a temporary permit from the switchboard receptionist in Dempsey Hall. Vehicles parked on campus without permits will be in violation. Repeated violations of the campus parking regulation will be considered an offense of the Student Code of Conduct. Disabled students may receive handicapped parking permits after presenting appropriate DMV documentation to the campus switchboard receptionist. Campus parking lots have designated areas for the disabled.

### Temporary Parking

For the first few days of the fall/spring semesters, staff members may need to direct vehicles into temporary parking areas. Students should follow the instructions given during this time period.

## Parking Violations

Violations of parking regulations will result in fines and/or the vehicle's being towed. Violations that are potentially dangerous, such as speeding and reckless driving, are subject to disciplinary action in addition to any fines levied. Violations for which citations may be issued include, but are not limited to the following:

### Fines

The Business Office is hereby authorized to collect a \$25.00 fine for any of the following violations:

- Parked in visitor space
- Parked in faculty space
- Parked in student space
- Failure to display current parking decal
- Failure to register vehicle
- Improper display of parking decal

The following violations shall be considered infractions. The Business Office is hereby authorized to collect fines at the rates noted below for any of the following violations:

- Driving in a hazardous manner/speeding/careless and reckless .... \$100
- Driving wrong way in drive lanes ..... \$50
- Exceeding a safe speed..... \$25
- Failure to heed a stop or yield sign..... \$25
- Parking incorrectly in a parking space ..... \$25
- Parked in driveway/access ..... \$50
- Parking in manner creating a hazard ..... \$50
- Parking in more than one space..... \$25
- Parked in no parking space/area..... \$25
- Parked in unauthorized/handicap space ..... \$100
- Unsafe Movement ..... \$25
- Any traffic violation (not listed) ..... \$25

The student is responsible for any violation incurred by individuals who bring the student to campus. Payments of fines should be made to cashier in Stone Hall. Failure to pay parking tickets will result in the fines' being added to the student registration fees. **Persons who have received five (5) or more tickets may have the vehicle towed or may be subject to other disciplinary action.**

## Identification Card

During registration, the student will need to obtain a student ID. *An ID is required — the student must carry it at all times on campus!* ID cards issued during a student’s initial enrollment should be used during the student’s entire academic career at Sandhills Community College. This card allows students to checkout library books, use the Learning Resource Computer Lab, use college equipment, and participate in SCC activities. Financial aid recipients will be able to purchase books more easily from the Logan Bookstore using an ID card. Curriculum students may receive one card per school year at no charge. A replacement card costs \$10. A paid receipt and a valid government photo ID or passport are necessary to have an ID made. ID cards are made 8 a.m.–9 p.m. Monday–Thursday and 8 a.m.–4 p.m. Friday in the Dempsey Student Center during fall and spring semesters. Students that are enrolled for the fall semester do not need to renew their card for the spring semester. **Please note:** Online students use their assigned student ID number to gain their password-protected user account that then allows them to access campus resources and services via electronic means. Online students are encouraged to obtain an ID card upon their first visit to campus.

## Campus Crime

In accordance with the Student Right-to-Know, Campus Crime Security Act of 1990, and the Clery Act, SCC exhibits “zero tolerance” toward violence on campus, including sexual assault, aggravated assault, physical confrontations of any kind, verbal threats of intent to cause harm, harassment designed to intimidate another, hate crimes, robbery, burglary, and property crimes such as destruction, theft, and sabotage. The “Compliance” section of this *Catalog* provides more information.

## Security and Access to Campus Facilities

The college campus is open during the following hours:

- Monday through Thursday..... 6 a.m. to 12 a.m.
- Friday..... 6 a.m. to 10 p.m.
- Saturday ..... 7 a.m. to 7 p.m.
- Sunday ..... 7 a.m. to 5 p.m.

The college is closed during holidays and times not listed above, except for special events. Students using classrooms and laboratories after scheduled class hours must obtain prior approval from the appropriate faculty/staff member.

## Campus Law Enforcement Authority

Sandhills Community College retains its own police department. Campus police officers have full police powers on Sandhills Community College

property and all public property immediately adjacent to the college property. Campus officers are responsible for all law-enforcement-related matters on campus property to include the enforcement of applicable North Carolina criminal and traffic laws.

Campus police personnel work closely with local, state and federal police agencies and have direct radio communication with Moore County “911.”

### **Emergency Services**

Campus police, security and maintenance employees are the primary First Responders. They respond to campus emergencies such as injury, illness, fire, and tornadoes. In the event of an emergency, students and campus visitors should follow the instructions of college officials. In addition, emergency instructions are posted throughout the campus.

### **Reporting Crimes**

Because the College operates in multiple venues, these specific instructions apply when reporting crimes.

- **Main [Moore County] Campus:** To report a crime/emergency, individuals should call 911. Sandhills Community College encourages accurate and prompt reporting of incidents.
- **Hoke Center:** During hours of operation all crimes/emergencies are to be reported to Hoke Center police Officer or the Associate Vice President of the Hoke Center (910-875-8589). After hours, individuals should contact “911.”
- **Off-Campus Crimes:** Students in off-campus classes should follow the same procedures outlined above for reporting crimes. Students are encouraged to review and follow emergency procedures specific to their site of attendance. After College hours, individuals should call 911. Campus Police and Public Safety is to be notified of the details of the incident as soon as possible.

### **Investigation of Crime Reports**

All reasonable efforts will be made to maintain confidentiality. Upon receiving the report, an investigation into the incident will begin immediately, involving Campus Police and Public Safety, who will determine if other law enforcement authorities should be involved. The Campus Police and Public Safety Director and the Chief Operating Officer will determine if a campus and/or community alert should be issued in the interest of public safety.

Students who participate in campus violence will be subject to disciplinary actions up to and including expulsion (as noted in “Student Code of Conduct”). There is an inherent right to appeal.

## **Documentation of Crime Reports**

Campus Police and Public Safety will maintain a daily log documenting all crimes reported to Campus Police and Public Safety or other law enforcement agencies. The information found in this report shall be open for public knowledge within two business days, except when the release of the information is prohibited by law or would jeopardize an investigation or the victim's confidentiality.

## **Crime Statistics**

In accordance with the Student Right-to-Know, the Campus Crime Security Act of 1990, and the Clery Act, the College is required to provide information about serious crimes on campus, as defined by the acts, which have occurred during the last three (3) calendar years. This report is updated annually to the U.S. Department of Education, in accordance with the law, in October of each year. Copies of the Campus Crime Statistics Report and Annual Security Report may be obtained by contacting the main campus switchboard (910-692-6185) or the Associate Vice President of the Hoke Center (910-875-8589). Information can also be found online at [www.sandhills.edu/security](http://www.sandhills.edu/security).

## **Sexual Assault Policy**

In accordance with the U.S. Department of Education requirements of Section 485 of the Higher Education Act (also known as the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act [20 U.S.C. Section 1092]), SCC recognizes that sexual offenses, forcible and non-forcible, are violent, demeaning crimes and will not be tolerated. SCC will support this policy and increase awareness through educational prevention seminars, special literature, and counseling. Services and resources for victims will also be provided. The State Bureau of Investigation maintains a registry of convicted sex offenders that can be accessed online at [www.sexoffender.ncdoj.gov](http://www.sexoffender.ncdoj.gov). Students may reference information about sexual violence on the Safe at SCC website, <http://www.sandhills.edu/safety-security/what-is-sexual-assault/>.

## **Reporting Sexual Assault**

The College encourages all victims of sexual offenses to report the incident as soon as possible. The College understands the sensitive issues involved with this type of crime; therefore, the following individuals may be contacted: Campus Police and Public Safety (910-695-3831 or "0"), Vice President for Workforce Continuing Education (910-695-3767), Vice President of Instruction (910-695-3715), or Vice President of Student Services and Enrollment Management (910-695-3714), who will also contact the Title IX coordinator in the Human Resources Department.

Individuals at the Hoke Center should follow the same procedures; however, they may feel more comfortable making the initial report to one of the following: Hoke Center Police Officer or the Associate Vice President of the Hoke Center (910-875-8589). Reports may also be made online on the website at <https://www.sandhills.edu/incident-reporting/>.

In an emergency or after hours, students should call 911. They should contact the designated college officials as soon as possible if assistance is needed. The College emphasizes the importance of preserving all evidence for the proof of a criminal offense.

**Options:** There are several options and resources for individuals who have been sexually assaulted. Seeking assistance does not require the victim to take further legal or disciplinary actions; it allows the victim to receive private and confidential treatment and emotional and psychological support. Students may reference information about sexual violence on the safety-security webpage, <http://www.sandhills.edu/safety-security/what-is-sexual-assault/>.

### **Disciplinary and/or Legal Actions Related to Sexual Assault**

The process against the alleged assailant will begin immediately. An investigation will be conducted in a timely manner. All parties will be treated with confidentiality and respect. Both the accuser and the accused will be given equal opportunity to present their views of the incident. A determination will be made by the Title IX team. Both parties involved will be informed of the determination or outcome and will have the right to appeal. **With the final determination, the appropriate corrective actions will be implemented.** The College reserves the right to make changes to either party's academic situations if deemed necessary or if the request is a reasonable option. Disciplinary actions may include expulsion from the College. The College will retain as confidential all documentation of allegations, investigations, and determinations. *In addition, both parties must maintain the confidentiality of all aspects of the incident, disclosing no information whatsoever without the written consent of the other party.*

The college is required to inform both the accuser and accused in writing of the final results within one business day of the outcome of the investigation.

The victim has the option to report the assault to the appropriate law enforcement authority. Reporting an assault does not obligate the victim to proceed with legal prosecution. It is the victim's right to decide whether or not to continue with or to halt legal proceedings.

College personnel will assist the victim with whatever services or support is available, as appropriate.

## **Medical and Psychological Support Services**

### **MOORE COUNTY**

FirstHealth Moore Regional Hospital.....	910-715-1000
Emergency Room .....	910-715-1111

Hoke County Sheriff's Department.....	910-875-5111
Sandhills Community College Counseling Center .....	910-878-5804

### **Telephone Calls**

The College cannot accept incoming calls for students except in extreme emergencies. Students should let their families know that, if a genuine crisis arises, Student Services is the office to call to contact that student. The College does not have a paging system; therefore, it is difficult to deliver messages to students. *If a student has a child in daycare or school, it is essential to have an additional contact person listed with the daycare or school in the event that the SCC student cannot be reached.*

### **Lost and Found**

The switchboard receptionist in the Dempsey Student Center keeps all items found on campus. Students should see the College Receptionist in the Dempsey Student Center if they have lost any belongings while on campus.

### **Pets on Campus**

The campus is not an appropriate place for the pets of students or for the pets of faculty/staff members. For the safety of the pets and the campus community, the College requires that pets not be on campus during regular hours of operation. In addition, pet owners should not leave unattended pets

in vehicles during their time on campus. Pets, except for service animals, are not allowed in campus buildings.

### **Walking Track**

For student and public safety, the track is for walking or jogging. Wheeled vehicles — mopeds, bicycles, roller skates/blades, skateboards, hoverboards, etc. — are prohibited.

### **Smoking Policy**

Smoking is permitted only in the following locations on the main campus: Picnic Shelter near Causey Hall and parking lots. The use of tobacco is prohibited by students, staff, faculty, or visitors in all campus buildings at all campus locations, in any college-owned vehicles, or in other posted locations. For purposes of this policy, tobacco is defined as any type of tobacco product including, but not limited to, cigarettes, cigars, cigarillos, pipes, smokeless or spit tobacco, snuff, and “vaping” with e-cigarettes.

### **Inclement Weather**

Decisions to close the College for adverse weather and other emergency situations will be made by the college administration. Missed classes and assignments will be made up in accordance with the best judgment of college officials and the guidelines promulgated by the North Carolina Community College System Office.

“Colleges have an obligation to deliver the instructional services for which students pay tuition and fees. Therefore, curriculum and continuing education classes that are missed or not held for any reason — including inclement weather — should be rescheduled or the instruction should be made-up by some other alternative. Alternatives may include extra class sessions, extended class sessions, individual conferences, or other options approved by the college’s administration. It is assumed that alternative arrangements for making-up missed class time will be made by the College.” NCCCS *Numbered Memo March 8, 1996.*

When severe weather forces a departure from regular scheduling, announcements will be posted on the SCC homepage and the MySCC page. Students enrolled in eLearning and hybrid courses are also notified via the Internet course delivery system (Open LMS). The College also notifies students of inclement weather via telephone or text message through its ReGroup system.

Students may also call the College at 910-246-2865 to hear a recorded message indicating whether the College will have a delayed opening or will be closed.

## **INFORMATION TECHNOLOGY**

### **Information Technology Resources Acceptable Use Policy**

#### **Purpose**

To enhance its educational, cultural, and economic missions in service to the community, Sandhills Community College provides students, faculty, staff, and community members with computers, tools, instruments, and facilities that provide access to campus and global information resources. The College expects and requires ethical and responsible behavior of individuals using information resources. This policy statement identifies acceptable uses of these resources and includes circumstances in which the interests and rights of others must be protected and preserved.

This procedure applies to all users including faculty, students, staff and visitors using College computing and network resources and to all systems owned by the College and any systems connecting to the College's network. Use of College systems signifies your understanding and agreement with these terms.

#### **Information Technology**

Information technology (IT) includes but is not limited to all computers, tools, instruments, or facilities which enable individuals to access or interact with information available through the library system, the internet, or local campus networks. Resources may be individually controlled or shared, stand-alone or networked. Included in this definition are classroom technologies, computing and electronic communication devices and services, email, telephones (including cellular), voice mail, multimedia, instructional materials, and related supporting devices or technologies.

#### **User Agreement**

By using College-supplied information technology resources, individuals, groups, or organizations agree to abide by all policies and procedures adopted by Sandhills Community College, as well as all current federal, state, and local laws. These include College policies and procedures against harassment, plagiarism, and unethical conduct, as well as local, state, and federal laws prohibiting theft, copyright infringement, insertion of malicious software into computer systems, and other unlawful intrusions. When individuals accept College issued user accounts, they agree to comply with this and all other computing related policies.

## General Responsibilities

All users of the College's computing resources are presumed to have read and understood the following standards.

The College's information technology acceptable use standards require that each user:

- **Respect software copyright laws.** Software licensed by the College must only be used in accordance with the applicable license agreements.
- **Abide by all security provisions.** Users are not permitted to share authentication details or provide access to their college accounts to anyone else. The owner is responsible for all usage on their assigned account.
- **Respect the rights of others to have freedom from harassment or intimidation.** Sending abusive or unwanted materials is a violation of college policies, may violate the law and is prohibited. Targeting another person, group or organization to cause distress, embarrassment, injury, unwanted attention or other substantial discomfort is harassment. Personal attacks or other actions to threaten, intimidate or embarrass an individual, group or organization, or attacks based on a person's race, color, national origin, creed, disability, religion, gender, veteran status, sexual orientation, age, arrest record, or marital status are prohibited.
- **Identify yourself clearly and accurately in electronic communication.** Anonymous or pseudo-anonymous communications do not dissociate any user from responsibility for their actions and are inappropriate. Communication under a false name or designation or a name or designation which the user is not authorized to use, including instances in conjunction with representing that the user is somehow acting on behalf of or under the auspices of Sandhills Community College is prohibited.
- **Recognize the College reserves the right to access, review, and monitor the use of computing resources.** This includes but is not limited to equipment and usage, as well as the data that is stored or transmitted.
- **Observe proper online etiquette.** Online networks shall be used only as permitted by the College, only in accordance with applicable College policies and only for lawful purposes. Any conduct that in the College's discretions restricts or inhibits others from using an online network or violates College policies or applicable law is not permitted. Users are prohibited from posting on or transmitting through any online network any unlawful, harmful, threatening, abusive, harassing, defamatory, vulgar, obscene, profane, hateful, racially or ethnically demeaning or threatening or otherwise

objectionable material of any kind, including without limitation, any material which encourages conduct that would constitute a criminal offense, give rise to civil liability or otherwise violate any applicable law or college policies. Transmission of chain letters and pyramid schemes of any kind are prohibited. Use of any online network to send unsolicited advertising, promotional materials or other forms of solicitation to others is prohibited. The College reserves the right to restrict and/or interrupt communications through or by use of any College computers or information technology services, which the College believes to be harmful to the College or to others.

- **Refrain from using applications that inhibit or interfere with the use of the network by others.** This includes but is not limited to applications which use an unusually high portion of network bandwidth for extended periods of time.

### **Enforcement**

Violations of this policy shall be cause for discipline. Alleged violations of this policy shall be subject to the College's existing disciplinary procedures. Sandhills Community College treats access and use violations of information technology resources seriously. Unauthorized or improper use will lead to the possible revocation of a user's access. The College may also require restitution for any use which is in violation of the usage guidelines. Sandhills Community College will pursue criminal and civil prosecution of violators when appropriate.

### **Privacy**

Users should recognize that limitations to the privacy of electronic documents. The College cannot guarantee privacy of any accounts. **Violation** of this policy grants the operator of the system the right to review a user's usage and waives all rights of privacy the user (including students, faculty, staff, and community members) may claim or may have. The College retains the right to release the names of users to appropriate authorities in accordance with college procedures.

### **Network Access**

All equipment attached to the College network, including wireless networks, must be approved by the Chief Information Officer except in specifically identified public access areas.

### **Special Situations**

Additional limitations or prohibitions may exist in departmental facilities. Individuals are responsible for adhering to these policies and observing posted guidelines. Refer all inquires to the specific department. In addition, all

interactions outside the College are subject to the acceptable use policies of the outside agencies such as network access providers, telecommunications companies, or software developers.

The user agrees to indemnify and hold harmless Sandhills Community College, its Board of Trustees, and college employees from and against any claim, lawsuit, cause of action, damage judgement, loss, expense, or liability resulting from any claim, including reasonable attorney's fees, arising out of or related to the use of the College's hardware, software, and network facilities. This indemnity shall include without limitation, those claims based on trademark or service mark infringement, trade name infringement, copyright infringement, defamation, unlawful discrimination or harassment, rights of publicity, and invasion of privacy.

### **Establishing Procedures**

Individual organizations within the College may establish and define procedures or conditions for use of information technology resources under their control. Established procedures or conditions must be consistent with this overall policy but may provide additional detail, guidelines, or restrictions. In addition, all interactions outside the College are subject to the acceptable use policies of the outside agencies such as network access providers, telecommunications companies, or software developers.

**Please note:** College adherence to NCCCS IIPS Information Security Manual (and any subsequent revisions): The College will reference the NCCCS IIPS Information Security Manual in developing any procedures related to employee use of system access and data management. The manual is housed in the office of the Chief Information Officer and Human Resources.

### **Intellectual Property, Copyright and Fair Use**

As a public, non-profit institution, the College recognizes that its resources must be used for the express purpose of the college mission, must be allocated wisely, and must recover the cost for use of its resources. This policy supports the College's mission while it encourages and supports the intellectual property rights of the faculty, staff, and students at the College, including its facilities, equipment, and all other resources. Sandhills Community College complies with all federal and state laws governing the educational use of copyrighted material. It is the policy of Sandhills Community College to comply with the U.S. Copyright Act of 1976. All Sandhills Community College faculty, staff, and students are expected to act as responsible users of the copyrighted works of others which includes making informed decisions based on the fair use exemptions to the copyright laws.

Sandhills Community College provides an environment that supports the academic activities of the faculty, staff, and students. The College encourages the development, writing, invention, and production of intellectual property designed to improve the productivity of the College and/or to enhance the teaching/learning environment. It is the intent of the College to maintain a positive atmosphere for scholarly development.

### **Definitions**

As used in this Policy, the following words shall have the following meanings:

1. *Intellectual property*: Intellectual property is defined as intellectual and creative works that can be copyrighted or patented, such as literary, dramatic, musical and artistic works, computer software, multimedia presentations, inventions, etc. Intellectual Property includes any materials specifically created for use in a distance education course. These materials could include, but are not limited to study guides, software, videotaped lectures, databases, lectures, transparencies, visual aids, lab manuals, syllabi, bibliographies, glossaries, tests, assignments, course documents, and other instructional materials.
2. *Copyrightable work*: Copyrightable work includes all creative work that is protectable under the copyright laws of the United States or other countries. Copyright protection is available for most literary, musical, dramatic, and other types of creative works, including but not limited to computer software, teaching materials, multimedia works, proposals, and research reports.
3. *Significant college support*: Significant college support means the use of specialized, experimental equipment, or computer facilities; or the use of any College resource in a way that leads to an appreciable expenditure of college funds if that expenditure would not otherwise have occurred. Occasional use of office or classroom space, libraries, or general computer hardware and software will not ordinarily constitute significant use.

Please note that notwithstanding the following information and conditions; a student retains portfolio rights to works created by the student as a class assignment or as part of a pro-bono commission approved as a student project by an instructor. A pro-bono commission is work that an instructor may approve for students to undertake as a skill-building opportunity. Students may receive token payments provided by the person or group that commissions such a work.

The ownership of a copyright resulting from the development of intellectual property and any rewards or recognition attributed to the copyright or patent will be determined according to the following conditions:

## Ownership of Intellectual Property

1. *Ownership resides with the employee or student:* Ownership resides with the employee or student if the following criteria are met:
  - a. The work is the result of individual initiative, not requested by the college.
  - b. The work is not the product of a specific contract or assignment made as a result of employment or enrollment at the college.
  - c. The work is not prepared within the scope of the employee's job duties or the student's enrollment.
  - d. The work involves no use of significant college support including facilities, time, and/or other resources.
2. *Ownership resides with the College:* Ownership resides with the College if the following criteria apply:
  - a. The work is prepared within the scope of the employee's job duties or the student's enrollment.
  - b. The work is the product of a specific contract or assignment made in the course of the employee's employment with the college or the student's enrollment.
  - c. The development of the work involved significant college resources including the use of facilities, time, and/or other resources of the college including, but not limited to, released time, grant funds, college personnel, salary supplement, leave with pay, equipment or other materials, or financial assistance.
  - d. The college and the employee or student may enter into an agreement for an equitable arrangement for joint ownership, sharing of royalties, or reimbursement to the college for its costs and support. When it can be foreseen that commercially valuable property will be created, the college and the employee or student shall negotiate an agreement for ownership and the sharing of benefits prior to creation of the property. In all such cases, the agreement shall provide that the college will have a perpetual license to use the work without compensation to the employee or student for such use.
  - e. If an employee is granted full or partial leave with pay (e.g. release time or educational leave), to write, develop, produce, or invent intellectual property, the employee and the college will share in any financial gain, and the college's share will be negotiated prior to the time the leave is taken.
  - f. The College owns all rights to its logo, seal, and other related materials.
  - g. The College, at its sole discretion, may release its rights of ownership in Intellectual Property. However, the College

shall retain a royalty-free license to use said Intellectual Property for research and education.

- h. Notwithstanding the provisions of this policy, in the case of a work created under a grant accepted by the college, the ownership provisions of the grant shall prevail.

### **Liability Issues**

All College faculty and staff will ensure that the intellectual property created by them are original except for such materials from copyrighted sources that are reproduced with the written permission of the copyright holder; that the intellectual property in no way constitute a violation of or an infringement upon any copyright belonging to any other party; that the intellectual property will contain no information previously published or copyrighted by the faculty member unless such information is noted in the material; and that the it contains no matter which is libelous or in any way contrary to law.

### **Disciplinary Action**

Individuals are responsible and liable for their own actions in the creation, use, and distribution of intellectual property. Violations of this policy may also result in disciplinary action by the College including expulsion from the College and/or termination of employment.

## ACADEMIC POLICIES AND PROCEDURES

### Academic Advising

Upon enrollment at Sandhills, all regular students are assigned an academic advisor to assist in course scheduling, registration, and program planning, as well as to evaluate academic progress periodically.

Classes selected by first semester students must be approved by the academic advisor prior to registration. After the first semester, students may register in Self Service but are encouraged to consult with their faculty advisor. It is the intent of the advisor to place students receiving financial aid into only classes required for their program of study. Once the semester begins, the advisor must also approve registration changes, such as dropping and adding classes. Students receiving financial aid should always consult with a financial aid staff member prior to dropping or adding a class.

Although the academic advisor will help students become familiar with degree and diploma requirements in a chosen field, each student is ultimately responsible for the proper completion of his or her academic program, for familiarity with the college *Catalog*, for maintaining the grade average required, and for meeting all other degree requirements. The advisor will advise, but the final responsibility remains that of the student. In addition, college transfer students should know the requirements of both Sandhills Community College and the transferring institution.

### Academic Freedom and Integrity

The faculty and staff at SCC recognize that student learning lies at the heart of all they do. To support student learning, they abide by the principles of academic freedom and integrity. Faculty and students must be free to examine all pertinent data, question assumptions, be guided by the evidence of scholarly research, and teach and study the substance of their discipline. Instructors are afforded the freedom to manage the learning environment of their courses. At the same time, students will be afforded a quality educational experience where learning is encouraged, evaluations are substantive and meaningful, and grades are awarded fairly.

### College General Education Requirements

Sandhills Community College faculty has identified three primary goals of general education: reading comprehension, communication, and critical thinking. For each of these three goals, competencies have been developed to assess student attainment. Course-embedded assessments are used to measure the three competencies in the appropriate general education courses. The general education courses used for assessment are selected from various

disciplines (humanities, science, mathematics, etc.) to capture a variety of ways to assess each of the core general education goals. Standard rubrics are used to assess student attainment of competencies.

### **Reading Comprehension**

Reading comprehension is the ability to understand, dissect, and apply the meaning of a body of written text(s).

*Demonstrated competencies:*

- Students will be able to read and demonstrate comprehension of written materials.

### **Communication**

Communication is the ability to apply college-level language skills individually and collaboratively to discover, organize, and convey information, ideas, and arguments in a manner appropriate to audience and purpose.

*Demonstrated competencies:*

- Students will demonstrate college-level language skills.
- Students will create and present original work using discipline specific material.

### **Critical Thinking**

Critical Thinking is the ability to use appropriate inquiry to reach a reasoned conclusion.

*Demonstrated competencies:*

- Students will demonstrate analytical reasoning abilities by drawing inferences.

General education outcomes assessment results will be reported in the aggregate because the results represent the college and not individual students or faculty. In addition, assessment results will be shared with faculty, staff, and students. The assessment results are to be regularly and systematically considered by the faculty, staff, and administrators in order to take action to improve student learning. General education assessment tools (tasks and scoring rubrics) and the process will be reviewed every four years to improve process validity and efficiency.

### **Credit for Prior Learning**

Students enrolled in Sandhills Community College may have developed knowledge and skills that match the knowledge and skills to be achieved in

certain courses in the College. These achievements may be the result of work experience, military experience, or informal study. Although any academic advisor or counselor may initiate a credit for prior learning request, the specific courses for which credit may be earned will be determined by the instructional departments. Credit hours will be awarded; however, no quality points will be assigned.

### Challenge Exams

Students may request to receive credit by examination and must demonstrate proficiency by taking challenge examinations developed by departmental faculty. Students who seek consideration for credit by examination must obtain permission from the chairperson of the department in which the course is offered. Where applicable, the chairperson will arrange for the examination to be administered. An electronic *Credit by Exam* form must be submitted for approval by the appropriate Department Chair, and the Vice President of Instruction before credit can be awarded in the Office of Records and Registration. Students should note that, typically, credit by examination hours do not transfer.

### Standardized Exams

#### Advanced Placement Courses

Students who have taken any of the following Advanced Placement courses in high school and who have made the appropriate score on the AP exam can receive credit for the courses as part of the general education courses under the Comprehensive Articulation Agreement (CAA). The AP exam must be administered by the College Board and an official score report must be submitted to the SCC Office of Records and Registration. It is the responsibility of the student to contact the College Board to request that exam scores be sent to SCC. The Director of Records and Registration will verify AP examination scores and record appropriate credit on the student's transcript. One exception to this policy is the AP Art and Design course. Determination of credit for AP Art and Design will be made by the appropriate department chair with approval by the Vice President of Instruction.

**Please note:** Students should be aware that if they receive AP course credit at Sandhills Community College but “do not complete the associate in arts or associate in science degree” before transferring to a UNC university, their AP scores will be evaluated on the “basis of the receiving institution’s AP policy,” according to the CAA. For the Associate in Engineering, the Associate in Fine Arts (Music, Theatre, Visual Arts), the Associate in Arts Teacher Preparation, and the Associate in Science Teacher Preparation degrees, AP course credits “awarded for a score of three or higher, are acceptable as part of a student’s successfully completed degree” under its respective agreement.

<b>AP Course</b>	<b>College Course and Required AP Exam Score</b>
Art and Design	ART-121, ART-122, or ART-131, based upon portfolio
Art History	ART-114 and 115 with a score of 5; ART-114 only with a score of 3 or 4
Biology	BIO-111 and 112 with a score of 5; BIO-111 only with a score of 3 or 4
Calculus AB	MAT-271 with a score of 3, 4, or 5
Calculus BC	MAT-271 and MAT-272 with a score of 3, 4, or 5
Chemistry	CHM-151 and 152 with a score of 5; CHM-151 only with a score of 3 or 4
Computer Science A or Computer Science AB	CIS-115 with a score of 3, 4, or 5
Macroeconomics	ECO-252 with a score of 3, 4, or 5
Microeconomics	ECO-251 with a score of 3, 4, or 5
English Language	ENG-111 with a score of 3, 4, or 5
English Literature	ENG-112 with a score of 3, 4, or 5
Environmental Science	BIO-140 with a score of 3, 4, or 5
French Language	FRE-211 with a score of 3, 4, or 5
French Literature	FRE-212 with a score of 3, 4, or 5
Comp Government & Politics	POL-210 with a score of 3, 4, or 5
U.S. Government & Politics	POL-120 with a score of 3, 4, or 5
Human Geography	GEO-111 with a score of 3, 4, or 5
Music Theory	MUS-114 with a score of 3, 4, or 5
Physics 1	PHY-151 with a score of 3, 4, or 5
Physics 2	PHY-152 with a score of 3, 4, or 5
Physics C: Mechanics	PHY 251 with a score of 3, 4, or 5
Physics C: Electricity and Magnetism	PHY 252 with a score of 3, 4, or 5
Psychology	PSY-150 with a score of 3, 4, or 5
Spanish Language	SPA-211 with a score of 3, 4, or 5
Spanish Literature	SPA-212 with a score of 3, 4, or 5
Statistics	MAT-152 with a score of 3, 4, or 5
Studio Art	ART-121, ART-122, or ART-131, based upon portfolio
U.S. History	HIS-131 and HIS-132 with a score of 5; HIS-131 only with a score of 3 or 4
World History	HIS-111 and HIS-112 with a score of 5; HIS-111 only with a score of 3 or 4.

---

 ACADEMIC POLICIES AND PROCEDURES
 

---

### College Level Examination Program (CLEP)

Students who wish to receive credit for a standardized examination administered through the College Level Examination Program (CLEP) should submit an official score report to the Admissions Department. The Office of Records and Registration will evaluate the official score report in consultation with the appropriate department chairperson and award credit if requirements are met.

<b>Currently approved CLEP exams:</b>	
<b>CLEP Exam Name</b>	<b>SCC Equivalent Course</b>
America Government	POL-120
College Mathematics	MAT-143
History of the United States I	HIS-131
History of the United States II	HIS-132
Human Growth and Development	PSY-241
Humanities	HUM-211
Introductory Psychology	PSY-150
Introductory Sociology	SOC-210
Principles of Macroeconomics	ECO-252
Principles of Microeconomics	ECO-251
Spanish Language Level 1	SPA-111 and SPA-112
Spanish Language Level 2	SPA-111, SPA-112, and SPA-211
Western Civilization I	HIS-121
Western Civilization II	HIS-122

### Credit for Military Training

Sandhills Community College prides itself in being a military friendly institution. The college recognizes prior military training and is often able to award college credit based on recommendations from the American Council on Education. Students seeking credit for military experience should request a Joint Services Transcript (JST). To find out more information on how to request a JST, please visit <https://jst.doded.mil/>, or contact our Veterans Affairs Office at 910-695-3902. For Air Force transcripts, visit <http://www.au.af.mil/au/ccaf/transcripts.asp>. Upon receipt of the official transcript, the Director of Records and Registration will evaluate the transcript and, in some cases, work with the appropriate Department Chair to determine any applicable credit.

### Workforce Continuing Education to Curriculum Prior Learning Credit

In some instances, Workforce Training courses in continuing education (WCE) allow for matriculation to curriculum credit (CU) into A.A.S.

programs through a prior learning WCE-to-CU Crosswalk review. Every CE-to-CU Crosswalk is developed in coordination with the Senior Vice President of Academic Affairs, the Vice President of Instruction, and the Vice President of Workforce Continuing Education.

Credit can be awarded when WCE subject matter experts provide clear documentation outlining course content in specialized/customized training programs that contain parallel course content and class/lab hours to CU courses offered in SCC curriculum programs. In such instances, the Director of Customized Training prepares a WCE-to-CU Crosswalk for a specific WCE Course and submits the WCE-to-CU Crosswalk to the Vice President of Workforce Continuing Education for further review.

The Vice President for Workforce Continuing Education reviews the crosswalk to ensure that the workforce training has parallel content and hours to NCCCS Common Course Library courses required in CU certificate, diploma, and/or degree programs offered at SCC.

After review, the Vice President of Workforce Continuing Education submits this crosswalk to the Senior Vice President of Academic Affairs and the Vice President of Instruction. The Vice President consults with program coordinators and department chairs to review subject matter content to ensure parallel student learning outcomes and course requirements. The Senior Vice President of Academic Affairs then approves the WCE-to-CU Crosswalk to be used as documentation for this and future requests for each identified WCE-to-CU course considered for matriculation. These WCE-to-CU Crosswalks are housed in the Office of the Vice President of Instruction.

The Vice President of Instruction provides the Registrar with a WCE-to-CU Crosswalk approval for awarding credit for prior learning to be added to the student's record as a TR grade for the appropriate curriculum course(s).

As is the case with all instances of alternatives credit, the student is responsible for initiating the request based on information provided students upon enrollment to the college.

### **Live and Work Experience**

Life and Work Experience (experiential learning) - Students enrolled in degree, certificate, or diploma programs that have had career experience that they believe duplicates that required for a course may apply for credit by submitting a *Petition for Experiential Learning* form through student eForms. Supporting documentation must be attached to show details of knowledge and experience. The form will route to the advisor, department chair, and the Vice President of Instruction for assessment which may include a review of state,

regional, or national certifications that verify a student's knowledge in content parallel to a course.

If approval is granted, credit will be awarded by the Office of Records and Registration and the form, along with supporting documentation, will be filed in the student's electronic file. In determining experiential credit for coursework completed in workforce continuing education non-credit coursework, the college references the NCCCS *Continuing Education Master Course Listing and Business and Industry Guidelines*.

The College periodically validates the evaluation process for awarding credit for experiential learning by reviewing the performance of students receiving such credit in follow-on courses or their program of study.

### **ACA Credit by Exam**

The College requires most incoming first-year students to take one of two first-year student orientation courses: (1) ACA-115 for students pursuing the A.A.S. degree, or (2) ACA-122 for students pursuing the A.A., A.A.T.P., A.E., A.F.A., A.G.E.-Nursing, A.S., and A.S.T.P. transfer degrees. Students who have earned an A.A.S. or higher may be eligible for Credit by Examination for ACA-115 and should see their academic program advisor. Students who have earned credit for ACA-122 may be eligible for an Academic Petition for ACA-115 and should see their academic program advisor. Students who transfer in 18 or more hours from an accredited four-year college or university may be eligible for Credit by Examination for ACA-122 and should contact the Coordinator of University Studies. Exceptions to the credit by exam requirement may be determined after a conference with the Senior Vice President of Academic Affairs.

### **College Credit for High School Career and Technical Education (CTE) Courses**

Students who successfully completed high school CTE courses with a grade of B or higher in the course and a score of 93 or higher on the course post-assessment may receive credit for Sandhills Community College courses that cover the same content or skills development as identified in the *North Carolina High School to Community College Articulation Agreement*. For some college courses, students must also demonstrate proficiency of course knowledge and skills by passing an examination administered by college personnel. To receive articulated credit, students must enroll in the community college within two years of their high school graduation date.

### **Academic Petition/Course Substitution**

Students may, under unusual circumstances, petition that one course substitute for another in a curriculum program. The *Academic Petition* form via eForms

must have the approval of the academic advisor, the Program Coordinator, the Department Chair, and the Vice President of Instruction.

### **Course Prerequisite Waiver**

A student who has not completed the prerequisite or corequisite courses may satisfy those requirements by demonstrating that he/she has the appropriate knowledge and skills required for admission to the course. The student's advisor must submit the *Prerequisite Waiver* form via eForms with supporting documentation attached. The form will route to the Director of Curriculum Operations and Leadership Development and the Director of Records and Registration for review and registration of the student. The form will then route to the Vice President of Instruction and Senior Vice President of Academic Affairs and Institutional Planning for final approval. If approval is not granted the waiver will be revoked and the student will be dropped from the class.

## **Special Course Enrollment**

### **Enrollment in Courses Unique to Concentration Programs**

Some programs in the North Carolina Community College System have "concentrations" identified, such the Hospitality Management concentration of the Business Administration program. Each concentration has certain "concentration courses" identified that must be unique to the concentration. These courses are identified by a sentence in the course description that reads, "This course is a unique concentration requirement of...."

Students who are not enrolled in the particular concentration program may enroll in and take unique concentration courses for credit if the students are otherwise eligible to participate in the class by, for example, meeting prerequisite and corequisite requirements. Such classes may be counted as elective credits for other applied science programs. Students not enrolled in the concentration program must receive approval from the instructor of the course. The instructor will indicate consent by approving a student's Course Plan in Self Service or forwarding an electronic *Course Change Form*.

### **Independent Study**

Under unusual circumstances, a student may have a need to enroll in a course of independent study under the guidance of an instructor. A student must first substantiate the need to the instructor. Next, an Independent Study Contract must be prepared by the instructor with whom the work will be done. The contract will be sent to the Department Chair and student for signatures and then will be processed in the Curriculum Office and the student will be

enrolled. Enrollment in more than one independent study course per semester will be allowed only under exceptional circumstances.

### **Auditing Courses**

Students who do not desire credit or a grade may audit any course for which prerequisites are met. Students who wish to audit a course must submit an *Audit Permission* form through student eForms prior to the end of the drop period. Requirements for auditing will be determined by the instructor. Auditors will register and pay the same tuition and fees as students who take the course for credit. Students with a recorded audit grade for a course may repeat the course one time on an audit basis.

### **Senior Citizen Waiver**

Students at least 65 years of age may be eligible for a waiver of tuition and registration fees. Qualified students will be responsible for local fees. Classes that are waived will receive a grade of SR (senior audit) which indicates attendance only. All pre-requisites must be met. Registration for applied music classes and restricted program classes is not permitted. A student may utilize a senior waiver on a space available basis after final registration is complete. Eligible students should contact the Admissions Department for verification of eligibility.

### **External Instruction**

The College maintains full responsibility for the academic requirements and standards of students who participate in credit courses that require work-site experiences, such as clinical, practicum, or work-based learning courses. Each program using such courses will provide written policies and requirements to students and will maintain reporting and monitoring procedures that are consistent with program standards.

### **Course Load**

Depending on the program, the usual course load for students is 12 to 18 semester hours during fall and spring terms. The usual course load for students during any entire summer session (two five-week sessions or one ten-week session) is 6 to 12 semester hours. Registration for more than 18 hours in the fall and spring or 12 hours for the entire summer (7 semester hours for a single five-week session) must carry the approval and signature of the Advisor and the Vice President of Instruction.

Students enrolling in 8-week courses may take **no more than three 8-week courses per session**. Students may combine 8-week courses with the regular 16-week sessions. Students may **not exceed 18 credit hours** without approval from their advisor and the Vice President of Instruction.

## **Classification of Students**

For purposes of administration, excluding financial aid, the following student classifications have been specified:

- Full-time student: The student is enrolled in 12 or more credit hours. During the summer semester, a full-time student must be enrolled with 9 or more credit hours.
- Part-time student: The student is enrolled in fewer than 12 credit hours. During the summer semester, a part-time student is enrolled in fewer than 9 credit hours.
- First-year student: The student has successfully completed 32 or fewer semester hours.
- Sophomore: The student has successfully completed more than 32 semester hours.

## **Attendance Procedures**

### **Entry into Courses**

Students must complete an assignment/activity as directed by the instructor for the course during the first 10 percent of the semester to be considered entered into the course for academic and financial aid purposes. Students in a traditional, fully seated course must also attend class during the first 10 percent of the semester. If a student does not meet this criterion, the student will be recorded as having never attended (NA) the course and will be ineligible for course completion and no refund will be given.

### **Attendance**

Because the College realizes that academic success is tied to regular attendance, students are expected to attend all class sessions, laboratories, and clinical experiences. A student who fails to attend two consecutive weeks worth of class is in violation of the college's attendance policy and will be dropped or withdrawn from the course. Faculty members are responsible for informing students in writing at the first-class meeting of additional attendance expectations and identifying all classes, laboratories, and clinical experiences that must be attended at the scheduled times. Faculty members will inform students at the first-class period if tardiness is to be computed as an absence. Absence from class must be satisfactorily explained to and/or documented for the instructor, and the student is held responsible for all work missed.

Unsatisfactory attendance may adversely affect a student's grade for the course. Any student who violates the attendance policy of the course before the 65% point of a semester (or summer session) may be required to drop the course. Any student who violates the attendance policy of the course after the

65% point of the semester (or summer session) may be required to withdraw from the course with a grade of “WP” or “FW,” depending upon his or her grade in the course at the time of withdrawal. Attendance policies for online courses are detailed in the course syllabi for the individual courses. Generally, these attendance policies reflect the instructor’s expectations regarding the frequency of posted interactions.

Class sessions that are missed by late-enrolling students may be counted as absences.

Sandhills Community College will excuse two days each academic year for religious observances required by the faith of a student. Students must provide a written notice to the instructor at least two weeks prior to the absence. Students are required to make up work missed due to absences.

Students will not be charged when an absence is due to participation in an activity specifically approved by the Vice President of Instruction or the Vice President of Student Services and Enrollment Management.

### **Schedule of Last Class Sessions**

The last four days of each semester are used to provide classes with a concluding session used for final examinations or for other activities that are designed to bring the course to a successful conclusion. Meeting times for classes during the last four days of the semester are provided in the final exam schedule which is posted on the Sandhills website at [www.sandhills.edu](http://www.sandhills.edu). The last class sessions meet the requisite contact hours for the course. Last class sessions must meet whether or not a final examination is to be given.

## **Grading Policies and Procedures**

### **Grading**

Grading the performance of students in course work is the responsibility of individual faculty members.

### **Grade Categories for Completing a Course**

Categories of institutional grades and symbols for students who have met minimum course requirements are as follows:

#### **Course Completion Grade Chart**

Superior	A	Superior academic performance
Good	B	Good academic performance

**Course Completion Grade Chart**

Average	C	Average academic performance. Students in zero-prefix courses must earn a “C” or better to enter subsequent foundation or curriculum course(s).
Passing	D	Academic performance that has met minimum course requirements and that will allow students to enter the subsequent course or courses in a series, unless a higher grade is specified in the course prerequisite. Students who make a “D” grade in a zero-prefix course may not progress to the next course. Credits for courses in which a “D” is earned do not transfer.
Pass	P	Proficiency (Math and English co-requisite courses only)
Pass	P1- P3	Level of Proficiency (MAT 003 and ENG 002 courses only)
Credit by Examination	CE	Credit earned by examination procedures of the College
Experiential Learning	EL	Credit earned for life experience
Transfer Credit	TR	Credit earned from courses taken at other accredited educational institutions or military education experiences in the armed services
Audit	AU	Participation as an auditor of a course
Senior Audit	SR	Participation as a senior citizen auditor with tuition waived

**Grade Categories for Not Completing a Course**

Categories of institutional grades and symbols for students who have not met minimum course requirements are as follows:

**Course Non-Completion Grade Chart**

Failure to Meet Course Requirements	F	Student performance judged to require repetition of the course. Students who make an “F” grade in a zero-prefix course may not progress to the next course.
Re-enroll	R	Non-punitive grade used when: <ul style="list-style-type: none"> <li>the student fails to make at least an 85% on the Tier 1 Test. (MAT 003 courses only)</li> <li>the student fails to make at least an 80% on the Tier 1 Test and Essay. (ENG 002 courses only)</li> </ul>

### Course Non-Completion Grade Chart

Drop	DR	Courses dropped during the first 10% of the class will not appear on the transcript. Between the 10% and 65% date, the class will be listed on the transcript as “DR.”
Withdraw Passing	WP	Used to indicate that a student currently passing a course has withdrawn or been withdrawn from a course after the 65% date of the semester.
Withdraw Emergency	WE	Used to indicate that a student has withdrawn from the course due to an emergency such as a pandemic or natural disaster.
Failing Withdraw	FW	Used to indicate that a student currently failing a course has withdrawn or been withdrawn from a course after the 65% date of the semester. FW grades may also be given prior to the 65% date in cases of violation of the student code of conduct.
Incomplete	I	Punitive grade used when the instructor determines that at least the minimum course requirements may be met by a student during the next consecutive semester without repeating the course.
Incomplete Emergency	IE	Used to indicate that a student received an incomplete due to an emergency such as a pandemic or natural disaster.

### Removing Incomplete “I” Grades

1. When grades are reported, it is the responsibility of the instructor and the student to determine the work to be completed and the timeframe of completion within the next consecutive semester (fall/spring) for the removal of the “I” grade.
2. When removing an “I” grade during the next consecutive semester, a student should continue working under the instructor’s direction and should not re-register for the course.
3. If a student has not removed the “I” grade by the end of the next consecutive semester, it may be necessary to re-register and re-take the course. “I” grades not removed during the next consecutive semester will be converted to an “F”. “I” grades have the same effect as “F” grades while on the transcript.
4. When a student performs the work that allows the removal of the grade of “I”, the instructor will submit a grade change form and the “I” will be deleted from the transcript, and the new grade will be entered.
5. If a student receives an “I” and the instructor is not at the institution the next consecutive semester, the student should meet the

requirements of the course under the supervision of the department chairperson.

6. A grade of “I” may be replaced by a grade of “F” if a student, in attempting to remove an “I”, completes the work required but averages an “F” in the course.

### **Grade Point Average**

Grade point averages are based on points assigned as follows:

<b>Grade</b>	<b>Grade Points</b>
A	4
B	3
C	2
D	1
F	0
FW	0
I	0
WP	Not computed
DR	Not computed
P	Not computed
P1 – P3	Not computed
R	Not computed

A minimum major grade point average of 2.0 is required for graduation. In addition, students enrolled in health science programs will be required to achieve a letter grade of “C” or better in all required courses of the student’s program of study with the exception of the students in the Health and Fitness Science program of study. All transfer degree students must earn a “C” or better in all courses applied toward the degree requirements.

In the computation of the grade point average for determining graduation eligibility, only grades for courses required for the completion of the current program of study will be computed. All other grades will remain on the student’s record but will not be computed. Grades earned in foundation courses (indicated by numbers ranging from 002 through 098) will not be used in the computation of the grade point average for graduation, but those grades will be included in the grade point average to determine academic progress.

Students who plan to transfer to a four-year college/university should be aware that many four-year colleges/universities re-compute the grade point average based on all college-level hours that the student attempts. Students who have a cumulative grade point average of less than 2.0 may not be accepted by the University of North Carolina System institutions.

## **Course Repetition**

A student who has earned a grade of “C” or better in a course may repeat the course one time in an effort to earn a higher grade or to add to his or her mastery of course content. A student who has not earned a grade of “C” or better may repeat the course as many times as necessary in order to earn a higher grade. When a course is repeated, only the higher grade will be counted in determining the hours earned and the institutional grade point average at Sandhills Community College. Both the original grade and the grade when the course was repeated count in the grade point average calculation for financial aid purposes.

Students planning to transfer should realize that universities do not have consistent policies regarding grade forgiveness. University admissions personnel will review the transcripts of transfer applicants and may recompute grade point averages and could include forgiven low grades. The Comprehensive Articulation Agreement (CAA) with the University of North Carolina System requires that a student earn a grade of “C” or better in each transfer course completed.

Students who earn a grade of “P1” in a transition-level course may repeat the course two times in an effort to earn a higher grade or to add to his or her mastery of course content. If the student does not successfully complete the transition course, he or she may repeat the course as many times as necessary to achieve a higher grade.

Students with a recorded “Audit” (or grade of “AU”) for a course may repeat the course one time on an “Audit” basis. Exceptions to this must be approved by the Vice President of Instruction.

## **Inter-Curricular Transfer of Credit**

When a student transfers from one curriculum program to another within the College, all courses with passing grades that are applicable to the new program will be transferred and included in the computation of the student’s grade point average.

## **Course Change Procedures**

### **Self-Service**

Students can utilize Self-Service to make adjustments to their course schedule during authorized time periods. Typically, students can add courses to or delete courses from an upcoming semester between the opening of registration and the date published as the “last day to pay tuition”. After this date, students must utilize the electronic *Course Change* form to add or drop courses. Online

students as well as on-campus students will have access to electronic forms via the MySCC webpages.

### **Adding Courses**

Once the first day of the semester has begun, a student must use the electronic *Course Change* form to request adding a course. The student will initiate the form, indicating the course section to be added. The form will be routed to the instructor. If approved, the Office of Records and Registration will enroll the student in the section. The student will be notified by email once processing is complete. If the instructor does not approve the request, the student will be notified by email of the denial. No registration will be permitted after the 10% census date of the semester.

### **Dropping or Withdrawing from Courses**

Instructor permission and the student's last date of attendance (LDA) are required before a drop can be processed; therefore, students must use the electronic *Course Change* form to request to be dropped from a class. A student can request to drop (DR) a course at any time during the first 65% of the term. After the 65% point, a student can request to withdraw (WP or FW) from a course. See "Important Guidelines" below for more details. After the student initiates the form, it will be routed to the instructor to provide the required information, then forwarded to the Office of Records and Registration for processing, the student will be notified by email once processing is complete.

**Please note:** If the semester has begun and a student would like to drop a class but replace it with a different class (or a different section of the class) prior to the 10% census date, an electronic *Course Change* form must be submitted, and it must include both the course to be dropped and the course to be added. Failure to include the drop and add on the same form may result in forfeiting any applicable refund.

### **Important Guidelines**

Students should familiarize themselves with these important guidelines for dropping/withdrawing from a class. Any questions regarding the impact on financial aid due to dropping one or more classes should first be addressed with the Financial Aid Department before initiating the electronic form.

1. If a course is dropped during the first 10% of the semester, the student will not receive a grade for the class and no record of enrollment in the class will appear on the student's transcript.
2. If the student drops the course after the 10% census date, but prior to the 65% point of the term, the class will be listed on the student's transcript

with a grade of “DR”. The “DR” grade will not be computed in the calculation of the student’s grade point average. Instructor initiated drops during this time period, due to a violation of the student code of conduct may result in an “FW”.

3. Emergency situations may arise that make it necessary for a student to withdraw from one or more courses after the 65% point of the semester. In this case, the instructor will assign a grade of “WP” or “FW”; the grade will not be a “DR” for drop. If the student is passing at the time of withdrawal, the student may receive a grade of “WP” (withdraw passing). If the student is failing, the student may receive a grade of “FW” (failing withdrawal). The “WP” grade will not be computed in the calculation of the student’s grade point average. The “FW” grade will be computed in the calculation of the student’s grade point average and will have the same effect as a grade of “F”.

In addition to regular, 16-week Fall and Spring semesters, the college offers other abbreviated terms such as 8-week modules in Fall and Spring semesters and Summer A, B, and C Sessions. The drop/add procedure will be the same, however, refund dates, add periods and drop periods for each of these sessions will vary. Specific dates for each session will be published in the *Catalog*.

### **Instructor-Initiated Drop or Withdrawal**

An instructor will drop a student if the student has failed to attend two consecutive weeks’ worth of class. Additionally, an instructor may drop or withdraw a student from a course under any of the following conditions:

- Student fails to meet the attendance policy of the course, if that policy is more restrictive than what is stated above.
- Student fails to meet the course requirements as established by the instructor including attendance, class participation, and/or completion of assignments in the classroom or in the online environment.
- Student is absent from the final exam without the instructor’s permission.
- Student violation of the student code of conduct.

### **Withdrawal from a Course, Program, or the College**

As noted above, emergency situations may arise after the no-penalty drop period (after the 65% point) whereby students must leave involuntarily. When withdrawing from a program and/or the college, students must officially request to withdraw from all their courses by initiating the electronic *Course Change* form. This form will be routed to instructors for approval and to the Office of Records and Registration for processing. This information will also be shared with the Financial Aid Office.

## Change of Major, Re-entry, and Readmission

### Change of Major

Students are never “locked in” a program of study for longer than one semester. Any time a student considers making a change, the student should immediately meet with a counselor, instructor, or advisor to discuss the advantages and disadvantages of the proposed change. Students should explore all program offerings at SCC, and Career Counseling located in Blue Hall is prepared to help in that exploration.

If a student wishes to change from one instructional program to another, the student must complete a *Change of Major Form*. This form is available online on the MySCC page through the eForms link. Students may change their major at any time during the academic year, but the students who are on financial aid should seek counsel from a Financial Aid official in Stone Hall.

### Re-entry into a Program

When a student wishes to be considered for re-entry into a program that has special placement requirements or enrollment limitations, these procedures will be followed:

1. The student should check with the Admissions Office to see if his or her application is current. If necessary, a new advisor will be assigned at that time.
2. The student should schedule an appointment with the assigned advisor to discuss re-entry into the desired program.
3. The advisor may recommend to the appropriate department chairperson that the student be permitted to re-enter the program. Such recommendation should be based upon the student’s demonstration that remedial action has been taken that would prevent a repeat of earlier failure to succeed in the program.
4. The department chairperson will have responsibility for approving a student’s re-entry into a program within that department.
5. Nursing and Health Science students should consult the department chair and/or program coordinator to review specific re-entry requirements as detailed in the program policy manual that applies.
6. Students who interrupt their program of study will be subject to the program requirements of the *Catalog* in effect at the time of their re-entry into the program.

### Academic Forgiveness

A student may request academic forgiveness for grades lower than a “C,” if the following conditions are met:

---

## ACADEMIC POLICIES AND PROCEDURES

---

1. The student has not been enrolled in curriculum courses for 36 consecutive months.
2. During the previous enrollment period, the student experienced extenuating circumstances that contributed to grades lower than a “C.”

The student requesting academic forgiveness must contact the Vice President of Instruction and verify conditions 1 and 2 above.

If a student is granted academic forgiveness, the following conditions apply:

1. The student’s entire academic record at Sandhills Community College will be recorded on any subsequent transcript.
2. The subsequent institutional grade point average of a student who is granted academic forgiveness will be computed without inclusion of previous coursework in which a grade below “C” was received. However, unless the courses are completed with a better grade, this work may be included in calculations for consideration for honors.
3. A student may be granted academic forgiveness only one time.
4. This forgiveness policy is used for academic purposes only. Due to federal regulations, the Financial Aid Office is required to count all courses listed on a student’s transcript when calculating financial aid eligibility.

### **Academic Progress**

Students who enroll in curriculum programs, or who enroll as special students, are expected to maintain satisfactory academic progress.

### **Academic Probation and Suspension**

The purpose of the academic probation and suspension program is to identify when students are having academic difficulties that might jeopardize the reaching of their educational goals. Since a 2.0 GPA in a program is required for completion, students who fall below this standard are placed on academic probation.

At the end of Fall and Spring semesters, a student’s cumulative and semester grade point averages are examined. The semester GPA is based on all courses taken during a single semester for which a grade is given. The cumulative GPA is based on all courses taken at SCC. Curriculum students who have a cumulative grade point average below a 2.0 after a total of ten credit hours have been attempted at the college will be placed on academic probation. When a student is placed on probation, they are notified in writing.

Students on academic probation will not be permitted to participate in early or pre-registration through Self-Service without approval from an assigned

advisor. Any student on academic probation must complete all required interventions to maintain enrollment. Possible interventions include meetings with the appropriate program coordinator, academic advisor, and/or counselor. Failure to comply may result in academic suspension.

Students will be returned to normal academic status upon attaining a 2.0 or better cumulative GPA. Students on probation who achieve a 2.0 or greater semester GPA following being put on probation, but whose cumulative GPA is not 2.0 or greater, will remain on probation.

Curriculum students on probation who fail to make satisfactory improvement in their grade point average by earning at least a 2.0 semester grade point average will be suspended and must attend an advising session with the Vice President of Instruction, who will determine the limits to be placed on their registration of curriculum courses the following semester including not enrolling in any classes that semester. To be readmitted, the student must interview with a counselor and obtain permission from the Vice President of Instruction.

## **Academic Progress Policy for Students Receiving Financial Aid**

### **Purpose**

All financial aid recipients are required to meet Satisfactory Academic Progress (SAP) according to Federal regulations and policies set by Sandhills Community College (SCC). The intent of these policies is to ensure that students who are receiving financial aid are making measurable progress toward completion of an approved degree, diploma, or certificate program in a reasonable period of time and within a reasonable number of credit hours attempted in their program of study.

### **Scope**

Regulations require a student's progress for financial aid purposes to be measured both quantitatively and qualitatively. In addition to a student's cumulative grade point average, students are also required to pass a percentage of all attempted coursework, and to complete their program of study within the maximum time frame established by the institution. To reasonably measure a student's academic progress for financial aid, the student's academic record will be evaluated including credit hours earned at other post-secondary institutions and transferred into the student's program of study at SCC. This requirement applies to all students who apply for financial assistance from Federal, State and Institutional Aid.

---

## ACADEMIC POLICIES AND PROCEDURES

---

For students receiving financial aid, Satisfactory Academic Progress will be reviewed at the end of each semester of enrollment. Students who have attended SCC in the past without receiving financial aid will be evaluated for SAP based on their prior academic record, and subsequently, at the end of each semester of enrollment. Returning students are evaluated on a continuing basis from the first enrollment at Sandhills. Returning students who were previously enrolled under a Satisfactory Academic Progress Policy other than the current Satisfactory Academic Progress Policy will be required to meet the standards of the current policy upon returning. There is no requirement in the federal regulations for institutions to notify students who are not applying for or receiving Title IV, HEA aid of their eligibility under SAP.

### Standards of Progress

To receive financial aid, the student must maintain Satisfactory Academic Progress toward an eligible program of study. There are two standards in the Financial Aid Office's standards of progress that students receiving financial aid must meet in order to maintain Satisfactory Academic Progress:

1. **Qualitative Standard:** The minimum **cumulative** grade point average (GPA) requirement the student must maintain to receive and/or continue receiving financial aid assistance is **2.0**. This includes all degree, diploma and certificate programs.
2. **Quantitative Standard:** 67 % Completion Rate and 150% Maximum Time Frame. (Normal rounding rules apply. Example:  $66.5\% = 67\%$ )

The student must maintain the minimums as listed below:

- **Completion Rate Requirement:** The student must successfully complete 67% of the cumulative credit hours attempted to meet the minimum requirement. Example: if the student attempts 59 credit hours during enrollment, the student must successfully complete 40 credit hours ( $40 \text{ hours completed} \div 59 \text{ hours attempted} = .67$  or 67%). Successful completion is defined as receiving a grade of A, B, C, D, or P (Pass).
- **Maximum Time Frame:** The maximum timeframe for a student to complete a program is 150% of the published length of the program. Example: if 75 credit hours are required to complete a degree, the student must complete the program, prior to the maximum of 113 credit hours before the student exceeds his eligibility for financial aid ( $75 \text{ credit hour program} \times 150\% = 113$ ). One academic year of credit (30 credit hours) may be added for required remedial coursework. If a student is pursuing more than one program of study, maximum time frame standards of 150% will be applied toward each program for all attempted hours. If a

student should need additional periods of enrollment to complete their program or if the student has a valid reason for pursuing an additional program of study, appeal procedures noted within this Satisfactory Academic Progress policy may be applied.

**Please note:** Both pace and maximum time frame are measured in credit hours (except for Clock Hour programs – see below), regardless of full time or part time attendance.

**If a student does not meet any ONE of the above three criteria, the student has failed to maintain Satisfactory Academic Progress, and failure to do so will result in termination of eligibility to receive funds from federal Title IV, state, and institutional financial aid programs.**

## Treatment of Selected Grades

### Withdrawals/Drops

Credit hours in which a student receives a grade of Drop (DR) and Withdraw Passing (WP) do not affect a student's GPA; however, Failing Withdraw (FW) is calculated as 0.0 in the GPA calculation for SAP. Grades of DR, WP, and FW are included in the number of attempted hours, but do not count toward successfully completed hours. Students who withdraw may have difficulty meeting the satisfactory academic progress requirements. Courses dropped during the official add/drop period (usually the first 8 days of the semester) are not included as attempted and/or unsuccessful credits.

### Incomplete and Failing Grades

Credit hours in which a student receives a grade of Incomplete (I), Repeat (R), or Fail (F) are included in the number of attempted hours, but do not count toward successfully completed hours. All three grades are calculated as 0.0 in the GPA calculation for SAP. Students with incompletes may have difficulty meeting the satisfactory academic progress requirements at the time of evaluation but may request reevaluation upon completion.

### Incomplete Emergency and Withdraw Emergency (COVID-19)

In response to the national emergency due to the COVID-19 pandemic, SCC added two new grades to the curriculum grading schemes for the Spring 2020 semester only, the Incomplete Emergency (IE) and Withdraw Emergency (WE) grades, which are only applied to students in response to COVID-19. IE and WE grades are not included in the quantitative component of the Satisfactory Academic Progress calculation. If a student receives a final grade

for a class, the new grade and number of credits attempted will be used to determine if the student is making SAP.

### **Transfer Credit**

Students transferring from another college will be considered making satisfactory progress at the time of initial enrollment at SCC. Grades from courses taken at other institutions are not included in the GPA calculation for SAP. Any such transfer credits will be included in the completion rate requirement as both attempted and completed credits, while a student's maximum time to receive financial aid will be reduced by the equivalent transfer of credit hours.

### **Audit and Never Attend**

Audit (AU), Never Attend (NA) or Senior Audit (SR) grades are not considered attempted course work and are not included in the grade point average or completion rate determinations. A student cannot receive financial aid for courses that the student audits or is considered a no show (AU, NA, or SR).

### **Repeat Courses**

For financial aid purposes, all hours attempted will continue to be counted in each component of the student's academic progress.

### **Credit by Exam**

While Credit by Exam (CE) is not included in enrollment status for purposes of awarding financial aid, the attempted and completed credits are counted in each component of the quantitative standard. The grade CE has no numerical value at SCC and, therefore, does not affect the GPA.

### **Experiential Learning**

When a student earns credit for Experiential Learning (EL) which is given for career experience and military training that duplicates experience required for a course, it is not included in enrollment status for purposes of awarding financial aid; however, the attempted and completed credits are counted in each component of the quantitative standard. The grade EL has no numerical value at SCC and, therefore, does not affect the GPA.

### **Foundation Courses**

Courses taken at SCC and are numbered less than 100 are included in GPA calculations for SAP, as well as when calculating the 67% Completion Rate. One academic year of credit (30 credit hours) may be added for required foundation coursework when calculating the 150% Maximum Time Frame.

Only 30 credits of foundation coursework will be included in a student's enrollment status for federal financial aid.

When calculating the cumulative GPA for foundation coursework, a P grade is the equivalent of a grade of A. An R grade is the equivalent of a grade of F and is calculated as 0.0 in the GPA calculation for SAP. Credit hours in which a student receives a grade of R are included in the number of attempted hours but do not count toward successfully completed hours.

### **Summer Session**

Credit hours attempted and earned during summer session will be included in the calculation of Satisfactory Academic Progress, just as any other enrollment period. For purposes of financial aid, full time enrollment in summer is 12 credit hours.

### **Clock Hour Programs**

Students enrolled in clock hour programs will have SAP evaluated at the end of each payment period. At the time of review, students must have successfully completed both the clock hours and weeks of instructional time required for the payment period. Maximum Time Frame is measured in cumulative clock hours required to complete the program and expressed in calendar time. (Note that a student in a clock hour program cannot receive aid for hours beyond those in the program; the maximum time frame applies to the amount of calendar time the student takes to complete those hours.) For example, if the program is 1200 clock hours and meets 30 clock hours per week, that means the program is 40 weeks in length. 150% of 40 weeks is 60 weeks. A student may receive aid while enrolled in this program for up to 60 weeks to complete the 1200 clock hours required for graduation.

### **Complete Academic Record**

In order to measure a student's satisfactory progress toward degree, diploma, or certificate requirements, the student's total academic record at Sandhills Community College must be evaluated whether or not the student received financial aid for the entire time of enrollment. This includes, but is not limited to, courses taken through dual enrollment, the Career and College Promise program, and the Sandhoke Early College program. When students complete course work for more than one major, college and financial aid academic progress standards must be met to receive student financial aid.

## **Financial Aid Eligibility Status**

### **Eligibility Status**

Satisfactory status is achieved when all the criteria explained above are met.

### **Financial Aid Warning**

Students (not currently on Warning, Suspension, or Probation) who do not have the required cumulative grade point average of 2.0 and/or have not successfully completed 67% of their attempted credit hours, will be placed on Warning for the following semester. A student on financial aid Warning may continue to receive Title IV aid for one payment period. Satisfactory progress will be monitored at the end of the semester to determine if the student has met the standards of progress and is eligible to continue to receive financial aid.

### **Financial Aid Suspension**

Students on financial aid Warning who have not attained at least a cumulative 67% completion rate and/or earned the minimum required cumulative grade point average of 2.0 will have their financial aid suspended at the conclusion of the Warning period.

### **Financial Aid Probation**

If a status of Suspension is appealed and approved, a status of Probation is assigned. This status requires students to maintain both a term GPA greater than or equal to 2.0 and a term completion rate equal to 100%. In order to achieve a completion rate equal to 100%, a student must successfully complete each course enrolled in for the term. The pace component may also require a course-by-course plan toward degree completion. If a student withdraws or fails a course during the Probation term dropping the term completion rate below 100% or does not maintain a term GPA greater than or equal to 2.0, the appeal is terminated, and the student will be placed on a financial aid Suspension status.

### **Warning Near Maximum Time Frame**

Students who have attempted approximately 100% of the maximum allowable credit hours for their program of study will receive a courtesy notification status of Warning Near Maximum Time Frame.

### **Maximum Time Frame**

Students will have their financial aid suspended when it becomes mathematically impossible for them to complete their program within 150% of its length.

## **Notification of Financial Aid Warning, Suspension, Probation, Warning Near Maximum Time Frame, or Maximum Time Frame**

The Financial Aid Office will send correspondence to any student who is placed on financial aid Warning, Suspension, Warning Near Maximum Time Frame, or Maximum Time Frame.

### **Eligibility for Retaking Coursework**

A student may receive financial aid to retake a course as long as the student has never passed the course. A student who previously passed a course with a grade higher than an “F” and wishes to retake it may receive financial aid to retake it *one time only*.

### **Regaining Eligibility**

Students who attend Sandhills Community College (without federal financial aid) may regain financial aid eligibility by achieving a 67% completion rate and earning the required GPA based on hours attempted. A student may request reconsideration of eligibility for financial aid by submitting a written request to the Financial Aid Office once all requirements are met. *Paying for a semester or sitting out a semester does NOT permit you to regain satisfactory academic progress.*

### **Appeal of Satisfactory Academic Progress Standards**

Students who have been disqualified from receiving financial aid may appeal to the Financial Aid Office to waive the satisfactory progress requirements only where there are extenuating circumstances. A student may submit written documentation to the Financial Aid Office by completing the Satisfactory Academic Progress Appeal Request form explaining the circumstances that have affected academic performance and what has changed that will allow the student to make Satisfactory Academic Progress at the end of the next term of enrollment or within a reasonable period of time prior to program graduation. Supporting documentation, must be presented for the semester at SCC that the student did not successfully complete/pass 67% of their classes and/or the semester GPA was below 2.0.

Examples of circumstances outside of your control that may be considered include death in the family, accident, illness, military deployment, or other serious personal problems that were beyond the control of the student and can be supported with proper documentation from involved third party sources.

Examples of circumstances within your control that will not be considered include returning to school after an extended period of absence, changing academic programs, and immaturity. An appeal may not be based on a

student's financial need or lack of understanding of actions that put the student's financial aid in jeopardy.

Students who have exceeded the maximum allowable time frame to complete a program of study may also appeal. These students must explain what caused them to exceed the Maximum Time Frame allowed for their major and how many credits are required to complete it. They must provide a graduation plan completed and signed by their academic advisor that lists the courses needed to graduate and when each course will be taken. If the plan is considered reasonable, the student may receive financial aid with his or her progress being monitored for one or more semesters until the degree is completed, as long as the conditions set forth are met.

A student whose appeal is approved and is allowed to continue on Financial Aid Probation based on extenuating circumstances may receive Title IV funds for one payment period. At that point, to maintain Title IV eligibility, the student must meet SCC's SAP standards or the requirement of an established individual academic plan.

### **Appeal Process**

A student may appeal in writing to the Financial Aid Office using the Satisfactory Academic Progress Appeal Request form explaining why satisfactory academic progress requirements were not met and what has changed that will allow the student to make Satisfactory Academic Progress. Supporting documentation for the extenuating circumstance is required and specified according to the student's situation on the Satisfactory Academic Progress Appeal Request form. The Financial Aid Appeals Committee will review the appeal and a decision will be rendered within fifteen (15) business days. The student will be informed of the committee's appeal decision by letter.

### **Approved Appeals**

A student whose appeal is approved and is allowed to continue on Financial Aid Probation based on extenuating circumstances may receive Title IV funds for one payment period. At that point, to maintain Title IV eligibility, the student must meet SCC's SAP standards or the requirement of an established individual academic plan that will ensure that the student is able to meet SAP standards by a specific time prior to graduation.

### **Denied Appeals**

If your appeal is denied or if you do not meet the conditions of an approved appeal, you will be asked to attend at your own expense until you achieve the required completion rate, GPA, or both (you cannot make up a deficiency if your appeal was due to exceeding the maximum timeframe to earn a degree).

## **Second Appeals**

A second appeal may be considered but you will not be allowed to submit it for the same issue that led to the first appeal, such as the same medical condition. A student must have very unusual circumstances to warrant a second appeal. As a result, very few second appeals are approved.

If a student disagrees with the determination by the Financial Aid Appeals Committee, the student may appeal their decision to the Vice President of Student Services and Enrollment Management. This appeal must be submitted in writing within five (5) business days from the date of the letter from the Financial Aid Appeals Committee. The decision of the Vice President of Student Services and Enrollment Management is final.

**NOTE:** All notices regarding academic progress for financial aid purposes will be sent to SCC student email account. The student is responsible for monitoring the mailbox.

## **Academic Progress of Health Sciences and Nursing**

### **Academic Progress Standards for Health Science Programs**

To remain in good academic standing, health science students must satisfy the general academic progress requirements with a letter grade of C or better in all required courses of the student's program of study. All health science students must maintain an institutional GPA of 2.0 or higher.

### **Academic Progress Standards for Health and Fitness Science Program**

To remain in good academic standing, health and fitness science students must satisfy the general academic progress requirements and maintain an Institutional GPA of 2.0 or higher **and** have a letter grade of C or better in all the HFS prefix required core courses.

### **Academic Progress Standards for Nursing Programs**

To remain in good academic standing, nursing students must satisfy the general academic progress requirements with a letter grade of C or better in all required courses of the student's program of study. Students who do not achieve this will not be allowed to progress and will be subject to program suspension.

## **Academic Progress Standards for the Therapeutic Massage Program**

To remain in good academic standing, therapeutic massage students must satisfy the general academic progress requirements with a letter grade of C or better in all required courses of the student's program of study.

In the event that a student withdraws from the program due to academic shortfall or life circumstance, the Therapeutic Massage program follows these guidelines for readmission:

Students who receive a "C" or better in one portion of the curriculum but who fail out of or leave the program during subsequent semesters must demonstrate proficiency in completed courses in order to be given credit for the courses taken earlier.

## **Recognition of Outstanding Academic Performance**

### **President's List**

The names of students who have achieved a 4.0 grade point average (for all non-foundation courses attempted) on twelve or more semester hours of college-level work during the semester will be placed on the President's List. Foundation courses (indicated by prefix number 002-098) are not considered college-level work and will not be included in the computation of the grade point average for the President's List. The list will be published following the reporting of semester grades for the fall and spring academic semesters.

### **Dean's List**

The names of students who have achieved a grade point average of 3.5 or higher (for all non-foundation courses attempted) on twelve or more semester hours of college-level work during the semester will be placed on the Dean's List. The student can have no grade below a "C" on any college-level course. Foundation courses (indicated by prefix number 002-098) are not considered college-level work and will not be included in the computation of the grade point average for the Dean's List. The list will be published following the reporting of semester grades for the fall and spring academic semesters.

### **Honors Graduates**

Students who will receive a degree or diploma and have earned a cumulative grade point average of 3.5 or higher in their major by the end of the semester preceding their graduation semester will be recognized during graduation exercises for having achieved one of the following honors designations, which will also be noted on their diploma:

- **Cum Laude:** Grade point average between 3.5 and 3.74.
- **Magna Cum Laude:** Grade point average between 3.75 and 3.89.
- **Summa Cum Laude:** Grade point average between 3.9 and 4.0.

Foundation courses (indicated by prefix number (002-098) are not considered college-level work and will not be included in the computation of the grade point average for honors designation.

## Resources for Learning and Support

### Disability Services

Consistent with the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act of 1973, Sandhills Community College is committed to equality of educational opportunity and ensures that no qualified person shall, by reason of a disability, be denied access to, participation in, or the benefit of any program or activity operated by the College. Each qualified person with a disability shall receive necessary, reasonable accommodations to ensure equal access to educational opportunities, programs, and activities in the most integrated setting appropriate.

To obtain additional information or to read documentation guidelines and/or Policies and Procedures, please go to the Office of Disability Services web page at [www.sandhills.edu/disability-services-sandhills-community-college-2/](http://www.sandhills.edu/disability-services-sandhills-community-college-2/) or call us at (910) 246-4138.

### eLearning Students

In order to accommodate the needs of eLearning students, Sandhills Community College has implemented policies and procedures to protect student rights and online student privacy (SCC Procedure 4.10.2) and to provide Student and Curriculum Support Services. These procedures are available on the Sandhills website at [www.sandhills.edu](http://www.sandhills.edu) and on the MySCC page at <http://www.sandhills.edu/myscc/>.

### Information Technology Resources

Sandhills Community College provides up-to-date information technology resources for students, faculty, staff, and community members. There are many on-campus microcomputer laboratories that are available for use by students and community members. All of the main buildings on the campus are networked, providing access to the Internet and the administrative computer system. A wide variety of software is available for use on these computers. (More information is available in the *Information Technology Resources Acceptable Use Policy* in this *Catalog* and online at [www.sandhills.edu](http://www.sandhills.edu).)

### **Katharine L. Boyd Library**

The Katharine L. Boyd Library houses the Peter and Regina Yellin Learning Resources Center made up of the Learning Resources Computer Lab, the Barbara H. Cole Children's Literature Center, and the library collection. The library is also home to the Teresa Wood Reading Room, the Jeanne Hastings Gallery, the Peter J. Golden Teaching and Learning Center operated by the VP for Instruction office, and the Luke Joseph Ryan Veteran's Center operated by the Student Services division. Boyd Library also contains Boyd Room 101, a 24-seat computer classroom, available for reservation on a "First come" basis.

The library's physical collection includes 69,787 books, 36 print periodicals, 4,037 DVDs and 144 databases containing thousands of resources in various formats. Several reserve instructional materials are available at the circulation desk for student use. These items are designated for on-site use or special checkout periods as prescribed by individual instructors. The library also houses study guides for entrance exams such as the HESI, and licensing exams such as the NCLEX. Some of these materials (or similar) can also be accessed through the NCLIVE database *LearningExpress Library Complete/PrepSTEP Academic* and the *StatRef* database.

The Boyd Library provides comfortable, pleasant surroundings for study and reading in a 26,000- square-foot building. The library also includes a quiet area, access granted by the Veteran's Center, for people to reflect, read, or study without the intrusion of electronic devices. The rear of the library is designated as a quiet zone where students may study or read with minimal interruption. The Barbara H. Cole Children's Literature Center houses 3,360 books and DVDs for children. Through a generous donation, the Weiss special collection was established to enhance the children's area through a display of Caldecott Medal winner and honor books, as well as updated furnishings for the area. Other special books acquired through philanthropic donation include the Military and Veterans, Ralph and Vivian Jacobson Holocaust and World War II and the Peyton and Anne Cook Military collections.

Faculty, staff, and students are provided an SCC ID card, which also serves as their library card. Library and inter-library loan privileges are also available to Moore and Hoke County residents (and those who work in Moore and Hoke County but reside elsewhere). Community patron cards are issued to those 18 years of age or older. A photo ID and/or proof of residence must be presented during sign-up. Boyd Library is open 54 hours per week under the guidance of MSLS and/or MLS credentialed staff and has a seating capacity of 300.

The library provides 7 public-access computer stations for using the online catalog to find library materials and/or community patron "general use." In addition, patrons are also able to print documents from these workstations.

The library also provides no-cost Notary services to all campus personnel, students, and community library patrons.

Boyd Library provides online access to library research databases to all on-campus and distance learning students at <https://www.sandhills.edu/library/index.html>. There is also a library guide for easy navigation of all databases, along with associated video tutorials for searching the databases and other student help topics at <https://sandhills.libguides.com/boydintro> academic. Off-campus access to research databases is gained by logging in with the “MySCC” username and password. On-site research assistance from librarians on the main campus can be arranged by appointment for students at both Pinehurst and Hoke campuses. Off-site assistance via live chat or by scheduling a face-to-face virtual meeting with screen sharing capability in ConexEd is also available during hours of operation. After hours reference assistance via live online chat with credentialed librarians is available through ChatStaff.

### **Learning Resources Computer Lab**

The Learning Resources Computer Lab (LRCL), located inside the Boyd Library/Peter and Regina Yellin Learning Resource Center, is a staffed, student computer lab with access to 17 computers. All computers are equipped with internet access, word processing, computer-based tutorials, printers, and a wide variety of software applications. Additionally, the LRCL is a designated support site that offers test proctoring and WorkKeys testing, assistance with e-Learning platforms and MySCC login issues.

The LRCL is limited to use by students with valid SCC ID cards and Continuing Education/HSE students. Local college/university students in attendance at other institutions may also sign in to use the LRCL when space permits. The LRCL is also a certified proctoring site for use by faculty and students in need of exam proctoring services. Those in need of proctoring services can contact an LRCL staff member for scheduling.

Students in attendance at SCC’ Hoke Center campus, including those enrolled at the SandHoke Early College High School, can access computer resources online or by using one of five computers in the LRCL located in Upchurch Hall. Further support is available through staff at both the Hoke and Pinehurst campuses.

### **Transfer Center**

The Transfer Center is designed to support students who enroll in the Associate in Science (AS), A10400, or Associate in Arts (AA), A10100, degree with the goal of transferring to a four-year college or university. All students enrolled in the AA or AS transfer degree will be assigned to an academic advisor from the Transfer Center in their first year and will help

guide the student in setting up an education plan to meet the transfer requirements and to successfully navigate the transfer process. The Transfer Center also serves students enrolled in the Associate in General Education (AGE), A10300, degree and students who are considered a Special Student (T90990).

### **Testing**

The College administers the General Education Development (HSE) high school equivalency test, and a variety of academic achievement and screening examinations requested by instructional departments. HSE testing is located in Van Dusen Hall.

### **Tutorial Services**

An organized program of free tutorial assistance is provided to supplement the instruction given in the classroom. These services are provided by students and community volunteers. The Kelly Tutoring Center is located in Room 115 in Logan Hall. Online tutoring is also available. More information regarding Tutoring Services can be found on the MySCC page.

There are also drop-in labs on campus to assist students with their course work. Students should see their instructors for information regarding these labs.

## UNIVERSITY STUDIES PROGRAMS

The University Studies Program provides opportunities for students to complete coursework that will transfer as baccalaureate credit to four-year colleges and universities. By completing courses in the Arts and Sciences, students can earn Associate in Arts (A.A.), Associate in Engineering (A.E.), Associate in Science (A.S.), Associate in Fine Arts (A.F.A.), Associate in Arts in Teacher Preparation (A.A.T.P.), or Associate in Science in Teacher Preparation (A.S.T.P.) degrees. These degrees are designed to prepare students to continue their education as juniors in their field of study.

Sandhills Community College actively and fully complies with the 2014 Comprehensive Articulation Agreement between the North Carolina Community College System (NCCCS) and the University of North Carolina (UNC) System. Students pursuing an A.A. or an A.S. fall under this 2014 Comprehensive Articulation Agreement. This agreement establishes college transfer courses, degrees and policies that are accepted by all 58 community colleges and all 16 UNC colleges and universities. Students who complete the A.A. or the A.S. degree requirements and are admitted to a UNC university will have certain guarantees that credits earned will transfer.

Students who do not complete all degree or general education requirements of the Comprehensive Articulation Agreement (CAA) will be able to transfer credit on a course-by-course basis and must comply with the requirements of the receiving institution. In all cases, it remains the responsibility of the student to be aware of specific requirements of a particular institution or program. (Detailed information is available at [www.northcarolina.edu](http://www.northcarolina.edu).)

Students pursuing the Associate in Engineering (A.E.) degree fall under the Uniform Articulation Agreement between the University of North Carolina Baccalaureate Engineering Programs and the North Carolina Community College System Associate in Engineering Programs (A.E. to B.S.E. Articulation Agreement).

Students pursuing the Associate in Fine Arts in Music (A.F.A. in Music) degree fall under the Uniform Articulation Agreement between the University of North Carolina System Baccalaureate of Music Programs and the North Carolina Community College System Associate in Fine Arts in Music Programs (A.F.A. in Music to B.M. Articulation Agreement).

Students pursuing the Associate in Fine Arts in Visual Arts (A.F.A.V.A.) degree fall under the Uniform Articulation Agreement between the University of North Carolina Baccalaureate of Fine Arts Programs and the North Carolina Community College System Associate in Fine Arts in Visual Arts Programs (A.F.A.V.A. to B.F.A. Articulation Agreement).

Students pursuing the Associate in Fine Arts in Theatre (A.F.A.T.) degree fall under the Uniform Articulation Agreement between the University of North Carolina Baccalaureate of Arts in Theatre Programs and the North Carolina Community College System Associate in Fine Arts in Theatre (A.F.A.T. to B.A. Articulation Agreement).

Students pursuing the Associate in Arts Teacher Preparation (A.A.T.P.) or the Associate in Science Teacher Preparation (A.S.T.P.) fall under the Uniform Articulation Agreement between the University of North Carolina Educator Preparation Programs (E.P.P.) and the North Carolina Community College System.

The degree requirements for all associate degrees listed above can be found in the sections that follow.

Students planning to transfer should realize that universities do not have consistent policies regarding grade forgiveness. University admissions personnel will review the transcripts of transfer applicants and may recompute grade point averages and could include forgiven low grades. The articulation agreements (CAA, A.E. to B.S.E. AA, A.F.A.V.A. to B.F.A. AA, A.F.A. in Music to B.M. A.A, A.F.A.T. to B.A. AA, A.A.T.P. and A.S.T.P. to E.P.P.) with the universities of the UNC system require that a student earns a grade of “C” or better in each transfer course completed.

**Please note:** Students planning to transfer to four-year UNC institutions must comply with the University of North Carolina Minimum Course Requirements (MCR), published at [www.northcarolina.edu](http://www.northcarolina.edu). Students who do not satisfy these requirements in high school may comply with the MCR in one of the following ways:

- They can receive an Associate in Arts or Science, Associate in Fine Arts, Bachelor of Arts or Science, or any higher degree.
- They may complete at least 6 semester hours of credit in each of the following subjects: English, mathematics, natural sciences, social and behavioral sciences, and (for students who graduate high school in or after 2004) a second language.

## Associate Degree Requirements

To be awarded an associate degree, a student must complete 60 to 61 semester hours of credit, which include all requirements applicable to a particular degree program. At least 25 percent of semester hours of credit must be completed at Sandhills Community College. Students must complete all courses with a grade of “C” or higher and must maintain the following grade point average (on a 4.0 scale): a 2.0 for the A.A., A.S., and A.F.A. degrees, a 2.5 for the A.E. degree and a 2.7 for the A.A.T.P and A.S.T.P degrees.

Courses required are part of the **Universal General Education Transfer Component (UGETC)**, **Additional General Education Hours**, or **Other Required Hours**.

### **Universal General Education Transfer Component**

The Universal General Education Transfer Component (UGETC) includes study in the areas of the humanities, fine arts, communication, social and behavioral sciences, natural sciences, mathematics, and English composition. Within the component, students receive opportunities to achieve greater competence in reading, writing, communicating, demonstrating mathematical skills, understanding science concepts, and using computers. More specifically, students foster a greater understanding of reading comprehension, communication, and critical thinking as student learning outcomes.

These UGETC courses will satisfy universal general education transfer component requirements for the college transfer programs. The list of UGETC courses can be found in the degree requirements of each individual program. No other courses may be used as UGETC courses.

### **Additional General Education Hours**

Additional General Education Hours allow transfer students pursuing an Associate in Arts or an Associate in Science to take more general education courses based on their intended major and transfer university.

### **Other Required Hours**

Other Required Hours provide the opportunity for students pursuing an Associate in Arts or an Associate in Science to specialize and tailor their degree programs to particular interests, majors or career fields. These hours should be chosen from courses designated as pre-major, elective, or general education in the Comprehensive Articulation Agreement, and should be selected based on students' intended major and transfer university.

**Note:** Students pursuing an Associate in Engineering, an Associate in Fine Arts, an Associate in Arts in Teacher Preparation or an Associate in Science in Teacher Preparation should consult the degree requirements of their respective degree to view the list of Additional General Education and Other Required Hours.

### **Associate in Arts Degree Requirements (A10100)**

The Associate in Arts degree is designed for students who wish to transfer to a university to earn a Bachelor of Arts (or Bachelor of Science, depending upon the university) degree in one of the following fields of study:

---

 UNIVERSITY STUDIES PROGRAM
 

---

anthropology, architecture, business administration (accounting, finance, and marketing), communication, economics, education, English language and literature, foreign languages, geography, linguistics, history, humanities, interdisciplinary studies, journalism, library science, philosophy, political science, psychology, religion, social sciences, and visual and performing arts. Students who are interested in a career in dentistry, law, medicine, theology or ministry, optometry, pharmacy, physical therapy, or veterinary medicine are usually required or at least strongly encouraged to earn a bachelor's degree before applying to one of these graduate or professional degree programs.

The Associate in Arts degree shall be granted for a planned program of study consisting of a minimum of 60 and a maximum of 61 semester hours of college transfer courses. Within the degree program, the institution shall include opportunities for the achievement of competence in reading, writing, oral communication, fundamental mathematical skills, and the basic computer use. More specifically, students foster a greater understanding of reading comprehension, communication, and critical thinking as student learning outcomes.

Courses are approved for transfer through the Comprehensive Articulation Agreement (CAA). To be eligible for the transfer of credits under the CAA, A.A. graduates must obtain a grade of "C" or better in all CAA courses and an overall GPA of at least 2.0 on a 4.0 scale. A.A. graduates who have met these criteria will receive at least 60 semester hours of academic credit upon admission to a university. A.A. transfer students are strongly encouraged to align their course work to the Baccalaureate Degree Plan (BDP) of their intended major at their intended university. Baccalaureate Degree Plans are available at [www.northcarolina.edu](http://www.northcarolina.edu). Courses may also transfer through bilateral agreements between institutions. Courses offered through bilateral agreements may not transfer to all receiving universities.

*Through careful selection of courses with your advisor and/or the University Studies Coordinator, this degree can be completed as an eLearning Online Degree Program. Note that the only Mathematics courses offered online are MAT-143 and MAT-152.*

**COURSES****SEMESTER HOURS**
**UNIVERSAL GENERAL EDUCATION TRANSFER COMPONENT  
(31-32 SHC).....31-32**

The Universal General Education Component (UGETC) includes study in the areas of humanities, fine arts, communication, social and behavioral sciences, natural sciences, mathematics, and English composition.

**English Composition (6 SHC)..... 6**

Two English composition courses are required:

ENG-111 and ENG-112

**Humanities/Fine Arts (9 SHC) .....9**

Select **three** courses. Those courses must be from at least **two** different disciplines areas:

- Art (ART-111, 114, 115)
- Communication (COM-120, 231)
- Drama (DRA-111)
- Literature (ENG-231, 232, 241, 242)
- Music (MUS-110, 112)
- Philosophy (PHI-215, 240)

**Social/Behavioral Sciences (9 SHC) .....9**

Select **three** courses. Those courses must be from at least **two** different disciplines areas:

- Economics (ECO-251, 252)
- History (HIS-111, 112, 131, 132)
- Political Science (POL-120)
- Psychology (PSY-150)
- Sociology (SOC-210)

**Mathematics (3-4 SHC).....3-4**

Select one course from the following: MAT-143, 152, 171

**Natural Sciences (4 SHC).....4**

Select 4 SHC from the following:

- Astronomy (AST-111 & 111A)
- Biology (BIO-110, 111)
- Chemistry (CHM-151)
- Geology (GEL-111)
- Physics (PHY-110 & 110A)

**ADDITIONAL GENERAL EDUCATION HOURS (13-14 SHC)\*..13-14**

An additional 13-14 SHC of courses should be selected from the list below. Those courses are classified as general education within the Comprehensive Articulation Agreement. Students should select these courses based on their intended major and transfer university. While most of these are not UGETC courses, UGETC courses may also be used in this category, if not used elsewhere.

- ANT-210, 220, 221, 240
- ASL-111, 112, 211, 212

## **Associate in Arts in Teacher Preparation Degree Requirements (A1010T)**

The Associate in Arts in Teacher Preparation degree shall be granted for a planned program of study consisting of a minimum of 60 semester hours of credit (SHC) of college transfer courses. Within the degree program, the institution shall include opportunities for the achievement of competence in reading, writing, oral communication, fundamental mathematical skills, and basic computer use.

The Associate in Arts in Teacher Preparation is based on the Uniform Articulation Agreement for Teacher Preparation. This agreement enables North Carolina community college graduates of two-year Associate in Arts in Teacher Preparation programs who are admitted to constituent institutions of The University of North Carolina and to Signatory Institutions of North Carolina Independent Colleges and Universities to transfer into an educator preparation program with junior status. The Uniform Articulation for Teacher Preparation was founded on the Comprehensive Articulation Agreement (CAA) and the Independent Comprehensive Articulation Agreement (ICAA).

Community college graduates must obtain a grade of “C” or better in each course and an overall GPA of at least 2.7 on a 4.0 scale in order to transfer with a junior status. Courses may also transfer through bilateral agreements between institutions.

*Students must meet individual institutional requirements and application deadlines for entrance into an Educator Preparation Program, including a minimum GPA and required testing benchmarks. Admission to an EPP leading to licensure requires passing and obtaining competitive scores on the Praxis exam. Admission into a specific EPP is not guaranteed.*

<b>COURSES</b>	<b>SEMESTER HOURS</b>
<b>UNIVERSAL GENERAL EDUCATION TRANSFER COMPONENT (28-29 SHC)</b> .....	<b>28-29</b>
The Universal General Education Component (UGETC) includes study in the areas of humanities, fine arts, communication, social and behavioral sciences, natural sciences, mathematics, and English composition.	
<b>English Composition (6 SHC)</b> .....	<b>6</b>
Two English composition courses are required: ENG-111 and ENG-112	
<b>Humanities/Fine Arts (9 SHC)</b> .....	<b>9</b>
Required Communication course: Communication (COM-231)	

Select **two** courses. Those courses must be from at least **two** different disciplines areas:

- Art (ART-111, 114, 115)
- Communication (COM-120)
- Drama (DRA-111)
- Literature (ENG-231, 232, 241, 242)
- Music (MUS-110, 112)
- Philosophy (PHI-215, 240)

**Social/Behavioral Sciences (6 SHC).....6**

Select **two** courses. Those courses must be from at least **two** different disciplines areas:

- Economics (ECO-251, 252)
- History (HIS-111, 112, 131, 132)
- Political Science (POL-120)
- Psychology (PSY-150)
- Sociology (SOC-210)

**Mathematics (3-4 SHC).....3-4**

Select one course from the following: MAT-143, 152, 171

**Natural Sciences (4 SHC).....4**

Select 4 SHC from the following:

- Astronomy (AST-111 & 111A)
- Biology (BIO-110, 111)
- Chemistry (CHM-151)
- Geology (GEL-111)
- Physics (PHY-110 & 110A)

**ADDITIONAL GENERAL EDUCATION HOURS (17-18 SHC)\*.. 17-18**

**Other Required General Education (3 SHC).....3**

The following course is required:

- SOC 225 Social Diversity.....3

An additional 14-15 SHC of courses should be selected from the list below. Those courses are classified as general education within the Comprehensive Articulation Agreement. Students should select these courses based on their intended major and transfer university. While most of these are not UGETC courses, UGETC courses may also be used in this category, if not used elsewhere.

- ANT-210, 220, 221, 240

## Associate in Engineering Degree Requirements (A10500)

The Associate in Engineering degree is designed for students who wish to transfer to a state funded university with a Bachelor of Engineering program and earn a Bachelor of Science in Engineering. Baccalaureate Engineering Programs within the UNC system are offered at: East Carolina University, North Carolina Agricultural and Technical University, North Carolina State University, University of North Carolina at Charlotte, and Western Carolina University.

The Associate in Engineering shall be granted for a planned program of study consisting of a minimum of 60 and a maximum of 61 semester hours of college transfer courses. Within the degree program, the institution shall

include opportunities for the achievement of competence in reading, writing, oral communication, fundamental mathematical skills, and basic computer use. More specifically, students foster a greater understanding of reading comprehension, communication, and critical thinking as student learning outcomes.

The degree plan includes required general education and prerequisite courses that are acceptable to all state funded Bachelor of Engineering programs. Students who follow the degree progression plan will meet the entrance requirements at all of the North Carolina public Bachelor of Science Engineering programs. Associate in Engineering graduates may then apply to any of these programs without taking additional and sometimes duplicative courses. *Admission to Engineering programs is highly competitive and admission is not guaranteed.* To be eligible for the transfer of credits under the Associate in Engineering to the Bachelor of Science in Engineering Articulation Agreement (A.E. to B.S.E. AA), A.E. graduates must obtain a grade of “C” or better in each course **and** an overall GPA of at least 2.5 on a 4.0 scale.

COURSES	SEMESTER HOURS
<b>GENERAL EDUCATION (45-46 SHC)*</b> .....	<b>45-46</b>
The general education courses include study in the areas of English composition; humanities and fine arts; social and behavioral sciences; natural sciences and mathematics.	
<b>UNIVERSAL GENERAL EDUCATION TRANSFER COMPONENT (UGETC)</b> <i>Courses that are not classified as UGETC are italicized</i>	
<b>English Composition (6 SHC)</b> .....	<b>6</b>
Two English composition courses are required: ENG-111 and ENG-112	
<b>Humanities/Fine Arts and Communication (6 SHC)</b> .....	<b>6</b>
Humanities: Choose one: Literature (ENG-231, 232, 241, 242) Philosophy (PHI-215, 240) Fine Arts and Communication: Choose one: Art (ART-111, 114, 115) Communication (COM-231) Music (MUS-110, 112)	
<b>Social/Behavioral Sciences (6 SHC)</b> .....	<b>6</b>
One course required: Economics (ECO-251) Select second course from the following: History (HIS-111, 112, 131, 132) Political Science (POL-120)	

Psychology (PSY-150)  
Sociology (SOC-210)

**Mathematics (12 SHC).....12**

Calculus I (MAT-271) is the lowest level math course that will be accepted by the engineering programs for transfer as a math credit. Students who are not calculus-ready must take additional math courses.

Calculus (MAT-271, 272, 273) *Note: MAT-273 is not a UGETC course.*

**Natural Sciences (12 SHC).....12**

Take all of the following:

Chemistry (CHM-151)  
Physics (PHY-251, 252)

**ADDITIONAL GENERAL EDUCATION HOURS (3-4 SHC)\*3-4**

Select one course (not used elsewhere) from the following:

Biology (BIO-111)  
Chemistry (CHM-152)\*\*  
Communication (COM-110, 231)  
Economics (ECO-252)  
Geology (GEL-111)\*\*  
Humanities (HUM-110)  
Philosophy (PHI-240)

**TOTAL GENERAL EDUCATION HOURS REQUIRED (45-46 SHC)**  
..... 45-46

**OTHER REQUIRED HOURS (15 SHC)..... 15**

**Academic Transition (1 SHC)**

The following course is required:

ACA-122 College Transfer Success ..... 1  
Students must complete ACA-122 within the first 30 hours of enrollment.

**Pre-major Elective (2 SHC)**

EGR-150 Introduction to Engineering.....2

**Other General Education and Pre-major Elective Hours (12 SHC).....12**

Select 12 SHC from the following courses classified as pre-major, elective, or general education courses (not used elsewhere) within the Comprehensive Articulation Agreement. Students should choose courses appropriate to the specific university and engineering major requirements.

Biology (BIO-111)  
Chemistry (CHM-152, 251, 252)\*\*  
Communication (COM-110, 231)

## UNIVERSITY STUDIES PROGRAM

Computer Science (CSC-134, 151)  
 Drafting (DFT-170)  
 Economics (ECO-252)  
 Engineering (EGR-220)  
 Geology (GEL-111)\*\*  
 Humanities (HUM-110)  
 Mathematics (MAT-285)  
 Physical Education (PED-110)

**TOTAL SEMESTER HOURS CREDIT (SHC) IN PROGRAM 60-61\*\*\***

*\*Students must meet the receiving university's foreign language and/or health and physical education requirements, if applicable, prior to or after transfer to the senior institution.*

*\*\*Students pursuing a 4-year Chemical Engineering degree will need CHM-251 and CHM-252. CHM-152 is a prerequisite to CHM-251.*

*\*\*Students pursuing a 4-year Civil Engineering degree will need GEL-111.*

*\*\*\*One semester hour of credit may be included in a 61 SHC associate in engineering program of study. The transfer of this hour is not guaranteed.*

## Associate in Fine Arts in Music Degree Requirements (A10700)

The Associate in Fine Arts in Music (A.F.A. in Music) degree is designed for students who wish to transfer to one of the UNC Bachelor in Music (B.M.) programs under the Associate in Fine Arts in Music to Bachelor in Music Articulation Agreement (A.F.A. in Music to B.M. AA). There are ten B.M.-granting institutions within the UNC system: Appalachian State University, East Carolina University, North Carolina Central University, UNC Chapel Hill, UNC Charlotte, UNC Greensboro, UNC Pembroke, UNC School of the Arts, UNC Wilmington, and Western Carolina University.

A.F.A. in Music graduates must meet the admission requirements and associated timelines as published by each B.M. program. In addition to meeting entrance requirements, A.F.A. in music graduates may also be required to audition depending on the entrance requirements of each institution. Acceptance into any B.M. program is not guaranteed. Each student must follow the admissions process of the specific receiving university.

The Associate in Fine Arts in Music degree shall be granted for a planned program of study consisting of 61 semester hours of college transfer courses. Within the degree program, the institution shall include opportunities for the achievement of competence in reading, writing, oral communication, fundamental mathematical skills, and basic computer use. More specifically, students foster a greater understanding of reading comprehension, communication, and critical thinking as student learning outcomes.

To be eligible for the transfer of credits under the A.F.A. in Music to B. M. A.A., A.F.A. in Music graduates must obtain a grade of "C" or better in each course and an overall GPA of at least 2.0 on a 4.0 scale. Courses may also transfer through bilateral agreements between institutions. Courses offered through bilateral agreements may not transfer to all receiving universities.

*Because the use of computers is integral to this curriculum, some courses are delivered in an online format.*

COURSES	SEMESTER HOURS
<b>UNIVERSAL GENERAL EDUCATION TRANSFER COMPONENT (25 SHC)*</b> .....	<b>25</b>

## Associate in Fine Arts in Visual Arts Degree Requirements (A10600)

The Associate in Fine Arts (A.F.A.) in Visual Arts degree is designed for students who wish to transfer to one of the UNC Bachelor in Fine Arts (B.F.A.) in Visual Arts programs under the Associate in Fine Arts in Visual Arts to Bachelor in Fine Arts Articulation Agreement (A.F.A.V.A. to B.F.A. AA). There are seven B.F.A.-granting institutions within the UNC system whose focus is on the visual arts: Appalachian State University (B.F.A. in Studio Art), East Carolina University (B.F.A. in Arts), UNC Asheville (B.F.A. in Art), UNC Chapel Hill (B.F.A. in Studio Art), UNC Charlotte (B.F.A. in Art), UNC Greensboro (B.F.A. in Studio Art), and Western Carolina University (B.F.A. in Art).

A.F.A. in Visual Arts graduates must meet the portfolio submission requirements and associated timelines as published by each B.F.A. program. Admission to a visual arts program is competitive and acceptance into any B.F.A. program is not guaranteed. Each student must follow the admissions process of the specific receiving university.

The Associate in Fine Arts in Visual Arts degree shall be granted for a planned program of study consisting of a minimum of 60 semester hours of credit (SHC) of college transfer courses. Within the degree program, the institution shall include opportunities for the achievement of competence in reading, writing, oral communication, fundamental mathematical skills, and basic computer use. More specifically, students foster a great understanding of reading comprehension, communication, and critical thinking as student learning outcomes.

To be eligible for the transfer of credits under the A.F.A.V.A. to B.F.A. AA, A.F.A. in Visual Arts graduates must obtain a grade of "C" or better in each course and an overall GPA of at least 2.0 on a 4.0 scale. Courses may also transfer through bilateral agreements between institutions. Courses offered through bilateral agreements may not transfer to all receiving universities.

COURSES	SEMESTER HOURS
<b>UNIVERSAL GENERAL EDUCATION TRANSFER COMPONENT</b>	
<b>(25-26 SHC)* .....</b>	<b>25-26</b>
The universal general education transfer component (UGETC) includes study in the areas of humanities, fine arts, communication, social and behavioral sciences, natural sciences, mathematics, and English composition.	
<b>English Composition (6 SHC) .....</b>	<b>6</b>

## **Associate in Fine Arts in Theatre Degree Requirements (A10800)**

The Associate in Fine Arts (A.F.A.) in Theatre degree is designed for students who wish to transfer to one of the UNC Bachelor in Arts (B.A.) in Theatre programs under the Associate in Fine Arts in Theatre to Bachelor in Arts Articulation Agreement (A.F.A.T. to B.A.). There are eleven B.A.-granting institutions within the UNC system whose focus is on theatre: Appalachian State University (B.A. in Theatre Generalist), East Carolina University (B.A. in Theater Arts), Fayetteville State University (B.A. in Theatre), North Carolina Central University (B.A. in Theatre), UNC Asheville (B.A. in Drama), UNC Chapel Hill (B.A. in Dramatic Art), UNC Charlotte (B.A. in Theatre), UNC Greensboro (B.A. in Drama), UNC Pembroke (B.A. in Theater Arts), UNC Wilmington (B.A. in Theatre), and Western Carolina University (B.A. in Arts in Stage and Screen).

The agreement enables students who have graduated from a NCCCS institution with an A.F.A. in Theatre to complete a common list of courses that meet the entrance requirements at all of the B.A. in Theatre programs at UNC institutions. However, because theatre program admissions are competitive, no student is guaranteed admission to a UNC theatre program. In addition to meeting entrance requirements, transfer students may also be required to submit evidence of their creative work, depending on the requirements for each institution.

The Associate in Fine Arts in Theatre degree shall be granted for a planned program of study consisting of a minimum of 60 semester hours of credit (SHC) of college transfer courses. Within the degree program, the institution shall include opportunities for the achievement of competence in reading, writing, oral communication, fundamental mathematical skills, and basic computer use. More specifically, students foster a great understanding of reading comprehension, communication, and critical thinking as student learning outcomes.

To be eligible for the transfer of credits under the A.F.A.T. to B.A. AA., A.F.A. in Theatre graduates must obtain a grade of “C” or better in each course and an overall GPA of at least 2.0 on a 4.0 scale. Courses may also transfer through bilateral agreements between institutions. Courses offered through bilateral agreements may not transfer to all receiving universities.

## Associate in Science Degree Requirements (A10400)

The Associate in Science degree is designed for students who wish to transfer to a university to earn a Bachelor of Science degree in one of the following fields: architecture; agriculture; biological and life sciences; business, management, and marketing; computer and information sciences; corrections and criminal justice; engineering; engineering technologies; health

---

 UNIVERSITY STUDIES PROGRAM
 

---

professions and clinical sciences; mathematics and statistics; parks, recreation, and fitness studies; physical sciences; science education; social sciences; and transportation and materials moving. Students who are interested in a career in dentistry, law, medicine, theology or ministry, optometry, pharmacy, physical therapy, or veterinary medicine are usually required or at least strongly encouraged to earn a bachelor's degree before applying to one of these graduate or professional degree programs.

The Associate in Science degree shall be granted for a planned program of study consisting of a minimum of 60 and a maximum of 61 semester hours of college transfer courses. Within the degree program, the institution shall include opportunities for the achievement of competence in reading, writing, oral communication, fundamental mathematical skills, and the basic computer use. More specifically, students foster a greater understanding of reading comprehension, communication, and critical thinking as student learning outcomes.

Courses are approved for transfer through the Comprehensive Articulation Agreement (CAA). To be eligible for the transfer of credits under the CAA, A.S. graduates must obtain a grade of "C" or better in all CAA courses and an overall GPA of at least 2.0 on a 4.0 scale. A.S. graduates who have met these criteria will receive at least 60 semester hours of academic credit upon admission to a university. A.S. transfer students are strongly encouraged to align their course work to the Baccalaureate Degree Plan (BDP) of their intended major at their intended university. Baccalaureate Degree Plans are available at [www.northcarolina.edu](http://www.northcarolina.edu). Courses may also transfer through bilateral agreements between institutions. Courses offered through bilateral agreements may not transfer to all receiving universities.

COURSES	SEMESTER HOURS
<b>UNIVERSAL GENERAL EDUCATION TRANSFER COMPONENT</b>	
<b>(34 SHC)</b> .....	<b>34</b>
The Universal General Education Transfer Component (UGETC) includes study in the areas of humanities, fine arts, communication, social and behavioral sciences, natural sciences, mathematics, and English composition.	
<b>English Composition (6 SHC)</b> .....	<b>6</b>
Two English composition courses are required: ENG-111 and ENG-112	
<b>Humanities/Fine Arts (6 SHC)</b> .....	<b>6</b>
Select <b>two</b> courses. Those courses must be from <b>two</b> different discipline areas: Art (ART-111, 114, 115) Communication (COM-120, 231) Drama (DRA-111)	

Literature (ENG-231, 232, 241, 242)  
 Music (MUS-110, 112)  
 Philosophy (PHI-215, 240)

**Social/Behavioral Sciences (6 SHC).....6**

Select **two** courses. Those courses must be from **two** different discipline areas:

Economics (ECO-251, 252)  
 History (HIS-111, 112, 131, 132)  
 Political Science (POL-120)  
 Psychology (PSY-150)  
 Sociology (SOC-210)

**Mathematics (8 SHC).....8**

Select **two** courses from the following. One course must be a 200-level course:

MAT-171, 172, 263, 271, 272

**Natural Sciences (8 SHC).....8**

Select an 8 SHC two-course sequence from the following:

BIO-111 General Biology I (4 SHC) **and** BIO-112 General Biology II (4 SHC) *or*  
 CHM-151 General Chemistry I (4 SHC) **and** CHM-152 General Chemistry II (4 SHC) *or*  
 PHY-151 College Physics I (4 SHC) **and** PHY-152 College Physics II (4 SHC) *or*  
 PHY-251 General Physics I (4 SHC) **and** PHY-252 General Physics II (4 SHC)

**ADDITIONAL GENERAL EDUCATION HOURS (11 SHC)..... 11**

Select an additional 11 SHC of courses from the list below. Those courses are classified as mathematics, natural sciences, or computer science general education courses from the Comprehensive Articulation Agreement. Some are UGETC courses. Students should select these courses based on their intended major and transfer university.

AST-111 and 111A  
 BIO-110, 111, 112, 120, 130, 140 and 140A  
 CHM-151, 152

## **Associate in Science in Teacher Preparation Degree Requirements (A1040T)**

The Associate in Science in Teacher Preparation degree shall be granted for a planned program of study consisting of a minimum of 60 semester hours of credit (SHC) of college transfer courses. Within the degree program, the institution shall include opportunities for the achievement of competence in

reading, writing, oral communication, fundamental mathematical skills, and the basic computer use.

The Associate in Science in Teacher Preparation is based on the Uniform Articulation Agreement for Teacher Preparation. This agreement enables North Carolina community college graduates of two-year Associate in Science in Teacher Preparation programs who are admitted to constituent institutions of The University of North Carolina and to Signatory Institution of North Carolina Independent Colleges and Universities to transfer into an educator preparation program with junior status. The Uniform Articulation for Teacher Preparation was founded on the Comprehensive Articulation Agreement (CAA) and the Independent Comprehensive Articulation Agreement (ICAA).

Community college graduates must obtain a grade of “C” or better in each course and an overall GPA of at least 2.7 on a 4.0 scale in order to transfer with a junior status. Courses may also transfer through bilateral agreements between institutions.

*Students must meet individual institutional requirements and application deadlines for entrance into an Educator Preparation Program, including a minimum GPA and required testing benchmarks. Admission to an EPP leading to licensure requires passing and obtaining competitive scores on the Praxis exam. Admission into a specific EPP is not guaranteed.*

## COURSES

## SEMESTER HOURS

### **UNIVERSAL GENERAL EDUCATION TRANSFER COMPONENT (31 SHC) ..... 31**

The Universal General Education Transfer Component (UGETC) includes study in the areas of humanities, fine arts, communication, social and behavioral sciences, natural sciences, mathematics, and English composition.

#### **English Composition (6 SHC) ..... 6**

Two English composition courses are required:

ENG-111 and ENG-112

#### **Humanities/Fine Arts (6 SHC) ..... 6**

Required Communication course:

Communication (COM-231)

Select **one** course:

Art (ART-111, 114, 115)

Drama (DRA-111)

Literature (ENG-231, 232, 241, 242)

Music (MUS-110, 112)

Philosophy (PHI-215, 240)

#### **Social/Behavioral Sciences (3 SHC) ..... 3**

Select **one** course:

Economics (ECO-251, 252)  
 History (HIS-111, 112, 131, 132)  
 Political Science (POL-120)  
 Psychology (PSY-150)  
 Sociology (SOC-210)

**Mathematics (8 SHC).....8**

Select **two** courses from the following. One course must be a 200-level course:

MAT-171, 172, 263, 271, 272

**Natural Sciences (8 SHC).....8**

Select an 8 SHC two-course sequence from the following:

BIO-111 General Biology I (4 SHC) **and** BIO-112 General Biology II (4 SHC) *or*

CHM-151 General Chemistry I (4 SHC) **and** CHM-152 General Chemistry II (4 SHC) *or*

PHY-151 College Physics I (4 SHC) **and** PHY-152 College Physics II (4 SHC) *or*

PHY-251 General Physics I (4 SHC) **and** PHY-252 General Physics II (4 SHC)

**ADDITIONAL GENERAL EDUCATION HOURS (14-15 SHC).... 14-15**

**Other Required General Education (3 SHC).....3**

The following course is required:

SOC 225 Social Diversity.....3

Select an additional 11-12 SHC of courses from the list below. Those courses are classified as mathematics, natural sciences, or computer science general education courses from the Comprehensive Articulation Agreement. Some are UGETC courses. Students should select these courses based on their intended major and transfer university.

AST-111 and 111A

BIO-110, 111, 112, 120, 130, 140 and 140A

CHM-151, 152

CIS-110, 115

GEL-111

MAT-143, 152, 171, 172, 263, 271, 272, 273

PHY-110 and 110A, 151, 152, 251, 252

## UNIVERSITY STUDIES PROGRAM

**TOTAL GENERAL EDUCATION HOURS REQUIRED (45 SHC).... 45**

**OTHER REQUIRED HOURS (15 SHC)\* ..... 15**

**Education (14 SHC)**

The following courses are required:

EDU 187 Teaching and Learning for All.....	4
EDU 216 Foundations of Education .....	3
EDU 250 Teacher Licensure Preparation.....	3
EDU 279 Literacy Develop and Instruct.....	4

*\*Students who have completed Teacher Cadet or Teaching as a Profession courses in high school with a B or better may substitute that course for EDU 187 Teaching and Learning for All.*

**Academic Transition (1 SHC)**

The following course is required:

ACA-122 College Transfer Success.....	1
---------------------------------------	---

**TOTAL SEMESTER HOURS CREDIT (SHC) IN PROGRAM.....60-61**

*\*Students must meet the receiving university's foreign language and/or health and physical education requirements, if applicable, prior to or after transfer to the senior institution.*

**Associate in Science Course Sequence Example**

		Course Hours		Semester Hours Credit

\*\*At least one math UGETC course must be a 200-level course.

## APPLIED SCIENCE PROGRAMS

Sandhills Community College offers a variety of occupational programs designed to prepare the graduate for immediate employment. A minimum of 25 percent of the program must be completed at Sandhills Community College, with that 25 percent coming from major and other major hours, and not from general education hours, for the program of study. In some cases, graduates of Associate in Applied Science (A.A.S.) programs may wish to pursue a baccalaureate degree at a senior institution. Those considering such a course of action are encouraged to discuss the transferability of courses with their advisors. Certain A.A.S. programs offer transferable relationships with four-year institutions.

The acceleration of today's technology has led to many innovative programs at the college. These programs provide the training necessary to permit entry into increasingly complex and sophisticated employment in business, industry, health, and public service. The technicians and/or paraprofessionals who graduate from these programs assume key roles in our technological society.

Successful completion of a two-year technical program leads to an Associate in Applied Science degree. Each program combines a solid foundation in general education with specialized knowledge and skills.

### Applied Science Advisory Committees

In order to ensure that programs stay abreast of current employment needs, workplace requirements, and technology advances, each occupational program makes use of an advisory committee. The purpose of advisory committees is to assist and advise program coordinators and faculty members in establishing, operating, and evaluating programs so that they meet the needs of students and employees and fulfill their obligations to various accrediting agencies. The Office of the Vice President of Instruction monitors and responds to advisory committee recommendations.

### Associate in Applied Science Degree Requirements

Candidates for the Associate in Applied Science degree must complete general education and major courses required for the program in which they are enrolled. Students must successfully complete a minimum of 25 percent of course credit hours of the certificate, diploma, or associate degree requirements at Sandhills Community College, with that 25 percent coming from major and other major hours, and not from general education hours, for the program of study. **Please note:** In accordance with accreditation standards, 1) All associate degree students must either place out of DMA-010 through 030 or MAT-003 or successfully complete DMA-010 through 030 or MAT-003 to demonstrate competence in fundamental mathematical skills. 2) All

graduates of associate degree programs are required to complete successfully at least one mathematic or laboratory-based quantitative science course.

### **Associate in Applied Science General Education Electives**

General Education electives for Associate in Applied Science degrees should be chosen from the list below:

<b>GENERAL EDUCATION COURSES</b>	<b>SEMESTER HOURS</b>
<b>Communication .....</b>	<b>6</b>
Select <b>two</b> courses from the following: COM-110, COM-120, COM-231, ENG-111, ENG-112, ENG-114	
<b>Humanities/Fine Arts .....</b>	<b>3</b>
Select <b>one</b> of the following:	
ART-111, 114, 115, 121, 131, 171, 240, 281, 283	
COM-140	
DRA-111, 120, 126, 130, 211, 212	
ENG-125, 131, 231, 232, 241, 242, 261, 262, 273	
HUM-110, 115, 120, 122, 130, 150, 160, 170, 211, 212, 220, 230	
MUS-110, 111, 112, 210	
PHI-215, 240	
REL-110, 211, 212, 221	
<b>Natural Sciences and Mathematics .....</b>	<b>3</b>
Select <b>one</b> of the following:	
AST-111 & 111A	
BIO-110, 111, 140 & 140A, 163, 168	
CHM-130 & 130A, 151	
GEL-111	
MAT-121, 143, 152, 171	
PHY-110 & 110A	
SCI-110	
<b>Social and Behavioral Sciences.....</b>	<b>3</b>
Select <b>one</b> of the following:	
ANT-210, 220, 221, 240	
ECO-151, 251, 252	
HIS-111, 112, 121, 122, 131, 132, 151, 221	
POL-110, 120, 210, 220	
PSY-118, 150, 230, 237, 239, 241, 243, 249, 259, 263, 271, 275, 281	
SOC-210, 213, 220, 225, 230, 234, 240, 242	

### **Diploma Programs**

One-year diploma programs have been established at the college to prepare students for entrance to or advancement in skilled occupations. To qualify for a diploma, students must successfully complete the course requirements for the diploma program in which they are enrolled. A minimum of 25 percent of the program must be completed at Sandhills Community College, with that 25 percent coming from **major and other major hours**, and not from general education hours, for the program of study. The requirements for each diploma program are listed under the name of the degree in the “Applied Science Program of Study” section of this *Catalog*.

### **Certificate Programs**

Many A.A.S. programs offer a certificate option for students who complete twelve to 18 hours of designated courses in the curriculum. A minimum of 25 percent of the program must be completed at Sandhills Community College. The requirements for each certificate program are listed under the name of the degree in the “Applied Science Program of Study” section of this *Catalog*.

## APPLIED SCIENCE PROGRAMS OF STUDY

### Accounting

The Accounting curricula is designed to provide students with the knowledge and the skills necessary for employment and growth in the accounting and finance profession. Accountants and finance professionals assemble and analyze, process, and communicate essential information about financial operations.

Course work may include accounting, finance, ethics, business law, computer applications, financial planning, insurance, marketing, real estate, selling, and taxation. Related skills are developed through the study of communications, computer applications, financial analysis, critical thinking skills, and ethics.

Graduates should qualify for entry-level accounting positions in many types of organizations including accounting firms, small businesses, manufacturing firms, banks, hospitals, school systems, and governmental agencies.

*Because the use of computers is integral to this curriculum, some courses are delivered in an online and/or hybrid format.*

## Architectural Technology

**Architectural and Construction Pathway:** These programs are designed to prepare individuals to apply technical knowledge and skills to the fields of architecture, construction, construction management, and other associated professions.

Course work includes instruction in sustainable building and design, print reading, building codes, estimating, construction materials and methods, and other topics related to design and construction occupations.

Graduates of this pathway should qualify for entry-level jobs in architectural, engineering, construction and trades professions as well as positions in industry and government.

**Architectural Technology:** A program that prepares individuals to assist architects, engineers, and construction professionals in developing plans and related documentation for residential and commercial projects in both the private and public sectors. Includes instruction in architectural drafting, computer-assisted drafting, construction materials and methods, environmental systems, codes and standards, structural principles, cost estimation, planning, graphics, and presentation

## Automotive Systems Technology

Curriculums in the Mobile Equipment Maintenance and Repair pathway prepare individuals for employment as entry-level transportation service technicians. The program provides an introduction to transportation industry careers and increases student awareness of the diverse technologies associated with this dynamic and challenging field.

Course work may include transportation systems theory, braking systems, climate control, design parameters, drive trains, electrical/electronic systems, engine repair, engine performance, environmental regulations, materials, product finish, safety, steering/suspension, transmission/transaxles, and sustainable transportation, depending on the program major area chosen.

Graduates of this pathway should be prepared to take professional licensure exams, which correspond to certain programs of study, and to enter careers as entry-level technicians in the transportation industry.

**Automotive Systems Technology:** A program that prepares individuals to apply technical knowledge and skills to repair, service, and maintain all types of automobiles. Includes instruction in brake systems, electrical systems, engine performance, engine repair, suspension and steering, automatic and manual transmissions and drive trains, and heating and air conditioning systems

---

 APPLIED SCIENCE PROGRAMS
 

---

*Upon completion of this curriculum, students should be prepared to take the ASE exams and be ready for full-time, entry-level employment in dealerships and repair shops in the automotive service industry.*

*Because the use of computers is integral to this curriculum, some courses are delivered in an online and hybrid format.*

## Aviation Management & Career Pilot Technology

The Aviation Management and Career Pilot Technology curriculum prepares individuals for a variety of aviation and aviation-related careers including the commercial airlines, general aviation, the aerospace industry, the military, unmanned aircraft systems industries, and state and federal aviation organizations.

Course work includes fundamentals of flight, aerodynamics, aircraft performance, meteorology, navigation, federal regulations, aviation management, unmanned aircraft systems, and instrument and commercial ground training, flight and simulator training, and entrepreneurship or business management training.

Graduates may earn a commercial pilot certificate with an instrument rating, specialize in aviation management or in unmanned air systems, and may find employment as commercial, corporate, and military pilots, fixed base operators and airport managers, as pilots or technicians in the unmanned aircraft systems industry, or as flight instructors, and flight dispatchers.

*Students in the Aviation Management and Career Pilot Technology program will be required to fly simulator hours during the Air Navigation course and within the Flight-Private Pilot, -Instrument Pilot, -Commercial Pilot and -Certified Flight Instructor courses toward their FAA certification which are required to receive credit for flight courses. There will be a per hour fee for simulator use that will be set by the department.*

*Because the use of computers is integral to this curriculum, some courses are delivered in an online and hybrid format.*

\*The Instrument Pilot Certificate program will provide the student with the opportunity to qualify for a FAA Instrument Pilot Rating. The student must complete their Private Pilot Certificate and receive credit for AER-151 prior to entering the instrument flight training portion of the certificate program. SCC does not offer the flight training for the private certificate. Students must go to a FAA approved flight training school and qualify under FAR Part 61 or Part 141 to receive their FAA Private Pilot Certificate.

^The flight portion of AER-161 is not offered on campus, however, there is an Advanced Aviation Training Device that the student can train in AER-115 and credit up to 20 instrument flight hours toward their instrument rating. The flight portion of the Instrument Rating must be taken at a Part 61 or Part 141 flight school and the student must receive their FAA Instrument Rating through the flight training and FAA testing and evaluation process.

## Baking and Pastry Arts

This Baking and Pastry Arts Curriculum is designed to provide students with the skills and knowledge required for employment in the baking/pastry industry, including restaurants, hotels, independent bakeries/pastry shops, wholesale/retail markets, and high-volume bakeries, and/or further academic studies.

Students will be provided theoretical knowledge/practical applications that provide critical competencies to meet industry demands, including environmental stewardship, operational efficiencies and professionalism. Course work includes specialty/artisanal breads, desserts/pastries, decorative work, high-volume production, and food marketing.

Graduates should qualify for entry-level positions, such as pastry/bakery assistant, area pastry chef and assistant pastry chef. American Culinary Federation certification may be available to graduates.

## Basic Law Enforcement Training

Basic Law Enforcement Training (BLET) is designed to give students essential skills required for entry-level employment as law enforcement officers with state, county or municipal governments, or with private enterprise.

This program utilizes State-Commission-mandated topics and methods of instruction. General subjects include, but are not limited to, criminal, juvenile, civil, traffic, and alcoholic beverage laws; investigative, patrol, custody, and court procedures; emergency responses; and ethics and community relations.

Students must successfully complete and pass all units of study mandated by the North Carolina Criminal Justice Education and Training Standards Commission and the North Carolina Sheriffs' Education and Training Standards Commission to receive a certificate.

*Student successfully completing a Basic Law Enforcement Training course, accredited by the North Carolina Justice Education and Training Standards Commission and the North Carolina Sheriffs' Education and Training Standards Commission will receive credit for CJC-113 Juvenile Justice, CJC-120 Interviews and Interrogations, CJC-131 Criminal Law, CJC-132 Court Procedure and Evidence, CJC-221 Investigative Principles, and CJC-231 Constitutional Law toward the Associate in Applied Science degree in Criminal Justice Technology. Students must have successfully passed the Commissions' comprehensive certification examination and completed Basic Law Enforcement Training since 1985.*

## Building Construction Technology

These curriculums are designed to prepare individuals to apply technical knowledge and skills to the fields of architecture, construction, construction management, and other associated professions.

Course work includes instruction in sustainable building and design, print reading, building codes, estimating, construction materials and methods, and other topics related to design and construction occupations.

Graduates of this pathway should qualify for entry-level jobs in architectural, engineering, construction and trades professions as well as positions in industry and government.

**Building Construction Technology:** This program is designed to prepare individuals to apply technical knowledge and skills to residential and commercial building construction and remodeling. Includes instruction in construction equipment and safety; site preparation and layout; construction estimating; print reading; building codes; framing; masonry; heating, ventilation, and air conditioning; electrical and mechanical systems; interior and exterior finishing; and plumbing.

## Business Administration

The Business Administration Curriculum is designed to introduce students to the various aspects of the free enterprise system. Students will be provided with a fundamental knowledge of business functions, processes, and an understanding of business organizations in today's global economy.

Course work includes business concepts such as accounting, business law, economics, management, and marketing. Skills related to the application of these concepts are developed through the study of computer applications, communication, team building, and decision making.

Through these skills, students will have a sound business education base for lifelong learning. Graduates are prepared for employment opportunities in government agencies, financial institutions, and large to small businesses or industries.

*Because the use of computers is integral to this curriculum, some courses are delivered in an online and hybrid format.*

*Through careful selection of courses, both the Business Administration and Business Administration Hospitality Management Concentration degrees can be completed as an eLearning Online Degree Program.*

**Special Options for students graduating with the A.A.S. in Business Administration:** The Department of Management and Business Technologies has articulation agreements with Fayetteville State University, UNC Pembroke, Methodist University, Pfeiffer University, and St. Andrews University. Students can earn their A.A.S. at Sandhills CC and then continue to earn a B.S.B.A.

## Civil Engineering Technology

**Engineering and Technology Pathway:** These curriculums are designed to prepare students through the study and application of principles from mathematics, natural sciences, and technology and applied processes based on these subjects.

Course work includes mathematics, natural sciences, engineering sciences and technology.

Graduates should qualify to obtain occupations such as technical service providers, materials and technologies testing services, engineering technicians, construction technicians and managers, industrial and technology managers, or research technicians.

**Civil Engineering Technology:** A course of study that prepares students to use basic engineering principles and technical skills to carry out planning, documenting and supervising tasks in sustainable land development and public works and facilities projects. Includes instruction in the communication and computational skills required for materials testing, structural testing, field and laboratory testing, site analysis, estimating, project management, plan preparation, hydraulics, environmental technology, and surveying. Graduates should qualify for technician-level jobs with both public and private engineering, construction, and surveying agencies.

*Because the use of computers is integral to this curriculum, some courses are delivered in an online and hybrid format.*

## Collision Repair & Refinishing Technology

Curriculums in the Mobile Equipment Maintenance and Repair pathway prepare individuals for employment as entry-level transportation service technicians. The program provides an introduction to transportation industry careers and increases student awareness of the diverse technologies associated with this dynamic and challenging field.

Course work may include transportation systems theory, braking systems, climate control, design parameters, drive trains, electrical/electronic systems, engine repair, engine performance, environmental regulations, materials, product finish, safety, steering/suspension, transmission/transaxles, and sustainable transportation, depending on the program major area chosen.

Graduates of this pathway should be prepared to take professional licensure exams, which correspond to certain programs of study, and to enter careers as entry-level technicians in the transportation industry.

**Collision Repair and Refinishing Technology:** A program that prepares individuals to apply technical knowledge and skills to repair, reconstruct and finish automobile bodies, fenders, and external features. Includes instruction in structural analysis, damage repair, non-structural analysis, mechanical and electrical components, plastics and adhesives, painting and refinishing techniques, and damage analysis and estimating.

*Upon completion of this curriculum, students should be prepared to take the ASE exams and be ready for full-time, entry-level employment in dealerships and repair shops in the automotive service industry.*

*Because the use of computers is integral to this curriculum, some courses are delivered in an online and hybrid format*

## Computer Engineering Technology

**Pathway Description:** These curriculums are designed to prepare students through the study and application of principles from mathematics, natural sciences, and technology and applied processes based on these subjects.

Course work includes mathematics, natural sciences, engineering sciences and technology.

Graduates should qualify to obtain occupations such as technical service providers, materials and technologies testing services, process improvement technicians, engineering technicians, construction technicians and managers, industrial and technology managers, or research technicians.

**Computer Engineering Technology:** A course of study that prepares the students to use basic engineering principles and technical skills for installing, servicing, and maintaining computers, peripherals, networks, and microprocessor and computer-controlled equipment. Includes instruction in mathematics, computer electronics and programming, prototype development and testing, systems installation and testing, solid state and microminiature circuitry, peripheral equipment, and report preparation.

Graduates should qualify for employment opportunities in electronics technology, computer service, computer networks, server maintenance, programming, and other areas requiring knowledge of electronic and computer systems. Graduates may also qualify for certification in electronics, computers, or networks.

**Computed Tomography Imaging Technology**

The Computed Tomography Imaging Technology curriculum prepares the individual to use specialized equipment to visualize cross-sectional anatomical structures and aid physicians in the demonstration of pathologies and disease processes. Individuals entering this curriculum must be a registered or registry-eligible radiologic technologist, radiation therapist, or nuclear medicine technologist.

Course work prepares the technologist to provide patient care and perform studies utilizing imaging equipment, professional communication, and quality assurance in scheduled and emergency procedures through academic and clinical studies.

Graduates may be eligible to sit for the American Registry of Radiologic Technologist Advanced-Level testing in Computed Tomography Imaging examinations. They may find employment in facilities which perform these imaging procedures.

*Because the use of computers is integral to this curriculum, some portions of courses are web-enhanced to provide students resource materials related to their studies.*

## Construction Management Technology

These curriculums are designed to prepare individuals to apply technical knowledge and skills to the fields of architecture, construction, construction management, and other associated professions.

Course work includes instruction in sustainable building and design, print reading, building codes, estimating, construction materials and methods, and other topics related to design and construction occupations.

Graduates of this pathway should qualify for entry-level jobs in architectural, engineering, construction and trades professions as well as positions in industry and government.

**Construction Management Technology:** A program that prepares individuals to supervise, manage, and inspect construction sites, buildings, and associated facilities. Includes instruction in site safety, personnel supervision, labor relations, diversity training, construction documentation, scheduling, resource and cost control, bid strategies, rework prevention, construction insurance and bonding, accident management and investigation, applicable law and regulations, and communication skills.

## Cosmetology

The Cosmetology curriculum is designed to provide competency-based knowledge, scientific/artistic principles, and hands-on fundamentals associated with the cosmetology industry. The curriculum provides a simulated salon environment which enables students to develop manipulative skills.

Course work includes instruction in all phases of professional imaging, hair design, chemical processes, skin care, nail care, multi-cultural practices, business/computer principles, product knowledge, and other selected topics.

Graduates should qualify to sit for the State Board of Cosmetic Arts examination. Upon successfully passing the State Board exam, graduates will be issued a license. Employment is available in beauty salons and related businesses.

*Because the use of computers is integral to this curriculum, some courses are delivered in an online and hybrid format.*

## Criminal Justice Technology

The Criminal Justice Technology Curriculum is designed to provide knowledge of criminal justice systems and operations. Study will focus on local, state, and federal law enforcement, judicial processes, corrections, and security services. The criminal justice system's role within society will be explored.

Emphasis is on criminal justice systems, criminology, juvenile justice, criminal and constitutional law, investigative principles, ethics, and community relations. Additional study may include issues and concepts of government, counseling, communications, computers, and technology.

Employment opportunities exist in a variety of local, state, and federal law enforcement, corrections, and security fields. Examples include police officer, deputy sheriff, county detention officer, state trooper, intensive probation/parole surveillance officer, correctional officer, and loss prevention specialist.

*Student successfully completing a Basic Law Enforcement Training course, accredited by the North Carolina Justice Education and Training Standards Commission and the North Carolina Sheriffs' Education and Training Standards Commission will receive credit for CJC-113 Juvenile Justice, CJC-120 Interviews and Interrogations, CJC-131 Criminal Law, CJC-132 Court Procedure and Evidence, CJC-221 Investigative Principles, and CJC-231 Constitutional Law toward the Associate in Applied Science degree in Criminal Justice Technology. Students must have successfully passed the Commissions' comprehensive certification examination and completed Basic Law Enforcement Training since 1985.*

*Students successfully completing the North Carolina Department of Public Safety Basic Correctional Officer Training course, accredited by the North Carolina Justice Education and Training Standards Commission, will receive credit for CJC-132 Court Procedure and Evidence, CJC-141 Corrections, and CJC-232 Civil Liability.*

*Because the use of computers is integral to this curriculum, some courses are delivered in an online and hybrid format.*

## Criminal Justice Technology – Forensic Science

Forensic Science is a concentration under the curriculum of Criminal Justice Technology, which focuses on the application of the physical, biomedical, and social sciences to the analysis and evaluation of physical evidence, human testimony and criminal suspects. Study will focus on local, state, and federal law enforcement, evidence processing and procedures.

Students will learn both theory and hands-on analysis of latent evidence. They will learn fingerprint classification, identification, and chemical development. Students will record, cast, and recognize footwear and tire-tracks; and process crime scenes. Issues and concepts of communications and the use of computers and computer assisted design programs in crime scene technology will be discussed.

Graduates should qualify for employment in a variety of criminal justice organizations especially in local, state, and federal law enforcement, and correctional agencies.

*Student successfully completing a Basic Law Enforcement Training course, accredited by the North Carolina Justice Education and Training Standards Commission and the North Carolina Sheriffs' Education and Training Standards Commission will receive credit for CJC-113 Juvenile Justice, CJC-120 Interviews and Interrogations, CJC-131 Criminal Law, CJC-132 Court Procedure and Evidence, CJC-221 Investigative Principles, and CJC-231 Constitutional Law toward the Associate in Applied Science degree in Criminal Justice Technology. Students must have successfully passed the Commissions' comprehensive certification examination and completed Basic Law Enforcement Training since 1985.*

*Students successfully completing the North Carolina Department of Public Safety Basic Correctional Officer Training course, accredited by the North Carolina Justice Education and Training Standards Commission, will receive credit for CJC-132 Court Procedure and Evidence.*

*Because the use of computers is integral to this curriculum, some courses are delivered in an online and hybrid format.*

## Culinary Arts

This curriculum provides specific training required to prepare students to assume positions as trained culinary professionals in a variety of foodservice settings including full-service restaurants, hotels, resorts, clubs, catering operations, contract foodservice and health care facilities.

Students will be provided theoretical knowledge/practical applications that provide critical competencies to meet industry demands, including environmental stewardship, operational efficiencies and professionalism. Courses include sanitation/safety, baking, garde manger, culinary fundamentals/production skills, nutrition, customer service, purchasing, wine appreciation, and human resource management.

Graduates should qualify for entry-level opportunities including prep cook, line cook, and station chef. American Culinary Federation certification may be available to graduates. With experience, graduates may advance to positions including sous chef, pastry chef, executive chef, or foodservice manager.

*Because the use of computers is integral to this curriculum, some courses are delivered in an online and hybrid format.*

## Early Childhood Education

The Early Childhood Education curriculum prepares individuals to work with children from birth through eight in diverse learning environments. Students will combine learned theories with practice in actual settings with young children under the supervision of qualified teachers.

Course work includes child growth and development, physical/nutritional needs of children, care and guidance of children, and communication skills with families and children. Students will foster the cognitive/language, physical/motor, social/emotional, and creative development of young children.

Graduates are prepared to plan and implement developmentally appropriate programs in early childhood settings. Employment opportunities include child development and childcare programs, preschools, public and private schools, recreational centers, Head Start Programs, and school-age programs.

## Emergency Medical Science

The Emergency Medical Science curriculum provides individuals with the knowledge, skills and attributes to provide advanced emergency medical care as a paramedic for critical and emergent patients who access the emergency medical system and prepares graduates to enter the workforce.

Students will gain complex knowledge, competency, and experience while employing evidence-based practice under medical oversight and serve as a link from the scene into the healthcare system.

Graduates of this program may be eligible to take state and/or national certification examinations. Employment opportunities include providers of emergency medical services, fire departments, rescue agencies, hospital specialty areas, industry, educational and government agencies.

*The Emergency Medical Services – Paramedic program at Sandhills Community College is accredited by the Commission of Accreditation of Allied Health Education Programs ([www.caahep.org](http://www.caahep.org)) upon the recommendation of the Committee of Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP).*

## Environmental Engineering Technology

**Engineering and Technology Pathway:** These curriculums are designed to prepare students through the study and application of principles from mathematics, natural sciences, and technology and applied processes based on these subjects.

Course work includes mathematics, natural sciences, engineering sciences and technology.

Graduates should qualify to obtain occupations such as technical service providers, materials and technologies testing services, engineering technicians, construction technicians and managers, industrial and technology managers, or research technicians.

**Environmental Engineering Technology:** A course of study that prepares students to use mathematical and scientific principles to modify, test, and operate equipment and devices used in the prevention, control and remediation of environmental problems and development of environmental remediation devices. Includes instruction in environmental safety principles, environmental standards, testing and sampling procedures, laboratory techniques, instrumentation calibration, safety and protection procedures, equipment maintenance, and report preparation.

*Because the use of computers is integral to this curriculum, some courses are delivered in an online and hybrid format.*

**Total Required Minimum Semester Hours Credit****18****Fire Protection Technology**

The Fire Protection Technology curriculum is designed to provide students with knowledge and skills in the technical, managerial, and leadership areas necessary for advancement within the fire protection community and related firefighting industries, and to provide currently employed firefighters with knowledge and skills often required for promotional consideration.

Course work includes diverse fire protection subject areas, including fire prevention and safety, public education, building construction, fire ground strategies and tactics, and local government finance and laws, as they apply to emergency services management. Emphasis includes understanding fire characteristics and the structural consequences of fire; risk assessment and management; and relevant research, communications, and leadership methodologies.

Employment opportunities exist with fire departments, governmental agencies, industrial firms, insurance rating organizations, and educational organizations.

*Because the use of computers is integral to this curriculum, some courses are delivered in an online and hybrid format.*

## Geomatics Technology

**Engineering and Technology Pathway:** These curriculums are designed to prepare students through the study and application of principles from mathematics, natural sciences, and technology and applied processes based on these subjects.

Course work includes mathematics, natural sciences, engineering sciences and technology.

Graduates should qualify to obtain occupations such as technical service providers, materials and technologies testing services, engineering technicians, construction technicians and managers, industrial and technology managers, or research technicians.

**Geomatics Technology:** A course of study that prepares students to use mathematical and scientific principles for the delineation, determination, planning and positioning of land tracts, boundaries, contours and features applying principles of route surveying, construction surveying, photogrammetry, mapping, global positioning systems, geographical information systems, and other kinds of property description and measurement to create related maps, charts and reports.

Includes instruction in applied geodesy, computer graphics, photointerpretation, plane and geodetic surveying, mensuration, traversing, survey equipment operation and maintenance, instrument calibration, and basic cartography.

Graduates should qualify for jobs as survey party chief, instrument person, surveying technician, highway surveyor, mapper, GPS technician, and CAD operator. Graduates will be prepared to pursue the requirements necessary to become a Registered Land Surveyor in North Carolina.

*Because the use of computers is integral to this curriculum, some courses are delivered in an online and hybrid format.*

## Health and Fitness Science

The Health and Fitness Science program is designed to provide students with the knowledge and skills necessary for employment in the fitness and exercise industry.

Students will be trained in exercise science and be able to administer basic fitness tests and health risk appraisals, teach specific exercise and fitness classes and provide instruction in the proper use of exercise equipment and facilities.

Graduates should qualify for employment opportunities in commercial fitness clubs, YMCA's/YWCA's, wellness programs in business and industry, Parks

& Recreation Departments and other organizations implementing exercise & fitness programs.

*Because the use of computers is integral to this curriculum, some courses are delivered in an online and hybrid format.*

## Health Information Technology

The Health Information Technology Curriculum is designed to provide individuals with the technical knowledge and skills to process, analyze, maintain, and report health information data in compliance with legal, accreditation, licensure and certification standards.

Course work includes diagnosis and procedure coding/classification systems, privacy and security strategies, health informatics, data analytics and use, revenue cycle management, regulatory compliance, and organizational leadership.

Graduates of this program may be eligible to write the national certification exam to become a Registered Health Information Technician (RHIT). Employment opportunities include hospitals, rehabilitation facilities, nursing homes, health insurance organizations, outpatient clinics, physicians' offices, hospice, and mental health facilities.

*This program is an NCCCS partner program delivered under an Instructional Service Agreement that allows SCC to offer general education courses related to degree completion, but Pitt Community College awards the degree.*

*Because the use of computers is integral to this curriculum, some courses are delivered in an online hybrid format.*

### **Pitt CC/Sandhills CC Partner Program**

Pitt Community College (PCC) has entered into a unique learning partnership with SCC to provide SCC students the opportunity to complete up to 34 credit hours at SCC to be used toward completion of the 71-hour A.A.S. in the PCC Health Information Technology program.

Students accepted into this program can explore two options:

1. Complete the 34 hours of general requirements prior to application to the program, or
2. Complete some or all of those courses at SCC while concurrently enrolled in the PCC program online.

**PLEASE NOTE:** Entry into the HIT program is contingent upon PCC requirements and acceptance. Application to the program must be made with PCC.

*The Health Information Technology Program is accredited by the Commission on Accreditation for Health Informatics and Information Management Education (CAHIIM).*

## Information Technology

The Information Technology (IT) curriculum prepares graduates for employment in the technology sector as designers, testers, support technicians, system administrators, developers, or programmers who use computer software and/or hardware to design, process, implement and manage information systems in specialties such as database services, security, business intelligence, healthcare informatics and others depending on the technical path selected within this curriculum.

Course work includes development of a student's ability to create, store, communicate, exchange and use information to solve technical issues related to information support and services, interactive media, network systems, programming and software development, information security and other emerging technologies based on the selected area of study.

Graduates should qualify for employment in entry-level positions with businesses, educational systems, and governmental agencies which rely on computer systems to design and manage information. The program will incorporate the competencies of industry-recognized certification exams.

*Because the use of computers is integral to this curriculum, some courses are delivered in an online and hybrid format.*

## Landscape Gardening

These curricula are designed to prepare individuals for various careers in horticulture. Classroom instruction and practical laboratory applications of horticultural principles and practices are included in the program of study.

Course work includes plant identification, pest management, plant science and soil science. Also included are courses in sustainable plant production and management, landscaping, and the operation of horticulture businesses.

Graduates should qualify for employment in a variety of positions associated with nurseries, garden centers, greenhouses, landscape operations, government agencies/parks, golf courses, sports complexes, highway vegetation, turf maintenance companies, and private and public gardens. Graduates should also be prepared to take the North Carolina Pesticide Applicator's Examination and/or the North Carolina Certified Plant Professional Examination.

**Landscape Gardening:** A program that prepares individuals to manage and maintain indoor and/or outdoor ornamental and recreational plants and groundcovers and related conceptual designs established by landscape architects, interior designers, enterprise owners or managers, and individual clients. Potential course work includes instruction in applicable principles of horticulture, gardening, plant and soil irrigation and nutrition, turf maintenance, plant maintenance, equipment operation and maintenance, personnel supervision, and purchasing.

**Turfgrass Management Technology:** A program that focuses on turfgrasses and related groundcover plants and prepares individuals to develop ornamental or recreational grasses and related products; plant, transplant, and manage grassed areas; and to produce and store turf used for transplantation. Potential course work includes instruction in applicable plant sciences, genetics of grasses, turf science, use analysis, turf management, and related economics

*Because the use of computers is integral to this curriculum, some courses are delivered in an online and hybrid format.*

## Medical Laboratory Technology

The Medical Laboratory Technology curriculum prepares individuals to perform clinical laboratory procedures in chemistry, hematology, microbiology, and immunohematology that may be used in the maintenance of health and diagnosis/treatment of disease.

Course work emphasizes mathematical and scientific concepts related to specimen collection, laboratory testing and procedures, quality assurance and reporting/recording and interpreting findings involving tissues, blood, and body fluids.

Graduates may be eligible to take the examination given by the Board of Certification of the American Society of Clinical Pathology. Employment opportunities include laboratories in hospitals, medical offices, industry, and research facilities.

*Because the use of computers is integral to this curriculum, some courses are delivered in an online and hybrid format.*

*The MLT program is accredited by the:*

## Medical Office Administration

The Medical Office Administration curriculum prepares individuals for employment as medical administrative personnel in the areas of medical office, medical billing and coding, dental office, patient services, and medical documents.

Course work includes medical terminology, computer applications, medical office management, medical coding, medical insurance and billing, medical legal and ethical issues, oral and written communication, and other topics depending on the subject area selected within this curriculum.

Graduates should qualify for employment opportunities in a variety of medical office positions in medical and dental offices, hospitals, insurance companies, laboratories, medical supply companies, and other healthcare related organizations. Upon graduation, students may be eligible to sit for industry recognized certification exams.

*Because the use of computers is integral to this curriculum, some courses are delivered in an online and hybrid format.*

## Nurse Aide

The Nurse Aide curriculum prepares individuals to work under the supervision of licensed nursing professionals in performing nursing care and services for persons of all ages.

Topics include growth and development, personal care, vital signs, communication, nutrition, medical asepsis, therapeutic activities, accident and

fire safety, household environment and equipment management, family resources and services, and employment skills.

Upon completion, the student may be eligible for listing as a Nurse Aide I and other selected Nurse Aide registries as determined by the local program of study.

## Nursing

The Associate Degree Nursing (ADN) curriculum provides knowledge, skills, and strategies to integrate safety and quality into nursing care, to practice in a dynamic environment, and to meet individual needs which impact health, quality of life, and achievement of potential.

Course work includes and builds upon the domains of healthcare, nursing practice, and the holistic individual. Content emphasizes the nurse as a member of the interdisciplinary team providing safe, individualized care while employing evidence-based practice, quality improvement, and informatics.

Graduates of this program are eligible to apply to take the National Council Licensure Examination (NCLEX-RN). Employment opportunities are vast within the global health care system and may include positions within acute, chronic, extended, industrial, and community health care facilities.

*Because the use of computers is integral to this curriculum, some portions of courses are web-enhanced to provide students resource material related to their studies.*

*The Associate Degree Nursing program at Sandhills is approved by the North Carolina Board of Nursing and accredited by the National League for Nursing Commission for Nursing Education Accreditation (NLN CNEA).*

## Associate in General Education Nursing

Associate in General Education Nursing (AGE-N) appears in the *Catalog* under the title *General Degree Program*.

## Office Administration

The Office Administration curriculum prepares individuals for employment as administrative office personnel who use skills in the areas of office management, office finance, legal office, virtual office, customer service, and office software.

Course work includes computer applications, oral and written communication, analysis and coordination of office tasks and procedures, records management, and other topics depending on the subject area selected within this curriculum.

Graduates should qualify for employment opportunities in a variety of office positions in business, government, and industry. Upon graduation, students may be eligible to sit for industry recognized certification exams.

*Because the use of computers is integral to this curriculum, some courses are delivered in an online and hybrid format.*

## Ophthalmic Medical Personnel

The Ophthalmic Medical Personnel Program prepares individuals to perform ophthalmic procedures under the supervision of a licensed physician specializing in Ophthalmology. Course work includes lecture, laboratory, and clinical training in ocular measurements; ocular testing; lensometry; administering topical and oral medications; eye care; and caring for instruments.

Graduates are employed in medical institutions, clinics, or physician practices.

Graduates may qualify as candidates to take the International Joint Commission on Allied Health Personnel in Ophthalmology's exam for the Certified Assistant level.

***For Certificate:** Graduates may qualify as candidates to take the International Joint Commission on Allied Health Personnel, Ophthalmology (IJCAHPO) National Certification Exam to become a Certified Ophthalmic Assistant (COA) upon completion of 500 hours of qualifying employment under the sponsorship of an ophthalmologist. This entry-level pathway can lead to additional levels of certification. Employment opportunities include medical institutions, clinics, or physician practices.*

## Professional Pilot (see Aviation Management & Career Pilot)

### Radiography

The Radiography curriculum prepares the graduate to be a radiographer, a skilled health care professional who uses radiation to produce images of the human body.

Course work includes clinical rotations to area health care facilities, radiographic exposure, image processing, radiographic procedures, physics,

pathology, patient care and management, radiation protection, quality assurance, anatomy and physiology, and radiobiology.

Graduates of accredited programs are eligible to apply to take the American Registry of Radiologic Technologists' national examination for certification and registration as medical radiographers. Graduates may be employed in hospitals, clinics, physicians' offices, medical laboratories, government agencies, and industry.

*Because the use of computers is integral to this curriculum, some portions of courses are web-enhanced to provide students resource material related to their studies.*

*The Radiography program is accredited by the  
Joint Review Committee on Education in Radiologic Technology  
20 N. Wacker Drive, Suite 2850  
Chicago, IL 60606-3182  
Phone: 312-704-5300 Fax: 312-704-5304

## Respiratory Therapy

The Respiratory Therapy Curriculum prepares individuals to function as respiratory therapists. In these roles, individuals perform diagnostic testing, treatments, and management of patients with heart and lung diseases.

Students will master skills in patient assessment and treatment of cardiopulmonary diseases. These skills include life support, monitoring, drug administration, and treatment of patients of all ages in a variety of settings.

Graduates of accredited programs may be eligible to take entry-level examinations from the National Board of Respiratory Care. Therapy graduates may also take the Advanced Practitioner examination. Graduates may be employed in hospitals, clinics, nursing homes, education, industry, and home care.

*Because the use of computers is integral to this curriculum, some courses are Web-enhanced to provide students materials related to their studies.*

*The Respiratory Therapy program at Sandhills is accredited by the  
Commission on Accreditation for Respiratory Care  
1248 Harwood Road  
Bedford, Texas 76021-4244  
817-283-2835*

## Surgical Technology

The Surgical Technology curriculum prepares individuals to assist in the care of the surgical patient in the operating room and to function as a member of the surgical team.

Students will apply theoretical knowledge to the care of patients undergoing surgery and develop skills necessary to prepare supplies, equipment, and instruments; maintain aseptic conditions; prepare patients for surgery; and assist surgeons during operations.

Employment opportunities include labor/delivery/emergency departments, inpatient/outpatient surgery centers, dialysis units/facilities, physicians' offices, and central supply processing units.

*Students of Commission on Accreditation of Allied Health Education Programs (CAAHEP) accredited programs are required to take the national certification exam administered by the National Board on Certification in Surgical Technology and Surgical Assisting (NBSTSA) within a four-week period prior to or after graduation.*

*The Surgical Technology Curriculum offers two options – a degree and a diploma program. Completion of a diploma program from an accredited college will qualify students for entry into the Associate Degree program. Certification in Surgical Technology is preferred but not mandatory. Completion of the associate degree program is highly recommended as it prepares the graduate to be a practitioner with a broader knowledge base in the field of Surgical Technology.*

*Because the use of computers is integral to this curriculum, some courses are delivered in an online and hybrid format.*

## Therapeutic Massage

The Therapeutic Massage Curriculum prepares graduates to work in direct client care settings to provide manipulation, methodical pressure, friction and kneading of the body for maintaining wellness or treating alterations in wellness throughout the lifespan.

Courses will include content in normal human anatomy and physiology, therapeutic massage, ethical/legal issues, business practices, nutrition, and psychology.

Employment opportunities include hospitals/rehabilitation centers, health departments, home health, medical offices, nursing homes, spas/health/sports clubs, and private practice. Graduates may be eligible to take the Massage and Bodywork Licensing Exam.

*The North Carolina Board of Massage and Bodywork Therapy may deny a license to practice massage and bodywork therapy if an applicant has a criminal record or there is other evidence that indicates the applicant lacks good moral character.*

*Because the use of computers is integral to this curriculum, some courses are delivered in an online and hybrid format.*

## GENERAL DEGREE PROGRAM

Sandhills Community College offers general associate degree programs. These programs are designed for students who wish to earn a two-year associate degree and choose courses related to their personal or occupational interests.

### Associate in General Education

The Associate in General Education degree is designed for the academic enrichment of students who wish to broaden their education, with emphasis on personal interest, growth and development.

Course work includes study in the areas of humanities and fine arts, social and behavioral sciences, natural sciences and mathematics, and English composition. Opportunities for the achievement of competence in reading, writing, oral communication, fundamental mathematical skills, and the basic use of computers will be provided.

Through these skills, students will have a sound base for lifelong learning. Graduates are prepared for advancements within their fields of interest and become better qualified for a wide range of employment opportunities.

*Although Associate in General Education is not a transfer degree, students who decide to continue their studies at a senior institution may receive transfer credit for some of the courses taken at Sandhills. Acceptance of courses for transfer credit will be evaluated on a course-by-course basis by the receiving institution.*

### Associate in General Education (A10300) Requirements

COURSES	SEMESTER HOURS
<b>English Composition</b> .....	<b>6</b>
ENG-111 and <b>one</b> of the following: COM-110, COM-120, COM-231, ENG-112 or ENG-114	
<b>Humanities/Fine Arts</b> .....	<b>3</b>
Select <b>one</b> course from the approved general education courses in the following areas:	
Art (ART-111, 114, 115, 121, 131, 171, 240, 281, 283)	
Communication (COM-140)	
Drama (DRA-111, 120, 126, 130, 211, 212)	
Humanities (HUM-110, 115, 120, 122, 130, 150, 160, 170, 211, 212, 220, 230)	
Literature (ENG-125, 131, 231, 232, 241, 242, 261, 262, 273)	
Music (MUS-110, 111, 112, 210)

 GENERAL DEGREE PROGRAMS
 

---

Philosophy (PHI-215, 240)  
 Religion (REL-110, 211, 212, 221)

**Social/Behavioral Sciences .....3**

Select **one** course from the approved general education courses in the following areas:

Anthropology (ANT-210, 220, 221, 240)  
 Economics (ECO-151, 251, 252)  
 History (HIS-111, 112, 121, 122, 131, 132, 151, 221)  
 Political Science (POL-110, 120, 210, 220)  
 Psychology (PSY-118, 150, 230, 237, 239, 241, 243, 249, 259, 263, 271, 275, 281)  
 Sociology (SOC-210, 213, 220, 225, 230, 234, 240, 242)

**Natural Sciences/Mathematics.....3-4**

Select **one** course from the approved general education courses in the following areas. In addition, you must also place out of or successfully complete MAT-003 to demonstrate competence in fundamental mathematical skills.

Astronomy (AST-111 and 111A)  
 Biology (BIO-110, 111, 140 and 140A, 163, 168)  
 Chemistry (CHM-130 and 130A, 151)  
 Geology (GEL-111)  
 Mathematics (MAT-121, 143, 152, 171)  
 Physics (PHY-110 and 110A)  
 Science (SCI-110)

**Other Required Hours .....49-50**

Other required hours include additional general education and professional courses.

ACA-115 or 122 (1 SHC) is required at Sandhills Community College for college orientation.  
 A maximum of 7 SHC in health (HEA 112), physical education (any PED course), and college orientation and/or study skills (ACA-115 and 122) may be included as other required hours.  
 Any 100-level or higher curriculum course taught by the College.

**Total Semester Hours Credit (SHC) in Program.....64-66**

## Associate in General Education Emergency Medical Science

The Associate in General Education (AGE) degree is designed for the academic enrichment of students who wish to broaden their education, with emphasis on personal interest, growth and development.

Course work includes study in the areas of humanities and fine arts, social and behavioral sciences, natural sciences and mathematics, and English

composition. Opportunities for the achievement of competence in reading, writing, oral communication, fundamental mathematical skills, and the basic use of computers will be provided.

Through these skills, students will have a sound base for lifelong learning. Graduates are prepared for advancements within their fields of interest and become better qualified for a wide range of employment opportunities.

*Students who have completed the AGE – Emergency Medical Science program of study will have completed all required general education and non-program specific courses prior to the application process for program entry. Students should refer to the Emergency Medical Science program webpage for specific program entry requirements.*

## Associate in General Education Nursing

The Associate in General Education (AGE)-Nursing is designed for students who wish to begin their study toward the Associate in Nursing degree and a Baccalaureate degree in Nursing as based on Blocks 1 through 3 of the

---

 GENERAL DEGREE PROGRAMS
 

---

*Uniform Articulation agreement between the University of North Carolina's Registered Nurse (RN) to Bachelor of Science in Nursing (BSN) programs and the North Carolina Community College Associate Degree Nursing Programs which was approved by the State Board of Community colleges and the UNC Board of Governors in February 2015. The AGE-Nursing shall be granted for a planned program of study consisting of a minimum of 60 semester hours of credit (SHC) of courses.*

A student who completes an Associate in Applied Science (AAS) in Nursing with a GPA of at least 2.0 and a grade of C or better in the AGE-Nursing courses listed below and who holds a current unrestricted license as a Registered Nurse in North Carolina will have fulfilled the UNC institutions lower-division general education requirements as well as nursing program entry requirements. However, because nursing program admissions are competitive, no student is *guaranteed* admission to the program of his or her choice.

### Associate in General Education Nursing (A1030N) Requirements

ACA-115	
<b>Other Required Credits</b> .....	<b>35</b>
Other required hours include additional general education and professional courses.	
A maximum of 7 SHC in health (HEA 112), and physical education (any PED course) combined.	
Any 100-level or higher curriculum course taught by the College.	

**Total Semester Hours Credit (SHC) in Program ..... 64**

## **Associate in General Education Surgical Technology**

The Associate in General Education degree is designed for the academic enrichment of students who wish to broaden their education, with emphasis on personal interest, growth and development.

Course work includes study in the areas of humanities and fine arts, social and behavioral sciences, natural sciences and mathematics, and English composition. Opportunities for the achievement of competence in reading, writing, oral communication, fundamental mathematical skills, and the basic use of computers will be provided.

Through these skills, students will have a sound base for lifelong learning. Graduates are prepared for advancements within their fields of interest and become better qualified for a wide range of employment opportunities.

*Students who have completed the AGE – Surgical Technology program of study will have completed all required general education and non-program specific courses prior to the application process for program entry. Students should refer to the Surgical Technology program webpage for specific program entry requirements.*

## **COLLEGE PROGRAMS FOR HIGH SCHOOL STUDENTS**

Career and College Promise provides a focused means for students to begin completion of college transfer credits or career training prior to their graduation from high school. Courses under Career and College Promise are offered to high school students with no charge for tuition.

Eligible high school students may earn:

- College credit, which is completely transferrable to all UNC System Institutions, as well as many private schools and out-of-state universities and colleges.
- College credit toward a credential, certificate or diploma in a technical career.
- Workforce Continuing Education credit toward an industry-recognized credential or certification.
- A high school diploma and two years of college credit in four to five years through cooperative innovative high schools (Hoke County students only).

Upon meeting eligibility requirements, students may enroll in a College Transfer pathway, a curriculum Career and Technical Education pathway, a Workforce Continuing Education pathway, or SandHoke Early College High School (Hoke County students only).

Students may be concurrently enrolled in two pathways as follows:

- Two career-technical pathways,
- Two Workforce Continuing Education pathways,
- One career-technical pathway and one Workforce Continuing Education pathway,
- One college transfer pathway (if eligible) and career technical pathway,
- One college transfer pathway (if eligible) and one Workforce Continuing Education pathway.

Students must maintain a 2.0 grade point average in college courses to participate in the program.

### **College Transfer Pathways**

Students may earn college transfer credits that will transfer to any public North Carolina university as long as a grade of C or better is earned in each course. Credits may also be accepted for transfer by private or out-of-state schools. Courses may be offered on one of the SCC campuses, on one of the high

school campuses or online. Not all courses are offered at all of the high schools.

### **Career & College Promise College Transfer Pathway Leading to the Associate in Arts (P1012C)**

The CCP College Transfer Pathway Leading to the Associate in Arts is designed for high school students who wish to begin study toward the Associate in Arts degree and a baccalaureate degree in a non-STEM major.

#### **GENERAL EDUCATION (31-32 SHC) .....31-32**

The general education requirement includes study in courses selected from the Universal General Education Transfer Component (UGETC) of the Comprehensive Articulation Agreement.

#### **English Composition (6 SHC) .....6**

The following two English composition courses are required:

ENG-111 Writing and Inquiry (3 SHC)

ENG-112 Writing/Research in the Disc (3 SHC)

#### **Humanities/Fine Arts/Communication (9 SHC) .....9**

Select **three** courses from at least **two** different disciplines:

ART-111 Art Appreciation (3 SHC)

ART-114 Art History Survey I (3 SHC)

ART-115 Art History Survey II (3 SHC)

COM-120 Intro to Interpersonal Com (3 SHC)

COM-231 Public Speaking (3 SHC)

DRA-111 Theatre Appreciation (3 SHC)

ENG-231 American Literature I (3 SHC)

ENG-232 American Literature II (3 SHC)

ENG-241 British Literature I (3 SHC)

ENG-242 British Literature II (3 SHC)

MUS-110 Music Appreciation (3 SHC)

MUS-112 Introduction to Jazz (3 SHC)

PHI-215 Philosophical Issues (3 SHC)

PHI-240 Introduction to Ethics (3 SHC)

#### **Social/Behavioral Sciences (9 SHC) .....9**

Select **three** courses from at least **two** different disciplines:

ECO-251 Principles of Microeconomics (3 SHC)

ECO-252 Principles of Macroeconomics (3 SHC)

HIS-111 World Civilizations I (3 SHC)

HIS-112 World Civilizations II (3 SHC)

HIS-131 American History I (3 SHC)

HIS-132 American History II (3 SHC)

POL-120 American Government (3 SHC)

PSY-150 General Psychology (3 SHC)

SOC-210 Introduction to Sociology (3 SHC)

**Math (3-4 SHC) ..... 3-4**

Select one course from the following:

MAT-143 Quantitative Literacy (3 SHC)

MAT-152 Statistical Methods I (4 SHC)

MAT-171 Precalculus Algebra (4 SHC)

**Natural Sciences (4 SHC) ..... 4**

Select 4 SHC from the following course(s):

AST-111 Descriptive Astronomy (3 SHC) *and* AST-111A

Descriptive Astronomy Lab (1 SHC)

BIO-110 Principles of Biology (4 SHC)

BIO-111 General Biology I (4 SHC)

CHM-151 General Chemistry I (4 SHC)

GEL-111 Geology (4 SHC)

PHY-110 Conceptual Physics (3 SHC) *and* PHY-110A

Conceptual Physics Lab (1 SHC)

**Academic Transition (1 SHC) ..... 1**

The following course is required:

ACA-122 College Transfer Success (1 SHC)

**\*OPTIONAL GENERAL EDUCATION HOURS (0-8 SHC)**

Foreign Language: A student may take up to 8 SHC of foreign language courses, designated as general education in the Comprehensive Articulation Agreement as a part of this pathway. These courses are not a part of the Universal General Education Transfer Component. Students who complete these courses with a grade of "C" or better will receive transfer credit. The receiving university will determine whether the courses will count as general education, premajor, or elective credit.

**TOTAL SEMESTER HOURS CREDIT (SHC) IN PATHWAY..... 32-40**

High school students in the CCP College Transfer Pathway Leading to the Associate in Arts must complete the entire pathway before taking additional course in the Associate in Arts degree, except for mathematics courses in the Associate in Arts.

**Career & College Promise College Transfer Pathway  
Leading to the Associate in Arts in Teacher Preparation  
(P1012T)**

The CCP College Transfer Pathway Leading to the Associate in Arts in Teacher Preparation is designed for high school students who wish to begin study toward the Associate in Arts in Teacher Preparation degree and a baccalaureate degree in a non-STEM major.

High school students in the CCP College Transfer Pathway Leading to the Associate in Arts in Teacher Preparation must complete the entire pathway before taking additional course in the Associate in Arts in Teacher Preparation degree, except for mathematics courses in the Associate in Arts in Teacher Preparation.

**Career & College Promise College Transfer Pathway  
Leading to the Associate Degree Nursing (P1032C)**

The Career and College Promise (CCP) ADN Pathway is designed for high school students who wish to begin their educational studies toward the Associate in Nursing degree and a Baccalaureate degree in Nursing. The Pathway is based on Block 1 of the *Uniform Articulation Agreement between the University of North Carolina’s Registered Nurse to Bachelor of Science in Nursing Programs and the North Carolina Community College Associate*

---

 COLLEGE PROGRAMS FOR HIGH SCHOOL STUDENTS
 

---

*Degree Nursing Programs* which was approved by the State Board of Community Colleges and the UNC Board of Governors in February 2015.

A student who completes an Associate in Applied Science (AAS) in Nursing, which includes courses listed below, with a GPA of at least 2.0 and a grade of C or better and completes the courses in Blocks 2-3 of the *Agreement between the University of North Carolina's Registered Nurse to Bachelor of Science in Nursing Programs* with a GPA of at least 2.0 and a grade of C or better, and who holds a current unrestricted license as a Registered Nurse in North Carolina will have fulfilled the UNC institutions lower-division general education requirements as well as nursing program entry requirements. However, because nursing program admissions are competitive, no student is guaranteed admission to the program of his or her choice.

**GENERAL EDUCATION (23 SHC) ..... 23**

The general education requirement includes study in courses selected from the Universal General Education Transfer Component (UGETC) of the Comprehensive Articulation Agreement.

**English Composition (6 SHC)..... 6**

The following English composition course is required:

ENG-111 Writing and Inquiry (3 SHC)

Select one English composition course from the following:

ENG-112 Writing/Research in the Disc (3 SHC)

ENG-114 Prof Research & Reporting (3 SHC)

**Humanities/Fine Arts (3 SHC) ..... 3**

EDU-187 Teaching and Learning for All (4 SHC)	
EDU-216 Foundations of Education (3 SHC)	
<b>Academic Transition (1 SHC)</b> .....	<b>1</b>
The following course is required:	
ACA-122 College Transfer Success (1 SHC)	

**\*OPTIONAL GENERAL EDUCATION HOURS (0-8 SHC)**

Foreign Language: A student may take up to 8 SHC of foreign language courses, designated as general education in the Comprehensive Articulation Agreement as a part of this pathway. These courses are not a part of the Universal General Education Transfer Component. Students who complete these courses with a grade of “C” or better will receive transfer credit. The receiving university will determine whether the courses will count as general education, premajor, or elective credit.

**TOTAL SEMESTER HOURS CREDIT (SHC) IN PATHWAY .....42-50**

High school students in the CCP College Transfer Pathway Leading to the Associate in Science in Teacher Preparation must complete the entire pathway before taking additional course in the Associate in

Science in Teacher Preparation degree, except for mathematics courses in the Associate in Science in Teacher Preparation.

### **Career & College Promise College Transfer Pathway Leading to the Associate in Engineering (P1052C)**

The CCP College Transfer Pathway Leading to the Associate in Engineering is designed for high school students who wish to begin study toward the Associate in Engineering degree and a baccalaureate degree in a STEM or technical major.

**GENERAL EDUCATION (28 SHC)..... 28**

The general education requirement includes study in courses selected from the Universal General Education Transfer Component (UGETC) of the Comprehensive Articulation Agreement.

**English Composition (6 SHC) ..... 6**

The following two English Composition courses are required:

ENG-111 Writing and Inquiry (3 SHC)

ENG-112 Writing/Research in the Disc (3 SHC)

**Humanities/Fine Arts/Communication (3 SHC)..... 3**

Select one course from the following:

ART-111 Art Appreciation (3 SHC)

ART-114 Art History Survey I (3 SHC)

ART-115 Art History Survey II (3 SHC)

COM-231 Public Speaking (3 SHC)

ENG-231 American Literature I (3 SHC)

ENG-232 American Literature II (3 SHC)

ENG-241 British Literature I (3 SHC)

ENG-242 British Literature II (3 SHC)

MUS-110 Music Appreciation (3 SHC)

MUS-112 Introduction to Jazz (3 SHC)

PHI-215 Philosophical Issues (3 SHC)

PHI-240 Introduction to Ethics (3 SHC)

**Social/Behavioral Sciences (3 SHC)..... 3**

The following course is required:

ECO-251 Principles of Microeconomics (3 SHC)

**Math (8 SHC) ..... 8**

The following courses are required:

MAT-271 Calculus I (4 SHC)

MAT-272 Calculus II (4 SHC)

**Natural Sciences (8 SHC) ..... 8**

Select two courses from the following:

CHM-151 General Chemistry I (4 SHC)

PHY-251 General Physics I (4 SHC)

---

 COLLEGE PROGRAMS FOR HIGH SCHOOL STUDENTS
 

---

PHY-252 General Physics II (4 SHC)

**OTHER REQUIRED HOURS ..... 12**

**Academic Transition (1 SHC)..... 1**

The following course is required:

ACA-122 College Transfer Success (1 SHC)

**Engineering (5 SHC) ..... 5**

The following courses are required:

DFT-170 Engineering Graphics (3 SHC)

EGR-150 Introduction to Engineering (2 SHC)

**\*PREREQUISITE GENERAL EDUCATION HOURS (0-8 SHC)**

MAT-171 Pre-Calculus Algebra (4 SHC)

MAT-172 Pre-Calculus Trigonometry (4 SHC)

**\*OPTIONAL GENERAL EDUCATION HOURS (0-8 SHC)**

Foreign Language: A student may take up to 8 SHC of foreign language courses, designated as general education in the Comprehensive Articulation Agreement as a part of this pathway. These courses are not a part of the Universal General Education Transfer Component. Students who complete these courses with a grade of “C” or better will receive transfer credit. The receiving university will determine whether the courses will count as general education, premajor, or elective credit.

**TOTAL SEMESTER HOURS CREDIT (SHC) IN PATHWAY .....34-50**

High school students in the CCP College Transfer Pathway Leading to the Associate in Engineering must complete the entire pathway before taking additional course in the Associate in Engineering degree, except for mathematics courses in the Associate in Engineering.

### **Career & College Promise College Transfer Pathway Leading to the Associate in Fine Arts in Visual Arts (P1062C)**

The CCP College Transfer Pathway Leading to the Associate in Fine Arts in Visual Arts is designed for high school students who wish to begin study toward the Associate in Fine Arts in Visual Arts and a baccalaureate degree in Fine Arts-Visual Arts.

**GENERAL EDUCATION (25-26 SHC) ..... 25**

The general education requirement includes study in courses selected from the Universal General Education Transfer Component (UGETC) of the Comprehensive Articulation Agreement.

**English Composition (6 SHC) ..... 6**

The following two English Composition courses are required:

ENG-111 Writing and Inquiry (3 SHC)

ENG-112 Writing/Research in the Disc (3 SHC)

**Communication and Humanities/Fine Arts (6 SHC) ..... 6**

Select **two** courses from **two** different disciplines:

ART-111 Art Appreciation (3 SHC)

COM-120 Intro to Interpersonal Com (3 SHC)

COM-231 Public Speaking (3 SHC)

DRA-111 Theatre Appreciation (3 SHC)

ENG-231 American Literature I (3 SHC)

ENG-232 American Literature II (3 SHC)

ENG-241 British Literature I (3 SHC)

ENG-242 British Literature II (3 SHC)

MUS-110 Music Appreciation (3 SHC)

MUS-112 Introduction to Jazz (3 SHC)

PHI-215 Philosophical Issues (3 SHC)

PHI-240 Introduction to Ethics (3 SHC)

**Social/Behavioral Sciences (6 SHC)..... 6**

Select **two** courses from **two** different disciplines:

ECO-251 Principles of Microeconomics (3 SHC)

ECO-252 Principles of Macroeconomics (3 SHC)

HIS-111 World Civilizations I (3 SHC)

HIS-112 World Civilizations II (3 SHC)

HIS-131 American History I (3 SHC)

HIS-132 American History II (3 SHC)

POL-120 American Government (3 SHC)

PSY-150 General Psychology (3 SHC)

SOC-210 Introduction to Sociology (3 SHC)

**Math (3-4 SHC) ..... 3**

Select one course from the following:

MAT-143 Quantitative Literacy (3 SHC)

MAT-152 Statistical Methods I (4 SHC)

MAT-171 Precalculus Algebra (4 SHC)

MAT-271 Calculus I (4 SHC)

**Natural Sciences (4 SHC) ..... 4**

Select 4 SHC from the following course(s):

AST-111 Descriptive Astronomy (3 SHC) *and* AST-111A

Descriptive Astronomy Lab (1 SHC)

BIO-110 Principles of Biology (4 SHC)

BIO-111 General Biology I (4 SHC)

CHM-151 General Chemistry I (4 SHC)

GEL-111 Geology (4 SHC)

---

 COLLEGE PROGRAMS FOR HIGH SCHOOL STUDENTS
 

---

PHY-110 Conceptual Physics (3 SHC) *and* PHY-110A  
 Conceptual Physics Lab (1 SHC)

**OTHER REQUIRED HOURS** ..... 7

**Academic Transition (1 SHC)**..... 1

The following course is required:

ACA-122 College Transfer Success (1 SHC)

**Art (6 SHC)** ..... 6

The following two courses are required:

ART-121 Two-Dimensional Design (3 SHC)

ART-131 Drawing I (3 SHC)

**\*OPTIONAL GENERAL EDUCATION HOURS (0-8 SHC)**

Foreign Language: A student may take up to 8 SHC of foreign language courses, designated as general education in the Comprehensive Articulation Agreement as a part of this pathway. These courses are not a part of the Universal General Education Transfer Component. Students who complete these courses with a grade of “C” or better will receive transfer credit. The receiving university will determine whether the courses will count as general education, premajor, or elective credit.

**TOTAL SEMESTER HOURS CREDIT (SHC) IN PATHWAY** .....32-40

High school students in the CCP College Transfer Pathway Leading to the Associate in Fine Arts in Visual Arts must complete the entire pathway before taking additional course in the Associate in Fine Arts in Visual Arts degree, except for mathematics courses in the Associate in Fine Arts in Visual Arts.

**Career & College Promise College Transfer Pathway  
 Leading to the Associate in Fine Arts in Music (P1072C)**

The CCP College Transfer Pathway Leading to the Associate in Fine Arts in Music is designed for high school students who wish to begin study toward the Associate in Fine Arts in Music and a baccalaureate degree in Music.

**GENERAL EDUCATION (25-26 SHC)** ..... 25

The general education requirement includes study in courses selected from the Universal General Education Transfer Component (UGETC) of the Comprehensive Articulation Agreement.

**English Composition (6 SHC)**..... 6

The following two English Composition courses are required:

ENG-111 Writing and Inquiry (3 SHC)

ENG-112 Writing/Research in the Disc (3 SHC)

**Communications and Humanities/Fine Arts (6 SHC)..... 6**Select **two** courses from **two** different disciplines:

- ART-111 Art Appreciation (3 SHC)
- ART-114 Art History Survey I (3 SHC)
- ART-115 Art History Survey II (3 SHC)
- COM-120 Intro Interpersonal Com (3 SHC)
- COM-231 Public Speaking (3 SHC)
- DRA-111 Theater Appreciation (3 SHC)
- ENG-231 American Literature I (3 SHC)
- ENG-232 American Literature II (3 SHC)
- ENG-241 British Literature I (3 SHC)
- ENG-242 British Literature II (3 SHC)
- MUS-110 Music Appreciation (3 SHC)
- MUS-112 Introduction to Jazz (3 SHC)
- PHI-215 Philosophical Issues (3 SHC)
- PHI-240 Introduction to Ethics (3 SHC)

**Social/Behavioral Sciences (6 SHC)..... 6**Select **two** courses from **two** different disciplines:

- ECO-251 Principles of Microeconomics (3 SHC)
- ECO-252 Principles of Macroeconomics (3 SHC)
- HIS-111 World Civilizations I (3 SHC)

The following course is required:

ACA-122 College Transfer Success (1 SHC)

**Theatre (6 SHC)**..... 6

Two courses are required (choose one track):

Acting Track

DRA-130 Acting I (3 SHC)

DRA-170 Play Production I (3 SHC)

Technical Track

DRA-140 Stagecraft I (3 SHC)

DRA-170 Play Production I (3 SHC)

**\*OPTIONAL GENERAL EDUCATION HOURS (0-8 SHC)**

Foreign Language: A student may take up to 8 SHC of foreign language courses, designated as general education in the Comprehensive Articulation Agreement as a part of this pathway. These courses are not a part of the Universal General Education Transfer Component. Students who complete these courses with a grade of “C” or better will receive transfer credit. The receiving university will determine whether the courses will count as general education, premajor, or elective credit.

**TOTAL SEMESTER HOURS CREDIT (SHC) IN PATHWAY** .....32-40

High school students in the CCP College Transfer Pathway Leading to the Associate in Fine Arts in Theatre must complete the entire pathway before taking additional course in the Associate in Fine Arts in Theatre degree, except for mathematics courses in the Associate in Fine Arts in Theatre.

## Career Technical Pathways

Students may earn college credits toward a credential, certificate or diploma in a technical career. Curriculum Career Technical Pathways take the form of certificates which may be completed while in high school. These pathways allow students to explore potential career areas. Courses may be offered on one of the SCC campuses, on one of the high school campuses or online. Not all courses are offered at all of the high schools. A description of the curriculum standards can be found under the specific program in the Applied Science programs section of this *Catalog*.

### Accounting and Finance - Bookkeeping (C25800HS)

		Course Hours		Semester
		Per Week		Hours
		Class	Lab	Credit

## Workforce Continuing Education Career & College Promise (WCE CCP)

Juniors and seniors may earn a state or industry-recognized credential aligned with a high school Career Cluster preparing them to enter the workforce. Students must have an unweighted GPA of 2.8 on high school courses or have

the recommendation of the high school principal; and meet individual pathway requirements as appropriate. Students must be 16 years old on the first day of class. Not all courses are offered at all high schools.

## Hoke County High Schools

### ABB Robotics (ATR-3115)

(Available to students at the Hoke County High School and SandHoke Early College High School)

This course prepares students for a career as a Robotics Technician. Students will learn about robot operations, programming, and offline programming in labs performing real-world examples on an ABB Robot. Students will utilize the same software used in the industry, including the offline programming software, RobotStudio. Upon successful completion, students will earn their ABB Robotics credential

<b>Continuing Education Units</b>	<b>26.0</b>
<b>Total Hours</b>	<b>260</b>

### Electrical Level I (ELC-3119)

(Available to students at Hoke County High School and SandHoke Early College High School)

This course is taught by National Center for Construction Education and Research (NCCER) certified trainers as an entry-level course. Successful completion qualifies students to receive the NCCER Core Skills and NCCER Electrical Level I certification and inclusion on the NCCER Registry for Electricians.

<b>Continuing Education Units</b>	<b>28.8</b>
<b>Total Hours</b>	<b>288</b>

### Electrical Level II (ELC-3119)

(Available to students at Hoke County High School)

This course is taught by National Center for Construction Education and Research (NCCER) certified trainers as an advanced level electrical course. Successful completion qualifies students to receive the NCCER Electrical Level II Certification and inclusion on the NCCER Registry for Electricians.

Prerequisite: Students must successfully complete the NCCER Electrical Level I course prior to enrollment.

<b>Continuing Education Units</b>	<b>29.8</b>
<b>Total Hours</b>	<b>298</b>

### **Electrocardiogram Technician (ICV-3111)**

(Available to students at Hoke County High School and SandHoke Early College High School)

Students will learn the required skills to earn the certification of Electrocardiogram Technician (EKG) with the American Society of Phlebotomy Technicians. Topics include cardiac anatomy and physiology, cardiac cycle, EKG strip analysis, 12 lead KG, and EKG procedures.

<b>Continuing Education Units</b>	<b>12.9</b>
<b>Total Hours</b>	<b>129</b>

### **Emergency Medical Technician (EMS-4200)**

(Available to students at Hoke County High School)

This class provides students the opportunity to earn the EMT Basic certification and learn the required skills to become employed as a certified Emergency Medical Technician. Students will learn to perform immediate lifesaving interventions for patients of all ages with a variety of complaints, medical conditions, and traumatic injuries.

<b>Continuing Education Units</b>	<b>28.8</b>
<b>Total Hours</b>	<b>288</b>

### **Firefighter Academy (FIP-3031, 3032, 3033)**

(Available to students at Hoke County High School)

This course is designed for preparation as a paid or volunteer firefighter. This block of fire rescue courses consists of course content identified by the NC Fire and Rescue Commission as part of the Firefighter and Hazardous Materials Operations certification program. Successful completion of these courses provides students with credit towards the NC Firefighter Certification and may be applied for course credits towards an Associate in Applied Science Degree in Fire Protection Technology.

Students enrolled in the Firefighter Academy pathway must be 16 years of age or older by the first day of class.

<b>Continuing Education Units</b>	<b>54.0</b>
<b>Total Hours</b>	<b>540</b>

**HVAC Core Skills (AHR-3131)**

(Available to students at Hoke County High School)

This course is taught by a National Center for Construction Education and Research trainer. Successful completion of this course allows students to earn their NCCER Core Credential from the National Center for Construction Education and Research (NCCER). This course is a prerequisite to HVAC Level 1.

<b>Continuing Education Units</b>	<b>12.9</b>
<b>Total Hours</b>	<b>129</b>

**HVAC Level 1 (AHR-3131)**

(Available to students at Hoke County High School and SandHoke Early College High School)

This course is taught by a National Center for Construction Education and Research trainer. Topics include, but are not limited to, introduction to HVAC, trade mathematics, basic electricity, introduction to heating, introduction to cooling, and introduction to air distribution systems. Successful completion of this course allows students to earn their NCCER HVAC Level 1 credential for the National Center for Construction Education and Research (NCCER).

<b>Continuing Education Units</b>	<b>14.8</b>
<b>Total Hours</b>	<b>148</b>

**Medical Administrative Assistant (MED-3300)**

(Available to students at Hoke County High School and SandHoke Early College High School)

Students may earn a Medical Administrative Assistant (CMAA) credential from the National Healthcareer Association (NHA) making them eligible to enter the workforce as a CMAA.

<b>Continuing Education Units</b>	<b>13.2</b>
<b>Total Hours</b>	<b>132</b>

**Nurse Aide I (NUR-3240)**

(Available to students at Hoke County High School)

Students learn the required skills to earn the Nurse Aide Level I certification from the NC Department of Health Service Regulation. The class will prepare students to begin a career as a Nurse Aide. A Nurse Aid assists patients with

---

COLLEGE PROGRAMS FOR HIGH SCHOOL STUDENTS

---

daily activities, maintains patient hygiene and serves a vital role on the healthcare team, while supporting doctors and nurses in diagnostic procedures and technical treatments.

Students enrolled in Nurse Aide I must have successfully completed high school English Level III.

<b>Continuing Education Units</b>	<b>21.4</b>
<b>Total Hours</b>	<b>214</b>

### **Pharmacy Technician (PHM-3250)**

(Available to students at Hoke County High School and SandHoke Early College High School)

For high school seniors only, this course prepares students for the Pharmacy Technician Certification Exam provided by the Pharmacy Technician Board (PTCB) for entry-level employment. Topics include technical procedures for preparing and dispensing prescriptions, packaging and labeling, controlled substance procedures, inventory control, pharmacy calculations, and over-the-counter drugs. Upon completion, students should be able to perform basic supervised dispensing techniques in a community pharmacy setting.

Students may sit for the Pharmacy Technician Certification exam after obtaining a high school diploma.

<b>Continuing Education Units</b>	<b>12.9</b>
<b>Total Hours</b>	<b>129</b>

### **Plumbing Core Skills (PLU-3024)**

(Available to students at Hoke County High School)

This course is taught by a National Center for Construction Education and Research trainer. Successful completion of this course allows students to earn their NCCER Core Credential from the National Center for Construction Education and Research (NCCER). This course is a prerequisite to Plumbing Level 1.

<b>Continuing Education Units</b>	<b>12.9</b>
<b>Total Hours</b>	<b>129</b>

### **Plumbing Level 1 (PLU-3024)**

(Available to students at Hoke County High School and SandHoke Early College High School)

This course is taught by a National Center for Construction Education and Research trainer. This course covers the basic installations and maintenance of plumbing systems and components. Topics include, but are not limited to, plumbing safety, tools of the plumbing trade, introduction to plumbing math, introduction to plumbing drawings, plastic pipe and fittings, copper tube and fittings, and introduction to plumbing fixtures. Upon successful completion, students earn their NCCER Plumbing Level 1 Credential from the National Center for Construction Education and Research.

Students must earn the NCCER Core credential prior to enrolling in this course.

<b>Continuing Education Units</b>	<b>14.8</b>
<b>Total Hours</b>	<b>148</b>

## **Moore County High School**

### **Carpentry Level 1 (CAR-3124)**

**(Available to students at The Community Learning Center at Pinckney)**

This course is taught by National Center for Construction Education and Research (NCCER) certified trainers as an entry-level course. Successful completion qualifies students to receive the NCCER Carpentry Level 1 certification.

Students must have earned the NCCER Core Skills credential prior to enrolling in this course.

<b>Continuing Education Units</b>	<b>14.7</b>
<b>Total Hours</b>	<b>147</b>

### **Construction (CAR-3112)**

**(Available to North Moore High School students)**

This course is taught by a National Center for Construction Education and Research (NCCER) certified trainer. Upon successful completion, students will earn their NCCER Core Skills and NCCER Carpentry Level 1 certification.

<b>Continuing Education Units</b>	<b>26</b>
<b>Total Hours</b>	<b>260</b>

### **NCCER Core Essentials and Fundamentals of Crew Leadership (CST-3110)**

**(Available to students at The Community Learning Center at Pinckney)**

This course is taught by National Center for Construction Education and Research (NCCER) certified trainers as an entry level course. Successful completion qualifies students to receive the NCCER Core and Fundamentals of Crew Leadership certification.

<b>Continuing Education Units</b>	<b>13</b>
<b>Total Hours</b>	<b>130</b>

### **NCCER Electrical Level I (ELC-3119)**

**(Available to Pinecrest, Union Pines, and North Moore High School students)**

This course is taught by National Center for Construction Education and Research (NCCER) certified trainers as an entry level course. Successful completion qualifies students to receive the NCCER Core Skills and NCCER Electrical Level I Certification and inclusion on the NCCER Registry for Electricians.

<b>Continuing Education Units</b>	<b>27</b>
<b>Total Hours</b>	<b>270</b>

### **Electrocardiogram Technician (ICV-3111)**

**(Available to Pinecrest, Union Pines, and North Moore High School students)**

Students will learn the required skills to earn the certification of Electrocardiogram Technician (EKG) with the American Society of Phlebotomy Technicians. Topics include cardiac anatomy and physiology, cardiac cycle, EKG strip analysis, 12 lead KG, and EKG procedures.

<b>Continuing Education Units</b>	<b>12.9</b>
<b>Total Hours</b>	<b>129</b>

### **Firefighter Academy (FIP-3031, 3032, 3033)**

**(Available to Pinecrest, Union Pines, and North Moore High School students)**

This course is designed for preparation as a paid or volunteer firefighter. This block of fire rescue courses consists of course content identified by the NC

Fire and Rescue Commission as part of the Firefighter and Hazardous Materials Operations certification program. Successful completion of these courses provides students with credit towards the NC Firefighter Certification and may be applied for course credits towards an Associate in Applied Science Degree in Fire Protection Technology.

Students enrolled in the Firefighter Academy pathway must be 16 years of age or older by the first day of class.

<b>Continuing Education Units</b>	<b>54.0</b>
<b>Total Hours</b>	<b>540</b>

### **NCCER HVAC Level 1 (AHR-3131)**

**(Available to Pinecrest, Union Pines, and North Moore High School students)**

This course is taught by a National Center for Construction Education and Research trainer. Topics include, but are not limited to, introduction to HVAC, trade mathematics, basic electricity, introduction to heating, introduction to cooling, and introduction to air distribution systems. Successful completion of this course allows students to earn their NCCER HVAC Level 1 Credential from the National Center for Construction Education and Research (NCCER).

This course is a prerequisite to HVAC Level 2. Students must earn the NCCER Core Skills credential prior to enrolling in this course.

<b>Continuing Education Units</b>	<b>15</b>
<b>Total Hours</b>	<b>150</b>

### **NCCER HVAC Level 2 (AHR-3131)**

**(Available to Pinecrest, Union Pines, and North Moore High School students)**

This course is taught by a National Center for Construction Education and Research trainer. Topics include, but are not limited to, compressors, alternating current, refrigerants, heat pumps, leak detection, air quality equipment, fiberglass and fabric duct systems, and metering devices. Successful completion of this course allows students to earn their NCCER HVAC Level 2 Credential from the National Center for Construction Education and Research (NCCER).

Students must earn the HVAC Level 1 credential prior to enrolling in this course.

<b>Continuing Education Units</b>	<b>16.8</b>
-----------------------------------	-------------

**Total Hours** **168**

### **Medical Administrative Assistant (MED-3300)**

**(Available to Pinecrest, Union Pines, and North Moore High School students)**

Students may earn a Medical Administrative Assistant (CMAA) credential from the National Healthcareer Association (NHA) making them eligible to enter the workforce as a CMAA.

**Continuing Education Units** **12**  
**Total Hours** **129**

### **Pharmacy Technician (PHM-3250)**

**(Available to Union Pines, and North Moore High School students)**

For high school seniors only, this course prepares students for the Pharmacy Technician Certification Exam provided by the Pharmacy Technician Board (PTCB) for entry-level employment. Topics include technical procedures for preparing and dispensing prescriptions, packaging and labeling, controlled substance procedures, inventory control, pharmacy calculations, and over-the-counter drugs. Upon completion, students should be able to perform basic supervised dispensing techniques in a community pharmacy setting.

Students may sit for the Pharmacy Technician Certification exam after obtaining a high school diploma.

**Continuing Education Units** **13**  
**Total Hours** **130**

### **NCCER Plumbing Level 1 (PLU-3024)**

**(Available to Pinecrest, Union Pines, and North Moore High School students)**

This course is taught by a National Center for Construction Education and Research trainer. Topics include, but are not limited to, plumbing safety, tools of the plumbing trade, introduction to plumbing math, introduction to plumbing drawings, plastic pipe and fittings, copper tube and fittings, and introduction to plumbing fixtures. Successful completion of this course allows students to earn their NCCER Plumbing Level 1 Credential from the National Center for Construction Education and Research.

This course is a prerequisite to Plumbing Level 2. Students must earn the NCCER Core Skills credential prior to enrolling in this course.

<b>Continuing Education Units</b>	<b>15</b>
<b>Total Hours</b>	<b>150</b>

### **NCCER Plumbing Level 2 (PLU-3024)**

**(Available to Pinecrest, Union Pines, and North Moore High School students)**

This course is taught by a National Center for Construction Education and Research trainer. Topics include, but are not limited to, reading commercial drawings, installing and testing DMV piping, installing roof, floor, and area drains, installing and testing water supply piping, types of valves, and installing water heaters. Upon successful completion, students earn their NCCER Plumbing Level 2 Credential.

Students must earn the NCCER Plumbing Level 1 credential prior to enrolling in this course.

<b>Continuing Education Units</b>	<b>16.8</b>
<b>Total Hours</b>	<b>168</b>

### **NCCER Welding Level 1 (WLD-3106)**

**(Available to Pinecrest, Union Pines, and North Moore High School students)**

This course is taught by a National Center for Construction Education and Research (NCCER) certified trainer. Topics include, but are not limited to, welding safety, oxyfuel cutting, plasma arc cutting, air-carbon arc cutting and gouging, base metal preparation, weld quality, SMAW equipment and setup, and joint fit-up and alignment. Successful completion of this course allows students to earn their NCCER Welding Level 1 credential from the National Center for Construction Education and Research.

Students must earn the NCCER Core Skills credential prior to enrolling in this course.

## **SandHoke Early College**

### **A10100SH and A10400SH**

Through enrollment in SandHoke Early College High School on our Hoke County campus, students may complete a high-school diploma and an

---

COLLEGE PROGRAMS FOR HIGH SCHOOL STUDENTS

---

Associate of Arts or Associate of Science in five years or less by successfully completing two years of transferable college credit. High-school and college-level credits are earned at an accelerated rate. Students gain support and preparation for college and university success. A description of the Associate of Arts and Associate of Science curriculum standards can be found in the University Studies Program section of this *Catalog*.

## **WORKFORCE CONTINUING EDUCATION (WCE) CAREER CREDIT**

The Workforce Continuing Education Division offers a wide variety of courses designed to meet the needs and interests of the citizens of Moore and Hoke Counties. Through this division, students may acquire or enhance basic academic skills and general knowledge and/or earn industry-recognized credentials and/or train or retrain for employment.

Some courses are offered on a continuing basis while others are developed and offered in response to requests by individuals, business and industry or other community and public service groups. A printed class schedule is available prior to the beginning of a term and offerings are also posted and updated on the Sandhills website at [www.sandhills.edu/wce](http://www.sandhills.edu/wce).

### **Personal Enrichment**

Personal Enrichment classes at Sandhills Community College are designed to enhance the intellectual, physical, and personal well-being of the Sandhills community. The Center for Creative Living and the Lifelong Learning Institute facilitate innovative programs that are designed to promote access to services and community resources and to encourage participation and collaboration with various community organizations and agencies.

### **Admission**

Any person 18 years or older may enroll in continuing education classes throughout the year. During summer months while local schools are not in operation, persons under 18 can enroll in continuing education classes as specified by the class offering. During the school year, exceptions can be made for 16- and 17-year-old students who have not completed high school. Students who request admission under these exceptions should contact the Continuing Education Division for special instructions concerning admission and registration.

High school juniors and seniors may enroll in a WCE Career and College Promise (CCP) course offered at their high school in accordance with the CCP guidelines (see College Programs for High School Students).

### **Registration**

Registration for continuing education classes may be completed by contacting our registration office at 910-695-3980 or by visiting [sandhills.edu/cereg](http://sandhills.edu/cereg). Class registration is ongoing and start dates are announced in the printed class schedule and on the Sandhills website at [sandhills.edu/wce](http://sandhills.edu/wce).

## **Fees**

The NC Legislature establishes all tuition fees charged except for self-supporting classes. Additional specialty fees that cover specific course materials vary according to specific programs in Continuing Education. College and Career Readiness, Career Development (for those students who qualify), and most small business seminars are offered to students at no cost. Tuition fees for occupational classes are determined by the Legislature. Classes designated “self-supporting” require varying registration fees. All registration fees are advertised in the printed class schedules. A \$5.00 technology fee and a \$2.50 accident insurance fee is charged for some classes.

A full refund can be made if the class is canceled by the College or if the student requests the refund before the class starts. After the class begins, 75% of the registration fee can be refunded if requested by the 10% attendance point.

Workforce Continuing Education students with any outstanding balance may still enroll in occupational extension certification classes and receive continuing education units (CEUs) **1)** if the course section is offered for the benefit of a company or agency and **2)** when course attendance is limited to employees of said company/agency, and **3)** the company/agency pays the tuition. The students will be made aware that the outstanding balance remains on their account. They will be restricted to taking company/agency sponsored classes until the outstanding balance is paid in full.

## **Location of Classes**

Classes are held on the campuses of Sandhills Community College in both Moore and Hoke Counties, and at designated locations throughout the communities.

## **Continuing Education Units (CEUs)**

The Workforce Continuing Education Division awards Continuing Education Units (CEUs) for appropriate programs. The Commission on Colleges defines the CEU as follows: “One Continuing Education Unit (CEU) is ten (10) contact hours of participation in an organized continuing education experience under responsible sponsorship, capable direction, and qualified instruction.”

## **Scholarships**

The Workforce Continuing Education Division has a variety of scholarships made available by donors and various state and local partners. Applications are available through the Office of Workforce Continuing Education located in Van Dusen Hall and on our website at [www.sandhills.edu/available-funds-for-your-training/](http://www.sandhills.edu/available-funds-for-your-training/).

## **Student Records**

In accordance with the Family Educational Rights and Privacy Act of 1974 (FERPA), student records are maintained in the college's information system. Student information requested by the College, at the time of registration, consists of social security number, name, address, telephone number, date of birth, county of residence, email address, employment status, race, gender, emergency contact information, and level of education completed.

## **Transcripts**

Workforce Continuing Education transcripts will be issued only upon students' written authorization to the Office of Workforce Continuing Education. A transcript request form and directions can be found online at [www.sandhills.edu/continuing-education/wce/transcripts](http://www.sandhills.edu/continuing-education/wce/transcripts).

A separate process is required for High School Equivalency (HSE) and Adult High School (AHS) transcripts.

All requests for an HSE (to include GED® and HiSET®) transcripts should be directed to Diploma Sender, [www.diplomasender.com](http://www.diplomasender.com). Fees may be applied.

Requests for an AHS transcript should be directed to the Office of Workforce Continuing Education. The request form is located online at [www.sandhills.edu/wce/transcripts](http://www.sandhills.edu/wce/transcripts).

## **WORKFORCE CONTINUING EDUCATION (WCE) PROGRAMS (CAREER CREDIT)**

### **Advanced Manufacturing**

The Advanced Manufacturing Program provides training for students seeking to learn new job skills in the construction and industrial trades. Included are National Center for Construction Education and Research (NCCER) certification programs in electrical and welding as well as training in the Manufacturing Skills Standards Council (MSSC) and the Certified Production Technician (CPT) certification programs. Additional certification preparation programs are provided in the programmable logics, industrial electronics, mechatronics, ABB Robotics, and manual and CNC machining fields. Training is provided at both the **Palmer Advanced Manufacturing Center** on the main campus and the **Hoke Trades Center** at the Hoke Center. The program provides employment preparation and job opportunity identification for the students.

### **Business and Industry Support Customized Training Program**

The Customized Training Program, part of the Business and Industry Support initiative, administers the North Carolina Community College System Customized Training Program for its service area. This program provides training at no cost to qualifying companies new to the service area or those companies expanding their employment base, implementing innovative technology, or enhancing the skills of their current workforce to increase their productivity. Through consultation with the Center, the company creates a customized training program specific to the needs of the company. This program is then funded by the North Carolina Community College Customized Training Program and implemented by the Center and the company.

### **Career Readiness Assessment Center**

Sandhills Community College has been designated a Career Readiness Assessment Center by the North Carolina Community College System. Through the Career Assessment Readiness Center, the department is authorized to assess individuals for the Career Readiness Certificate (CRC) workforce credentialing system. The credentialing system is based on three ACT WorkKeys assessments: Workplace Documents, Graphic Literacy, and Applied Mathematics. CRCs are awarded on four levels (Bronze, Silver, Gold and Platinum) and are based on the levels scored on the assessments. Sandhills Community College is an authorized ACT WorkKeys assessment site.

## **Career Training**

Career Training courses provide instruction and training necessary to compete in today's workforce. Classes are offered to individuals seeking to improve their job marketability by learning new skills, those seeking to earn an industry-recognized credential and for seasoned professionals seeking CEU credit courses to stay abreast of new business practices. Other classes are provided for those who desire understanding of innovative technologies or who may need to comply with State and/or Federal licensing regulations. For the individual seeking to learn new job skills, courses are offered in areas such as automotive, health care, hospitality, business, construction trades, real estate, and languages. Professional development opportunities range from one-day workshops to certification programs in both traditional and online delivery. Sandhills Community College is an authorized Prometric Testing Center for the Automotive Service Excellence (ASE) assessments.

## **Construction Trades**

Our new Breakthrough Construction Center, located at the Larry Caddell Public Training Center in Carthage, holds National Center for Construction Education and Research (NCCER) certification programs in Core, Plumbing and HVAC. We also offer a new summer Construction Academy, and we partner with Habitat for Humanity to build a tiny home several times a year.

## **Ed2Go® Online Training**

Continuing Education Ed2Go® online courses provide an option for those seeking a convenient or self-paced option. There are hundreds of online courses available for professional development or personal interests in the following categories: Arts and Design, Business, Computer Science, Construction and Trades, Health and Fitness, Hospitality, Information Technology, Language and Arts, Legal, Math and Science, Teacher Professional Development, Test Prep, and Writing.

## **Healthcare Training**

Healthcare Training courses provide a broad scope of specialized training to meet the local demand of area healthcare industry providers. Included are courses and certification in areas such as Nurse Aide, Phlebotomy, EKG (Electrocardiogram Monitoring), Medication Aide, Medical Coding, Medical Terminology and Anatomy, CMAA (Medical Administrative Assistant), Central Sterile Processing, Pharmacy Technician, Medical Assisting, and NC Community Health Worker.

### **Medical Assisting**

The Medical Assisting Program at SCC is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Medical Assisting Education Review Board (MAERB). Graduates of a CAAHEP accredited medical assisting program may be eligible to sit for the American Association of Medical Assistants' (AAMA) Certification Examination to become a Certified Medical Assistant (CMA). Students who successfully pass the MA program are also eligible to sit for the Registered Medical Assistant (RMA) with American Medical Technologies (AMT).

### **Technology Training**

The **Frick Technology and Innovation Center** Technology Training programs provide up-to-date instruction in many areas of technology for adult learners of all experience levels. The program provides instruction in both Apple and personal computer platforms including such topics as operating systems; applications software; personal computer safety; maintenance and repair; 3D printing; tablets; photography and cyber security.

### **Workforce Skills Training**

The Workforce Skills Training Program provides skill assessment services, employability skills training, and career development counseling to unemployed and underemployed adults hoping to advance their careers. Workforce Skills Training classes assist students in assessing their interests, personality traits and abilities, in setting career and/or educational goals, and in creating a pathway leading to economic, social, and educational success. These goals are achieved through individual classes, coaching, and counseling. The program is fee-waived for those who qualify.

### **Larry R. Caddell Public Safety Training Center**

The Larry R. Caddell Public Safety Training Center serves the training needs of approximately thirty (30) fire departments in Moore and Hoke counties.

### **Fire and Rescue Training**

Under the auspices of the North Carolina Fire Commission, the college provides certification and training programs (and regional and state training) for fire and rescue personnel. The College offers biannual Fire Academies each year that provide cadets their Firefighter certification as well as additional Office of the State Fire Marshall certifications.

## **Emergency Medical Services**

Emergency Medical Services training emphasizes initial and upgrade certification programs from the basic First Responder to Advance Life Support. Specialized lifesaving programs are offered to the general public and on site for business and industry.

## **Law Enforcement Training**

The College provides upgrade and re-certification training programs for law enforcement and corrections personnel. Emphasis is placed on officer skills and duties necessary to enhance job performance and courses required for continued certification in these careers. Special law enforcement topic classes are offered to respond to a rapidly changing environment and based on the needs of the community. These classes equip law enforcement personnel with the information and skills necessary to serve. Instructional delivery is offered in both traditional and eLearning formats.

## **College and Career Readiness (CCR)**

The **Furches Center for Lifelong Learning** offers a variety of College and Career Readiness (CCR) Programs. These Basic Skills programs provide educational opportunities at no cost to adults who would like to improve their academic skills to function more effectively in society or on the job. In accordance with the Workforce Innovation and Opportunity Act guidelines, students have the option to enroll in a career pathway program while attending a literacy program so they may reach their career goals sooner. Each of the CCR literacy programs are designed to meet students' unique learning needs. Classes are available during day and evening hours at several convenient locations in Moore and Hoke counties, as well as online offerings. Specific program areas are described below.

### **Adult Basic Education (ABE)**

Adult Basic Education (ABE) classes provide adults, 18 or older, an opportunity to learn basic reading, writing, and math skills. Students experience firsthand how these skills relate to daily living and the workplace by completing such tasks as reading a newspaper, helping their children with homework, writing a letter, calculating a budget and so much more. Upon completion of eighth grade level work, students may progress into the High School Equivalency (HSE) program to pursue their HSE diploma.

### **High School Equivalency (HSE)**

The High School Equivalency program offers classes at no cost to students providing the knowledge and skills needed to successfully complete the high school equivalency test credential. Students have the option to take either the

---

## WORKFORCE CONTINUING EDUCATION PROGRAMS

---

GED® test or the HiSET® test. Successful completion of either test results in the same High School Equivalency Diploma issued by the North Carolina Board of Community Colleges.

Applicants ages 16 and 17 may apply to the HSE program contingent upon an interview with a Coordinator. All accepted minor applicants must present a signed and notarized *Petition for Admission of a Minor Form* which can be obtained prior to the minor applicant's interview.

The completed petition will indicate applicant's parents, legal guardian, or other person or agency having legal custody and control. It will certify residency and date of birth and appropriate legal relationship of the petitioner to the applicant and official school drop date as determined by the previous school.

### **English Language Acquisition (ELA)**

English Language Acquisition (ELA) classes are offered at no cost to adults 18 or older having limited skills in the English language. Instruction is provided in life skills, communication, family and workplace literacy, reading and writing, U.S. culture, and civics. Preparation for the U.S. citizenship test is also available through the ELA class.

### **C. Harlan McCaskill Center**

The C. Harlan McCaskill Center offers programs to meet the training needs of the public service sector and to enhance the cultural, academic, and social enrichment of area citizens.

### **Small Business Center**

The mission of the Small Business Center is to increase the success rate and the number of viable small businesses in North Carolina by providing high quality, readily accessible assistance to prospective and existing small business owners ultimately leading to business start-ups, job creation and retention. The Sandhills Community College Small Business Center is a community-based provider offering seminars, workshops, and business counseling at no cost to the participants.

### **Dedman Center for Business Leadership**

Designed to prepare individuals to become effective leaders in their respective businesses or organizations, the Dedman Center offers an annual Dedman Institute for Business Leadership. Participants are given a well-rounded look at the elements of leadership in corporate and institutional settings, including academia.

Those completing the program are designated a *Dedman Fellow in Leadership* from the Sandhills Community College Division of Workforce Continuing Education. Participation in the program is made possible through scholarships underwritten by the *Robert Dedman Permanent Endowment to Benefit Sandhills Community College*, an endowment created by the late Robert H. Dedman to support programs at Sandhills.

### **Personal Enrichment**

The Center for Personal Enrichment and the Lifelong Learning Institute, both part of the C. Harlan McCaskill Center, facilitate the learning and participation of individuals in the region. Short-term courses are offered throughout the year allowing participants to strengthen proficiencies; experience cultural, personal, or academic enrichment; and investigate new curiosities promoting self-expansion and lifelong learning. Course topics and offerings range from academics such as foreign languages, art history or debates on issues regarding tour current legal processes to developing cultural and personal enrichment through healthy living, art, film, literature, horticulture and culinary.

### **College for Kids**

College for Kids is a series of exciting summer youth enrichment and educational programs for students ages 8-14. Programs are designed to provide fun, hands-on learning activities promising to develop and build skills, encourage creativity and fuel a passion for lifelong learning.

### **Alive@25**

Alive@25 is a program designed for those ages 16-25 and recommended for those who have received a traffic violation. The Safety and Health Council of North Carolina has recognized Sandhills Community College as a National Safety Council Public Training Agency accredited to offer defensive driving courses to the public.

## CURRICULUM COURSE DESCRIPTIONS

### How to Read the Course Description

Each course description begins with a three-letter prefix and a three-digit number that indicate the curriculum and the level of the course. Courses that prepare a student for college-level work are indicated by numbers ranging from 002-098. These courses do not satisfy the requirements for degrees, diplomas, or certificates. Freshman-level University Studies courses (senior college and university transfer) and Applied Science (technical) courses are indicated by numbers ranging from 100 to 199; sophomore-level college transfer and technical courses are numbered 200 through 299.

Courses are listed by course discipline prefix, number, course title, number of semester hours of credit, and, in parentheses, the number of lecture, laboratory and/or work experience/clinical hours, followed by the course prerequisites and corequisites. The symbols F, S, and SS indicate that the course is offered during the fall, spring, or summer semesters. The symbol “AND” indicates the course will be offered “As Needs Demand.” The symbol UGETC represents the Universal General Education Transfer Component as described in the Comprehensive Articulation Agreement (CAA).

### Student Learning Outcomes

The three-sentence course description states the purpose of the course, the course content, and course objectives that students must develop in order to complete the course successfully. Each “Course Syllabus” will describe the course objectives in terms of student learning outcomes and describe the methods of assessment that will be used to determine if students have successfully met the course objectives.

### Semester Hours of Credit

One semester hour of credit, as indicated in the course descriptions, is earned for a class meeting one hour each week during the semester, with the exception of regular laboratories and manipulative laboratories (experience designed to develop specific job skills). One semester hour of credit is given for each of two or three regular laboratory hours depending upon the type of program. Credit of one semester hour is given for each three hours of manipulative laboratory experience. A credit hour is based upon a 16-week semester or the equivalent amount of time when courses are offered in an eight-week or summer session. The descriptions below indicate the total amount of class (lecture), lab, clinical, or work-based learning experience time during a semester per credit hour. For each credit hour, students are also expected to complete two additional hours of study and reflection related to the student learning outcomes.

- **Lecture Hours:** Credit of one semester hour is awarded for each 16 hours of “class work” (or “lecture hour”). Class work is lecture and other classroom instruction. Class work is under the supervision of an instructor.
- **Experiential Lab Hours:** Credit of one semester hour is awarded for each 32 hours of “experiential laboratory work.” Experiential laboratory work means instruction given to a student by an instructor to increase the student's knowledge and skills without immediate student application.
- **Faculty Directed Lab Hours:** Credit of one semester hour is awarded for each 48 hours of “faculty directed laboratory work.” Faculty directed laboratory involves structured and coordinated demonstration by an instructor with immediate student application.
- **Clinical Practice Hours:** Credit of one semester hour is awarded for each 48 hours of “clinical practice.” Clinical practice is a structured, faculty-directed learning experience in a nursing or health sciences program which develops job proficiency. Clinical practice requires significant preparation, coordination, and scheduling by the faculty and is under the supervision of an instructor or preceptor who is qualified for the particular program.
- **Work-Based Learning Hours:** Credit of one semester hour is awarded for each 160 hours of “work experience” such as cooperative education courses. Work experience involves the development of job skills by providing the student with employment that is related to, and coordinated with, the educational program. Student activity in work experience is planned and coordinated by a college representative, and the employer is responsible for the control and supervision of the student on the job.
- **eLearning and Hybrid:** eLearning (course delivery is 100% online) and hybrid courses (a portion of the course delivery is lecture or lab with the remaining required time to be in appropriate online activities) require that the amount of course time is equivalent to the “class work” and “laboratory work” that is expected in traditional face-to-face lecture, laboratory, clinical, and practicum courses.

### Course Prerequisites and Corequisites

Some course prerequisites and corequisites are specified in the statewide Combined Course Library (CCL); others are specified as local (Sandhills Community College) requirements. Students who have not completed the specified courses may satisfy prerequisites and corequisites prior to course enrollment by following one of the following procedures described in the “Academic Policies and Procedures” section of this *Catalog*: Credit by examination, credit for military training, advanced placement (AP) courses,

---

 CURRICULUM COURSE DESCRIPTIONS
 

---

academic petition/course substitution, credit for college tech prep students, course requisites waiver, or credit for experiential learning.

<b>BSP, ENG, and MAT Prerequisites</b>	
To enroll in the courses in Column 1, you must also complete, have transfer credit for, or place out of the BSP, ENG, and MAT courses in Column 2 in addition to other course pre- and co-requisites listed in the "Curriculum Course Descriptions."	
ACC-120, 131	ENG-002 or BSP-4002 and MAT-003 or BSP-4003
ANT-210, 220, 221, 240	ENG-002 or BSP-4002
ARC-230	MAT-121 or MAT-171
ART-111, 114, 115	ENG-002 or BSP-4002
AST-111, 111A	ENG-002 or BSP-4002 and MAT-003 or BSP-4003
BIO 094	ENG-002 or BSP-4002 is a corequisite
BIO-110, 111, 140, 140A, 155, 163, 168	ENG-002 or BSP-4002
BPA-210, 220, 250	ENG-002 or BSP-4002
BUS-110, 115, 125, 137, 139, 153, 230, 255	ENG-002 or BSP-4002
BUS-121	ENG-002 or BSP-4002 and MAT-003 or BSP-4003

## COURSE DESCRIPTIONS BY COURSE DISCIPLINE PREFIX

### ACA Academic Related

- *Most A.A.S. degree-seeking students are required to enroll in ACA-115. Please see the individual program curriculum requirements for exceptions. Individual sections are designed for students in specific programs of study. Refer to the online schedule of courses to determine the appropriate section.*
- *A.A., A.A. Teacher Preparation, A.E., A.F.A., A.G.E.-Nursing, A.S., and A.S. Teacher Preparation degree-seeking students are required to enroll in ACA-122. Individual sections are designed for students in specific programs of study. Refer to the online schedule of courses to determine the appropriate section.*

**ACA-090                      Student Success Strategies                      3 (3-0)                      FS SS**

**Prerequisites:**    None

**Corequisites:**    None

This course is intended to provide students with skills and strategies to promote success in college, career, and life. Topics include the College's physical, academic, and social environment, promotes personal development, and cultivates learning strategies essential for student success. Upon completion, students should be able to manage their learning experiences to meet educational and life goals. *(2014 FA) ACA-090 is required if a student placed into both ENG-002 and MAT-003*

**ACA-115                      Success & Study Skills                      1 (0-2)                      FS SS**

**Prerequisites:**    None

**Corequisites:**    None

This course provides an orientation to the campus resources and academic skills necessary to achieve educational objectives. Emphasis is placed on an exploration of facilities and services, study skills, library skills, self-assessment, wellness, goal-setting, and critical thinking. Upon completion, students should be able to manage their learning experiences to successfully meet educational goals. *(1997 SU)*

**ACA-122                      College Transfer Success                      1 (0-2)                      FS SS**

**Prerequisites:**    None

**Corequisites:**    None

This course provides information and strategies necessary to develop clear academic and professional goals beyond the community college experience. Topics include the CAA, college policies and culture, career exploration, gathering information on senior institutions, strategic planning, critical thinking, and communications skills for a successful academic transition. Upon completion, students should be able to develop an academic plan to transition successfully to senior institutions. *(2021 SU) This course has been approved to satisfy the following requirement(s):*

- *Premajor and/or elective course for A.A., A.A. Teacher Preparation, A.E., A.F.A., A.G.E.-Nursing, A.S., and A.S. Teacher Preparation.*

students should be able to analyze data, make appropriate computations, complete forms, and prepare accounting entries using appropriate technology. (2018 FA)

**ACC-149 Intro to Acc Spreadsheets 2 (1-3) F SS**

**Prerequisites:** ACC-115 or ACC-120

**Corequisites:** None

This course provides a working knowledge of computer spreadsheets and their use in accounting. Topics include pre-programmed problems, model-building problems, beginning-level macros, graphics, and what-if analysis enhancements of template problems. Upon completion, students should be able to use a computer spreadsheet to complete many of the tasks required in accounting. (2018 FA)

**ACC-150 Accounting Software Appl 2 (1-3) S**

**Prerequisites:** ACC-115 or ACC-120

**Corequisites:** None

This course introduces microcomputer applications related to accounting systems. Topics include general ledger, accounts receivable, accounts payable, inventory, payroll, and correcting, adjusting, and closing entries. Upon completion, students should be able to use a computer accounting package to accurately solve accounting problems. *These concepts are taught using QuickBooks and hands-on training that will provide students with practical experience to take into the workplace.* (2018 FA)

**ACC-151 Acct Spreadsheet Appl 2 (1-3) S**

**Prerequisites:** ACC-149

**Corequisites:** None

This course is designed to facilitate the use of spreadsheet technology as applied to accounting principles. Emphasis is placed on using spreadsheet software as a problem-solving and decision-making tool. Upon completion, students should be able to demonstrate an understanding of the principles involved and display an analytical problem-solving ability for the topics covered. (2018 FA)

**ACC-180 Practices in Bookkeeping 3 (3-0) S**

**Prerequisites:** ACC-120

**Corequisites:** None

This course provides advanced instruction in bookkeeping and record-keeping functions. Emphasis is placed on mastering adjusting entries, correction of errors, depreciation, payroll, and inventory. Upon completion, students should be able to conduct all key bookkeeping functions for small business. (2003 FA)

**ACC-220 Intermediate Accounting I 4 (3-2) F**

**Prerequisites:** ACC-120, ACC-121

**Corequisites:** None

This course is a continuation of the study of accounting principles with in-depth coverage of theoretical concepts and financial statements. Topics include generally accepted accounting principles and extensive analysis of balance sheet components. Upon completion, students should be able to demonstrate competence in the conceptual framework underlying financial accounting, including the application of financial standards. (2006 SP)

**AER-115 Instrument Flight Simulator 2 (1-3) AND**  
**Prerequisites: None**  
**Corequisites: None**

This course covers classroom and instrument flight training in a FAA-approved flight simulator. Emphasis is placed on Instrument Flight Rules (IFR) equipment, tracking, approach and navigation procedures, to include holding and missed approaches. Upon completion, students should be able to plan and execute an IFR flight and smoothly transition to instrument training in an actual aircraft. *(2023 FA)*

**AER-116 Private Pilot Flight Simulator 2 (1-2) AND**  
**Prerequisites: None**  
**Corequisites: None**

This course provides classroom and hands-on simulator training needed to support FAA Private Pilot Certificate qualification requirements. Topics include introduction to checklists, flight procedures, radio procedures, ground and flight maneuvers that include; take-offs, climbs, level flight, turns, glides, stalls, slow flight, descents, slips, landings, emergency procedures, cross country planning, and navigation. Upon completion, students should be able to log their simulator training time, transition to Private Pilot training in an actual aircraft, and successfully meet all FAA requirements for Private Pilot Certification. *(2023 FA)*

**AER-119 Aircraft Structures 2 (2-0) AND**  
**Prerequisites: None**  
**Corequisites: None**

This course introduces aircraft airframes and associated appliances. Emphasis is placed on strength of materials, aircraft standards, type certificate data sheets, basic airframe construction, and weight and balance fundamentals. Upon completion, students should be able to analyze strength of materials data and apply their analysis to semi-monocoque, full-cantilever, and truss-type airframes. *(1997 SU)*

**AER-150 Private Pilot Flt Theory 3 (2-2) FS**  
**Prerequisites: None**  
**Corequisites: None**

This course covers the aeronautical knowledge required to meet the Federal Aviation Administration regulations for private pilot certification. Topics include the principles of flight, the flight environment, basic aircraft systems and performance, basic meteorology and weather data interpretation, and FAA regulations. Upon completion, students should be able to demonstrate the competencies required for the FAA written examination for a private pilot certificate. *(1997 SU)*

**AER-151 Flight-Private Pilot 1 (0-3) FS**  
**Prerequisites: None**  
**Corequisites: None**

This course provides the hands-on training needed to qualify for a Federal Aviation Administration private pilot certificate. Topics include flight maneuvers (ground procedures, take-offs, climbs, level flight, turns, glides, stalls, slow flight, descents, slips, landings, emergency procedures) and cross-country planning and navigation. Upon completion, students should be able to demonstrate the competencies required for the flight test practical exam for the private pilot certificate. *(1997 SU) Instructional flight hours are accomplished through partnerships with the local flight schools.*

---

<b>AER-160</b>	<b>Instrument Flight Theory</b>	<b>3 (2-2)</b>	<b>FS</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course covers the required aeronautical knowledge of the Federal Aviation Administration Regulation Instrument Ground School. Topics include a study of instruments, systems, instrument flight charts, instrument flight planning, approach procedures, and the IFR regulations. Upon completion, students should be able to demonstrate the competencies required to complete the FAA written examination for an instrument rating. (1997 SU)</p>			
<b>AER-161</b>	<b>Flight-Instrument Pilot</b>	<b>2 (0-6)</b>	<b>FS</b>
<b>Prerequisites:</b>	<b>AER-151</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course covers instruction and training in instrument flight planning including IFR navigation, VOR, ILS, ADF, and compliance with ATC procedures. Emphasis is placed on approach and navigation procedures, including holding and missed approaches, and development of skill in executing en route and approach procedures. Upon completion, students should be able to plan and execute an IFR flight and demonstrate competencies required for the FAA instrument pilot flight exam. (1997 SU) <i>Instructional flight hours are accomplished through partnerships with the local flight schools.</i></p>			
<b>AER-170</b>	<b>Commercial Flight Theory</b>	<b>3 (3-0)</b>	<b>FS</b>
<b>Prerequisites:</b>	<b>AER-160</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course covers advanced aircraft control, cross-country operations, and other topics required for the FAA commercial pilot written exam. Emphasis is placed on the principles of aircraft performance and operation, take-off performance, cruise performance, descent and landing performance, and weight and balance computations. Upon completion, students should be able to demonstrate commercial pilot skills and competence in the materials required for the FAA written commercial pilot examination. (1997 SU)</p>			
<b>AER-171</b>	<b>Flight-Commercial Pilot</b>	<b>3 (0-6)</b>	<b>FS</b>
<b>Prerequisites:</b>	<b>AER-151</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course provides the hands-on training needed to qualify for a Federal Aviation Administration commercial pilot certificate. Topics include flight instruction in advanced precision maneuvers, maximum performance take-off and landings, emergency procedures, operation of complex aircraft, aircraft performance, and range and fuel planning. Upon completion, students should be able to demonstrate competence in the areas of the flight test practical exam for the commercial pilot certificate. (2017 FA) <i>Instructional flight hours are accomplished through partnerships with the local flight schools.</i></p>			
<b>AER-210</b>	<b>Flight Dynamics</b>	<b>3 (3-0)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course covers basic and advanced principles of aerodynamic phenomena and fluid flow. Topics include airflow phenomena; lift/weight/thrust/drag; aircraft configuration</p>

 CURRICULUM COURSE DESCRIPTIONS
 

---

**ANT-240 Archaeology 3 (3-0) AND**  
**Prerequisites: ENG-002 or BSP-4002**  
**Corequisites: None**

This course introduces the scientific study of the unwritten record of the human past. Emphasis is placed on the process of human cultural evolution as revealed through archaeological methods of excavation and interpretation. Upon completion, students should be able to demonstrate an understanding of how archaeologists reconstruct the past and describe the variety of past human cultures. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Social/Behavioral Science Gen. Ed. course for A.A., A.A. Teacher Preparation and A.S.*
- *Social/Behavioral Science Gen. Ed. course for A.A.S. and A.G.E.*

### ARC Architecture

**ARC-111 Intro to Arch Technology 3 (1-6) F**  
**Prerequisites: None**  
**Corequisites: None**

This course introduces basic architectural drafting techniques, lettering, use of architectural and engineer scales, and sketching. Topics include orthographic, axonometric, and oblique drawing techniques using architectural plans, elevations, sections, and details; reprographic techniques; and other related topics. Upon completion, students should be able to prepare and print scaled drawings within minimum architectural standards. Students will also learn to use the HP48 calculator. (1997 SU)

**ARC-112 Constr Matls & Methods 4 (3-2) F**  
**Prerequisites: None**  
**Corequisites: ARC-111**

This course introduces construction materials and methodologies. Topics include construction terminology, traditional and alternative materials and their properties, manufacturing processes, construction techniques, and other related topics. Upon completion, students should be able to detail construction assemblies and identify construction materials and properties. (2013 FA)

**ARC-114 Architectural CAD 2 (1-3) S**  
**Prerequisites: None**  
**Corequisites: None**

This course introduces basic architectural CAD techniques. Topics include basic commands and system hardware and software. Upon completion, students should be able to prepare and plot architectural drawings to scale within accepted architectural standards. (1998 FA)

**ARC-211 Light Constr Technology 3 (1-6) F**  
**Prerequisites: ARC-111**  
**Corequisites: ARC-112**

This course covers working drawings for light construction. Topics include plans, elevations, sections, and details; schedules; and other related topics. Upon completion, students should be able to prepare a set of working drawings which are within accepted architectural standards. (1997 SU)

**ART-135      Figure Drawing I      3 (0-6)      AND****Prerequisites:** ART-131**Corequisites:** None

This course introduces rendering the human figure with various drawing materials. Emphasis is placed on the use of the visual elements, anatomy, and proportion in the representation of the draped and undraped figure. Upon completion, students should be able to demonstrate competence in drawing the human figure. (1999 FA) *This course has been approved to satisfy the following requirement(s):*

- Premajor and/or Elective course for A.A. and A.S.

**ART-171      Digital Design I      3 (0-6)      FS****Prerequisites:** None**Corequisites:** None

This course is designed to introduce students to the elements and principles of design through the use of digital software. Emphasis is placed on developing composition and design skills using vector, raster, and time-based media. Upon completion, students should be able to identify and use tools in digital software, understand and utilize digital and artistic vocabulary, and employ the principles and elements of design to create artwork using digital means. (2019 FA) *This course has been approved to satisfy the following requirement(s):*

- Premajor and/or Elective course for A.A. and A.S.
- Humanities/Fine Arts Gen. Ed. course for A.A.S. and A.G.E.

**ART-214      Portfolio and Résumé      1 (0-2)      S****Prerequisites:** None**Corequisites:** None

This course covers resume writing, interview skills, and the preparation and presentation of an art portfolio. Emphasis is placed on the preparation of a portfolio of original artwork, the preparation of a photographic portfolio, approaches to resume writing, and interview techniques. Upon completion, students should be able to photograph and present a digital portfolio and write an effective resume. (2018 FA) *This course has been approved to satisfy the following requirement(s):*

- Premajor and/or Elective course for A.A. and A.S.

**ART-231      Printmaking I      3 (0-6)      S****Prerequisites:** None**Corequisites:** None

This course introduces printmaking: its history, development techniques, and processes. Emphasis is placed on basic applications with investigation into image source and development. Upon completion, students should be able to produce printed images utilizing a variety of methods. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- Premajor and/or Elective course for A.A. and A.S.

**ART-232      Printmaking II      3 (0-6)      S****Prerequisites:** ART-231**Corequisites:** None

This course includes additional methods and printmaking processes. Emphasis is placed on the printed image as related to method, source, and concept. Upon completion, students should be able to produce expressive images utilizing both

 CURRICULUM COURSE DESCRIPTIONS
 

---

**ASL-211 Intermediate ASL I 3 (3-0) AND**  
**Prerequisites: ASL-112**  
**Corequisites: None**

This course provides a review and expansion of the essential skills of American Sign Language. Emphasis is placed on the progressive development of expressive and receptive skills, study of authentic and representative literacy and cultural texts. Upon completion, students should be able to communicate effectively, accurately, and creatively using American Sign Language about the past, present, and future. (2002 SP) *This course has been approved to satisfy the following requirement(s):*

- *Humanities/Fine Arts Gen. Ed. course for A.A., A.A. Teacher Preparation, and A.S.*

**ASL-212 Intermediate ASL II 3 (3-0) AND**  
**Prerequisites: ASL-211**  
**Corequisites: None**

This course provides a continuation of ASL 211. Emphasis is placed on the continuing development of expressive and receptive skills, with study of authentic and representative literary and cultural texts. Upon completion, students should be able to communicate spontaneously and accurately with increasing complexity and sophistication. (2002 SP) *This course has been approved to satisfy the following requirement(s):*

- *Humanities/Fine Arts Gen. Ed. course for A.A., A.A. Teacher Preparation, and A.S.*

## AST Astronomy

**AST-111 Descriptive Astronomy 3 (3-0) AND**  
**Prerequisites: ENG-002 or BSP-4002, MAT-003 or BSP-4003**  
**Corequisites: AST-111A**

This course introduces an overall view of modern astronomy. Topics include an overview of the solar system, the sun, stars, galaxies, and the larger universe. Upon completion, students should be able to demonstrate an understanding of the universe around them. Emphasis will be on the fundamental physics concepts underlying topics studied; students can expect to use computers and the Internet for study and research. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *UGETC course for A.A., A.A. Teacher Preparation and A.F.A.*
- *Natural Science Gen. Ed. course for A.S. and A.S. Teacher Preparation*
- *Natural Science Gen. Ed. course for A.A.S. and A.G.E.*

**AST-111A Descriptive Astronomy Lab 1 (0-2) AND**  
**Prerequisites: ENG-002 or BSP-4002, MAT-003 or BSP-4003**  
**Corequisites: AST-111**

The course is a laboratory to accompany AST-111. Emphasis is placed on laboratory experiences which enhance the materials presented in AST-111 and which provide practical experience. Upon completion, students should be able to demonstrate an understanding of the universe around them. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *UGETC course for A.A., A.A. Teacher Preparation and A.F.A.*
- *Natural Science Gen. Ed. course for A.S. and A.S. Teacher Preparation*
- *Natural Science Gen. Ed. course for A.A.S. and A.G.E.*

---

 CURRICULUM COURSE DESCRIPTIONS
 

---

<b>AUB-131</b>	<b>Structural Damage I</b>	<b>4 (2-4)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course introduces safety, equipment, structural damage analysis, and damage repairs. Topics include shop safety, design and construction, structural analysis and measurement, equipment, structural glass, repair techniques, and other related topics. Upon completion, students should be able to analyze and perform repairs to a vehicle which has received light/moderate structural damage. <i>(1997 SU)</i></p>			
<b>AUB-132</b>	<b>Structural Damage II</b>	<b>4 (2-6)</b>	<b>SS</b>
<b>Prerequisites:</b>	<b>AUB-131</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course provides an in-depth study of structural damage analysis and repairs to vehicles that have received moderate to heavy structural damage. Topics include shop safety, structural analysis and measurement, equipment, structural glass, advanced repair techniques, structural component replacement and alignment, and other related topics. Upon completion, students should be able to analyze and perform repairs according to industry standards. <i>(1997 SU)</i></p>			
<b>AUB-136</b>	<b>Plastics &amp; Adhesives</b>	<b>3 (1-4)</b>	<b>SS</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course covers safety, plastic and adhesive identification, and the various repair methods of automotive plastic components. Topics include safety, identification, preparation, material selection, and the various repair procedures including refinishing. Upon completion, students should be able to identify, remove, repair, and/or replace automotive plastic components in accordance with industry standards. <i>(1997 SU)</i></p>			
<b>AUB-150</b>	<b>Automotive Detailing</b>	<b>2 (1-3)</b>	<b>AND</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course covers the methods and procedures used in automotive detailing facilities. Topics include safety, engine, interior and trunk compartment detailing, buffing/polishing exterior surfaces, and cleaning and reconditioning exterior trim, fabrics, and surfaces. Upon completion, students should be able to improve the overall appearance of a vehicle. <i>(1997 SU)</i></p>			
<b>AUB-162</b>	<b>Autobody Estimating</b>	<b>2 (1-2)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course provides a comprehensive study of autobody estimating. Topics include collision damage analysis, industry regulations, flat-rate and estimated time, and collision estimating manuals. Upon completion, students should be able to prepare and interpret a damage report. <i>(1997 SU)</i></p>			

## AUC Automotive Customizing

<b>AUC-112</b>	<b>Auto Custom Fabrication</b>	<b>4 (2-4)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		

This course covers modifications of existing vehicle components, as well as fabrication of new vehicle components. Emphasis is placed on basic customizing techniques used on factory original parts, as well as fabrication of custom components using machining processes and customizing techniques. Upon completion, students should be able to modify existing factory components and create custom-fabricated components using auto customizing techniques. *(2006 FA)*

<b>AUC-114</b>	<b>Custom Fiberglass Skills</b>	<b>4 (2-4)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		

This course will provide instruction in non-metallic customizing and repair techniques. Emphasis will be placed on diagnosis and repair of cracks, proper use of bonding agents, fiberglass body parts removal/replacement, and custom fabrication techniques using fiberglass materials. Upon completion, students should be able to identify types of fiberglass and demonstrate the ability to properly prepare, apply, and finish fiberglass components. *(2006 FA)*

## AUM Automotive Management

<b>AUM-111</b>	<b>Managing Automotive Org</b>	<b>3 (3-0)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		

This course will cover the principles and procedures involved in managing an automotive facility. Emphasis is placed on record maintenance, facility layout, technical service training, personnel management, parts management, and computer-based shop management systems. Upon completion, students should be able to demonstrate procedures used in the day-to-day operations of an automotive facility. *(2007 FA)*

## AUT Automotive

<b>AUT-113</b>	<b>Automotive Servicing I</b>	<b>2 (0-6)</b>	<b>AND</b>
<b>Prerequisites:</b>	<b>TRN-110</b>		
<b>Corequisites:</b>	<b>None</b>		

This course is a lab used as an alternative to co-op placement. Emphasis is placed on shop operations, troubleshooting, testing, adjusting, repairing, and replacing components using appropriate test equipment and service information. Upon completion, students should be able to perform a variety of automotive repairs using proper service procedures and to operate appropriate equipment. *(2007 FA)*

<b>AUT-116</b>	<b>Engine Repair</b>	<b>3 (2-3)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>TRN-110</b>		
<b>Corequisites:</b>	<b>AUT-116A</b>		

This course covers the theory, construction, inspection, diagnosis, and repair of internal combustion engines and related systems. Topics include fundamental operating principles of engines and diagnosis, inspection, adjustment, and repair of automotive

students should be able to diagnose, service, and repair various automotive braking systems. (2007 FA)

**AUT-163      Adv Auto Electricity      3 (2-3)      FS**

**Prerequisites:** TRN-120

**Corequisites:** None

This course covers electronic theory, wiring diagrams, test equipment, and diagnosis, repair, and replacement of electronics, lighting, gauges, horn, wiper, accessories, and body modules. Topics include networking and module communication, circuit construction, wiring diagrams, circuit testing, and troubleshooting. Upon completion, students should be able to properly use wiring diagrams, diagnose, test, and repair wiring, lighting, gauges, accessories, modules, and electronic concerns. (2013 FA)

**AUT-181      Engine Performance 1      3 (2-3)      FS**

**Prerequisites:** None

**Corequisites:** None

This course covers the introduction, theory of operation, and basic diagnostic procedures required to restore engine performance to vehicles equipped with complex engine control systems. Topics include an overview of engine operation, ignition components and systems, fuel delivery, injection components and systems and emission control devices. Upon completion, students should be able to describe operation and diagnose/repair basic ignition, fuel and emission related driveability problems using appropriate test equipment/service information. (2007 FA)

**AUT-183      Engine Performance 2      4 (2-6)      FS**

**Prerequisites:** AUT-181

**Corequisites:** None

This course covers study of the electronic engine control systems, the diagnostic process used to locate engine performance concerns, and procedures used to restore normal operation. Topics will include currently used fuels and fuel systems, exhaust gas analysis, emission control components and systems, OBD II (on-board diagnostics) and inter-related electrical/electronic systems. Upon completion, students should be able to diagnose and repair complex engine performance concerns using appropriate test equipment and service information. (2007 FA)

**AUT-221      Auto Transm/Transaxles      3 (2-3)      SS**

**Prerequisites:** None

**Corequisites:** None

This course covers operation, diagnosis, service, and repair of automatic transmissions/transaxles. Topics include hydraulic, pneumatic, mechanical, and electrical/electronic operation of automatic drive trains and the use of appropriate service tools and equipment. Upon completion, students should be able to explain operational theory, diagnose and repair automatic drive trains. (2007 FA)

**AUT-231      Man Trans/Axles/Drtrains      3 (2-3)      S**

**Prerequisites:** TRN-110

**Corequisites:** None

This course covers the operation, diagnosis, and repair of manual transmissions/transaxles, clutches, driveshafts, axles, and final drives. Topics include theory of torque, power flow, and manual drive train service and repair using appropriate service information, tools, and equipment. Upon completion, students

 CURRICULUM COURSE DESCRIPTIONS
 

---

- *Premajor and/or Elective course for A.A. and A.S.*
- *Natural Science Gen. Ed. course for A.G.E.*

### BMT Biomedical Equipment

**BMT-111**      **Intro to Biomed Field**      **2 (2-0)**      **S**

**Prerequisites:**    **None**

**Corequisites:**    **None**

This course introduces the fundamental concepts of the health care delivery system. Topics include hospital organization and structure, BMET duties and responsibilities, and the professional and social interrelationships between services. Upon completion, students should be able to demonstrate an understanding of hospital organization as related to BMET duties. (2011 SU)

**BMT-212**      **BMET Instrumentation I**      **6 (3-6)**      **SS**

**Prerequisites:**    **None**

**Corequisites:**    **None**

This course covers theory of operation, circuit analysis, troubleshooting techniques, and medical applications for a variety of instruments and devices. Topics include electrodes, transducers, instrumentation amplifiers, electrocardiographs, monitors, recorders, defibrillators, ESU units, and related equipment used in clinical laboratories, intensive care units, and research facilities. Upon completion, students should be able to calibrate, troubleshoot, repair, and certify that instrumentation meets manufacturer's original specifications. (2008 SP)

### BPA Baking and Pastry Arts

**BPA-120**      **Petit Fours & Pastries**      **3 (1-4)**      **F**

**Prerequisites:**    **CUL-110, CUL-160**

**Corequisites:**    **None**

This course introduces the basic principles of the preparation and plating of a variety of petit fours and individual dessert pastries. Emphasis is placed on traditional and contemporary petit fours and pastries utilizing updated production methods. Upon completion, students should be able to produce individual pastries and petit fours for buffet and special event settings. (2011 FA)

**BPA-130**      **European Cakes and Tortes**      **3 (1-4)**      **SS**

**Prerequisites:**    **CUL-110, CUL-160**

**Corequisites:**    **None**

This course introduces the production of a wide variety of classical and modern cakes suitable for restaurants, retail shops and large-scale production. Emphasis is placed on classic cakes using the methods of mixing, filling, glazing and icing. Upon completion, students should be able to prepare, assemble, and decorate gelatin-based and layered tortes and cakes such as Bavarian, Dobos, and Sacher. (2011 FA)

**BPA-150**      **Artisan & Specialty Bread**      **4 (1-6)**      **S**

**Prerequisites:**    **CUL-110, CUL-160**

**Corequisites:**    **None**

This course provides an advanced study in the art and craft of bread making. Topics include pertinent formulas and techniques associated with naturally leavened loaves, hearth breads, focaccia, flat breads, and other breads utilizing a variety of grains. Upon

---

### BPR Blueprint Reading

<b>BPR-130</b>	<b>Print Reading-Construction</b>	<b>3 (3-0)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		

This course covers the interpretation of interpretation of prints and specifications that are associated with design and construction projects. Topics include interpretation of documents for foundations, floor plans, elevations, and related topics. Upon completion, students should be able to read and interpret construction prints and documents. (2013 FA)

### BUS Business

<b>BUS-110</b>	<b>Introduction to Business</b>	<b>3 (3-0)</b>	<b>FS SS</b>
<b>Prerequisites:</b>	<b>ENG-002 or BSP-4002</b>		
<b>Corequisites:</b>	<b>None</b>		

This course provides a survey of the business world. Topics include the basic principles and practices of contemporary business. Upon completion, students should be able to demonstrate an understanding of business concepts as a foundation for studying other business subjects. (2015 FA) *This course has been approved to satisfy the following requirement(s):*

- *Premajor and/or Elective course for A.A. and A.S.*

<b>BUS-115</b>	<b>Business Law I</b>	<b>3 (3-0)</b>	<b>FS</b>
<b>Prerequisites:</b>	<b>ENG-002 or BSP-4002</b>		
<b>Corequisites:</b>	<b>None</b>		

This course introduces the student to the legal and ethical framework of business. Contracts, negotiable instruments, the law of sales, torts, crimes, constitutional law, the Uniform Commercial Code, and the court systems are examined. Upon completion the student should be able to identify legal and ethical issues that arise in business decisions and the laws that apply to them. (2015 FA) *This course has been approved to satisfy the following requirement(s):*

- *Premajor and/or Elective course for A.A. and A.S.*

<b>BUS-121</b>	<b>Business Math</b>	<b>3 (2-2)</b>	<b>FS</b>
<b>Prerequisites:</b>	<b>ENG-002 or BSP-4002, MAT-003 or BSP-4003</b>		
<b>Corequisites:</b>	<b>None</b>		

This course covers fundamental mathematical operations and their application to business problems. Topics include payroll, pricing, interest and discount, commission, taxes, and other pertinent uses of mathematics in the field of business. Upon completion, students should be able to apply mathematical concepts to business. (1997 SU)

<b>BUS-125</b>	<b>Personal Finance</b>	<b>3 (3-0)</b>	<b>AND</b>
<b>Prerequisites:</b>	<b>ENG-002 or BSP-4002</b>		
<b>Corequisites:</b>	<b>None</b>		

This course provides a study of individual and family financial decisions. Emphasis is placed on building useful skills in buying, managing finances, increasing resources, and coping with current economic conditions. Upon completion, students should be able to develop a personal financial plan. (1997 SU)

**BUS-137 Principles of Management 3 (3-0) FS SS**  
**Prerequisites:** ENG-002 or BSP-4002

**Corequisites:** None

This course is designed to be an overview of the major functions of management. Emphasis is placed on planning, organizing, controlling, directing, and communicating. Upon completion, students should be able to work as contributing members of a team utilizing these functions of management. (2015 FA) This course has been approved to satisfy the following requirement(s):

- Premajor and/or Elective course for A.A. and A.S.

**BUS-139 Entrepreneurship I 3 (3-0) FS**  
**Prerequisites:** ENG-002 or BSP-4002

**Corequisites:** None

This course provides an introduction to the principles of entrepreneurship. Topics include self-analysis of entrepreneurship readiness, the role of entrepreneur in economic development, legal problems, organizational structure, sources of financing, budgeting, and cash flow. Upon completion, students should have an understanding of the entrepreneurial process and issues faced by entrepreneurs. (2008 FA)

**BUS-148 Survey of Real Estate 3 (3-0) F**  
**Prerequisites:** None

**Corequisites:** None

This course introduces real estate principles and practices. Topics include real estate finance, real estate law, brokerage, land use planning, property management, and valuation. Upon completion, students should be able to explain basic procedures involved in the lease, purchase, and sale of real property. (1997 SU)

**BUS-151 People Skills 3 (3-0) S**  
**Prerequisites:** None

**Corequisites:** None

This course introduces the basic concepts of identity and communication in the business setting. Topics include self-concept, values, communication styles, feelings and emotions, roles versus relationships, and basic assertiveness, listening, and conflict resolution. Upon completion, students should be able to distinguish between unhealthy, self-destructive, communication patterns and healthy, non-destructive, positive communication patterns. (1997 SU)

**BUS-153 Human Resource Management 3 (3-0) FS**  
**Prerequisites:** ENG-002 or BSP-4002

**Corequisites:** None

This course introduces the functions of personnel/human resource management within an organization. Topics include equal opportunity and the legal environment, recruitment and selection, performance appraisal, employee development, compensation planning, and employee relations. Upon completion, students should be able to anticipate and resolve human resource concerns. (1997 SU)

**BUS-225 Business Finance 3 (2-2) S**  
**Prerequisites:** ACC-120

**Corequisites:** None

This course provides an overview of business financial management. Emphasis is placed on financial statement analysis, time value of money, management of cash flow,

students should be able to integrate all facets of the imaging procedures in computed tomography. (2016 SP)

**CAT-225 CT Clinical Practicum 5 (0-0-15) F**

**Prerequisites:** None

**Corequisites:** None

This course provides the opportunity to apply knowledge gained from classroom instruction to the computed tomography clinical setting. Emphasis is placed on patient care and positioning, scanning procedures, and image production in computed tomography. Upon completion, students should be able to assume a variety of duties and responsibilities within the computed tomography clinical environment. (1997 SU)

**CAT-226 CT Clinical Practicum 6 (0-0-18) S**

**Prerequisites:** None

**Corequisites:** None

This course provides the opportunity to apply knowledge gained from classroom instruction to the computed tomography clinical setting. Emphasis is placed on patient care and positioning, scanning procedures, and image production in computed tomography. Upon completion, students should be able to assume a variety of duties and responsibilities within the computed tomography clinical environment. (1997 SU)

## CEG Civil Engineering and Geomatics

**CEG-111 Intro to GIS and GNSS 4 (2-4) S**

**Prerequisites:** None

**Corequisites:** None

This course introduces the methods and techniques used in the Geographic Information Systems (GIS) and Global Navigation Satellite Systems (GNSS) professions. Emphasis is placed on data collection and mapping using GIS software. Upon completion, students should be able to use GNSS technologies to collect field data and create GIS maps. (2013 FA)

**CEG-115 Intro to Tech & Sustainability 3 (2-3) F**

**Prerequisites:** None

**Corequisites:** CEG-115A

This course introduces basic skills, sustainability concepts and career fields for technicians. Topics include career options, technical vocabulary, dimensional analysis, measurement systems, engineering graphics, professional ethics, and related topics. Upon completion, students should be able to identify drawing elements and create sketches, perform basic engineering computations and identify measures of sustainable development. (2013 FA)

**CEG-115A Tech & Sustainability Lab 1 (0-3) F**

**Prerequisites:** None

**Corequisites:** CEG-115

This course provides a lab experience that requires students to apply principles of sustainable development and engineering computations, measurement, and drawing to hands-on activities and in actual settings. Emphasis is placed on basic engineering technology and sustainable development topics. Upon completion, students should be able to recognize appropriate technologies for particular projects and scenarios. (2013 FA)

---

 CURRICULUM COURSE DESCRIPTIONS
 

---

- CEG-210 Construction Mtls & Methods 3 (2-3) F**  
**Prerequisites:** None  
**Corequisites:** EGR-115 or CEG-115  
 This course covers the behavior and properties of Portland cement, asphaltic concretes, and other construction materials, including construction methods and equipment. Topics include cementing agents, aggregates, water and admixture materials with their proportions, production, placement, consolidation, curing, and their inspection. Upon completion, students should be able to proportion Portland concrete mixes to attain predetermined strengths, perform standard control tests on Portland cement concrete, identify inspection criteria for concretes, identify construction equipment and applications. (2013 FA)
- CEG-211 Hydrology & Erosion Control 3 (2-3) F**  
**Prerequisites:** MAT-121, MAT-171, MAT-003 w/P2, or BSP-4003  
**Corequisites:** None  
 This course introduces basic engineering principles and characteristics of hydrology, erosion and sediment control. Topics include stormwater runoff, gravity pipe flow, open channel flow, low impact development (LID), erosion control devices and practices. Upon completion, students should be able to analyze and design gravitational drainage structures, identify LID and erosion control elements, and prepare a stormwater drainage plan. (2020 FA)
- CEG-212 Intro to Environmental Tech 3 (2-3) S**  
**Prerequisites:** EGR-251  
**Corequisites:** None  
 This course introduces basic engineering principles of hydraulics, and water and wastewater technologies. Topics include fluid statics, fluid dynamics, flow measurement, the collection, treatment, and distribution of water and wastewater. Upon completion, students should be able to identify water and wastewater system elements, describe water and wastewater system processes and perform basic hydraulics and treatment computations. (2013 FA)
- CEG-230 Subdivision Planning & Design 3 (1-6) S**  
**Prerequisites:** EGR-120, CEG-211, SRV-111  
**Corequisites:** None  
 This course covers the planning and design concepts related to subdivisions including analysis of development standards, engineering, and the creation of CAD drawings. Topics include applicable codes, lot creation, roadway system layout, stormwater drainage, low impact development (LID) concepts, and related topics. Upon completion, students should be able to prepare a set of subdivision plans. (2013 FA)
- CEG-235 Project Management/Estimating 3 (2-3) S**  
**Prerequisites:** CEG-115, CIS-110, CIS-111, EGR-115, or EGR-125  
**Corequisites:** None  
 This course covers planning and estimating practices which are applicable to the civil engineering and related construction industries. Emphasis is placed on construction project planning and management, material take-offs labor and equipment requirements in accordance with industry formats, and other economic topics. Upon completion, students should be able to accurately complete material take-offs, prepare cost estimates, and prepare construction schedules. (2014 SU)

---

 CURRICULUM COURSE DESCRIPTIONS
 

---

**CHM-151**      **General Chemistry I**      **4 (3-3)**      **FS SS**  
**Prerequisites:**    **MAT-003 w/P2, BSP-4003 w/P2, MAT-021, MAT-043, MAT-052, or MAT-071**

**Corequisites:**    **None**

This course covers fundamental principles and laws of chemistry. Topics include measurement, atomic and molecular structure, periodicity, chemical reactions, chemical bonding, stoichiometry, thermochemistry, gas laws, and solutions. Upon completion, students should be able to demonstrate an understanding of fundamental chemical laws and concepts as needed in CHM-152. The laboratory work emphasizes quantitative determinations utilizing volumetric, gravimetric, and instrumental analysis. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- UGETC course for A.A., A.A. Teacher Preparation, A.E., A.F.A., A.S., and A.S. Teacher Preparation
- Natural Science Gen. Ed. course for A.A.S. and A.G.E.

**CHM-152**      **General Chemistry II**      **4 (3-3)**      **FS SS**  
**Prerequisites:**    **CHM-151, minimum grade C**

**Corequisites:**    **None**

This course provides a continuation of the study of the fundamental principles and laws of chemistry. Topics include kinetics, equilibrium, ionic and redox equations, acid-base theory, electrochemistry, thermodynamics, introduction to nuclear and organic chemistry, and complex ions. Upon completion, students should be able to demonstrate an understanding of chemical concepts as needed to pursue further study in chemistry and related professional fields. The laboratory work emphasizes quantitative determinations utilizing volumetric, gravimetric, and instrumental analysis. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- UGETC course for A.S., and A.S. Teacher Preparation
- Natural Science Gen. Ed. Course for A.A. and A.A. Teacher Preparation
- Other Gen. Ed. and Premajor Elective course for A.E.
- Natural Science Gen. Ed. course for A.G.E.

**CHM-251**      **Organic Chemistry I**      **4 (3-3)**      **F**  
**Prerequisites:**    **CHM-152, minimum grade C**

**Corequisites:**    **None**

This course provides a systematic study of the theories, principles, and techniques of organic chemistry. Topics include nomenclature, structure, properties, reactions, and mechanisms of hydrocarbons, alkyl halides, alcohols, and ethers; further topics include isomerization, stereochemistry, and spectroscopy. Upon completion, students should be able to demonstrate an understanding of the fundamental concepts of covered organic topics as needed in CHM-252. The laboratory work is designed to develop basic laboratory techniques of synthesis, purification and identification with an emphasis upon spectroscopy and chromatography. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- Premajor and/or Elective course for A.A. and A.S.
- Other Gen. Ed. And Premajor Elective course for A.E.
- Natural Science Gen. Ed. course for A.G.E.

<b>CJC-144</b>	<b>Crime Scene Processing</b>	<b>3 (2-3)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course introduces the theories and practices of crime scene processing and investigating. Topics include legal considerations at the crime scene, processing indoor and outdoor scenes, recording, note taking, collection and preservation of evidence and submission to the crime laboratory. Upon completion, the student should be able to evaluate and search various crime scenes and demonstrate the appropriate techniques. (2000 SP)</p>			
<b>CJC-146</b>	<b>Trace Evidence</b>	<b>3 (2-3)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course provides a study of trace evidence as it relates to forensic science. Topics include collection, packaging, and preservation of trace evidence from crime scenes such as bombings, fires and other scenes. Upon completion, students should be able to demonstrate the fundamental concepts of trace evidence collection, preservation and submission to the crime laboratory. (2000 SP)</p>			
<b>CJC-212</b>	<b>Ethics &amp; Comm Relations</b>	<b>3 (3-0)</b>	<b>SS</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course covers ethical considerations and accepted standards applicable to criminal justice organizations and professionals. Topics include ethical systems; social change, values, and norms; cultural diversity; citizen involvement in criminal justice issues; and other related topics. Upon completion, students should be able to apply ethical considerations to the decision-making process in identifiable criminal justice situations. (1997 SU) <i>This course has been approved to satisfy the following requirement(s):</i></p> <ul style="list-style-type: none"> <li>• <i>Premajor and/or Elective course for A.A. and A.S.</i></li> </ul>			
<b>CJC-221</b>	<b>Investigative Principles</b>	<b>4 (3-2)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course introduces the theories and fundamentals of the investigative process. Topics include crime scene/incident processing, information gathering techniques, collection/preservation of evidence, preparation of appropriate reports, court presentations, and other related topics. Upon completion, students should be able to identify, explain, and demonstrate the techniques of the investigative process, report preparation, and courtroom presentation. (1997 SU) <i>Students who have successfully completed CJC-110, Basic Law Enforcement, may receive credit for CJC-221.</i></p>			
<b>CJC-222</b>	<b>Criminalistics</b>	<b>3 (3-0)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course covers the functions of the forensic laboratory and its relationship to successful criminal investigations and prosecutions. Topics include advanced crime scene processing, investigative techniques, current forensic technologies, and other related topics. Upon completion, students should be able to identify and collect relevant evidence at simulated crime scenes and request appropriate laboratory analysis of submitted evidence. (1997 SU)</p>			

---

 CURRICULUM COURSE DESCRIPTIONS
 

---

- CJC-225**      **Crisis Intervention**      **3 (3-0)**      **F**  
**Prerequisites:**    **None**  
**Corequisites:**    **None**  
 This course introduces critical incident intervention and management techniques as they apply to operational criminal justice practitioners. Emphasis is placed on the victim/offender situation as well as job-related high stress, dangerous, or problem-solving citizen contacts. Upon completion, students should be able to provide insightful analysis of emotional, violent, drug-induced, and other critical and/or stressful incidents that require field analysis and/or resolution. *(1997 SU)*
- CJC-231**      **Constitutional Law**      **3 (3-0)**      **F**  
**Prerequisites:**    **None**  
**Corequisites:**    **None**  
 The course covers the impact of the Constitution of the United States and its amendments on the criminal justice system. Topics include the structure of the Constitution and its amendments, court decisions pertinent to contemporary criminal justice issues, and other related topics. Upon completion, students should be able to identify/discuss the basic structure of the United States Constitution and the rights/procedures as interpreted by the courts. *(1997 SU) Students who have successfully completed CJC-110, Basic Law Enforcement, may receive credit for CJC-231.*
- CJC-232**      **Civil Liability**      **3 (3-0)**      **SS**  
**Prerequisites:**    **None**  
**Corequisites:**    **None**  
 This course covers liability issues for the criminal justice professional. Topics include civil rights violations, tort liability, employment issues, and other related topics. Upon completion, students should be able to explain civil trial procedures and discuss contemporary liability issues. *(1997 SU)*
- CJC-241**      **Community-Based Corrections**      **3 (3-0)**      **S**  
**Prerequisites:**    **None**  
**Corequisites:**    **None**  
 This course covers programs for convicted offenders that are used both as alternatives to incarceration and in post-incarceration situations. Topics include offenders, diversion, house arrest, restitution, community service, probation and parole, including both public and private participation, and other related topics. Upon completion, students should be able to identify/discuss the various programs from the perspective of the criminal justice professional, the offender, and the community. *(1997 SU)*
- CJC-244**      **Footwear and Tire Imprint**      **3 (2-3)**      **S**  
**Prerequisites:**    **None**  
**Corequisites:**    **None**  
 This course provides a study of the fundamental concepts of footwear and tire imprint evidence as related to forensic science. Topics include proper photographic recording, casting, recognition of wear patterns and imprint identification. Upon completion, the student should be able to recognize, record, photograph, and identify footwear and tire imprints. *(2000 SP)*

**CJC-245      Friction Ridge Analysis      3 (2-3)      SS**

**Prerequisites:** None

**Corequisites:** None

This course introduces the basic elements of fingerprint technology and techniques applicable to the criminal justice field. Topics include the history and meaning of fingerprints, pattern types and classification filing sequence, searching and referencing. Upon completion, the students should be able to discuss and demonstrate the fundamental techniques of basic fingerprint technology. (2000 SP)

**CJC-246      Adv. Friction Ridge Analy      3 (2-3)      S**

**Prerequisites:** CJC-245

**Corequisites:** None

This course introduces the theories and processes of advanced friction ridge analysis. Topics include evaluation of friction ridges, chart preparation, comparative analysis for values determination rendering proper identification, chemical enhancement and AFIS preparation and usage. Upon completion, students must show an understanding of proper procedures for friction ridge analysis through written testing and practical exercises. (2000 SP)

### **CMT Construction Management**

**CMT-210      Construction Management Fund      3 (3-0)      F**

**Prerequisites:** None

**Corequisites:** None

This course introduces the student to the fundamentals of effective supervision emphasizing professionalism through knowledge and applied skills. Topics include safety, planning and scheduling, contracts, problem-solving, communications, conflict resolution, recruitment, employment laws and regulations, leadership, motivation, teamwork, discipline, setting objectives, and training. Upon completion, students should be able to demonstrate the basic skills necessary to be successful as a supervisor in the construction industry. (2013 FA)

**CMT-212      Total Safety Performance      3 (3-0)      S**

**Prerequisites:** None

**Corequisites:** CMT-210

This course covers the importance of managing safety and productivity equally by encouraging people to take individual responsibility for safety and health in the workplace. Topics include safety management, controlling construction hazards, communicating and enforcing policies, OSHA compliance, personal responsibility and accountability, safety planning, training, and personal protective equipment. Upon completion, the student should be able to properly supervise safety at a construction jobsite and qualify for OSHA Training Certification. (2004 SP)

### **COM Communication**

**COM-110      Introduction to Communication      3 (3-0)      FS SS**

**Prerequisites:** None

**Corequisites:** None

This course provides an overview of the basic concepts of communication and the skills necessary to communicate in various contexts. Emphasis is placed on communication theories and techniques used in interpersonal group, public, intercultural, and mass

**COM-231 Public Speaking 3 (3-0) FS SS****Prerequisites:** None**Corequisites:** None

This course provides instruction and experience in preparation and delivery of speeches within a public setting and group discussion. Emphasis is placed on research, preparation, delivery, and evaluation of informative, persuasive, and special occasion public speaking. Upon completion, students should be able to prepare and deliver well-organized speeches and participate in group discussion with appropriate audiovisual support. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- UGETC course for A.A., A.A. Teacher Preparation, A.E., A.F.A., A.S., and A.S. Teacher Preparation
- Communication course for A.A.S.

**COS Cosmetology****COS-111 Cosmetology Concepts I 4 (4-0) FS****Prerequisites:** ENG-002 or BSP-4002**Corequisites:** COS-112

This course introduces basic cosmetology concepts. Topics include safety, first aid, sanitation, bacteriology, anatomy, diseases and disorders, hygiene, product knowledge, chemistry, ethics, manicures, and other related topics. Upon completion, students should be able to safely and competently apply cosmetology concepts in the salon setting. (1997 SU)

**COS-112 Salon I 8 (0-24) FS****Prerequisites:** ENG-002 or BSP-4002**Corequisites:** COS-111

This course introduces basic salon services. Topics include scalp treatments, shampooing, rinsing, hair color, design, haircutting, permanent waving, pressing, relaxing, wigs, and other related topics. Upon completion, students should be able to safely and competently demonstrate salon services. (1997 SU)

**COS-113 Cosmetology Concepts II 4 (4-0) FS****Prerequisites:** COS-111 (minimum grade C) and COS-112**Corequisites:** COS-114

This course covers more comprehensive cosmetology concepts. Topics include safety, product knowledge, chemistry, manicuring, chemical restructuring, and hair coloring. Upon completion, students should be able to safely and competently apply these cosmetology concepts in the salon setting. (2016 FA)

**COS-114 Salon II 8 (0-24) FS****Prerequisites:** COS-111 (minimum grade C) and COS-112**Corequisites:** COS-113

This course provides experience in a simulated salon setting. Topics include basic skin care, manicuring, nail application, scalp treatments, shampooing, rinsing, hair color, design, haircutting, chemical restructuring, pressing, wigs, and other related topics. Upon completion, students should be able to safely and competently demonstrate these salon services. (2016 FA)

---

 CURRICULUM COURSE DESCRIPTIONS
 

---

- COS-115**      **Cosmetology Concepts III**      **4 (4-0)**      **SS**  
**Prerequisites:**    **COS-111 (minimum grade C) and COS-112**  
**Corequisites:**    **COS-116**  
 This course covers more comprehensive cosmetology concepts. Topics include safety, product knowledge, salon management, salesmanship, skin care, electricity/light therapy, wigs, thermal hair styling, lash and brow tinting, superfluous hair removal, and other related topics. Upon completion, students should be able to safely and competently apply these cosmetology concepts in the salon setting. *(2016 FA)*
- COS-116**      **Salon III**      **4 (0-12)**      **SS**  
**Prerequisites:**    **COS-111 (minimum grade C) and COS-112**  
**Corequisites:**    **COS-115**  
 This course provides comprehensive experience in a simulated salon setting. Emphasis is placed on intermediate level of skin care, manicuring, scalp treatments, shampooing, hair color, design, haircutting, chemical restructuring, pressing, and other related topics. Upon completion, students should be able to safely and competently demonstrate these salon services. *(2016 FA)*
- COS-117**      **Cosmetology Concepts IV**      **2 (2-0)**      **FS**  
**Prerequisites:**    **COS-111 (minimum grade C) and COS-112**  
**Corequisites:**    **COS-118**  
 This course covers advanced cosmetology concepts. Topics include chemistry and hair structure, advanced cutting and design, and an overview of all cosmetology concepts in preparation for the licensing examination. Upon completion, students should be able to demonstrate an understanding of these cosmetology concepts and meet program completion requirements. *(2016 FA)*
- COS-118**      **Salon IV**      **7 (0-21)**      **FS**  
**Prerequisites:**    **COS-111 (minimum grade C) and COS-112**  
**Corequisites:**    **COS-117**  
 This course provides advanced experience in a simulated salon setting. Emphasis is placed on efficient and competent delivery of all salon services in preparation for the licensing examination and employment. Upon completion, students should be able to demonstrate competence in program requirements and the areas covered on the Cosmetology Licensing Examination and meet entry-level employment requirements. *(2016 FA)*
- COS-223**      **Contemp Hair Coloring**      **2 (1-3)**      **FS**  
**Prerequisites:**    **COS-111 and COS-112**  
**Corequisites:**    **None**  
 This course covers basic color concepts, hair coloring problems, and application techniques. Topics include color theory, terminology, contemporary techniques, product knowledge, and other related topics. Upon completion, students should be able to identify a client's color needs and safely and competently perform color applications and correct problems. *(1998 FA)*

and properly install windows and exterior doors, roofing, and exterior finish materials. (1997 SU)

**CST-221 Statics/Structures 4 (3-3) SS**

**Prerequisites:** ARC-112 or CST-112; MAT-110, MAT-121, or MAT-171

**Corequisites:** None

This course covers the principles of statics and strength of materials as applied to structural building components. Topics include forces on columns, beams, girders, and footings and connection points when timber, steel, and concrete members are used. Upon completion, students should be able to accurately analyze load conditions present in structural members. (2016 SP)

**CST-231 Soils & Site Work 4 (3-2) F**

**Prerequisites:** MAT-121 or MAT-171

**Corequisites:** None

This course covers site conditions and soil types and their physical properties. Topics include site preparation, access, mechanical analysis, classification of soils, and hydrostatics of groundwater. Upon completion, students should be able to adequately prepare a building site according to plans and specifications. (2014 FA)

**CST-241 Planning/Estimating I 3 (2-2) S**

**Prerequisites:** BPR-130 or MAT-121 or MAT-171

**Corequisites:** None

This course covers the procedures involved in planning and estimating a construction/building project. Topics include performing quantity take-offs of materials necessary for a building project. Upon completion, students should be able to accurately complete a take-off of materials and equipment needs involved in a construction project. (2014 FA)

### CTI Computer Tech Integration

**CTI-110 Web, Pgm, & Db Foundation 3 (2-2) FS**

**Prerequisites:** None

**Corequisites:** None

This course covers the introduction of the tools and resources available to students in programming, mark-up language and services on the Internet. Topics include standard mark-up language Internet services, creating web pages, using search engines, file transfer programs, and database design and creation with DBMS products. Upon completion students should be able to demonstrate knowledge of programming tools, deploy a website with mark-up tools, and create a simple database table. (2009 FA)

**CTI-120 Network & Sec Foundation 3 (2-2) FS**

**Prerequisites:** None

**Corequisites:** None

This course introduces students to the Network concepts, including networking terminology and protocols, local and wide area networks, and network standards. Emphasis is placed on securing information systems and the various implementation policies. Upon completion, students should be able to perform basic tasks related to networking mathematics, terminology, media and protocols. (2009 FA)

and marketing nutrition in a foodservice operation. Upon completion, students should be able to apply basic nutritional concepts to food preparation and selection. (2011 FA)

**CUL-120 Purchasing 2 (2-0) FS**

**Prerequisites:** MAT-003 or BSP-4003

**Corequisites:** None

This course covers purchasing for foodservice operations. Emphasis is placed on yield tests, procurement, negotiating, inventory control, product specification, purchasing ethics, vendor relationships, food product specifications and software applications. Upon completion, students should be able to apply effective purchasing techniques based on the end-use of the product. (2011 FA)

**CUL-130 Menu Design 2 (2-0) SS**

**Prerequisites:** None

**Corequisites:** None

This course introduces menu design and its relationship to foodservice operations. Topics include layout, marketing, concept development, dietary concerns, product utilization, target consumers and trends. Upon completion, students should be able to design, create and produce menus for a variety of foodservice settings. (2011 FA)

**CUL-135 Food & Beverage Service 2 (2-0) FS**

**Prerequisites:** None

**Corequisites:** CUL-135A

This course is designed to cover the practical skills and knowledge necessary for effective food and beverage service in a variety of settings. Topics include greeting/service of guests, dining room set-up, profitability, menu sales and merchandising, service styles and reservations. Upon completion, students should be able to demonstrate competence in human relations and the skills required in the service of foods and beverages. (2011 FA)

**CUL-135A Food & Beverage Serv Lab 1 (0-2) FS**

**Prerequisites:** None

**Corequisites:** CUL-135

This course provides a laboratory experience for enhancing student skills in effective food and beverage service. Emphasis is placed on practical experiences including greeting/service of guests, dining room set-up, profitability, menu sales and merchandising, service styles and reservations. Upon completion, students should be able to demonstrate practical applications of human relations and the skills required in the service of foods and beverages. (2011 FA)

**CUL-140 Culinary Skills I 5 (2-6) FS**

**Prerequisites:** MAT-003 or BSP-4003

**Corequisites:** CUL-110

This course introduces the fundamental concepts, skills and techniques in basic cookery, and moist, dry and combination heat. Emphasis is placed on recipe conversion, measurements, terminology, classical knife cuts, safe food/equipment handling, flavorings/seasonings, stocks/sauces/soups, and related topics. Upon completion, students should be able to exhibit the basic cooking skills used in the foodservice industry. (2011 FA)

 CURRICULUM COURSE DESCRIPTIONS
 

---

<b>CUL-160</b>	<b>Baking I</b>	<b>3 (1-4)</b>	<b>FS</b>
<b>Prerequisites:</b>	<b>MAT-003 or BSP-4003</b>		
<b>Corequisites:</b>	<b>CUL-110</b>		
<p>This course covers basic ingredients, techniques, weights and measures, baking terminology and formula calculations. Topics include yeast/chemically leavened products, laminated doughs, pastry dough batter, pies/tarts, meringue, custard, cakes and cookies, icings, glazes and basic sauces. Upon completion, students should be able to demonstrate proper scaling and measurement techniques and prepare and evaluate a variety of bakery products. (2011 FA)</p>			
<b>CUL-170</b>	<b>Garde Manger I</b>	<b>3 (1-4)</b>	<b>FS SS</b>
<b>Prerequisites:</b>	<b>MAT-003 or BSP-4003</b>		
<b>Corequisites:</b>	<b>CUL-110</b>		
<p>This course introduces basic cold food preparation techniques and pantry production. Topics include salads, sandwiches, appetizers, dressings, basic garnishes, cheeses, cold sauces, and related food items. Upon completion, students should be able to present a cold food display and exhibit an understanding of the cold kitchen and its related terminology. (2011 FA)</p>			
<b>CUL-214</b>	<b>Wine Appreciation</b>	<b>2 (1-2)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>ENG-002 or BSP-4002</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course provides an introduction to information about wine from all the major wine producing regions. Emphasis is placed on the history of wine, production, characteristics, wine list development, laws, purchasing and storing requirements. Upon completion, students should be able to evaluate varietal wines and basic food pairings. (2011 FA)</p>			
<b>CUL-230</b>	<b>Global Cuisines</b>	<b>5 (1-8)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>CUL-110, CUL-110A, CUL-140, CUL-160, CUL-240</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course provides practical experience in the planning, preparation, and presentation of representative foods from a variety of world cuisines. Emphasis is placed on indigenous ingredients and customs, nutritional concerns, and cooking techniques. Upon completion, students should be able to research and execute a variety of international and domestic menus. (2011 FA)</p>			
<b>CUL-240</b>	<b>Culinary Skills II</b>	<b>5 (1-8)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>CUL-110, CUL-110A, CUL-140; ENG-002 or BSP-4002</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course is designed to further students' knowledge of the fundamental concepts, skills, and techniques involved in basic cookery. Emphasis is placed on meat identification/fabrication, butchery and cooking techniques/methods; appropriate vegetable/starch accompaniments; compound sauces; plate presentation; breakfast cookery; and quantity food preparation. Upon completion, students should be able to plan, execute, and successfully serve entrees with complementary side items. (2017 FA)</p>

 CURRICULUM COURSE DESCRIPTIONS
 

---

**DRA-120**      **Voice for Performance**      **3 (3-0)**      **S**

**Prerequisites:**    **None**

**Corequisites:**    **None**

This course provides guided practice in the proper production of speech for the theatre. Emphasis is placed on improving speech, including breathing, articulation, pronunciation, and other vocal variables. Upon completion, students should be able to demonstrate effective theatrical speech. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Premajor and/or Elective course for A.A. and A.S.*

**DRA-126**      **Storytelling**      **3 (3-0)**      **AND**

**Prerequisites:**    **None**

**Corequisites:**    **None**

This course introduces the art of storytelling and the oral traditions of folk literature. Topics include the history of storytelling, its value and purpose, techniques of the storyteller, and methods of collecting verbal art. Upon completion, students should be able to present and discuss critically stories from the world's repertory of traditional lore. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Humanities/Fine Arts Gen. Ed. course for A.A., A.A. Teacher Preparation and A.S.*
- *Humanities/Fine Arts Gen. Ed. course for A.A.S. and A.G.E.*

**DRA-128**      **Children's Theatre**      **3 (3-0)**      **S**

**Prerequisites:**    **DRA-130**

**Corequisites:**    **None**

This course introduces the philosophy and practice involved in producing plays for young audiences. Topics include the selection of age-appropriate scripts and the special demands placed on directors, actors, designers, and educators in meeting the needs of young audiences. Upon completion, students should be able to present and critically discuss productions for children. (1997 SU)

- *Premajor and/or Elective course for A.A. and A.S.*

**DRA-130**      **Acting I**      **3 (0-6)**      **F**

**Prerequisites:**    **None**

**Corequisites:**    **None**

This course provides an applied study of the actor's craft. Topics include role analysis, training the voice, and body concentration, discipline, and self-evaluation. Upon completion, students should be able to explore their creativity in an acting ensemble. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Premajor and/or Elective course for A.A. and A.S.*

**DRA-131**      **Acting II**      **3 (0-6)**      **F**

**Prerequisites:**    **DRA-130**

**Corequisites:**    **None**

This course provides additional hands-on practice in the actor's craft. Emphasis is placed on further analysis, characterization, growth, and training for acting competence. Upon completion, students should be able to explore their creativity in an acting ensemble. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Premajor and/or Elective course for A.A. and A.S.*

methodologies, observation/assessment techniques, educational planning, reflective practice, collaboration, cultural competence, ethics, professionalism, and leadership. Upon completion, students should be able to identify the knowledge, skills, roles, and responsibilities of an effective educator as defined by state and national professional teaching standards. (2020 FA) This course has been approved to satisfy the following requirement(s):

- Other Required Hours/Universal Ed. course for A.A. Teacher Preparation and A.S. Teacher Preparation

**EDU-216 Foundations of Education 3 (3-0) F**

**Prerequisites:** None

**Corequisites:** None

This course introduces the examination of the American educational systems and the teaching profession. Topics include the historical and philosophical influences on education, various perspectives on educational issues, and experiences in birth through grade 12 classrooms. Upon completion, students should be able to reflect on classroom observations, analyze the different educational approaches, including classical/traditional and progressive, and have knowledge of the various roles of educational systems at the federal, state and local level. (2020 FA) This course has been approved to satisfy the following requirement(s):

- Other Required Hours for A.A. Teacher Preparation and A.S. Teacher Preparation
- Premajor and/or Elective course for A.A. and A.S.

**EDU-221 Children with Exceptionalities 3 (3-0) S**

**Prerequisites:** EDU-144, EDU-145

**Corequisites:** None

This course covers atypical patterns of child development, inclusive/diverse settings, evidenced-based educational/family plans, differentiated instruction, adaptive materials, and assistive technology. Emphasis is placed on the characteristics of exceptionalities and delays, early intervention/special education, transitions, observation, developmental screening, formative assessment of children, and collaborating with families and community partners. Upon completion, students should be able to recognize diverse abilities, describe the referral process, identify community resources, explain the importance of collaboration with families/professionals, and develop appropriate strategies/adaptations to support children in all environments with best practices as defined by laws, policies and the NC Foundations for Early Learning and Development. (2020 FA) This course has been approved to satisfy the following requirement(s):

- Premajor and/or Elective course for A.A. and A.S.

**EDU-234 Infants, Toddlers, & Twos 3 (3-0) S**

**Prerequisites:** EDU-119

**Corequisites:** None

This course covers the development of high-quality, individualized, responsive/engaging relationships and experiences for infants, toddlers, and twos. Emphasis is placed on typical and atypical child development, working with diverse families to provide positive, supportive, and engaging early learning activities and interactions through field experiences and the application of the NC Foundations for Early Learning and Development. Upon completion, students should be able to demonstrate responsive curriculum planning, respectful relationships and exposure to

---

 CURRICULUM COURSE DESCRIPTIONS
 

---

a variety of developmentally appropriate experiences/materials that support a foundation for healthy development and growth of culturally, linguistically and ability diverse children birth to 36 months. (2020 FA)

**EDU-235 School-Age Develop and Programs 3 (3-0) F**

**Prerequisites:** None

**Corequisites:** None

This course includes developmentally appropriate practices in group settings for school-age children. Emphasis is placed on principles of development, environmental planning, and positive guidance techniques and program development. Upon completion, students should be able to discuss developmental principles for culturally, linguistically, and ability diverse children ages five to twelve and plan and implement developmentally appropriate programs and activities. (2020 FA)

**EDU-250 Teacher Licensure Preparation 3 (3-0) S**

**Prerequisites:** ENG-111; MAT-143, MAT-152, or MAT-171

**Corequisites:** None

This course provides information and strategies necessary for transfer to a teacher licensure program at a senior institution. Topics include entry level teacher licensure exam preparation, performance-based assessment systems, requirements for entry into teacher education programs, the process to become a licensed teacher in North Carolina, and professionalism including expectations within the field of education. Upon completion, students should be able to utilize educational terminology and demonstrate knowledge of teacher licensure processes including exam preparation, technology-based portfolio assessment, and secondary admissions processes to the school of education at a senior institution. (2018 FA) *This course has been approved to satisfy the following requirement(s):*

- *Other Required Hours/Universal Ed. course for A.A. Teacher Preparation and A.S. Teacher Preparation*

**EDU-251 Exploration Activities 3 (3-0) S**

**Prerequisites:** None

**Corequisites:** None

This course covers fundamental concepts in the content areas of science, technology, engineering, math, and social studies through investigative experiences aligned with NC Foundations for Early Learning and Development. Emphasis is placed on exploring fundamental concepts, scope and sequence, and teaching strategies to engage each child through play and open-ended discovery in indoor/outdoor environments. Upon completion, students should be able to understand major concepts in each content area and implement developmentally appropriate, culturally responsive, equitable, and inclusive experiences for all young children. (2022 FA)

**EDU-259 Curriculum Planning 3 (3-0) F**

**Prerequisites:** EDU-119

**Corequisites:** None

This course is designed to focus on using content knowledge to build effective developmentally appropriate approaches that are culturally responsive, equitable, and ability diverse for young children. Topics include components of curriculum, a variety of curriculum models, authentic observation and assessment, and planning developmentally appropriate experiences and indoor/outdoor environments aligned with the NC Foundations for Early Learning and Development. Upon completion,

<b>ELC-114</b>	<b>Commercial Wiring</b>	<b>4 (2-6)</b>	<b>AND</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course provides instruction in the application of electrical tools, materials, and test equipment associated with commercial electrical installations. Topics include the NEC; safety; electrical blueprints; planning, layout, and installation of equipment and conduits; and wiring devices such as panels and overcurrent devices. Upon completion, students should be able to properly install equipment and conduit associated with commercial electrical installations. (2013 FA)</p>			
<b>ELC-115</b>	<b>Industrial Wiring</b>	<b>4 (2-6)</b>	<b>AND</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course covers layout, planning, and installation of wiring systems in industrial facilities. Emphasis is placed on industrial wiring methods and materials. Upon completion, students should be able to install industrial systems and equipment. (2013 FA)</p>			
<b>ELC-117</b>	<b>Motors and Controls</b>	<b>4 (2-6)</b>	<b>AND</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course introduces the fundamental concepts of motors and motor controls. Topics include ladder diagrams, pilot devices, contactors, motor starters, motors, and other control devices. Upon completion, students should be able to properly select, connect, and troubleshoot motors and control circuits. (2013 FA)</p>			
<b>ELC-128</b>	<b>Intro to PLC</b>	<b>3 (2-3)</b>	<b>AND</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course introduces the programmable logic controller (PLC) and its associated applications. Topics include ladder logic diagrams, input/output modules, power supplies, surge protection, selection/installation of controllers, and interfacing of controllers with equipment. Upon completion, students should be able to understand basic PLC systems and create simple programs. (2013 FA)</p>			
<b>ELC-131</b>	<b>Circuit Analysis I</b>	<b>4 (3-3)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course introduces DC and AC electricity with an emphasis on circuit analysis, measurements, and operation of test equipment. Topics include DC and AC principles, circuit analysis laws and theorems, components, test equipment operation, circuit simulation, and other related topics. Upon completion, students should be able to interpret circuit schematics; design, construct, verify, and analyze DC/AC circuits; and properly use test equipment. (2013 FA)</p>			
<b>ELC-215</b>	<b>Electrical Maintenance</b>	<b>3 (2-3)</b>	<b>AND</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course introduces the theory of maintenance and the skills necessary to maintain electrical equipment found in industrial and commercial facilities. Topics include maintenance theory, predictive and preventive maintenance, electrical equipment</p>

 CURRICULUM COURSE DESCRIPTIONS
 

---

<b>EMS-131</b>	<b>Advanced Airway Management</b>	<b>2 (1-2-0)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>EMS-110</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course is designed to provide advanced airway management techniques and is required for paramedic certification. Topics must meet current guidelines for advanced airway management in the pre-hospital setting. Upon completion, students should be able to properly utilize all airway adjuncts and pharmacology associated with airway control and maintenance. (2019 SP)</p>			
<b>EMS-140</b>	<b>Rescue Scene Management</b>	<b>2 (1-3-0)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course introduces rescue scene management. Topics include response to hazardous material conditions, incident command, and extrication of patients from a variety of situations. Upon completion, students should be able to recognize and manage rescue operations based upon initial and follow-up scene assessment. (2014 SP)</p>			
<b>EMS-150</b>	<b>Emergency Vehicles &amp; EMS Comm</b>	<b>2 (1-3-0)</b>	<b>AND</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course covers the principles governing emergency vehicles, maintenance of emergency vehicles, and EMS communication equipment. Topics include applicable motor vehicle laws affecting emergency vehicle operation, defensive driving, collision avoidance techniques, communication systems, and information management systems. Upon completion, students should have a basic knowledge of emergency vehicles, maintenance, and communication needs. (2014 SP)</p>			
<b>EMS-160</b>	<b>Cardiology I</b>	<b>3 (2-3-0)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>EMS-110</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course introduces the study of cardiovascular emergencies and is required for paramedic certification. Topics include anatomy and physiology, pathophysiology, electrophysiology, and rhythm interpretation. Upon completion, students should be able to recognize and interpret rhythms. (2019 SP)</p>			
<b>EMS-210</b>	<b>Adv. Patient Assessment</b>	<b>2 (1-3-0)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>EMS-110</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course covers advanced patient assessment techniques and is required for paramedic certification. Topics include initial assessment, medical-trauma history, field impression, complete physical exam process, on-going assessment, and documentation skills. Upon completion, students should be able to utilize basic communication skills and record and report collected patient data. (2019 SP)</p>			
<b>EMS-220</b>	<b>Cardiology II</b>	<b>3 (2-3-0)</b>	<b>SS</b>
<b>Prerequisites:</b>	<b>EMS-122, EMS-130, and EMS-160</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course provides an in-depth study of cardiovascular emergencies and is required for paramedic certification. Topics include assessment and treatment of cardiac</p>			

emergencies, cardiac pharmacology, and patient care. Upon completion, students should be able to manage the cardiac patient. (2019 SP)

**EMS-221 EMS Clinical Practicum II 2 (0-0-6) SS**

**Prerequisites:** EMS-121 or EMS-122

**Corequisites:** None

This course provides clinical experiences in the hospital and/or field. Emphasis is placed on increasing the proficiency of students' skills and abilities in patient assessments and the delivery of care. Upon completion, students should be able to demonstrate continued progress in advanced-level patient care. (2019 SP)

**EMS-231 EMS Clinical Pract III 3 (0-0-9) F**

**Prerequisites:** EMS-221

**Corequisites:** None

This course provides clinical experiences in the hospital and/or field. Emphasis is placed on enhancing the students' skills and abilities in providing advanced-level care. Upon completion, students should be able to demonstrate continued progress in advanced-level patient care. (2014 SP)

**EMS-235 EMS Management 2 (2-0-0) AND**

**Prerequisites:** None

**Corequisites:** None

This course stresses the principles of managing a modern emergency medical service system. Topics include structure and function of municipal governments, EMS grantsmanship, finance, regulatory agencies, system management, legal issues, and other topics relevant to the EMS manager. Upon completion, students should be able to understand the principles of managing emergency medical service delivery systems. (1997 SU)

**EMS-240 Patients W/ Special Challenges 2 (1-2-0) F**

**Prerequisites:** EMS-122 and EMS-130

**Corequisites:** None

This course includes concepts of crisis intervention and techniques of interacting with patients with special challenges and is required for paramedic certification. Topics include appropriate intervention and interaction for neglected, abused, terminally ill, chronically ill, technology assisted, bariatric, physically challenged, mentally challenged, or assaulted patients as well as behavioral emergencies. Upon completion, students should be able to recognize and manage the care of patients with special challenges. (2014 SP)

**EMS-241 EMS Clinical Practicum IV 4 (0-0-12) S**

**Prerequisites:** EMS-231

**Corequisites:** None

This course provides clinical experiences in the hospital and/or field. Emphasis is placed on mastering the skills/competencies required of the paramedic providing advanced-level care. Upon completion, students should be able to provide advanced-level patient care as an entry-level paramedic (2014 SP)

 CURRICULUM COURSE DESCRIPTIONS
 

---

<b>EMS-243</b>	<b>Wilderness EMT</b>	<b>2 (1-2-0)</b>	<b>AND</b>
<b>Prerequisites:</b>	<b>EMS-110</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course provides an overview of emergency care when separated from definitive care by distance, time, or circumstance. Topics include principles of long-term patient care, wilderness patient assessment system, medical and environmental emergencies, medication administration, modified CPR, and spine management. Upon completion, students should be able to demonstrate the knowledge and skills necessary to gain Wilderness-EMT certification. (2012 SP)</p>			
<b>EMS-250</b>	<b>Advanced Medical Emergencies</b>	<b>4 (3-3-0)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>EMS-122 and EMS-130</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course provides an in-depth study of medical conditions frequently encountered in the prehospital setting and is required for paramedic certification. Topics include appropriate interventions/treatments for disorders/diseases/injuries affecting the following systems: respiratory, neurological, abdominal/gastrointestinal, endocrine, genitourinary, musculoskeletal, and immunological as well as toxicology, infectious diseases and diseases of the eyes, ears, nose and throat. Upon completion, students should be able to recognize, assess and manage the care of frequently encountered medical conditions based upon initial patient assessment. (2014 SP)</p>			
<b>EMS-260</b>	<b>Trauma Emergencies</b>	<b>2 (1-3-0)</b>	<b>SS</b>
<b>Prerequisites:</b>	<b>EMS-122 and EMS-130</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course provides in-depth study of trauma including pharmacological interventions for conditions frequently encountered in the prehospital setting and is required for paramedic certification. Topics include an overview of thoracic, abdominal, genitourinary, orthopedic, neurological, and multi-system trauma, soft tissue trauma of the head, neck, and face as well as environmental emergencies. Upon completion, students should be able to recognize and manage trauma situations based upon patient assessment and should adhere to standards of care. (2014 SP)</p>			
<b>EMS-270</b>	<b>Life Span Emergencies</b>	<b>4 (3-3-0)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>EMS-122 and EMS-130</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course covers medical/ethical/legal issues and the spectrum of age-specific emergencies from conception through death required for paramedic certification. Topics include gynecological, obstetrical, neonatal, pediatric, and geriatric emergencies and pharmacological therapeutics. Upon completion, students should be able to recognize and treat age-specific emergencies. (2019 SP)</p>			
<b>EMS-280</b>	<b>EMS Bridging Course</b>	<b>3 (2-2-0)</b>	<b>AND</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course is designed to provide currently credentialed state or national Paramedic students with the most current education trends in Paramedic Practice. Emphasis is placed on transitions in healthcare. Upon completion, students should be able to integrate emerging trends in pre-hospital care. (2019 SP)</p>			

<b>EMS-285</b>	<b>EMS Capstone</b>	<b>2 (1-3-0)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>EMS-220, EMS-250, EMS-260</b>		
<b>Corequisites:</b>	<b>None</b>		

This course provides an opportunity to demonstrate problem-solving skills as a team leader in simulated patient scenarios and is required for paramedic certification. Emphasis is placed on critical thinking, integration of didactic and psychomotor skills, and effective performance in simulated emergency situations. Upon completion, students should be able to recognize and appropriately respond to a variety of EMS-related events. (1997 SU)

## ENG English

*Initial student placement in foundation courses is based on individual college placement policies and procedures. Students should begin foundation course work at the appropriate level indicated by that college's placement.*

<b>ENG-002</b>	<b>Transition English</b>	<b>3 (0-6)</b>	<b>FS SS</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>ACA-090</b>		

This course provides an opportunity to customize foundational English content in specific areas and will include developing a growth mindset. Topics include developing the academic habits, learning strategies, social skills, and growth mindset necessary to be successful in college-level English. Upon completion, students should be able to build a stronger foundation for success in their gateway level English courses by obtaining skills through a variety of instructional strategies with emphasis placed on the most essential prerequisite knowledge. (2018 FA)

<b>ENG-011</b>	<b>Writing and Inquiry Support</b>	<b>2 (1-2)</b>	<b>FS SS</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>ENG-111</b>		

This course is designed to support students in the development of skills necessary for success in ENG 111 by complementing, supporting, and reinforcing ENG 111 Student Learning Outcomes. Emphasis is placed on developing a growth mindset, expanding skills for use in active reading and writing processes, recognizing organizational relationships within texts from a variety of genres and formats, and employing appropriate technology when reading and composing texts. Upon completion, students should be able to apply active reading strategies to college-level texts and produce unified, well-developed writing using standard written English. (2018 FA)

<b>ENG-111</b>	<b>Writing and Inquiry</b>	<b>3 (3-0)</b>	<b>FS SS</b>
<b>Prerequisites:</b>	<b>ENG-002 or BSP-4002</b>		
<b>Corequisites:</b>	<b>ENG-011</b>		

This course is designed to develop the ability to produce clear writing in a variety of genres and formats using a recursive process. Emphasis includes inquiry, analysis, effective use of rhetorical strategies, thesis development, audience awareness, and revision. Upon completion, students should be able to produce unified, coherent, well-developed essays using standard written English. (2020 FA) *This course has been approved to satisfy the following requirement(s):*

- *UGETC course for A.A., A.A. Teacher Preparation, A.E., A.F.A., A.S., and A.S. Teacher Preparation*
- *English Composition Gen. Ed. course for A.A.S. and A.G.E.*

---

 CURRICULUM COURSE DESCRIPTIONS
 

---

**ENG-112 Writing/Research in the Disc 3 (3-0) FS SS**  
**Prerequisites:** ENG-111  
**Corequisites:** None

This course, the second in a series of two, introduces research techniques, documentation styles, and writing strategies. Emphasis is placed on analyzing information and ideas and incorporating research findings into documented writing and research projects. Upon completion, students should be able to evaluate and synthesize information from primary and secondary sources using documentation appropriate to various disciplines (2014 FA). *This course has been approved to satisfy the following requirement(s):*

- UGETC course for A.A., A.A. Teacher Preparation, A.E., A.F.A., A.S., and A.S. Teacher Preparation
- English Composition Gen. Ed. course for A.A.S. and A.G.E.

**ENG-114 Prof Research & Reporting 3 (3-0) FS SS**  
**Prerequisites:** ENG-111  
**Corequisites:** None

This course, the second in a series of two, is designed to teach professional communication skills. Emphasis is placed on research, listening, critical reading and thinking, analysis, interpretation, and design used in oral and written presentations. Upon completion, students should be able to work individually and collaboratively to produce well-designed business and professional written and oral presentations. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- English Composition Gen. Ed. course for A.A., A.A. Teacher Preparation, and A.S.
- English Composition Gen. Ed. course for A.A.S. and A.G.E.

**ENG-125 Creative Writing I 3 (3-0) F**  
**Prerequisites:** ENG-111  
**Corequisites:** None

This course is designed to provide students with the opportunity to practice the art of creative writing. Emphasis is placed on writing, fiction, poetry, and sketches. Upon completion, students should be able to craft and critique their own writing and critique the writing of others. (2001 FA) *This course has been approved to satisfy the following requirement(s):*

- Premajor and/or Elective course for A.A. and A.S.
- Humanities/Fine Arts Gen. Ed. course for A.A.S. and A.G.E.

**ENG-126 Creative Writing II 3 (3-0) AND**  
**Prerequisites:** ENG-125  
**Corequisites:** None

This course is designed as a workshop approach for advancing imaginative and literary skills. Emphasis is placed on the discussion of style, techniques, and challenges for first publications. Upon completion, students should be able to submit a piece of their writing for publication. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- Premajor and/or Elective course for A.A. and A.S.

**ENG-131 Introduction to Literature 3 (3-0) AND****Prerequisites:** ENG-111**Corequisites:** ENG-112 or ENG-114

This course introduces the principal genres of literature. Emphasis is placed on literary terminology, devices, structure, and interpretation. Upon completion, students should be able to analyze and respond to literature. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- Humanities/Fine Arts Gen. Ed. course for A.A., A.A. Teacher Preparation, and A.S.
- Humanities/Fine Arts Gen. Ed. course for A.A.S. and A.G.E.

**ENG-231 American Literature I 3 (3-0) FS SS****Prerequisites:** ENG-112 or ENG-114**Corequisites:** None

This course covers selected works in American literature from its beginnings to 1865. Emphasis is placed on historical background, cultural context, and literary analysis of selected prose, poetry, and drama. Upon completion, students should be able to analyze and interpret literary works in their historical and cultural contexts. (2014 FA) *This course has been approved to satisfy the following requirement(s):*

- UGETC course for A.A., A.A. Teacher Preparation, A.E., A.F.A., A.S., and A.S. Teacher Preparation
- Humanities/Fine Arts Gen. Ed. course for A.A.S. and A.G.E.

**ENG-232 American Literature II 3 (3-0) S SS****Prerequisites:** ENG-112 or ENG-114**Corequisites:** None

This course covers selected works in American literature from 1865 to the present. Emphasis is placed on historical background, cultural context, and literary analysis of selected prose, poetry, and drama. Upon completion, students should be able to analyze and interpret literary works in their historical and cultural contexts. (2014 FA) *This course has been approved to satisfy the following requirement(s):*

- UGETC course for A.A., A.A. Teacher Preparation, A.E., A.F.A., A.S., and A.S. Teacher Preparation
- Humanities/Fine Arts Gen. Ed. course for A.A.S. and A.G.E.

**ENG-241 British Literature I 3 (3-0) F****Prerequisites:** ENG-112 or ENG-114**Corequisites:** None

This course covers selected works in British literature from its beginnings to the Romantic Period. Emphasis is placed on historical background, cultural context, and literary analysis of selected prose, poetry, and drama. Upon completion, students should be able to interpret, analyze, and respond to literary works in their historical and cultural contexts. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- UGETC course for A.A., A.A. Teacher Preparation, A.E., A.F.A., A.S., and A.S. Teacher Preparation
- Humanities/Fine Arts Gen. Ed. course for A.A.S. and A.G.E.

**Prerequisites:**    **ENG-112 or ENG-114**  
**Corequisites:**    **None**

This course introduces selected works from the Pacific, Asia, Africa, Europe, and the Americas from their literary beginnings through the seventeenth century. Emphasis is placed on historical background, cultural context, and literary analysis of selected prose, poetry, and drama. Upon completion, students should be able to interpret, analyze, and respond to selected works. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Humanities/Fine Arts Gen. Ed. course for A.A., A.A. Teacher Preparation, and A.S.*
- *Humanities/Fine Arts Gen. Ed. course for A.A.S. and A.G.E.*

**ENG-262**      **World Literature II**      **3 (3-0)**      **AND**  
**Prerequisites:**    **ENG-112 or ENG-114**  
**Corequisites:**    **None**

This course introduces selected works from the Pacific, Asia, Africa, Europe, and the Americas from the eighteenth century to the present. Emphasis is placed on historical background, cultural context, and literary analysis of selected prose, poetry, and drama. Upon completion, students should be able to interpret, analyze, and respond to selected works. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Humanities/Fine Arts Gen. Ed. course for A.A., A.A. Teacher Preparation, and A.S.*
- *Humanities/Fine Arts Gen. Ed. course for A.A.S. and A.G.E.*

**ENG-273**      **African American Literature**      **3 (3-0)**      **AND**  
**Prerequisites:**    **ENG-112 or ENG-114**  
**Corequisites:**    **None**

This course provides a survey of the development of African American literature from its beginnings to the present. Emphasis is placed on historical and cultural context, themes, literary traditions, and backgrounds of the authors. Upon completion, students should be able to interpret, analyze, and respond to selected texts. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Premajor and/or Elective course for A.A. and A.S.*
- *Humanities/Fine Arts Gen. Ed. course for A.A.S. and A.G.E.*

## ENV Environmental Science

<b>ENV-226</b>	<b>Environmental Law</b>	<b>3 (3-0)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		

This course covers federal laws and acts concerning environmental quality standards and the use of resources, legal procedures for enforcing laws, and problems concerning enforcement. Emphasis is placed on environmental law basics, water quality laws, air quality laws, waste disposal laws, and biological resource protection laws. Upon completion, students should be able to demonstrate an understanding of federal/state environmental laws and their importance to the protection of environmental quality. *(2013 FA)*

## EPT Emergency Preparedness

<b>EPT-140</b>	<b>Emergency Management</b>	<b>3 (3-0)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		

This course covers the four phases of emergency management: mitigation, preparedness, response, and recovery. Topics include organizing for emergency management, coordinating for community resources, public sector liability, and the roles of government agencies at all levels. Upon completion, students should be able to demonstrate an understanding of comprehensive emergency management and the integrated emergency management system. *(2014 FA)*

## FIP Fire Protection

<b>FIP-120</b>	<b>Intro to Fire Protection</b>	<b>3 (3-0)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		

This course provides an overview of the development, methods, systems and regulations that apply to the fire protection field. Topics include history, evolution, statistics, suppression, organizations, careers, curriculum, and related subjects. Upon completion, students should be able to demonstrate a broad understanding of the fire protection field. *(2014 FA)*

<b>FIP-124</b>	<b>Fire Prevention &amp; Public Ed</b>	<b>3 (3-0)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		

This course introduces fire prevention concepts as they relate to community and industrial operations referenced in NFPA standard 101. Topics include the development and maintenance of fire prevention programs, educational programs, and inspection programs. Upon completion, students should be able to research, develop, and present a fire safety program to a citizens or industrial group. *(2014 FA)*

<b>FIP-132</b>	<b>Building Construction</b>	<b>3 (3-0)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		

This course covers the principles and practices reference in NFPA standard 220 related to various types of building construction, including residential and commercial, as impacted by fire conditions. Topics include types of construction and related elements,

**FIP-230 Chem of Hazardous Mat I 5 (5-0) F**  
**Prerequisites: None**  
**Corequisites: None**

This course covers the evaluation of hazardous materials referenced in NFPA standard 1072. Topics include use of the periodic table, hydrocarbon derivatives, placards and labels, parameters of combustion, and spill and leak mitigation. Upon completion, students should be able to demonstrate knowledge of the chemical behavior of hazardous materials. (2014 FA)

**FIP-232 Hydraulics & Water Dist 3 (2-2) F**  
**Prerequisites: None**  
**Corequisites: None**

This course covers the flow of fluids through fire hoses, nozzles, appliances, pumps, standpipes, water mains, and other devices reference in NFPA standard 25. Emphasis is placed on supply and delivery systems, fire flow testing, hydraulic calculations, and other related topics. Upon completion, students should be able to perform hydraulic calculations, conduct water availability tests, and demonstrate knowledge of water distribution systems. (2014 FA)

**FIP-240 Fire Service Supervision 3 (3-0) S**  
**Prerequisites: None**  
**Corequisites: None**

This course covers supervisory skills and practices in the fire protection field. Topics include the supervisor's job, supervision skills, the changing work environment, managing change, organizing for results, discipline and grievances, and safety. Upon completion, students should be able to demonstrate an understanding of the roles and responsibilities of effective fire service supervision, meeting elements of NFPA 1021. (2014 FA)

**FIP-256 Munic Public Relations 3 (3-0) S**  
**Prerequisites: None**  
**Corequisites: None**

This course is a general survey of municipal public relations and their effect on the governmental process referenced in NFPA standard 1035. Topics include principles of public relations, press releases, press conferences, public information officers, image surveys, and the effects of perceived service on fire protection delivery. Upon completion, students should be able to manage public relations functions of organizations which meet elements of NFPA 1021 for Fire Officer I and II. (2014 FA)

**FIP-276 Managing Fire Services 3 (3-0) S**  
**Prerequisites: None**  
**Corequisites: None**

This course provides an overview of fire department operative services referenced in NFPA standard 1021. Topics include finance, staffing, equipment, code enforcement, management information, specialized services, legal issues, planning, and other related topics. Upon completion, students should be able to understand concepts and apply fire department management and operations principles. (2014 FA)

### HEA Health

<b>HEA-112</b>	<b>First Aid &amp; CPR</b>	<b>2 (1-2)</b>	<b>FS SS</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		

This course introduces the basics of emergency first aid treatment. Topics include rescue breathing, CPR, first aid for choking and bleeding, and other first aid procedures. Upon completion, students should be able to demonstrate skills in providing emergency care for the sick and injured until medical help can be obtained. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Premajor and/or Elective course for A.A. and A.S.*

### HFS Health and Fitness Science

<b>HFS-110</b>	<b>Exercise Science</b>	<b>4 (4-0)</b>	<b>FS</b>
<b>Prerequisites:</b>	<b>ENG-002 or BSP-4002</b>		
<b>Corequisites:</b>	<b>None</b>		

This course is a survey of scientific principles, methodologies, and research as applied to exercise and physical adaptations to exercise. Topics include the basic elements of kinesiology, biomechanics, and motor learning. Upon completion, students should be able to identify and describe physiological responses and adaptations to exercise. (2017 FA)

<b>HFS-111</b>	<b>Fitness &amp; Exer Testing I</b>	<b>4 (3-2)</b>	<b>FS</b>
<b>Prerequisites:</b>	<b>ENG-002 or BSP-4002</b>		
<b>Corequisites:</b>	<b>None</b>		

This course introduces the student to graded exercise testing. Topics include various exercise testing protocols with methods for prescribing exercise programs based on exercise tolerance tests and the use of various equipment and protocols. Upon completion, students should be able to conduct specific exercise tests and the use of various equipment. (2017 FA)

<b>HFS-116</b>	<b>Pvnt &amp; Care Exer Injuries</b>	<b>3 (2-2)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>ENG-002 or BSP-4002</b>		
<b>Corequisites:</b>	<b>None</b>		

This course provides information about the care and prevention of exercise injuries. Topics include proper procedures, prevention techniques, and on-site care of injuries. Upon completion, students should be able to demonstrate the knowledge and skills necessary to prevent and care for exercise related injuries. (2017 FA)

<b>HFS-118</b>	<b>Fitness Facility Mgmt</b>	<b>4 (4-0)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		

This course provides information about the management and operation of health and fitness facilities and programs. Topics include human resources, sales and marketing, member retention, financial management, facility design and maintenance, and risk management. Upon completion, students should be able to demonstrate the knowledge and skills necessary to effectively manage a fitness facility. (2017 FA)

<b>HFS-120</b>	<b>Group Exer Instruction</b>	<b>3 (2-2)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>HFS-110</b>		
<b>Corequisites:</b>	<b>None</b>		
This course introduces the concepts and guidelines of instructing exercise classes. Topics include program designs, working with special populations, and principles of teaching and monitoring physical activity. Upon completion, students should be able to demonstrate basic skills in instructing an exercise class and monitoring workout intensity. <i>(2017 FA)</i>			
<b>HFS-210</b>	<b>Personal Training</b>	<b>3 (2-2)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>HFS-110, HFS-111</b>		
<b>Corequisites:</b>	<b>None</b>		
This course introduces the student to the aspects of personal (one-on-one) training. Topics include training systems, marketing, and program development. Upon completion, students should be able to demonstrate personal training techniques and competencies of same. <i>(2017 FA)</i>			
<b>HFS-212</b>	<b>Exercise Programming</b>	<b>3 (2-2)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>HFS-110</b>		
<b>Corequisites:</b>	<b>None</b>		
This course provides information about organizing, scheduling, and implementation of physical fitness programs. Topics include programming for various age groups, competitive activities and special events, and evaluating programs. Upon completion, students should be able to organize and implement exercise activities in a competent manner. <i>(2017 FA)</i>			
<b>HFS-214</b>	<b>Health and Fitness Law</b>	<b>3 (3-0)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
This course is designed to build a greater awareness and understanding of laws and legal issues encountered in the health and fitness industry. Topics include federal/state regulations, historical/current practices, risk management, torts, employment, discrimination, contracts, waivers, health/fitness screening, client confidentiality, facility safety, equipment liability, and emergency procedures. Upon completion, students should be able to demonstrate an understanding of the legal system to prevent or minimize liability in a fitness setting. <i>(2017 FA)</i>			
<b>HFS-218</b>	<b>Lifestyle Chng &amp; Wellness</b>	<b>4 (3-2)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>ENG-002 or BSP-4002</b>		
<b>Corequisites:</b>	<b>None</b>		
This course introduces health risk appraisals and their application to lifestyle changes. Topics include nutrition, weight control, stress management, and the principles of exercise. Upon completion, students should be able to conduct health risk appraisals and apply behavior modification techniques in a fitness setting. <i>(2017 FA)</i>			

**HIS-131 American History I 3 (3-0) FS SS****Prerequisites:** ENG-002 or BSP-4002**Corequisites:** None

This course is a survey of American history from pre-history through the Civil War era. Topics include the migrations to the Americas, the colonial and revolutionary periods, the development of the Republic, and the Civil War. Upon completion, students should be able to analyze significant political, socioeconomic, and cultural developments in early American history. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- UGETC course for A.A., A.A. Teacher Preparation, A.E., A.F.A., A.S., and A.S. Teacher Preparation
- Social/Behavioral Science Gen. Ed. course for A.A.S. and A.G.E.

**HIS-132 American History II 3 (3-0) FS SS****Prerequisites:** ENG-002 or BSP-4002**Corequisites:** None

This course is a survey of American history from the Civil War era to the present. Topics include industrialization, immigration, the Great Depression, the major American wars, the Cold War, and social conflict. Upon completion, students should be able to analyze significant political, socioeconomic, and cultural developments in American history since the Civil War. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- UGETC course for A.A., A.A. Teacher Preparation, A.E., A.F.A., A.S., and A.S. Teacher Preparation
- Social/Behavioral Science Gen. Ed. course for A.A.S. and A.G.E.

**HIS-151 Hispanic Civilization 3 (3-0) F****Prerequisite:** ENG-002 or BSP-4002**Corequisites:** None

This course surveys the cultural history of Spain and its impact on the New World. Topics include Spanish and Latin American culture, literature, religion, and the arts. Upon completion, students should be able to analyze the cultural history of Spain and Latin America. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- Premajor and/or Elective course for A.A. and A.S.
- Social/Behavioral Science Gen. Ed. course for A.A.S. and A.G.E.

**HIS-221 African-American History 3 (3-0) S****Prerequisite:** ENG-002 or BSP-4002**Corequisites:** None

This course covers African-American history from the Colonial period to the present. Topics include African origins, the slave trade, the Civil War, Reconstruction, the Jim Crow era, the civil rights movement, and contributions of African Americans. Upon completion, students should be able to analyze significant political, socioeconomic, and cultural developments in the history of African Americans. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- Premajor and/or Elective course for A.A. and A.S.
- Social/Behavioral Science Gen. Ed. course for A.A.S. and A.G.E.

| <p>This course covers residential and commercial landscape design, cost analysis, and installation. Emphasis is placed on job cost estimates, installation of the landscape design, and maintenance techniques. Upon completion, students should be able to read landscape design blueprints, develop cost estimates, and implement the design. (1997 SU)</p>  |  |                |          |

---

 CURRICULUM COURSE DESCRIPTIONS
 

---

**HOR-215 Landscape Irrigation 3 (2-2) S**  
**Prerequisites:** HOR-160, LSG-111, TRF-110; MAT-110, MAT-121, MAT-143, MAT-152 or MAT-171

**Corequisites:** None

This course introduces basic irrigation design, layout, and installation. Topics include site analysis, components of irrigation systems, safety, types of irrigation systems, and installation techniques. Upon completion, students should be able to design and install basic landscape irrigation systems. (1997 SU)

**HOR-225 Nursery Production 3 (2-2) S**  
**Prerequisites:** HOR-161 and HOR-168

**Corequisites:** None

This course covers all aspects of nursery crop production. Emphasis is placed on field production and covers soils, nutrition, irrigation, pest control, and harvesting. Upon completion, students should be able to produce a marketable nursery crop. (2009 SP)

**HOR-235 Greenhouse Production 3 (2-2) F**  
**Prerequisites:** HOR-134

**Corequisites:** None

This course covers the production of greenhouse crops. Emphasis is placed on product selection and production based on market needs and facility availability, including record keeping. Upon completion, students should be able to select and make production schedules to successfully produce greenhouse crops. (1997 SU)

**HOR-257 Arboriculture Practices 2 (1-3) S**  
**Prerequisites:** HOR-160

**Corequisites:** None

This course covers the culture and maintenance of trees and shrubs. Topics include fertilization, pruning, approved climbing techniques, pest control, and equipment use and safety. Upon completion, students should be able to properly prune trees and shrubs and perform arboricultural practices. (2013 SU)

**HOR-265 Advanced Plant Materials 2 (1-2) SS**  
**Prerequisites:** HOR-161

**Corequisites:** None

This course covers important landscape plants. Emphasis is placed on identification, plant nomenclature, growth characteristics, cultural requirements, and landscape uses. Upon completion, students should be able to correctly select plants for specific landscape uses. (2001 FA)

### HRM Hotel and Restaurant Management

**HRM-220 Cost Control-Food & Bev 3 (3-0) S**  
**Prerequisites:** ENG-002 or BSP-4002

**Corequisites:** None

This course introduces controls and accounting procedures as applied to costs in the hospitality industry. Topics include reports, cost control, planning and forecasting, control systems, financial statements, operational efficiencies, labor controls and scheduling. Upon completion, students should be able to demonstrate an understanding of food, beverage, and labor cost control systems for operational troubleshooting and problem solving. (2011 FA)

**HRM-230 Club & Resort Management 3 (3-0) S****Prerequisites:** None**Corequisites:** None

This course introduces specific principles of managing a hospitality operation in a resort or club setting. Topics include operational efficiencies, resort and club marketing, recreational and sport activity management, and retail management. Upon completion, students should be able to demonstrate an understanding of the specialized skills involved in resort and club management. (2011 FA)

**HRM-245 Human Resource Mgmt-Hospitality 3 (3-0) S****Prerequisites:** ENG-002 or BSP-4002**Corequisites:** None

This course introduces a systematic approach to human resource management in the hospitality industry. Topics include training/development, staffing, selection, hiring, recruitment, evaluation, benefit administration, employee relations, labor regulations/laws, discipline, motivation, productivity, shift management, contract employees and organizational culture. Upon completion, students should be able to apply human resource management skills for the hospitality industry. (2011 FA)

**HRM-275 Leadership-Hospitality 3 (3-0) F****Prerequisites:** None**Corequisites:** None

This course introduces leadership traits, styles, and the roles and responsibilities of successful hospitality leaders while developing the student's personal leadership skills. Topics include formal and informal hospitality leadership; defining effective and ineffective leadership behavior; and leadership organizational change and planning within the hospitality industry. Upon completion, students will be able to apply appropriate leadership actions in real-world situations ranging from local to global hospitality environments. (2011 FA)

## HUM Humanities

**HUM-110 Technology and Society 3 (3-0) FS SS****Prerequisites:** ENG-002 or BSP-4002**Corequisites:** None

This course considers technological change from historical, artistic, and philosophical perspectives and its effect on human needs and concerns. Emphasis is placed on the causes and consequences of technological change. Upon completion, students should be able to critically evaluate the implications of technology. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- Humanities/Fine Arts Gen. Ed. course for A.A., A.A. Teacher Preparation and A.S.
- Other Gen. Ed. and Premajor Elective course for A.E.
- Humanities/Fine Arts Gen. Ed. course for A.A.S. and A.G.E.

**HUM-115 Critical Thinking 3 (3-0) FS SS****Prerequisites:** ENG-002 or BSP-4002**Corequisites:** None

This course introduces the use of critical thinking skills in the context of human conflict. Emphasis is placed on evaluating information, problem solving, approaching

---

 CURRICULUM COURSE DESCRIPTIONS
 

---

cross-cultural perspectives, and resolving controversies and dilemmas. Upon completion, students should be able to demonstrate orally and in writing the use of critical thinking skills in the analysis of appropriate texts. (2020 FA) *This course has been approved to satisfy the following requirement(s):*

- *Humanities/Fine Arts Gen. Ed. course for A.A., A.A. Teacher Preparation and A.S.*
- *Humanities/Fine Arts Gen. Ed. course for A.A.S. and A.G.E.*

**HUM-120 Cultural Studies 3 (3-0) AND**

**Prerequisites: None**

**Corequisites: None**

This course introduces the distinctive features of a particular culture. Topics include art, history, music, literature, politics, philosophy, and religion. Upon completion, students should be able to appreciate the unique character of the study culture. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Humanities/Fine Arts Gen. Ed. course for A.A., A.A. Teacher Preparation and A.S.*
- *Humanities/Fine Arts Gen. Ed. course for A.A.S. and A.G.E.*

**HUM-122 Southern Culture 3 (3-0) FS SS**

**Prerequisites: ENG-002 or BSP-4002**

**Corequisites: None**

This course explores the major qualities that make the South a distinct region. Topics include music, politics, literature, art, religion, race relations, and the role of social class in historical and contemporary contexts. Upon completion, students should be able to identify the characteristics that distinguish Southern culture. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Humanities/Fine Arts Gen. Ed. course for A.A., A.A. Teacher Preparation and A.S.*
- *Humanities/Fine Arts Gen. Ed. course for A.A.S. and A.G.E.*

**HUM-130 Myth in Human Culture 3 (3-0) FS SS**

**Prerequisites: ENG-002 or BSP-4002**

**Corequisites: None**

This course provides an in-depth study of myths and legends. Topics include the varied sources of myths and their influence on the individual and society within diverse cultural contexts. Upon completion, students should be able to demonstrate a general familiarity with myths and a broad-based understanding of the influence of myths and legends on modern culture. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Humanities/Fine Arts Gen. Ed. course for A.A., A.A. Teacher Preparation and A.S.*
- *Humanities/Fine Arts Gen. Ed. course for A.A.S. and A.G.E.*

**HUM-150 American Womens Studies 3 (3-0) AND**

**Prerequisites: ENG-002 or BSP-4002**

**Corequisites: None**

This course provides an inter-disciplinary study of the history, literature, and social roles of American women from colonial times to the present. Emphasis is placed on women's roles as reflected in American language usage, education, law, the workplace, and mainstream culture. Upon completion, students should be able to identify and

analyze the roles of women as reflected in various cultural forms. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Humanities/Fine Arts Gen. Ed. course for A.A., A.A. Teacher Preparation and A.S.*
- *Humanities/Fine Arts Gen. Ed. course for A.A.S. and A.G.E.*

**HUM-160 Introduction to Film 3 (2-2) FS SS**

**Prerequisites:** ENG-111

**Corequisites:** None

This course introduces the fundamental elements of film artistry and production. Topics include film styles, history, and production techniques, as well as the social values reflected in film art. Upon completion, students should be able to critically analyze the elements covered in relation to selected films. A major emphasis of the course will be discussions and reports that analyze plot and conflict, narrative styles, character development, and theme. (1999 FA) *This course has been approved to satisfy the following requirement(s):*

- *Humanities/Fine Arts Gen. Ed. course for A.A., A.A. Teacher Preparation and A.S.*
- *Humanities/Fine Arts Gen. Ed. course for A.A.S. and A.G.E.*

**HUM-161 Advanced Film Studies 3 (2-2) AND**

**Prerequisites:** HUM-160

**Corequisites:** None

This course provides an advanced study of film art and production, building on skills learned in HUM-160. Topics include advanced film production techniques, film genres, examination of master directors' styles, and the relation of film to culture. Upon completion, students should be able to recognize and critically analyze advanced elements of film production. (2002 SP) *This course has been approved to satisfy the following requirement(s):*

- *Humanities/Fine Arts Gen. Ed. course for A.A., A.A. Teacher Preparation and A.S.*
- *Humanities/Fine Arts Gen. Ed. course for A.A.S. and A.G.E.*

**HUM-170 The Holocaust 3 (3-0) F**

**Prerequisites:** ENG-002 or BSP-4002

**Corequisites:** None

This course provides a survey of the destruction of European Jewry by the Nazis during World War II. Topics include the anti-Semitic ideology, bureaucratic structures, and varying conditions of European occupation and domination under the Third Reich. Upon completion, students should be able to demonstrate an understanding of the historical, social, religious, political, and economic factors which cumulatively resulted in the Holocaust. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Premajor and/or Elective course for A.A. and A.S.*
- *Humanities/Fine Arts Gen. Ed. course for A.A.S. and A.G.E.*

**HUM-180 Internat Cultural Explor 3 (2-3) AND**

**Prerequisites:** None

**Corequisites:** None

This course provides a framework for students to visit, examine, and analyze a country/region outside the United States to learn about the place and people. Emphasis

ethical responsibilities of leadership. Upon completion, students should be able to identify and analyze a personal philosophy and style of leadership and integrate these concepts in various practical situations. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Premajor and/or Elective course for A.A. and A.S.*
- *Humanities/Fine Arts Gen. Ed. course for A.A.S. and A.G.E.*

### LDD Light Duty Diesel

**LDD-112 Intro Light-Duty Diesel 3 (2-2) AND**

**Prerequisites: None**

**Corequisites: None**

This course covers the history, evolution, basic design and operational parameters for light-duty diesel (LDD) engines used in on-road applications. Topics include familiarization with the light-duty diesel, safety procedures, engine service and maintenance procedures, and introduction to combustion and emission chemistry. Upon completion, students should be able to describe the design and operation of the LDD, perform basic service operations, and demonstrate proper safety procedures. (2013 FA)

**LDD-181 Ldd Fuel Systems 4 (2-6) AND**

**Prerequisites: None**

**Corequisites: None**

This course covers the light-duty diesel fuel delivery systems in on-road applications including hydraulic electronically controlled unit injectors, common-rail, mechanical pumps, and emerging technologies. Topics include diesel combustion theory, fuel system components, electronic and mechanical controls, and fuel types and chemistries that are common to the light-duty diesel engines. Upon completion, students should be able to demonstrate skills necessary to inspect, test, and replace fuel delivery components using appropriate service information and tools. (2013 FA)

### LSG Landscape Gardening

*Admission to the Landscape Gardening or Turfgrass Management Program is required before enrolling in LSG-121.*

**LSG-111 Basic Landscape Technique 2 (2-0) F**

**Prerequisites: None**

**Corequisites: None**

This course introduces basic principles essential to landscape gardening. Topics include soils, propagation, watering, fertilizing, pruning, pest control, and planting. Upon completion, students should be able to perform sustainable gardening techniques essential to maintaining a sustainable landscape. (2013 FA)

**LSG-121 Fall Gardening Lab 2 (0-6) F**

**Prerequisites: None**

**Corequisites: LSG-111**

This course provides basic hands-on experience in fall gardening techniques. Emphasis is placed on pruning, irrigation, planting, fertilizing, pest control, equipment operation, and turf maintenance. Upon completion, students should be able to perform various techniques essential to maintaining the fall landscape. (2001 FA)

---

 CURRICULUM COURSE DESCRIPTIONS
 

---

<b>LSG-122</b>	<b>Spring Gardening Lab</b>	<b>2 (0-6)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>LSG-121</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course provides familiarization with basic gardening techniques by performing practical hands-on exercises required for the spring season. Emphasis is placed on pruning, irrigation, planting, fertilizing, pest control, equipment operation, turf maintenance, and landscape construction. Upon completion, students should be able to satisfactorily perform various practices essential to maintaining the landscape in the spring season. (2001 FA)</p>			
<b>LSG-123</b>	<b>Summer Gardening Lab</b>	<b>2 (0-6)</b>	<b>SS</b>
<b>Prerequisites:</b>	<b>LSG-122</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course provides basic hands-on experience in summer gardening techniques. Emphasis is placed on pruning, irrigation, planting, fertilizing, pest control, equipment operation, turf maintenance, landscape construction, and maintaining fruits and vegetables. Upon completion, students should be able to perform various techniques essential to maintaining the summer landscape. (2001 FA)</p>			
<b>LSG-231</b>	<b>Landscape Supervision</b>	<b>4 (2-6)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>LSG-123 and HOR-161</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course provides experience in planning, implementing, and supervising various landscape management projects. Emphasis is placed on supervisory skills, organizing, and scheduling. Upon completion, students should be able to supervise employees in various landscape management jobs. (2014 FA)</p>			
<b>LSG-244</b>	<b>Advanced Issues/LSG</b>	<b>2 (2-0)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course covers advanced topics and issues in landscape gardening. Emphasis is placed on current issues, emerging technology, professional growth experiences, and other related topics. Upon completion, students should be able to demonstrate an understanding of advanced topics and critically analyze issues in landscape gardening. (2008 SP)</p>			

## MAT Mathematics

*Initial student placement in foundation courses is based on individual college placement policies and procedures. Students should begin foundation course work at the appropriate level indicated by that college's placement.*

<b>MAT-003</b>	<b>Transition Math</b>	<b>3 (0-6)</b>	<b>FS SS</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>ACA-090</b>		
<p>This course provides an opportunity to customize foundational math content in specific math areas and will include developing a growth mindset. Topics include developing the academic habits, learning strategies, social skills, and growth mindset necessary to be successful in mathematics. Upon completion, students should be able to build a stronger foundation for success in their gateway level math courses by obtaining skills</p>			

through a variety of instructional strategies with emphasis placed on the most essential prerequisite knowledge. (2018 FA)

**MAT-010      Math Measurement & Literacy Support      1 (0-2)      F**

**Prerequisites:**    None

**Corequisites:**    MAT-110

This course provides an opportunity to customize foundational math content specific to Math Measurement & Literacy. Topics include developing the academic habits, learning strategies, social skills, and growth mindset necessary to be successful in mathematics. Upon completion, students should be able to build a stronger foundation for success in Math Measurement & Literacy by obtaining skills through a variety of instructional strategies with emphasis placed on the most essential prerequisite knowledge. (2018 FA)

**MAT-021      Algebra/Trigonometry I Support      2 (1-2)      S SS**

**Prerequisites:**    None

**Corequisites:**    MAT-121

This course provides an opportunity to customize foundational math content specific to Algebra and Trigonometry I. Topics include developing the academic habits, learning strategies, social skills, and growth mindset necessary to be successful in mathematics. Upon completion, students should be able to build a stronger foundation for success in Algebra/Trigonometry I by obtaining skills through a variety of instructional strategies with emphasis placed on the most essential prerequisite knowledge. (2018 FA)

**MAT-043      Quantitative Literacy Support      2 (1-2)      FS SS**

**Prerequisites:**    None

**Corequisites:**    MAT-143

This course provides an opportunity to customize foundational math content specific to Quantitative Literacy. Topics include developing the academic habits, learning strategies, social skills, and growth mindset necessary to be successful in mathematics. Upon completion, students should be able to build a stronger foundation for success in Quantitative Literacy by obtaining skills through a variety of instructional strategies with emphasis placed on the most essential prerequisite knowledge. (2018 FA)

**MAT-052      Statistical Methods I Support      2 (1-2)      FS**

**Prerequisites:**    None

**Corequisites:**    MAT-152

This course provides an opportunity to customize foundational math content specific to Statistical Methods I. Topics include developing the academic habits, learning strategies, social skills, and growth mindset necessary to be successful in mathematics. Upon completion, students should be able to build a stronger foundation for success in Statistical Methods I by obtaining skills through a variety of instructional strategies with emphasis placed on the most essential prerequisite knowledge. (2018 FA)

**MAT-071      Precalculus Algebra Support      2 (0-4)      FS**

**Prerequisites:**    None

**Corequisites :**    MAT-171

This course provides an opportunity to customize foundational math content specific to Precalculus Algebra. Topics include developing the academic habits, learning strategies, social skills, and growth mindset necessary to be successful in mathematics.

**MAT-152 Statistical Methods I 4 (3-2) FS SS****Prerequisites:** MAT-003 or BSP-4003; ENG-002 or BSP-4002**Corequisites:** MAT-052

This course provides a project-based approach to introductory statistics with an emphasis on using real-world data and statistical literacy. Topics include descriptive statistics, correlation and regression, basic probability, discrete and continuous probability distributions, confidence intervals and hypothesis testing. Upon completion, students should be able to use appropriate technology to describe important characteristics of a data set, draw inferences about a population from sample data, and interpret and communicate results. (2020 FA) *This course has been approved to satisfy the following requirement(s):*

- UGETC course for A.A., A.A. Teacher Preparation and A.F.A. (visual arts and theatre)
- Mathematics Gen. Ed. course for A.S. and A.S. Teacher Preparation
- Mathematics Gen. Ed. course for A.A.S. and A.G.E.

**MAT-171 Precalculus Algebra 4 (3-2) FS SS****Prerequisites:** MAT-003, minimum grade P2, BSP-4003, minimum grade P2, or MAT-121, minimum grade C**Corequisites:** MAT-071

This course is designed to develop topics which are fundamental to the study of Calculus. Emphasis is placed on solving equations and inequalities, solving systems of equations and inequalities, and analysis of functions (absolute value, radical, polynomial, rational, exponential, and logarithmic) in multiple representations. Upon completion, students should be able to select and use appropriate models and techniques for finding solutions to algebra-related problems with and without technology. (2020 FA) *This course has been approved to satisfy the following requirement(s):*

- UGETC course for A.A., A.A. Teacher Preparation, A.F.A. (visual arts and theatre), A.S. and A.S. Teacher Preparation
- Mathematics Gen. Ed. course for A.A.S. and A.G.E.

**MAT-172 Precalculus Trigonometry 4 (3-2) FS SS****Prerequisites:** MAT-171, minimum grade C**Corequisites:** None

This course is designed to develop an understanding of topics which are fundamental to the study of Calculus. Emphasis is placed on the analysis of trigonometric functions in multiple representations, right and oblique triangles, vectors, polar coordinates, conic sections, and parametric equations. Upon completion, students should be able to select and use appropriate models and techniques for finding solutions to trigonometry-related problems with and without technology. (2014 FA) *This course has been approved to satisfy the following requirement(s):*

- UGETC course for A.S. and A.S. Teacher Preparation
- Mathematics Gen. Ed. course for A.A. and A.A. Teacher Preparation

**MAT-263 Brief Calculus 4 (3-2) FS SS****Prerequisites:** MAT-171, minimum grade C**Corequisites:** None

This course is designed to introduce concepts of differentiation and integration and their applications to solving problems. Topics include graphing, differentiation, and

<b>MLT-120</b>	<b>Hematology/Hemostasis I</b>	<b>4 (3-3-0)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
This course introduces the theory and technology used in analyzing blood cells and the study of hemostasis. Topics include hematology, hemostasis, and related laboratory testing. Upon completion, students should be able to demonstrate theoretical comprehension of hematology/hemostasis, perform diagnostic techniques, and correlate laboratory findings with disorders. <i>(1997 SU)</i>			
<b>MLT-126</b>	<b>Immunology and Serology</b>	<b>2 (1-2-0)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
This course introduces the immune system and response and basic concepts of antigens, antibodies, and their reactions. Emphasis is placed on basic principles of immunologic and serodiagnostic techniques and concepts of cellular and humoral immunity in health and disease. Upon completion, students should be able to demonstrate theoretical comprehension and application in performing and interpreting routine immunologic and serodiagnostic procedures. <i>(1997 SU)</i>			
<b>MLT-127</b>	<b>Transfusion Medicine</b>	<b>3 (2-3-0)</b>	<b>SS</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
This course introduces the blood group systems and their applications in transfusion medicine. Emphasis is placed on blood bank techniques including blood grouping and typing, pretransfusion testing, donor selection and processing, and blood component preparation and therapy. Upon completion, students should be able to demonstrate theoretical comprehension and application in performing/interpreting routine blood bank procedures and recognizing/resolving common problems. <i>(1997 SU)</i>			
<b>MLT-130</b>	<b>Clinical Chemistry I</b>	<b>4 (3-3-0)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
This course introduces the Quantitative Literacy of blood and body fluids and their variations in health and disease. Topics include clinical biochemistry, methodologies, instrumentation, and quality control. Upon completion, students should be able to demonstrate theoretical comprehension of clinical chemistry, perform diagnostic techniques, and correlate laboratory findings with disorders. <i>(1997 SU)</i>			
<b>MLT-140</b>	<b>Intro to Microbiology</b>	<b>3 (2-3-0)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
This course introduces basic techniques and safety procedures in clinical microbiology. Emphasis is placed on the morphology and identification of common pathogenic organisms, aseptic technique, staining techniques, and usage of common media. Upon completion, students should be able to demonstrate theoretical comprehension in performing and interpreting basic clinical microbiology procedures. <i>(1997 SU)</i>

---

<b>MLT-215</b>	<b>Professional Issues</b>	<b>1 (1-0-0)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course surveys professional issues in preparation for career entry. Emphasis is placed on work readiness and theoretical concepts in microbiology, immunohematology, hematology, and clinical chemistry. Upon completion, students should be able to demonstrate competence in career entry-level areas and be prepared for the national certification examination. (1997 SU)</p>			
<b>MLT-220</b>	<b>Hematology/Hemostasis II</b>	<b>3 (2-3-0)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course covers the theories and techniques used in the advanced analysis of human blood cells and hemostasis. Emphasis is placed on the study of hematologic disorders, abnormal cell development and morphology, and related testing. Upon completion, students should be able to demonstrate a theoretical comprehension and application of abnormal hematology and normal and abnormal hemostasis. (1997 SU)</p>			
<b>MLT-240</b>	<b>Special Clin Microbiology</b>	<b>3 (2-3-0)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>MLT-140</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course is designed to introduce special techniques in clinical microbiology. Emphasis is placed on advanced areas in microbiology. Upon completion, students should be able to demonstrate theoretical comprehension in performing and interpreting specialized clinical microbiology procedures. (1997 SU)</p>			
<b>MLT-251</b>	<b>MLT Practicum I</b>	<b>1 (0-0-3)</b>	<b>FS</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course provides entry-level clinical laboratory experience. Emphasis is placed on technique, accuracy, and precision. Upon completion, students should be able to demonstrate entry-level competence on final clinical evaluations. (1997 SU)</p>			
<b>MLT-253</b>	<b>MLT Practicum I</b>	<b>3 (0-0-9)</b>	<b>FS</b>
<b>Prerequisites:</b>	<b>None</b>

<b>Corequisites:</b>	<b>None</b>		
This course provides entry-level clinical laboratory experience. Emphasis is placed on technique, accuracy, and precision. Upon completion, students should be able to demonstrate entry-level competence on final clinical evaluations. (1997 SU)			

### **MTH Therapeutic Massage**

*Admission to the Therapeutic Massage program is required before enrolling in MTH courses.*

<b>MTH-110</b>	<b>Fundamentals of Massage</b>	<b>10 (6-9-3)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>BIO-163 or BIO-168</b>		
This course introduces concepts basic to the role of the massage therapist in a variety of clinical settings. Emphasis is placed on beginning theory and techniques of body work as well as skill in therapeutic touch. Upon completion of the course, the student should be able to apply basic practical massage therapy skills. (2008 SP)			
<b>MTH-120</b>	<b>Ther Massage Applications</b>	<b>10 (6-9-3)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>BIO-163 or BIO-168, MTH-110</b>		
<b>Corequisites:</b>	<b>BIO-169 (unless student completed BIO-163), ENG-111</b>		
This course provides an expanded knowledge and skill base for the massage therapist in a variety of clinical settings. Emphasis is placed on selected therapeutic approaches throughout the lifespan. Upon completion, students should be able to perform entry level therapeutic massage on various populations. (2008 SP)			
<b>MTH-125</b>	<b>Ethics of Massage</b>	<b>2 (2-0)</b>	<b>SS</b>
<b>Prerequisites:</b>	<b>MTH-110</b>		
<b>Corequisites:</b>	<b>MTH-130</b>		
This course is designed to explore issues related to the practice of massage therapy. Emphasis is placed on ethical, legal, professional, and political issues. Upon completion, students should be able to discuss issues relating to the practice of massage therapy, client/therapist relationships as well as ethical issues. (2005 FA)			

---

 CURRICULUM COURSE DESCRIPTIONS
 

---

**MTH-130 Therapeutic Massage Mgmt 2 (2-0) SS**  
**Prerequisites: MTH-110**  
**Corequisites: MTH-125**

This course introduces the basic responsibilities in the development of a professional massage practice. Emphasis is placed on identifying successful practice management methods such as selecting a business structure, negotiating a contract/lease, developing a business/marketing plan, designing a massage space, differentiating spa from clinical practice, management of client/financial records and physician referral. Upon completion, students should be able to demonstrate the knowledge and skills necessary to develop and manage a massage therapy practice. (2012 FA)

**MTH 210 Adv Skills of Massage 8 (4-9-3) F**  
**Prerequisites: MTH-120**  
**Corequisites: None**

This course provides knowledge and skills in diverse body work modalities in a variety of clinical settings. Emphasis is placed on selected techniques such as Neuromuscular Therapy, Sports Massage, Soft Tissue Release, Spa Approaches, Oriental Therapies, and energy techniques. Upon completion, students should be able to perform basic skills in techniques covered. (2008 SP)

**MTH 220 Outcome-Based Massage 7 (4-6-3) S**  
**Prerequisites: MTH-120**  
**Corequisites: WBL-111**

This course provides knowledge and skills in more complex body works modalities in a variety of clinical settings. Emphasis is placed on developing advanced skills in outcome-based Massage. Upon completion, students should be able to perform basic skills in techniques covered. (2008 SP)

## MUS Music

*Students who wish to enroll in the Associate in Fine Arts in Music (A10700) program must demonstrate the appropriate level of vocal or instrument proficiency. Non-music majors may be allowed to enroll in music theory and performance classes only after demonstrating the appropriate level of proficiency prior to registering for MUS-121, 131, 133, 135, 137, 141, and 161. Students with little or no music background should enroll in MUS-111 and MUS-151.*

**MUS-110 Music Appreciation 3 (3-0) FS SS**  
**Prerequisites: None**  
**Corequisites: None**

This course is a basic survey of the music of the Western world. Emphasis is placed on the elements of music, terminology, composers, form, and style within a historical perspective. Upon completion, students should be able to demonstrate skills in basic listening and understanding of the art of music. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- UGETC course for A.A., A.A. Teacher Preparation, A.E., A.F.A., A.S. and A.S. Teacher Preparation
- Humanities/Fine Arts Gen. Ed. course for A.A.S. and A.G.E.

---

 CURRICULUM COURSE DESCRIPTIONS
 

---

- *Premajor and/or Elective course for A.A. and A.S.*

**MUS-138      Orchestra II      1 (0-2)      FS**

**Prerequisites:** MUS-137

**Corequisites:** None

This course is a continuation of MUS-137. Emphasis is placed on orchestral techniques and the study and performance of a variety of styles and periods of orchestral and string ensemble literature. Upon completion, students should be able to demonstrate skills needed to participate in ensemble playing leading to performance. (1997 SU) *This course has been approved to satisfy the following requirements:*

- *Premajor and/or Elective course for A.A. and A.S.*

**MUS-141      Ensemble I      1 (0-2)      FS**

**Prerequisites:** None

**Corequisites:** None

This course provides an opportunity to perform in any combination of instrumental, vocal, or keyboard groups of two or more. Emphasis is placed on the development of performance skills and the study of a variety of styles and periods of ensemble literature. Upon completion, students should be able to demonstrate skills needed to participate in ensemble playing leading to performance. (1997 SU) *This course has been approved to satisfy the following requirements:*

- *Premajor and/or Elective course for A.A. and A.S.*

**MUS-142      Ensemble II      1 (0-2)      FS**

**Prerequisites:** MUS-141

**Corequisites:** None

This course is a continuation of MUS-141. Emphasis is placed on the development of performance skills and the study of a variety of styles and periods of ensemble literature. Upon completion, students should be able to demonstrate skills needed to participate in ensemble playing leading to performance. (1997 SU) *This course has been approved to satisfy the following requirements:*

- *Premajor and/or Elective course for A.A. and A.S.*

**MUS-151      Class Music I      1 (0-2)      FS**

**Prerequisites:** None

**Corequisites:** None

This course provides group instruction in skills and techniques of the particular instrument or voice for those with little or no previous experience. Emphasis is placed on techniques and styles and the exploration and study of appropriate literature. Upon completion, students should be able to demonstrate proficiency in the studied skills and repertoire through performance. The following letter suffixes designate a specific instrument or voice: A-Voice, B-Piano, D-Flute, E-Oboe/Bassoon, F-Clarinet, G-Saxophone, H-Trumpet, J-French Horn, K-Trombone, M-Violin, N-Viola, P-Cello, R-Double Bass, S-Percussion, T-Guitar, U-Bass Guitar, V-Baritone/Tuba. (1997 SU) *This course has been approved to satisfy the following requirements:*

- *Premajor and/or Elective course for A.A. and A.S.*

---

 CURRICULUM COURSE DESCRIPTIONS
 

---

- *Humanities/Fine Arts Gen. Ed. course for A.A.S. and A.G.E.*

**MUS-221 Music Theory III 3 (3-0) F**  
**Prerequisites:** MUS-122  
**Corequisites:** MUS-225

This course provides a comprehensive study of chromatic harmony. Emphasis is placed on advanced voice leading tasks, part writing, and analysis of chord progressions, modulations, and large-scale forms. Upon completion, students should be able to identify, notate, and analyze an array of chromatic chords, recognize the function and movement of chromatic harmonies, identify modulatory procedures, analyze formal structures including, but not limited to, binary, ternary, sonata, and rondo. (2018 FA) *This course has been approved to satisfy the following requirements:*

- *Premajor and/or Elective course for A.A. and A.S.*

**MUS-222 Music Theory IV 3 (3-0) S**  
**Prerequisites:** MUS-221  
**Corequisites:** MUS-226

This course provides an advanced study of chromatic harmony, scale systems, and an introduction to twentieth-century music. Emphasis is placed on advanced part writing and analysis of chromatic harmony and basic twentieth-century compositional and analytical techniques. Upon completion, students should be able to analyze complex chord progressions, advanced modulations, and elemental serial procedures; build an array of synthetic scales; and identify characteristics of twentieth-century topics including, but not limited to, atonality, serialism, minimalism, indeterminacy, and electronic music. (2018 FA) *This course has been approved to satisfy the following requirements:*

- *Premajor and/or Elective course for A.A. and A.S.*

**MUS-225 Aural Skills III 1 (0-2) F**  
**Prerequisites:** MUS-126  
**Corequisites:** MUS 221

This course provides advanced aural skills training in diatonicism and basic aural skills training in chromaticism. Emphasis is placed on the development of sight singing and ear training skills in complex rhythmic patterns, diatonic melodies and harmonies, and basic chromaticism. Upon completion, students should be able to utilize any solmization system while sight singing diatonic melodies with functional and non-functional chromaticism, fluently read music in multiple clefs in addition to treble and bass, identify modulations, perform complex rhythmic patterns in various meters, and dictate tonal melodies and harmonies including chromaticism. (2018 FA) *This course has been approved to satisfy the following requirements:*

- *Premajor and/or Elective course for A.A. and A.S.*

**MUS-226 Aural Skills IV 1 (0-2) S**  
**Prerequisites:** MUS-225  
**Corequisites:** MUS 222

This course provides advanced aural skills training in diatonicism and chromaticism. Emphasis is placed on the development of sight singing and ear training skills in chromatic melodies, chromatic harmonies, and complex rhythmic patterns. Upon completion, students should be able to utilize any solmization system while sight singing melodies containing significant chromaticism; fluently read music in multiple clefs, including treble, bass, alto, and tenor; perform and dictate rhythmic patterns in

participate in ensemble playing leading to performance. (1997 SU) This course has been approved to satisfy the following requirements:

- Premajor and/or Elective course for A.A. and A.S.

**MUS-236 Jazz Ensemble IV 1 (0-2) FS**

**Prerequisites:** MUS-235

**Corequisites:** None

This course is a continuation of MUS-235. Emphasis is placed on jazz ensemble techniques and the study and performance of a variety of styles and periods of jazz literature. Upon completion, students should be able to demonstrate skills needed to participate in ensemble playing leading to performance. (1997 SU) This course has been approved to satisfy the following requirements:

- Premajor and/or Elective course for A.A. and A.S.

**MUS-237 Orchestra III 1 (0-2) FS**

**Prerequisites:** MUS-138

**Corequisites:** None

This course is a continuation of MUS-138. Emphasis is placed on orchestral techniques and the study and performance of a variety of styles and periods of orchestral and string ensemble literature. Upon completion, students should be able to demonstrate skills needed to participate in ensemble playing leading to performance. (1997 SU) This course has been approved to satisfy the following requirements:

- Premajor and/or Elective course for A.A. and A.S.

**MUS-238 Orchestra IV 1 (0-2) FS**

**Prerequisites:** MUS-237

**Corequisites:** None

This course is a continuation of MUS-237. Emphasis is placed on orchestral techniques and the study and performance of a variety of styles and periods of orchestral and string ensemble literature. Upon completion, students should be able to demonstrate skills needed to participate in ensemble playing leading to performance. (1997 SU) This course has been approved to satisfy the following requirements:

- Premajor and/or Elective course for A.A. and A.S.

**MUS-241 Ensemble III 1 (0-2) FS**

**Prerequisites:** MUS-142

**Corequisites:** None

This course is a continuation of MUS-142. Emphasis is placed on the development of performance skills and the study of a variety of styles and periods of ensemble literature. Upon completion, students should be able to demonstrate skills needed to participate in ensemble playing leading to performance. (1997 SU) This course has been approved to satisfy the following requirements:

- Premajor and/or Elective course for A.A. and A.S.

**MUS-242 Ensemble IV 1 (0-2) FS**

**Prerequisites:** MUS-241

**Corequisites:** None

This course is a continuation of MUS-241. Emphasis is placed on the development of performance skills and the study of styles of ensemble literature. Upon completion, students should be able to demonstrate skills needed to participate in ensemble playing

 CURRICULUM COURSE DESCRIPTIONS
 

---

French Horn, K-Trombone, M-Violin, N-Viola, P-Cello, R-Double Bass, S-Percussion, T-Guitar, U-Bass Guitar, V-Baritone/Tuba. (1999 FA) *This course has been approved to satisfy the following requirements:*

- *Premajor and/or Elective course for A.A. and A.S.*

**MUS-271 Music History I 3 (3-0) F**  
**Prerequisites:** MUS-122  
**Corequisites:** None

This course is the first of a two-semester, in-depth study of music history. Emphasis is placed on the history and literature of music from Antiquity through the Baroque Period. Upon completion, students should be able to trace important musical developments and demonstrate an understanding of the composers' styles. (1997 SU) *This course has been approved to satisfy the following requirements:*

- *Premajor and/or Elective course for A.A. and A.S.*

**MUS-272 Music History II 3 (3-0) S**  
**Prerequisites:** MUS-271  
**Corequisites:** None

This course is the second of a two-semester, in-depth study of music history. Emphasis is placed on the history and literature of music from the Classical Period to the present. Upon completion, students should be able to trace important musical developments and demonstrate an understanding of the composers' styles. (1997 SU) *This course has been approved to satisfy the following requirements:*

- *Premajor and/or Elective course for A.A. and A.S.*

### NAS Nursing Assistant

*Admission to the Nurse Aide Program is required before enrolling in NAS courses.*

**NAS-101 Nurse Aide I 6 (3-4-3) FS**  
**Prerequisites:** ENG-002 or BSP-4002  
**Corequisites:** None

This course includes basic nursing skills required to provide safe, competent personal care for individuals. Emphasis is placed on person-centered care, the aging process, communication, safety/emergencies, infection prevention, legal and ethical issues, vital signs, height and weight measurements, elimination, nutrition, basic restorative care/rehabilitation, dementia, mental health and end-of-life care. Upon completion, students should be able to demonstrate knowledge and skills and be eligible to test for listing on the North Carolina Nurse Aide I Registry. (2015 SP) *This is a certificate-level course.*

**NAS-102 Nurse Aide II 6 (3-2-6) FS**  
**Prerequisites:** NAS-101; ENG-002 or BSP-4002  
**Corequisites:** None

This course provides training in Nurse Aide II tasks. Emphasis is placed on the role of the Nurse Aide II, sterile technique and specific tasks such as urinary catheterization, wound care, respiratory procedures, ostomy care, peripheral IV assistive activities, and alternative feeding methods. Upon completion, students should be able to demonstrate knowledge and skills and safe performance of skills necessary to be eligible for listing

 CURRICULUM COURSE DESCRIPTIONS
 

---

Linux file system and access permissions, GNOME Interface, VI editor, X Window System expression pattern matching, I/O redirection, network and printing utilities. Upon completion, students should be able to customize and use Linux systems for command line requirements and desktop productivity roles. (2016 FA)

**NOS-130 Windows Single User 3 (2-2) FS SS**

**Prerequisites:** None

**Corequisites:** None

This course introduces operating system concepts for single-user systems. Topics include hardware management, file and memory management, system configuration/optimization, and utilities. Upon completion, students should be able to perform operating systems functions at the support level in a single-user environment. (2016 FA)

**NOS-230 Windows Administration I 3 (2-2) S**

**Prerequisites:** None

**Corequisites:** None

This course covers the installation and configuration of a Windows Server operating system. Emphasis is placed on the basic configuration of core network services, Active Directory and group policies. Upon completion, students should be able to install and configure a Windows Server operating system. (2014 FA)

## NUR Nursing

*Admission to the Associate Degree Nursing program is required before enrolling in NUR-111.*

**NUR-111 Intro to Health Concepts 8 (4-6-6) F**

**Prerequisites:** ENG-002 w/P2, BSP-4002 W/P2, or ENG-011; MAT-003 W/P2, BSP-4003 w/P2, MAT-021, MAT-043, MAT-052, or MAT-071

**Corequisites:** BIO-168, PSY-150, ENG-111

This course introduces the concepts within the three domains of the individual, healthcare, and nursing. Emphasis is placed on the concepts within each domain including medication administration, assessment, nutrition, ethics, interdisciplinary teams, informatics, evidence-based practice, individual-centered care, and quality improvement. Upon completion, students should be able to provide safe nursing care incorporating the concepts identified in this course. (2009 FA)

**NUR-112 Health-Illness Concepts 5 (3-0-6) S**

**Prerequisites:** NUR-111; BIO-168, PSY-150, ENG-111; all min. grade C

**Corequisites:** BIO-169, ENG-112 or ENG-114

This course is designed to further develop the concepts within the three domains of the individual, healthcare, and nursing. Emphasis is placed on the concepts of acid-base, metabolism, cellular regulation, oxygenation, infection, stress/coping, health-wellness-illness, communication, caring interventions, managing care, safety, quality improvement, and informatics. Upon completion, students should be able to provide safe nursing care incorporating the concepts identified in this course. (2009 FA)

 CURRICULUM COURSE DESCRIPTIONS
 

---

<b>NUR-213</b>	<b>Complex Health Concepts</b>	<b>10 (4-3-15)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>NUR-111, NUR-112, NUR-113, NUR-114, NUR-211, NUR-212, BIO-168, BIO-169, PSY-150, PSY, 241, ENG-111, ENG-112 or ENG-114, BIO-275, SOC-210; all min. grade C</b>		
<b>Corequisites:</b>	<b>ART-111, ART-114, ART-115, MUS-110, MUS-112, HUM-115, PHI-215, or PHI-240</b>		

This course is designed to assimilate the concepts within the three domains of the individual, healthcare, and nursing. Emphasis is placed on the concepts of fluid/electrolytes, metabolism, perfusion, mobility, stress/coping, violence, health-wellness-illness, professional behaviors, caring interventions, managing care, healthcare systems, and quality improvement. Upon completion, students should be able to demonstrate the knowledge, skills, and attitudes necessary to provide quality, individualized, entry level nursing care. (2011 FA)

<b>NUR-214</b>	<b>Nsg Transition Concepts</b>	<b>4 (3-0-3)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>ENG-111, BIO-168, PSY-150</b>		
<b>Corequisites:</b>	<b>BIO-169, ENG-112 or 114</b>		

This course is designed to introduce concepts within the three domains of the individual, healthcare, and nursing as the LPN transitions to the ADN role. Emphasis is placed on the concepts within each domain including evidenced-based practice, quality improvement, communication, safety, interdisciplinary team, clinical decision-making, informatics, assessment, caring, and health-wellness-illness. Upon completion, students should be able to provide safe nursing care incorporating the concepts identified in this course. (2009 SU)

## OPH Opticianry

<b>OPH-113</b>	<b>Intro to Diseases of Eye</b>	<b>2 (2-0-0)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>OPH-150, OPH-151</b>		
<b>Corequisites:</b>	<b>None</b>		

This course introduces common external and internal diseases of the eye and orbital region. Topics include common patient complaints, ocular emergencies, triage procedures and common ocular conditions and disorders. Upon completion, the student should be able to identify most common ocular diseases and determine appropriate emergency management of acute ocular problems (2018 FA)

<b>OPH-114</b>	<b>Basic Ophthalmic Pharma</b>	<b>2 (2-0-0)</b>	<b>SS</b>
<b>Prerequisites:</b>	<b>OPH-150, OPH-151</b>		
<b>Corequisites:</b>	<b>None</b>		

This course introduces and compares drug delivery systems. Topics include the use of diagnostic agents and various classes of drugs commonly used in ophthalmic practices. Upon completion, the students should administer and record topical and oral medications at the physician's direction. (2018 FA)

<b>OPH-115</b>	<b>Ophthalmic Clin Proc I</b>	<b>2 (1-2-0)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>OPH-150, OPH-151</b>		
<b>Corequisites:</b>	<b>None</b>		

This course introduces basic clinical procedures for the ophthalmic practice. Topics include telephone triage and basic procedures commonly used in the preliminary examination of patients. Topics include basic procedures commonly used in the preliminary examination of patients. Upon completion, the student should be able to

<b>OST-148</b>	<b>Med Ins &amp; Billing</b>	<b>3 (3-0)</b>	<b>S SS</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>MED-121</b>		
<p>This course introduces fundamentals of medical insurance and billing. Emphasis is placed on the medical billing cycle to include third party payers, coding concepts, and form preparation. Upon completion, students should be able to explain the life cycle of and accurately complete a medical insurance claim. (2017 FA)</p>			
<b>OST-149</b>	<b>Medical Legal Issues</b>	<b>3 (3-0)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course introduces the complex legal, moral, and ethical issues involved in providing health-care services. Emphasis is placed on the legal requirements of medical practices; the relationship of physician, patient, and office personnel; professional liabilities; and medical practice liability. Upon completion, students should be able to demonstrate a working knowledge of current medical law and accepted ethical behavior. (1999 FA)</p>			
<b>OST-164</b>	<b>Office Editing</b>	<b>3 (3-0)</b>	<b>FS</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course provides a comprehensive study of editing skills needed in the workplace. Emphasis is placed on grammar, punctuation, sentence structure, proofreading, and editing. Upon completion, students should be able to use reference materials to compose and edit text. (2017 FA)</p>			
<b>OST-184</b>	<b>Records Management</b>	<b>3 (2-2)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course includes the creation, maintenance, protection, security, and disposition of records stored in a variety of media forms. Topics include alphabetic, geographic, subject, and numeric filing methods. Upon completion, students should be able to set up and maintain a records management system. (2008 FA)</p>			
<b>OST-236</b>	<b>Adv Word Processing</b>	<b>3 (2-2)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>OST-136</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course develops proficiency in the utilization of advanced word processing functions. Emphasis is placed on advanced word processing features. Upon completion, students should be able to produce a variety of complex business documents. (2017 FA)</p>			
<b>OST-243</b>	<b>Med Office Simulation</b>	<b>3 (2-2)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>OST-148</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course introduces medical systems used to process information in the automated office. Topics include traditional and electronic information resources, storing and retrieving information, and the billing cycle. Upon completion, students should be able to use the computer accurately to schedule, bill, update, and make corrections. (1998 FA)</p>

 CURRICULUM COURSE DESCRIPTIONS
 

---

<b>OST-247</b>	<b>Procedure Coding</b>	<b>3 (2-2)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>MED-121 or OST-141, OST-148</b>		
<b>Corequisites:</b>	<b>None</b>		
This course provides in-depth coverage of procedural coding. Emphasis is placed on CPT and HCPCS coding systems. Upon completion, students should be able to properly code procedures and services performed in a medical facility. <i>(2017 FA)</i>			
<b>OST-248</b>	<b>Diagnostic Coding</b>	<b>3 (2-2)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>MED-121 or OST-141, OST-148</b>		
<b>Corequisites:</b>	<b>None</b>		
This course provides an in-depth study of diagnostic coding. Emphasis is placed on ICD coding system. Upon completion, students should be able to properly code diagnoses in a medical facility. <i>(2017 FA)</i>			
<b>OST-249</b>	<b>Med Coding Certification</b>	<b>3 (2-3)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>OST-247, OST-248</b>		
<b>Corequisites:</b>	<b>None</b>		
This course provides instruction that will prepare students to sit for a national coding certification exam. Topics include diagnostic and procedural coding. Upon completion, students should be able to sit for various medical coding certification exams. <i>(2017 FA)</i>			
<b>OST-250</b>	<b>Long-Term Care Coding</b>	<b>3 (2-2)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>MED-121 or OST-141</b>		
<b>Corequisites:</b>	<b>None</b>		
This course covers diagnostic coding as it applies to long-term care facilities and home care. Topics include diagnostic coding and reimbursement in long-term care facilities and home care. Upon completion, students should be able to properly code conditions for long-term care and home care services. <i>(2017 FA)</i>			
<b>OST-284</b>	<b>Emerging Technologies</b>	<b>2 (1-2)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
This course provides opportunities to explore emerging technologies. Emphasis is placed on identifying, researching, and presenting current technological topics for class consideration and discussion. Upon completion, students should be able to understand the importance of keeping abreast of technological changes that affect the office professional. <i>(1999 FA)</i>			
<b>OST-286</b>	<b>Professional Development</b>	<b>3 (3-0)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
This course covers the personal competencies and qualities needed to project a professional image in the office. Topics include interpersonal skills, health lifestyles, appearance, attitude, personal and professional growth, multicultural awareness, and professional etiquette. Upon completion, students should be able to demonstrate these attributes in the classroom, office, and society. <i>(1999 FA)</i>			

**OST-288 Medical Office Admin Capstone 3 (2-2) S**

**Prerequisites:** OST-148

**Corequisites:** None

This course is designed to be a capstone course for the medical office professional and provides a working knowledge of medical office procedures. Emphasis is placed on written and oral communication skills, practice management, electronic health records, medical office procedures, ethics, and professional development. Upon completion, students should be able to demonstrate the skills necessary to manage a medical office. (2017 FA)

**OST-289 Office Admin Capstone 3 (2-2) S**

**Prerequisites:** OST-134 or OST-136; OST-164

**Corequisites:** None

This course is designed to be a capstone course for the office professional and provides a working knowledge of administrative office procedures. Emphasis is placed on written and oral communication skills, office software applications, office procedures, ethics, and professional development. Upon completion, students should be able to adapt in an office environment. (2017 FA)

## PED Physical Education

**PED-110 Fit and Well for Life 2 (1-2) FS SS**

**Prerequisites:** None

**Corequisites:** None

This course is designed to investigate and apply the basic concepts and principles of lifetime physical fitness and other health-related factors. Emphasis is placed on wellness through the study of nutrition, weight control, stress management, and consumer facts on exercise and fitness. Upon completion, students should be able to plan a personal, lifelong fitness program based on individual needs, abilities, and interests. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- Premajor and/or Elective course for A.A. and A.S.
- Other Gen. Ed. and Premajor Elective course for A.E.

**PED-111 Physical Fitness I 1 (0-3) AND**

**Prerequisites:** None

**Corequisites:** None

This course provides an individualized approach to physical fitness utilizing the five major components. Emphasis is placed on the scientific basis for setting up and engaging in personalized physical fitness programs. Upon completion, students should be able to set up and implement an individualized physical fitness program. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- Premajor and/or Elective course for A.A. and A.S.

**PED-112 Physical Fitness II 1 (0-3) AND**

**Prerequisites:** PED-111

**Corequisites:** None

This course is an intermediate-level fitness class. Topics include specific exercises contributing to fitness and the role exercise plays in developing body systems. Upon completion, students should be able to implement and evaluate an individualized

---

 CURRICULUM COURSE DESCRIPTIONS
 

---

**PED-129 Golf-Intermediate 1 (0-2) F**  
**Prerequisites: PED-128**  
**Corequisites: None**

This course covers the more advanced phases of golf. Emphasis is placed on refining the fundamental skills and learning more advanced phases of the games such as club selection, trouble shots, and course management. Upon completion, students should be able demonstrate the knowledge and ability to play a recreational round of golf. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Premajor and/or Elective course for A.A. and A.S.*

**PED-130 Tennis-Beginning 1 (0-2) FS**  
**Prerequisites: None**  
**Corequisites: None**

This course emphasizes the fundamentals of tennis. Topics include basic strokes, rules, etiquette, and court play. Upon completion, students should be able to play recreational tennis. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Premajor and/or Elective course for A.A. and A.S.*

**PED-131 Tennis-Intermediate 1 (0-2) AND**  
**Prerequisites: PED-130**  
**Corequisites: None**

This course emphasizes the refinement of playing skills. Topics include continuing the development of fundamentals, learning advanced serves, and strokes and pace and strategies in singles and doubles play. Upon completion, students should be able to play competitive tennis. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Premajor and/or Elective course for A.A. and A.S.*

**PED-135 Fencing-Beginning 1 (0-2) AND**  
**Prerequisites: None**  
**Corequisites: None**

This course introduces the fundamentals of fencing. Emphasis is placed on grip, stance, and establishment of good techniques for attacks and parries. Upon completion, students should be able to perform elementary foil techniques and demonstrate the basic skills of fencing. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Premajor and/or Elective course for A.A. and A.S.*

**PED-137 Badminton 1 (0-2) AND**  
**Prerequisites: None**  
**Corequisites: None**

This course covers the fundamentals of badminton. Emphasis is placed on the basics of serving, clears, drops, drives, smashes, and the rules and strategies of singles and doubles. Upon completion, students should be able to apply these skills in playing situations. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Premajor and/or Elective course for A.A. and A.S.*

**PED-138 Archery 1 (0-2) AND**

**Prerequisites: None**

**Corequisites: None**

This course introduces basic archery safety and skills. Topics include proper techniques of stance, bracing, drawing, and releasing as well as terminology and scoring. Upon completion, students should be able to participate safely in target archery. (1997 SU) This course has been approved to satisfy the following requirement(s):

- Premajor and/or Elective course for A.A. and A.S.

**PED-142 Lifetime Sports 1 (0-2) AND**

**Prerequisites: None**

**Corequisites: None**

This course is designed to give an overview of a variety of sports activities. Emphasis is placed on the skills and rules necessary to participate in a variety of lifetime sports. Upon completion, students should be able to demonstrate an awareness of the importance of participating in lifetime sports activities. (1997 SU) This course has been approved to satisfy the following requirement(s):

- Premajor and/or Elective course for A.A. and A.S.

**PED-143 Volleyball-Beginning 1 (0-2) FS**

**Prerequisites: None**

**Corequisites: None**

This course covers the fundamentals of volleyball. Emphasis is placed on the basics of serving, passing, setting, spiking, blocking, and the rules and etiquette of volleyball. Upon completion, students should be able to participate in recreational volleyball. (1997 SU) This course has been approved to satisfy the following requirement(s):

- Premajor and/or Elective course for A.A. and A.S.

**PED-145 Basketball-Beginning 1 (0-2) FS**

**Prerequisites: None**

**Corequisites: None**

This course covers the fundamentals of basketball. Emphasis is placed on skill development, knowledge of the rules, and basic game strategy. Upon completion, students should be able to participate in recreational basketball. (1997 SU) This course has been approved to satisfy the following requirement(s):

- Premajor and/or Elective course for A.A. and A.S.

**PED-147 Soccer 1 (0-2) AND**

**Prerequisites: None**

**Corequisites: None**

This course introduces the basics of soccer. Emphasis is placed on rules, strategies, and fundamental skills. Upon completion, students should be able to participate in recreational soccer. (1997 SU) This course has been approved to satisfy the following requirement(s):

- Premajor and/or Elective course for A.A. and A.S.

---

 CURRICULUM COURSE DESCRIPTIONS
 

---

**PED-149**      **Flag Football**      **1 (0-2)**      **AND**  
**Prerequisites:**    **None**  
**Corequisites:**    **None**

This course introduces the fundamentals and rules of flag football. Emphasis is placed on proper techniques and strategies for playing in game situations. Upon completion, students should be able to participate in recreational flag football. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Premajor and/or Elective course for A.A. and A.S.*

**PED-152**      **Swimming-Beginning**      **1 (0-2)**      **AND**  
**Prerequisites:**    **None**  
**Corequisites:**    **None**

This course is designed for non-swimmers and beginners. Emphasis is placed on developing confidence in the water, learning water safety, acquiring skills in floating, and learning elementary strokes. Upon completion, students should be able to demonstrate safety skills and be able to tread water, back float, and use the crawl stroke for 20 yards. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Premajor and/or Elective course for A.A. and A.S.*

**PED-153**      **Swimming-Intermediate**      **1 (0-2)**      **AND**  
**Prerequisites:**    **PED-152**  
**Corequisites:**    **None**

This course is designed for those who have mastered basic swimming skills. Emphasis is placed on refining basic skills and learning new swim strokes. Upon completion, students should be able to demonstrate the four basic strokes, the scissors kick, the underwater swim, and other related skills. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Premajor and/or Elective course for A.A. and A.S.*

**PED-154**      **Swimming for Fitness**      **1 (0-3)**      **AND**  
**Prerequisites:**    **None**  
**Corequisites:**    **None**

This course introduces lap swimming, aquacises, water activities, and games. Emphasis is placed on increasing cardiovascular efficiency through aquatic exercise. Upon completion, students should be able to develop an individualized aquatic fitness program. (2007 SP) *This course has been approved to satisfy the following requirement(s):*

- *Premajor and/or Elective course for A.A. and A.S.*

**PED-157**      **Pickleball**      **1 (0-2)**      **AND**  
**Prerequisites:**    **None**  
**Corequisites:**    **None**

This course covers the fundamentals of pickleball. Emphasis is placed on the basics of serving, ground strokes (drives, drops, dinks, punches, and lobs), overhead strokes (smashes and slams), and the rules and strategies of singles and doubles play. Upon completion, students should be able to apply these skills in pickleball playing situations. (2017 FA) *This course has been approved to satisfy the following requirement(s):*

- *Premajor and/or Elective course for A.A. and A.S.*

- *Premajor and/or Elective course for A.A. and A.S.*

**PED-187 Social Dance-Beginning 1 (0-2) AND**  
**Prerequisites: None**  
**Corequisites: None**

This course introduces the fundamentals of popular social dances. Emphasis is placed on basic social dance techniques, dances, and a brief history of social dance. Upon completion, students should be able to demonstrate specific dance skills and perform some dances. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Premajor and/or Elective course for A.A. and A.S.*

**PED-212 Snowboarding-Beginning 1 (0-2) AND**  
**Prerequisites: None**  
**Corequisites: None**

This course is designed to develop the basic knowledge and skills of snowboard. Topics include equipment, conditioning exercises, terminology, safety, rules, fundamental skills, and the use of lifts. Upon completion, students should be able to snowboard downhill, enter and exit a ski lift, and perform basic maneuvers on a snowboard. (2002 SP) *This course has been approved to satisfy the following requirement(s):*

- *Premajor and/or Elective course for A.A. and A.S.*

**PED-217 Pilates I 1 (0-2) AND**  
**Prerequisites: None**  
**Corequisites: None**

This course provides an introduction to the Pilates method of body conditioning exercise. Topics include instruction in beginning and intermediate Pilates exercises using a mat or equipment, history of the Pilates method, and relevant anatomy and physiology. Upon completion, students should be able to perform beginning and intermediate exercises, and possess an understanding of the benefits of conditioning the body's core muscles. (2005 SU) *This course has been approved to satisfy the following requirement(s):*

- *Premajor and/or Elective course for A.A. and A.S.*

**PED-218 Pilates II 1 (0-2) AND**  
**Prerequisites: PED-217**  
**Corequisites: None**

This course provides continued instruction in the Pilates method of body conditioning exercise. Topics include instruction in intermediate and advanced Pilates exercises using a mat or equipment, relevant anatomy and physiology, and further discussion of related concepts. Upon completion, students should be able to perform intermediate and advanced exercises, and possess the autonomy to maintain their own personal Pilates practice. (2005 SU) *This course has been approved to satisfy the following requirement(s):*

- *Premajor and/or Elective course for A.A. and A.S.*

 CURRICULUM COURSE DESCRIPTIONS
 

---

**PHY-152**      **College Physics II**      **4 (3-2)**      **S**

**Prerequisites:**    **PHY-151**

**Corequisites:**    **None**

This course uses algebra- and trigonometry-based mathematical models to introduce the fundamental concepts that describe the physical world. Topics include electrostatic forces, electric fields, electric potentials, direct-current circuits, magnetostatic forces, magnetic fields, electromagnetic induction, alternating-current circuits, and light. Upon completion, students should be able to demonstrate an understanding of the principles involved and display analytical problem-solving ability for the topics covered. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- UGETC course for A.S. and A.S. Teacher Preparation
- Natural Science Gen. Ed. course for A.A. and A.A. Teacher Preparation
- Natural Science Gen. Ed. course for A.G.E.

**PHY-251**      **General Physics I**      **4 (3-3)**      **F**

**Prerequisites:**    **MAT-271**

**Corequisites:**    **MAT-272**

This course uses calculus-based mathematical models to introduce the fundamental concepts that describe the physical world. Topics include units and measurement, vector operations, linear kinematics and dynamics, energy, power, momentum, rotational mechanics, periodic motion, fluid mechanics, and heat. Upon completion, students should be able to demonstrate an understanding of the principles involved and display analytical problem-solving ability for the topics covered. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- UGETC course for A.E., A.S. and A.S. Teacher Preparation
- Natural Science Gen. Ed. course for A.A. and A.A. Teacher Preparation

**PHY-252**      **General Physics II**      **4 (3-3)**      **S**

**Prerequisites:**    **MAT-272 and PHY-251**

**Corequisites:**    **None**

This course uses calculus-based mathematical models to introduce the fundamental concepts that describe the physical world. Topics include electrostatic forces, electric fields, electric potentials, direct-current circuits, magnetostatic forces, magnetic fields, electromagnetic induction, alternating-current circuits, and light. Upon completion, students should be able to demonstrate an understanding of the principles involved and display analytical problem-solving ability for the topics covered. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- UGETC course for A.E., A.S. and A.S. Teacher Preparation
- Natural Science Gen. Ed. course for A.A. and A.A. Teacher Preparation

### POL Political Science

**POL-110**      **Intro to Political Science**      **3 (3-0)**      **AND**

**Prerequisites:**    **ENG-002 or BSP-4002**

**Corequisites:**    **None**

This course introduces basic political concepts used by governments and addresses a wide range of political issues. Topics include political theory, ideologies, legitimacy, and sovereignty in democratic and non-democratic systems. Upon completion, students should be able to discuss a variety of issues inherent in all political systems

and draw logical conclusions in evaluating these systems. (1997 SU) This course has been approved to satisfy the following requirement(s):

- *Social/Behavioral Science Gen. Ed. course for A.A., A.A. Teacher Preparation and A.S.*
- *Social/Behavioral Science Gen. Ed. course for A.A.S. and A.G.E.*

**POL-120 American Government 3 (3-0) FS SS**

**Prerequisites:** ENG-002 or BSP-4002

**Corequisites:** None

This course is a study of the origins, development, structure, and functions of American government. Topics include the constitutional framework, federalism, the three branches of government including the bureaucracy, civil rights and liberties, political participation and behavior, and policy process. Upon completion, students should be able to demonstrate an understanding of the basic concepts and participatory processes of the American political system. (2014 FA) This course has been approved to satisfy the following requirement(s):

- *UGETC course for A.A., A.A. Teacher Preparation, A.E., A.F.A., A.S. and A.S. Teacher Preparation*
- *Social/Behavioral Science Gen. Ed. course for A.A.S. and A.G.E.*

**POL-210 Comparative Government 3 (3-0) AND**

**Prerequisites:** ENG-002 or BSP-4002

**Corequisites:** None

This course provides a cross-national perspective on the government and politics of contemporary nations such as Great Britain, France, Germany, and Russia. Topics include each country's historical uniqueness, key institutions, attitudes and ideologies, patterns of interaction, and current political problems. Upon completion, students should be able to identify and compare various nations' governmental structures, processes, ideologies, and capacity to resolve major problems. (1997 SU) This course has been approved to satisfy the following requirement(s):

- *Social/Behavioral Science Gen. Ed. course for A.A., A.A. Teacher Preparation and A.S.*
- *Social/Behavioral Science Gen. Ed. course for A.A.S. and A.G.E.*

**POL-220 International Relations 3 (3-0) AND**

**Prerequisites:** ENG-002 or BSP-4002

**Corequisites:** None

This course provides a study of the effects of ideologies, trade, armaments, and alliances on relations among nation-states. Emphasis is placed on regional and global cooperation and conflict, economic development, trade, non-governmental organizations, and international institutions such as the World Court and UN. Upon completion, students should be able to identify and discuss major international relationships, institutions, and problems. (1997 SU) This course has been approved to satisfy the following requirement(s):

- *Social/Behavioral Science Gen. Ed. course for A.A., A.A. Teacher Preparation and A.S.*
- *Social/Behavioral Science Gen. Ed. course for A.A.S. and A.G.E.*

## PSY Psychology

**PSY-118                    Interpersonal Psychology                    3 (3-0)                    S**

**Prerequisites:**    **ENG-002 or BSP-4002**

**Corequisites:**    **None**

This course introduces the basic principles of psychology as they relate to personal and professional development. Emphasis is placed on personality traits, communication/leadership styles, effective problem solving, and cultural diversity as they apply to personal and work environments. Upon completion, students should be able to demonstrate an understanding of these principles of psychology as they apply to personal and professional development. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Social/Behavioral Science Gen. Ed. course for A.A.S. and A.G.E.*

**PSY-150                    General Psychology                    3 (3-0)                    FS SS**

**Prerequisites:**    **ENG-002 or BSP-4002**

**Corequisites:**    **None**

This course provides an overview of the scientific study of human behavior. Topics include history, methodology, biopsychology, sensation, perception, learning, motivation, cognition, abnormal behavior, personality theory, social psychology, and other relevant topics. Upon completion, students should be able to demonstrate a basic knowledge of the science of psychology. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *UGETC course for A.A., A.A. Teacher Preparation, A.E., A.F.A., A.S. and A.S. Teacher Preparation*
- *Social/Behavioral Science Gen. Ed. course for A.A.S. and A.G.E.*

**PSY-230                    Biological Psychology                    3 (3-0)                    AND**

**Prerequisites:**    **PSY-150**

**Corequisites:**    **None**

This course provides an exploration of the anatomy and functions of the human nervous system as it relates to human behavior. Topics include neural communication, key brain and nervous system anatomy and functions, brain and behavior relationships, sensory systems (key anatomy and functions), and neurological/psychological disorders. Upon completion, students should be able to describe how new scientific knowledge is created, identify methods to study psychological phenomena, identify key nervous system structures and functions, explain basic psychological phenomena and identify associated brain structures, and describe characteristics of selected neurological/psychological disorders. (2019 SP) *This course has been approved to satisfy the following requirement(s):*

- *Premajor and/or Elective course for A.A. and A.S.*
- *Social/Behavioral Science Gen. Ed. course for A.A.S. and A.G.E.*

**PSY-231                    Forensic Psychology                    3 (3-0)                    S**

**Prerequisites:**    **PSY-150**

**Corequisites:**    **None**

This course introduces students to concepts which unite psychology and the legal system. Topics include defining competency, insanity, involuntary commitment as well as introducing forensic assessment techniques, such as interviewing process, specialized assessments, and collecting collateral information. Upon completion, students should be able to demonstrate knowledge in areas of forensic psychology: risk

assessment, criminal competencies, insanity, psychopathology, and mentally disordered offenders. (2004 SU) This course has been approved to satisfy the following requirement(s):

- *Premajor and/or Elective course for A.A. and A.S.*

**PSY-237 Social Psychology 3 (3-0) AND**  
**Prerequisites: PSY-150 or SOC-210**  
**Corequisites: None**

This course introduces the study of individual behavior within social contexts. Topics include affiliation, attitude formation and change, conformity, altruism, aggression, attribution, interpersonal attraction, and group behavior. Upon completion, students should be able to demonstrate an understanding of the basic principles of social influences on behavior. (1997 SU) This course has been approved to satisfy the following requirement(s):

- *Social/Behavioral Science Gen. Ed. course for A.A., A.A. Teacher Preparation and A.S.*
- *Social/Behavioral Science Gen. Ed. course for A.A.S. and A.G.E.*

**PSY-239 Psychology of Personality 3 (3-0) F**  
**Prerequisites: PSY-150**  
**Corequisites: None**

This course covers major personality theories and personality research methods. Topics include psychoanalytic, behavioristic, social learning, cognitive, humanistic, and trait theories including supporting research. Upon completion, students should be able to compare and contrast traditional and contemporary approaches to the understanding of individual differences in human behavior. (1997 SU) This course has been approved to satisfy the following requirement(s):

- *Social/Behavioral Science Gen. Ed. course for A.A., A.A. Teacher Preparation and A.S.*
- *Social/Behavioral Science Gen. Ed. course for A.A.S. and A.G.E.*

**PSY-241 Developmental Psych 3 (3-0) FS SS**  
**Prerequisites: PSY-150**  
**Corequisites: None**

This course is a study of human growth and development. Emphasis is placed on major theories and perspectives as they relate to the physical, cognitive, and psychosocial aspects of development from conception to death. Upon completion, students should be able to demonstrate knowledge of development across the life span. (1997 SU) This course has been approved to satisfy the following requirement(s):

- *Social/Behavioral Science Gen. Ed. course for A.A., A.A. Teacher Preparation and A.S.*
- *Social/Behavioral Science Gen. Ed. course for A.A.S. and A.G.E.*

**PSY-243 Child Psychology 3 (3-0) AND**  
**Prerequisites: PSY-150**  
**Corequisites: None**

This course provides an overview of physical, cognitive, and psychosocial development from conception through adolescence. Topics include theories and research, interaction of biological and environmental factors, language development, learning and cognitive processes, social relations, and moral development. Upon completion, students should be able to identify typical and atypical childhood behavior

---

 CURRICULUM COURSE DESCRIPTIONS
 

---

patterns as well as appropriate strategies for interacting with children. (1997 SU) This course has been approved to satisfy the following requirement(s):

- Premajor and/or Elective course for A.A. and A.S.
- Social/Behavioral Science Gen. Ed. course for A.A.S. and A.G.E.

**PSY-249 Psychology of Aging 3 (3-0) AND**

**Prerequisites: PSY-150**

**Corequisites: None**

This course covers the particular needs and behaviors of the maturing adult. Emphasis is placed on psychosocial processes; biological and intellectual aspects of aging; adjustments to retirement, dying, bereavement; and the stereotypes and misconceptions concerning the elderly. Upon completion, students should be able to show an understanding of the psychological factors related to the aging process. (1997 SU) This course has been approved to satisfy the following requirement(s):

- Premajor and/or Elective course for A.A. and A.S.
- Social/Behavioral Science Gen. Ed. course for A.A.S. and A.G.E.

**PSY-259 Human Sexuality 3 (3-0) AND**

**Prerequisites: PSY-150**

**Corequisites: None**

This course provides the biological, psychological, and sociocultural aspects of human sexuality and related research. Topics include reproductive biology, sexual and psychosexual development, sexual orientation, contraception, sexually transmitted diseases, sexual disorders, theories of sexuality, and related issues. Upon completion, students should be able to demonstrate an overall knowledge and understanding of human sexuality. (1997 SU) This course has been approved to satisfy the following requirement(s):

- Premajor and/or Elective course for A.A. and A.S.
- Social/Behavioral Science Gen. Ed. course for A.A.S. and A.G.E.

**PSY-263 Educational Psychology 3 (3-0) SS**

**Prerequisites: PSY-150**

**Corequisites: None**

This course examines the application of psychological theories and principles to the educational process and setting. Topics include learning and cognitive theories, achievement motivation, teaching and learning styles, teacher and learner roles, assessment, and developmental issues. Upon completion, students should be able to demonstrate an understanding of the application of psychological theory to educational practice. (1997 SU) This course has been approved to satisfy the following requirement(s):

- Premajor and/or Elective course for A.A. and A.S.
- Social/Behavioral Science Gen. Ed. course for A.A.S. and A.G.E.

**PSY-271 Sports Psychology 3 (3-0) AND**

**Prerequisites: PSY-150**

**Corequisites: None**

This course provides an overview of the field of sports and exercise psychology. Topics include concentration, goal setting, arousal level, exercise psychology, mental imagery, confidence, and other issues related to sport and exercise performance. Upon completion, students should be able to demonstrate knowledge of psychological factors

<b>RAD-112</b>	<b>RAD Procedures II</b>	<b>4 (3-3-0)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>RAD-110, RAD-111, and RAD-151</b>		
<b>Corequisites:</b>	<b>RAD-121 and RAD-161</b>		
<p>This course provides the knowledge and skills necessary to perform standard radiographic procedures. Emphasis is placed on radiography of the skull, spine, and gastrointestinal, biliary, and urinary systems. Upon completion, students should be able to demonstrate competence in these areas. (2022 SU)</p>			
<b>RAD-121</b>	<b>Image Production I</b>	<b>3 (2-3-0)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>RAD-110, RAD-111, and RAD-151</b>		
<b>Corequisites:</b>	<b>RAD-112 and RAD-161</b>		
<p>This course provides the basic principles of radiographic image production. Emphasis is placed on image production, x-ray equipment, receptor exposure, and basic imaging quality factors. Upon completion, students should be able to demonstrate an understanding of basic principles of radiographic image production. (2022 SU)</p>			
<b>RAD-122</b>	<b>Image Production II</b>	<b>2 (1-3-0)</b>	<b>SS</b>
<b>Prerequisites:</b>	<b>RAD-112, RAD-121, and RAD-161</b>		
<b>Corequisites:</b>	<b>RAD-141 and RAD-171</b>		
<p>This course is designed to continue to develop the concepts and principles in the field of radiologic technology. Emphasis is placed on advanced digital principles and production. Upon completion, students should be able to demonstrate an understanding of advanced principles of digital imaging production. (2022 SU)</p>			
<b>RAD-141</b>	<b>Radiation Safety</b>	<b>2 (2-0-0)</b>	<b>SS</b>
<b>Prerequisites:</b>	<b>RAD-112, RAD-121, and RAD-161</b>		
<b>Corequisites:</b>	<b>RAD-122 and RAD-171</b>		
<p>This course covers the principles of radiation protection and radiobiology. Topics include the effects of ionizing radiation on body tissues, protective measures for limiting exposure to the patient and personnel, and radiation monitoring devices. Upon completion, students should be able to demonstrate an understanding of the effects and uses of radiation in diagnostic radiology. (2022 SU)</p>			
<b>RAD-151</b>	<b>RAD Clinical Ed I</b>	<b>2 (0-0-6)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>RAD-110 and RAD-111</b>		
<p>This course introduces patient management and basic radiographic procedures in the clinical setting. Emphasis is placed on mastering positioning of the chest and extremities, manipulating equipment, and applying principles of ALARA. Upon completion, students should be able to demonstrate successful completion of clinical objectives. (2022 SU)</p>			
<b>RAD-161</b>	<b>RAD Clinical Ed II</b>	<b>5 (0-0-15)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>RAD-110, RAD-111, and RAD-151</b>		
<b>Corequisites:</b>	<b>RAD-112 and RAD-121</b>		
<p>This course provides additional experience in patient management and in more complex radiographic procedures. Emphasis is placed on mastering positioning of the spine, pelvis, head and neck, and thorax and adapting procedures to meet patient variations. Upon completion, students should be able to demonstrate successful completion of clinical objectives. (2022 SU)</p>			

<b>RAD-171</b>	<b>RAD Clinical Ed III</b>	<b>3 (0-0-9)</b>	<b>SS</b>
<b>Prerequisites:</b>	<b>RAD-112, RAD-121, and RAD-161</b>		
<b>Corequisites:</b>	<b>RAD-122 and RAD-141</b>		
This course provides experience in patient management specific to advanced radiographic procedures. Emphasis is placed on applying appropriate technical factors to all studies and transitioning to mastering positioning of advanced studies. Upon completion, students should be able to demonstrate successful completion of clinical objectives. (2022 SU)			
<b>RAD-211</b>	<b>RAD Procedures III</b>	<b>3 (2-3-0)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>RAD-122, RAD-141, and RAD-171</b>		
<b>Corequisites:</b>	<b>RAD-231 and RAD-251</b>		
This course provides the knowledge and skills necessary to perform standard and specialty radiographic procedures. Emphasis is placed on radiographic specialty procedures, advanced imaging, radiographic pathology and image analysis. Upon completion, students should be able to demonstrate an understanding of these areas. (2022 SU)			
<b>RAD-231</b>	<b>Image Production III</b>	<b>2 (1-3-0)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>RAD-122, RAD-141, and RAD-171</b>		
<b>Corequisites:</b>	<b>RAD-211 and RAD-251</b>		
This course is designed to continue to develop the concepts and principles in the field of radiologic technology. Emphasis is placed on complex imaging production and principles, quality control and quality assurance in the imaging sciences. Upon completion, students should be able to demonstrate an understanding of advanced radiographic equipment and quality control programs. (2022 SU)			
<b>RAD-251</b>	<b>RAD Clinical Ed IV</b>	<b>7 (0-0-21)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>RAD-122, RAD-141, and RAD-171</b>		
<b>Corequisites:</b>	<b>RAD-211 and RAD-231</b>		
This course provides the opportunity to continue mastering all basic radiographic procedures and to attain experience in advanced areas. Emphasis is placed on equipment operation, pathological recognition, pediatric and geriatric variations, and further awareness of radiation protection requirements. Upon completion, students should be able to demonstrate successful completion of clinical objectives. (2022 SU)			
<b>RAD-261</b>	<b>RAD Clinical Ed V</b>	<b>7 (0-0-21)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>RAD-211, RAD-231, and RAD-251</b>		
<b>Corequisites:</b>	<b>RAD-271</b>		
This course is designed to enhance expertise in all radiographic procedures, patient management, radiation protection, and image production and evaluation. Emphasis is placed on developing an autonomous approach to the diversity of clinical situations and successfully adapting to those procedures. Upon completion, students should be able to demonstrate successful completion of clinical objectives. (2022 SU)			
<b>RAD-271</b>	<b>Radiography Capstone</b>	<b>3 (2-3-0)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>RAD-211, RAD-231, and RAD-251</b>		
<b>Corequisites:</b>	<b>RAD-261</b>		
This course provides an opportunity to exhibit problem-solving skills required for certification. Emphasis is placed on critical thinking and integration of didactic and

<b>RCP-215</b>	<b>Career Preparation</b>	<b>1 (0-3-0)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		

This course provides an overview of respiratory therapy concepts in preparation for credentialing exam. Emphasis is placed on registry preparation. Upon completion, students should be able to demonstrate a comprehensive knowledge of respiratory therapy and be prepared for successful completion of the credentialing process. (2017 FA)

### REL Religion

<b>REL-110</b>	<b>World Religions</b>	<b>3 (3-0)</b>	<b>FS SS</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		

This course introduces the world's major religious traditions. Topics include Primal religions, Hinduism, Buddhism, Islam, Judaism, and Christianity. Upon completion, students should be able to identify the origins, history, beliefs, and practices of the religions studied. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Humanities/Fine Arts Gen. Ed. course for A.A., A.A. Teacher Preparation and A.S.*
- *Humanities/Fine Arts Gen. Ed. course for A.A.S. and A.G.E.*

<b>REL-211</b>	<b>Intro to Old Testament</b>	<b>3 (3-0)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		

This course is a survey of the literature of the Hebrews with readings from the law, prophets, and the writings. Emphasis is placed on the use of literary, historical, archeological, and cultural analysis. Upon completion, students should be able to use the tools of critical analysis to read and understand Old Testament literature. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Humanities/Fine Arts Gen. Ed. course for A.A., A.A. Teacher Preparation and A.S.*
- *Humanities/Fine Arts Gen. Ed. course for A.A.S. and A.G.E.*

<b>REL-212</b>	<b>Intro to New Testament</b>	<b>3 (3-0)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		

This course is a survey of the literature of first-century Christianity with readings from the gospels, Acts, and the Pauline and pastoral letters. Topics include the literary structure, audience, and religious perspective of the writings, as well as the historical and cultural context of the early Christian community. Upon completion, students should be able to use the tools of critical analysis to read and understand New Testament literature. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Humanities/Fine Arts Gen. Ed. course for A.A., A.A. Teacher Preparation and A.S.*
- *Humanities/Fine Arts Gen. Ed. course for A.A.S. and A.G.E.*

**REL-221 Religion in America 3 (3-0) AND**

**Prerequisites: None**

**Corequisites: None**

This course is an examination of religious beliefs and practice in the United States. Emphasis is placed on mainstream religious traditions and non-traditional religious movements from the colonial period to the present. Upon completion, students should be able to recognize and appreciate the diversity of religious traditions in America. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Humanities/Fine Arts Gen. Ed. course for A.A., A.A. Teacher Preparation and A.S.*
- *Humanities/Fine Arts Gen. Ed. course for A.A.S. and A.G.E.*

## SCI Science

**SCI-110 Principles of Science 4 (3-2) AND**

**Prerequisites: None**

**Corequisites: None**

This course introduces basic principles of chemistry, physics, and biology. Emphasis is placed on chemical reactions, energy forms, and ecological studies. Upon completion, students should be able to demonstrate mastery of the scientific method of thought and a basic understanding of chemistry, physics, and biology. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Natural Science Gen. Ed. course for A.A.S. and A.G.E.*

## SEC Information Systems Security

**SEC-110 Security Concepts 3 (2-2) FS**

**Prerequisites: None**

**Corequisites: None**

This course introduces the concepts and issues related to securing information systems and the development of policies to implement information security controls. Topics include the historical view of networking and security, security issues, trends, security resources, and the role of policy, people, and processes in information security. Upon completion, students should be able to identify information security risks, create an information security policy, and identify processes to implement and enforce policy. (2013 SP)

**SEC-160 Security Administration I 3 (2-2) S**

**Prerequisites: None**

**Corequisites: None**

This course provides an overview of security administration and fundamentals of designing security architectures. Topics include networking technologies, TCP/IP concepts, protocols, network traffic analysis, monitoring, and security best practices. Upon completion, students should be able to identify normal network traffic using network analysis tools and design basic security defenses. (2016 FA)

**SEC-210 Intrusion Detection 3 (2-2) F**

**Prerequisites: None**

**Corequisites: None**

This course introduces the student to intrusion detection methods in use today. Topics include the types of intrusion detection products, traffic analysis, and planning and

<b>SGD-212</b>	<b>SGD Design II</b>	<b>3 (2-3)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>SGD-112</b>		
<b>Corequisites:</b>	<b>None</b>		

The course covers the advanced principles of simulation and game design. Topics include advanced design concepts in simulation and game development. Upon completion, students should be able to design an advanced simulation or game. (2006 SP)

<b>SGD-214</b>	<b>SGD 3D Modeling II</b>	<b>3 (2-3)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>SGD-114</b>		
<b>Corequisites:</b>	<b>None</b>		

This course introduces the tools used to create and animate advanced 3-dimensional models. Emphasis is placed on identifying and utilizing the tools required to create and animate advanced 3D models. Upon completion, students should be able to create and animate advanced 3D models using 3D modeling tools. (2022 SP)

<b>SGD-289</b>	<b>SGD Project</b>	<b>3 (2-3)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>SGD-212, SGD-213, SGD-214, or SGD-285</b>		
<b>Corequisites:</b>	<b>None</b>		

This course provides students with the opportunity to create a functional simulation or game with minimal instructor support. Emphasis is placed upon verbal and written communication, skill documentation, professional presentation and user training. Upon completion, students should be able to create and professionally present a fully functional simulation or game. (2009 FA)

## SOC Sociology

<b>SOC-210</b>	<b>Introduction to Sociology</b>	<b>3 (3-0)</b>	<b>FS SS</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		

This course introduces the scientific study of human society, culture, and social interactions. Topics include socialization, research methods, diversity and inequality, cooperation and conflict, social change, social institutions, and organizations. Upon completion, students should be able to demonstrate knowledge of sociological concepts as they apply to the interplay among individuals, groups, and societies. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *UGETC course for A.A., A.A. Teacher Preparation, A.E., A.F.A., A.S. and A.S. Teacher Preparation*
- *Social/Behavioral Science Gen. Ed. course for A.A.S. and A.G.E.*

<b>SOC-213</b>	<b>Sociology of the Family</b>	<b>3 (3-0)</b>	<b>FS SS</b>
<b>Prerequisites:</b>	<b>ENG-002 or BSP-4002</b>		
<b>Corequisites:</b>	<b>None</b>		

This course covers the institution of the family and other intimate relationships. Emphasis is placed on mate selection, gender roles, sexuality, communication, power and conflict, parenthood, diverse lifestyles, divorce and remarriage, and economic issues. Upon completion, students should be able to analyze the family as a social institution and the social forces which influence its development and change. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Social/Behavioral Science Gen. Ed. course for A.A., A.A. Teacher Preparation and A.S.*

**SOC-240 Social Psychology 3 (3-0) AND****Prerequisites:** ENG-002 or BSP-4002, SOC-210**Corequisites:** None

This course examines the influence of culture and social groups on individual behavior and personality. Emphasis is placed on the process of socialization, communication, conformity, deviance, interpersonal attraction, intimacy, race and ethnicity, small group experiences, and social movements. Upon completion, students should be able to identify and analyze cultural and social forces that influence the individual in a society. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Social/Behavioral Science Gen. Ed. course for A.A., A.A. Teacher Preparation and A.S.*
- *Social/Behavioral Science Gen. Ed. course for A.A.S. and A.G.E.*

**SOC-242 Sociology of Deviance 3 (3-0) AND****Prerequisites:** ENG-002 or BSP-4002**Corequisites:** None

This course provides an overview of deviant behavior and the processes involved in its definition, causation, prevention, control, and treatment. Topics include theories of causation, social control, delinquency, victimization, criminality, the criminal justice system, punishment, rehabilitation, and restitution. Upon completion, students should be able to identify and analyze issues surrounding the nature and development of social responses to deviance. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Premajor and/or Elective course for A.A. and A.S.*
- *Social/Behavioral Science Gen. Ed. course for A.A.S. and A.G.E.*

## SPA Spanish

**SPA-111 Elementary Spanish I 3 (3-0) FS SS****Prerequisites:** None**Corequisites:** None

This course introduces the fundamental elements of the Spanish language within a cultural context. Emphasis is placed on the development of basic listening, speaking, reading, and writing skills. Upon completion, students should be able to comprehend and respond with grammatical accuracy to spoken and written Spanish and demonstrate cultural awareness. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Humanities/Fine Arts Gen. Ed. course for A.A., A.A. Teacher Preparation and A.S.*

**SPA-112 Elementary Spanish II 3 (3-0) FS SS****Prerequisites:** SPA-111**Corequisites:** None

This course is a continuation of SPA-111 focusing on the fundamental elements of the Spanish language within a cultural context. Emphasis is placed on the progressive development of listening, speaking, reading, and writing skills. Upon completion, students should be able to comprehend and respond with increasing proficiency to spoken and written Spanish and demonstrate further cultural awareness. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

---

 CURRICULUM COURSE DESCRIPTIONS
 

---

- *Humanities/Fine Arts Gen. Ed. course for A.A., A.A. Teacher Preparation and A.S.*

**SPA-120 Spanish for the Workplace 3 (3-0) AND**

**Prerequisites: None**

**Corequisites: None**

This course offers applied Spanish for the workplace to facilitate basic communication with people whose native language is Spanish. Emphasis is placed on oral communication and career-specific vocabulary that targets health, business, and/or public service professions. Upon completion, students should be able to communicate at a functional level with native speakers and demonstrate cultural sensitivity. (1997 SU)

**SPA-161 Cultural Immersion 3 (2-3) AND**

**Prerequisites: SPA-111**

**Corequisites: None**

This course explores Hispanic culture through intensive study on campus and field experience in a host country or comparable area within the United States. Topics include an overview of linguistic, historical, geographical, sociopolitical, economic, and/or artistic concerns of the area visited. Upon completion, students should be able to exhibit first-hand knowledge of issues pertinent to the host area and demonstrate understanding of cultural differences. (2014 SU) *This course has been approved to satisfy the following requirement(s):*

- *Premajor and/or Elective course for A.A. and A.S.*

**SPA-211 Intermediate Spanish I 3 (3-0) FS SS**

**Prerequisites: SPA-112**

**Corequisites: None**

This course provides a review and expansion of the essential skills of the Spanish language. Emphasis is placed on the study of authentic and representative literary and cultural texts. Upon completion, students should be able to communicate effectively, accurately, and creatively about the past, present, and future. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Humanities/Fine Arts Gen. Ed. course for A.A., A.A. Teacher Preparation and A.S.*

**SPA-212 Intermediate Spanish II 3 (3-0) AND**

**Prerequisites: SPA-211**

**Corequisites: None**

This course provides a continuation of SPA-211. Emphasis is placed on the continuing study of authentic and representative literary and cultural texts. Upon completion, students should be able to communicate spontaneously and accurately with increasing complexity and sophistication. (1997 SU) *This course has been approved to satisfy the following requirement(s):*

- *Humanities/Fine Arts Gen. Ed. course for A.A., A.A. Teacher Preparation and A.S.*

## SRV Surveying

<b>SRV-110</b>	<b>Surveying I</b>	<b>4 (2-6)</b>	<b>SS</b>
<b>Prerequisites:</b> ARC-111, CEG-115, or EGR-115			
<b>Corequisites:</b> MAT-003, BSP-4003, MAT-121 or MAT-171			
This course introduces the theory and practice of plane surveying. Topics include the precise measurement of distances, angles, and elevations; bearing, azimuth and traverse computations; topography and mapping. Upon completion, students should be able to use/care for surveying equipment, collect field survey data, perform traverse computations and create a contour map. <i>(2020 FA)</i>			
<b>SRV-111</b>	<b>Surveying II</b>	<b>4 (2-6)</b>	<b>F</b>
<b>Prerequisites:</b> SRV-110			
<b>Corequisites:</b> None			
This course introduces route surveying and roadway planning and layout. Topics include simple, compound, reverse, spiral, and vertical curves; geometric design and layout; planning of cross-section and grade line; drainage; earthwork calculations; and mass diagrams. Upon completion, students should be able to calculate and lay out highway curves; prepare roadway plans, profiles, and sections; and perform slope staking. <i>(1997 SU)</i>			
<b>SRV-210</b>	<b>Surveying III</b>	<b>4 (2-6)</b>	<b>S</b>
<b>Prerequisites:</b> SRV-110			
<b>Corequisites:</b> None			
This course introduces boundary surveying, land partitioning, and calculations of areas. Topics include advanced traverses and adjustments, preparation of survey documents, and other related topics. Upon completion, students should be able to research, survey, and map a boundary. <i>(1997 SU)</i>			
<b>SRV-220</b>	<b>Surveying Law</b>	<b>3 (2-2)</b>	<b>F</b>
<b>Prerequisites:</b> SRV-110			
<b>Corequisites:</b> None			
This course introduces the law as related to the practice of surveying. Topics include surveyors' responsibilities, deed descriptions, title searches, eminent domain, easements, weight of evidence, riparian rights, and other related topics. Upon completion, students should be able to identify and apply the basic legal aspects associated with the practice of land surveying. <i>(1997 SU)</i>			
<b>SRV-240</b>	<b>Topo/Site Surveying</b>	<b>4 (2-6)</b>	<b>S</b>
<b>Prerequisites:</b> SRV-110			
<b>Corequisites:</b> None			
This course covers topographic, site, and construction surveying. Topics include topographic mapping, earthwork, site planning, construction staking, and other related topics. Upon completion, students should be able to prepare topographic maps and site plans and locate and stake out construction projects. <i>The course also includes an introduction to photogrammetry. (1997 SU)</i>

### SST Sustainability Technologies

**SST-140 Green Bldg & Design Concepts 3 (3-0) F**

**Prerequisites:** None

**Corequisites:** None

This course is designed to introduce the student to sustainable building design and construction principles and practices. Topics include sustainable building rating systems and certifications, energy efficiency, indoor environmental quality, sustainable building materials and water use. Upon completion, students should be able to identify the principles and practices of sustainable building design and construction. (2013 FA)

### SUR Surgery

*Admission to the Surgical Technology program is required before enrolling in SUR courses.*

**SUR-110 Intro to Surg Tech 3 (3-0-0) F**

**Prerequisites:** None

**Corequisites:** SUR-111

This course provides a comprehensive study of peri-operative care, patient care concepts, and professional practice concepts within the profession of surgical technology. Topics include: introductory concepts, organizational structure and relationships, legal, ethical and moral issues, medical terminology, pharmacology, anesthesia, wound healing management concepts, and the technological sciences. Upon completion, students should be able to apply theoretical knowledge of the course topics to the practice of surgical technology. (2012 SP)

**SUR-111 Periop Patient Care 7 (5-6-0) F**

**Prerequisites:** None

**Corequisites:** SUR-110

This course provides the surgical technology student the theoretical knowledge required to function in the pre-operative, intra-operative, and post-operative role. Topics include asepsis, disinfection and sterilization, physical environment, instrumentation, equipment, peri-operative patient care, and peri-operative case management. Upon completion, students should be able to apply the principles and practice of the peri-operative team member to the operative environment. (2012 SP)

**SUR-122 Surgical Procedures I 6 (5-3-0) S**

**Prerequisites:** SUR-110, SUR-111

**Corequisites:** SUR-123

This course provides an introduction to selected basic and intermediate surgical specialties that students are exposed to the first clinical rotation. Emphasis is placed on related surgical anatomy, pathology, and procedures that enhance theoretical knowledge of patient care, instrumentation, supplies, and equipment. Upon completion, students should be able to correlate, integrate, and apply theoretical knowledge of the course topics to the clinical operative environment. (2016 SP)

<b>SUR-123</b>	<b>Sur Clinical Practice I</b>	<b>7 (0-0-21)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>SUR-110, SUR-111</b>		
<b>Corequisites:</b>	<b>SUR-122</b>		
<p>This course provides clinical experience with a variety of perioperative assignments to build upon skills learned in SUR-111. Emphasis is placed on the scrub and circulating roles of the surgical technologist including aseptic technique and basic case preparation for selected surgical procedures. Upon completion, students should be able to prepare, assist with, and dismantle basic surgical cases in both the scrub and circulating roles. (1997 SU)</p>			
<b>SUR-134</b>	<b>Surgical Procedures II</b>	<b>5 (5-0-0)</b>	<b>SS</b>
<b>Prerequisites:</b>	<b>SUR-123</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course provides a comprehensive study of intermediate and advanced surgical specialties that students are exposed to in the second clinical rotation. Emphasis is placed on related surgical anatomy, pathology, and procedures that enhance theoretical knowledge of patient care, instrumentation, supplies, and equipment. Upon completion, students should be able to correlate, integrate, and apply theoretical knowledge of the course topics to the clinical operative environment. (2016 SP)</p>			
<b>SUR-135</b>	<b>SUR Clinical Practice II</b>	<b>4 (0-0-12)</b>	<b>SS</b>
<b>Prerequisites:</b>	<b>SUR-123</b>		
<b>Corequisites:</b>	<b>SUR-134</b>		
<p>This course provides clinical experience with a variety of perioperative assignments to build skills required for complex perioperative patient care. Emphasis is placed on greater technical skills, critical thinking, speed, efficiency, and autonomy in the operative setting. Upon completion, students should be able to function in the role of an entry-level surgical technologist. (2010 FA)</p>			
<b>SUR-137</b>	<b>Professional Success Prep</b>	<b>1 (1-0-0)</b>	<b>SS</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course provides employability skills and an overview of theoretical knowledge in preparation for certification. Topics include test-taking strategies, resume preparation, interviewing strategies, communication skills, and teamwork concepts. Upon completion, students should be able to prepare a resume, demonstrate appropriate interview techniques, and identify strengths and weaknesses in preparation for certification. (2016 SU)</p>			
<b>SUR-210</b>	<b>Adv SUR Clinical Practice</b>	<b>2 (0-0-6)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
<p>This course is designed to provide individualized experience in advanced practice, education, circulating, and managerial skills. Emphasis is placed on developing and demonstrating proficiency in skills necessary for advanced practice. Upon completion, students should be able to assume leadership roles in a chosen specialty area. (2010 FA)</p>			

**UAS-115 Small UAS Certification 2 (2-0) AND**

**Prerequisites: None**

**Corequisites: None**

This course prepares learners for small Unmanned Aircraft Systems (UAS) flight certification to promote compliance with the requirements of Title 14 of the Code of Federal Regulations (14 CFR). Topics include FAA Title 14 CFR Part 107 study guide and NCDOT UAS flight standards to provide guidance in the areas of remote pilot certification, aircraft registration and marking, aircraft airworthiness, basic piloting skills, and the operation of small UAS. Upon completion, students should be able to meet requirements for small UAS certification through the NCDOT and perform basic small UAS piloting in accordance with FAA Title 14 CFR Part 107 regulations. (2018 SU)

### WBL Work-Based Learning

**WBL-110 TRF World of Work 1 (1-0) F**

**Prerequisites: None**

**Corequisites: None**

This course covers basic knowledge necessary for gaining and maintaining employment. Topics include job search skills, work ethic, meeting employer expectations, workplace safety, and human relations. Upon completion, students should be able to successfully make the transition from school to work (2014 FA)

**WBL-111 ARC Work-Based Learning I 1 (0-10) AND**

**Prerequisites: None**

**Corequisites: None**

This course provides a work-based learning experience with a college-approved employer in an area related to the student's program of study. Emphasis is placed on integrating classroom learning with related work experience. Upon completion, students should be able to evaluate career selection, demonstrate employability skills, and satisfactorily perform work-related competencies. (2014 FA)

**WBL-111 BPA Work-Based Learning I 1 (0-10) F SS**

**Prerequisites: None**

**Corequisites: None**

This course provides a work-based learning experience with a college-approved employer in an area related to the student's program of study. Emphasis is placed on integrating classroom learning with related work experience. Upon completion, students should be able to evaluate career selection, demonstrate employability skills, and satisfactorily perform work-related competencies. (2014 FA)

**WBL-111 BUS Work-Based Learning I 1 (0-10) F**

**Prerequisites: None**

**Corequisites: None**

This course provides a work-based learning experience with a college-approved employer in an area related to the student's program of study. Emphasis is placed on integrating classroom learning with related work experience. Upon completion, students should be able to evaluate career selection, demonstrate employability skills, and satisfactorily perform work-related competencies. (2014 FA)

students should be able to evaluate career selection, demonstrate employability skills, and satisfactorily perform work-related competencies. (2014 FA)

**WBL-131 TRF Work-Based Learning III 1 (0-10) F**

**Prerequisites:** WBL-121

**Corequisites:** None

This course provides a work-based learning experience with a college-approved employer in an area related to the student's program of study. Emphasis is placed on integrating classroom learning with related work experience. Upon completion, students should be able to evaluate career selection, demonstrate employability skills, and satisfactorily perform work-related competencies. (2014 FA) *Approved situations will include golf courses within ten (10) miles of Sandhills Community College.*

**WBL-132 BPA Work-Based Learning III 2 (0-20) AND**

**Prerequisites:** None

**Corequisites:** None

This course provides a work-based learning experience with a college-approved employer in an area related to the student's program of study. Emphasis is placed on integrating classroom learning with related work experience. Upon completion, students should be able to evaluate career selection, demonstrate employability skills, and satisfactorily perform work-related competencies. (2014 FA)

**WBL-212 LSG Work-Based Learning IV 2 (0-20) SS**

**Prerequisites:** WBL-111

**Corequisites:** None

This course provides a work-based learning experience with a college-approved employer in an area related to the student's program of study. Emphasis is placed on integrating classroom learning with related work experience. Upon completion, students should be able to evaluate career selection, demonstrate employability skills, and satisfactorily perform work-related competencies. (2014 FA)

**WBL-212 TRF Work-Based Learning IV 2 (0-20) SS**

**Prerequisites:** WBL-131

**Corequisites:** None

This course provides a work-based learning experience with a college-approved employer in an area related to the student's program of study. Emphasis is placed on integrating classroom learning with related work experience. Upon completion, students should be able to evaluate career selection, demonstrate employability skills, and satisfactorily perform work-related competencies. (2014 FA)

## WEB Web Technologies

**WEB-115 Web Markup and Scripting 3 (2-3) SS**

**Prerequisites:** None

**Corequisites:** None

This course introduces Worldwide Web Consortium (W3C) Internet programming using JavaScript. Topics include basic syntax, object-oriented programming, functions, variables, events, arrays, validation, accessibility, and web standards. Upon completion, students should be able to write, debug, maintain well-formed and well documented interactive web content using JavaScript code. (2022 SP)

<b>WEB-140</b>	<b>Web Development Tools</b>	<b>3 (2-3)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
This course provides an introduction to web development tools. Topics include creating websites using web development tools and web standards. Upon completion, students should be able to create small web sites and upload files to a web server. (2020 FA)			
<b>WEB-151</b>	<b>Mobile Application Dev I</b>	<b>3 (2-3)</b>	<b>SS</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
This course introduces students to programming technologies, design, and development related to mobile applications. Topics include accessing device capabilities, compliance with industry standards, and programming for mobile applications. Upon completion, students should be able to develop basic applications for mobile devices. (2022 FA)			
<b>WEB-182</b>	<b>PHP Programming</b>	<b>3 (2-3)</b>	<b>AND</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
This course introduces students to the server-side, HTML-embedded scripting language PHP. Emphasis is placed on programming techniques required to create dynamic web pages using PHP scripting language features. Upon completion, students should be able to design, code, test, debug, and create a dynamic web site using the PHP scripting language (2022 FA)			
<b>WEB-210</b>	<b>Web Design</b>	<b>3 (2-3)</b>	<b>F</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
This course introduces intermediate to advanced Web design techniques. Topics include customer expectations, advanced markup language, multimedia technologies, usability and accessibility practices, and techniques for the evaluation of Web design. Upon completion, students should be able to employ advanced design techniques to create high impact and highly functional Web sites. (2023 SP)			
<b>WEB-214</b>	<b>Social Media</b>	<b>3 (2-3)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
This course introduces students to social media for organizations. Topics include social media, marketing strategy, brand presence, blogging, social media analytics and technical writing. Upon completion, students should be able to utilize popular social media platforms as part of a marketing strategy, and work with social media analytics tools. (2022 FA)			
<b>WEB-225</b>	<b>Content Management Sys</b>	<b>3 (2-3)</b>	<b>S</b>
<b>Prerequisites:</b>	<b>None</b>		
<b>Corequisites:</b>	<b>None</b>		
This course introduces students to Content Management Systems (CMS) designed for the publication of Web content to Web sites. Topics include individual user accounts, administration menus, RSS-feeds, customizable layout, flexible account privileges, logging, blogging systems, creating online forums, and modules. Upon completion,			

## COLLEGE PERSONNEL

### Board of Trustees

George W. Little ..... *Chairman*  
 Southern Pines, North Carolina

Larry R. Caddell..... *Vice Chairman*  
 Carthage, North Carolina

Joseph A. Clendenin ..... *Secretary*  
 Southern Pines, North Carolina

Timothy A. Carpenter West End, NC	Bruce C. Hurst Raeford, NC
Gary W. Evans Pinehurst, NC	Constance L. Lovell Pinehurst, NC
Vincent R. Gordon Pinehurst, NC	Helen Probst Mills Pinehurst, NC
Catherine P. Graham Carthage, NC	Irish B. Pickett Raeford, NC
Eugene B. Horne, Jr. Pinehurst, NC	Andrew Jimenez Student Government Association

### Office of the President

Dr. Alexander “Sandy” Stewart ..... *President*  
 Heather Lyons..... *Executive Assistant to the President*

### Office of the Chief Operating Officer

Ron L. Layne ..... *Chief Operating Officer*  
 Chreatha Alston..... *Senior Director of Human Resources*  
 Roderick Brower ..... *Chief Information Officer*  
 Steven Garner..... *Director of Facilities*  
 Teresa Sheets ..... *Administrative Assistant to the Chief Operating Officer*  
 Elizabeth Thomas..... *Associate Vice President for Finance and Chief Financial Officer*  
 Dwight Threet ..... *Director of Police and Public Safety*

### Office of the Senior Vice President of Academic Affairs and Institutional Planning

Dr. Rebecca Roush... *Senior Vice President of Academic Affairs and Institutional Planning*  
 Mary Brideschge..... *Director of Curriculum Operations and Leadership Development*  
 Tricia Donadio ..... *Director for Health Programs and Student Support*  
 Lindsey Farmer ..... *Dean of Planning and Research/SACSCOC Liaison*  
 Wendy Kauffman..... *Dean of Academic Support*

---

 COLLEGE PERSONNEL
 

---

Jessica Locklear ..... *Curriculum Operations Coordinator*  
 Tammy Stewart ..... *Dean of Learning Resources & Head Librarian*  
 TBA ..... *Curriculum Associate - Instruction*

### **Office of the Vice President of Institutional Advancement**

Germaine B. Elkins ..... *Vice President of Institutional Advancement*  
 Cassidy Asbury ..... *Director of Foundation Outreach*  
 Jennifer Dail ..... *Senior Director of Development*  
 Morgan Sills ..... *Executive Director, Bradshaw Performing Arts Center*  
 Evan Spivey ..... *Production and Facilities Manager, BPAC*  
 Chris Waldrop ..... *Audio-Visual Technical Specialist*  
 Joshua Ward ..... *Associate Director of Foundation Outreach and*  
 ..... *Foundation Athletics Coordinator*  
 Jim Westmen ..... *Director of Sandhills Horticulture Gardens*

### **Office of the Vice President of Instruction**

Dr. Julie Voigt ..... *Vice President of Instruction*  
 Dr. Twana McKnight ..... *Associate Vice President of the Hoke Center*  
 Dr. Celethia McMillian ..... *Director of Center for Teaching and Learning*  
 Shenika Ward ..... *Dean of Campus Diversity and Cultural Programs*

### **Office of the Vice President of Student Services and Enrollment Management**

Dr. DJ Farmer ..... *Vice President of Student Services and Enrollment Management*  
 Jean Blue ..... *Director of Records and Registration*  
 Jennifer Fields ..... *Administrative Assistant to the Vice President of Student Services and*  
 ..... *Enrollment Management*  
 Jonathan Garrison ..... *Director of Sandhills Promise, Scholarships, and Recruitment*  
 Cary Greene ..... *Director of Purpose Center*  
 April Ikner ..... *Director of Student Onboarding and Engagement*  
 Rosa McAllister-McRae ..... *Director of Student Services Operations – Hoke Center*  
 Taylor McCaskill ..... *Director of Transfer Center*  
 Kimberly McMillan ..... *Associate Dean of Instruction, Career and College Promise*  
 Kellie Shoemake ..... *Dean of Student Services*  
 TBA ..... *Safety and Student Conduct Officer*

### **Office of the Vice President of Workforce Continuing Education**

Dr. Fallon Brewington ..... *Vice President of Workforce Continuing Education*  
 Michelle Bauer ..... *Associate Vice President, Workforce Continuing Education*  
 Kimberly Blue ..... *Senior Director, Continuing Education Compliance & Accountability*  
 Danaka Bunch ... *Director, Center for Personal Enrichment and Lifelong Learning Institute*

Denise Cameron .....	<i>Senior Director, CE Public Safety Programs</i>
Lori Degre .....	<i>Senior Director, Career Training</i>
Jason Levister.....	<i>Director, WCE-CCP Programs, Student Success, and Data Support</i>
Jared Little .....	<i>Director, Customized Training &amp; Advanced Manufacturing</i>
Maria Motta .....	<i>Director, Education Navigator</i>
Sandy Perry .....	<i>Director, Career Training Healthcare</i>
Matthew Thewes .....	<i>Director, College and Career Readiness</i>
Jenny Troyer .....	<i>Director, Workforce Skills Training</i>
TBA .....	<i>Director, Small Business Center and</i>
.....	<i>Dedman Center for Business Leadership</i>

### Department Chairs

Cosmetology .....	<i>Tonya S. Parks</i>
Culinary and Pastry Arts .....	<i>Erin Durkee</i>
Engineering, Construction, and Computer Technologies .....	<i>F. Edwin Spitler, Jr.</i>
English and Humanities .....	<i>Susan S. Grine</i>
Fine Arts .....	<i>Dr. Andrew Ryan Book</i>
Health Sciences .....	<i>Susan Senior</i>
Management and Business Technologies .....	<i>Dr. D. Kirk Lynch</i>
Mathematics .....	<i>John Williamson</i>
Nursing .....	<i>TBA</i>
Public Service .....	<i>Susan Wright</i>
Science .....	<i>Michelle Hatley</i>
Social and Behavioral Sciences .....	<i>Dr. Maulin Chris Herring</i>
Transportation Services .....	<i>Brian Garner</i>

### Faculty

**Please note:** *Faculty names marked with an asterisk are retired professors employed as adjunct instructors.*

Allen, Abbe .....	<i>History, Political Science, Fine Arts</i> B.A., Miami University; M.S.S., Ohio University; M.A., The Ohio State University
Allen, Samantha B. ....	<i>Program Coordinator, Therapeutic Massage</i> <i>and General Education in Therapeutic Massage</i> B.S., Eastern Kentucky University; M.A. Oriental Medicine, Southwest Acupuncture College
Allred, Allison B. ....	<i>Biology</i> B.S., University of North Carolina at Pembroke; M.A. Ed., Western Carolina University
Babb, Jackie M. ....	<i>Program Coordinator, IT - Digital Media Production</i> A.A.S., Sandhills Community College; B.A., St. Andrews Presbyterian College

### **Distinguished Professors Emeriti**

Since its inception, Sandhills Community College has been blessed to secure the long-term commitment of caring and dedicated faculty. Among that group, these professors have achieved the rare distinction of serving the College in excess of thirty (30) years of full-time faculty service.

Such an achievement, and such a level of devotion to a single institution, is rare in any college or university, and Sandhills Community College has determined that such devotion should be recognized. Thus, the President of

---

 COLLEGE PERSONNEL
 

---

the College has bestowed upon the following faculty Distinguished Professor status in perpetuity. The professors are listed with their academic discipline.

Alex Cameron .....	<i>Automotive</i>
Sandhills Community College, Western Carolina University, NC State University	
Barbara Cole .....	<i>English and Humanities</i>
UNC at Greensboro	
Willie Gray Harris, Jr. ....	<i>Religion and Humanities</i>
High Point College, Southeastern Baptist Theological Seminary	
Timothy Howle .....	<i>Architectural Engineering</i>
Sandhills Community College	
Cynthia Kennedy .....	<i>Physical Fitness</i>
Appalachian State University, UNC Pembroke	
Richard N. Lewis, Jr. ....	<i>English and Humanities</i>
UNC at Chapel Hill	
John McInerney .....	<i>Mathematics</i>
Holy Cross College, UNC at Chapel Hill	
Judy McInerney .....	<i>Mathematics</i>
University of Chattanooga, UNC at Chapel Hill	
William Clifton Stuckey, III .....	<i>Fine Arts – Art</i>
East Carolina University	
Frances Wilson.....	<i>Fine Arts - Music</i>
Lenoir-Rhyne College, Appalachian State University	

### Adjunct Faculty

Shayonna Alexander .....	<i>Public Services</i>
Dr. Mamie Allen .....	<i>English and Humanities</i>
Marsha Apke.....	<i>Mathematics</i>
Mehera Ardinger.....	<i>Public Services</i>
Cassidy Asbury.....	<i>Health Sciences</i>
Jessica Ball.....	<i>Science</i>
Rosemary Barker.....	<i>Mathematics</i>
Indrayani Battle.....	<i>Social and Behavioral Sciences</i>
Julian Zapata Beltran.....	<i>English and Humanities</i>
Julie Bennett.....	<i>Health Sciences</i>
Kenneth Bier.....	<i>Transportation Services</i>
Dr. Jennifer Bittner.....	<i>Social and Behavioral Sciences</i>
Grace Elizabeth Bockoven .....	<i>Science</i>
Vanessa Botts.....	<i>English and Humanities</i>
Thomas Brady.....	<i>Public Services</i>
Becky Cameron.....	<i>Public Services</i>
Dixie Canady .....	<i>Health Sciences</i>
Stephen Carr.....	<i>Transportation Services</i>
Audrey Chambers .....	<i>Cosmetology</i>
Rodney Coe.....	<i>English and Humanities, University Studies</i>

---

Jerry Cole .....	<i>Public Services</i>
Arianna Cooper .....	<i>Cosmetology</i>
Dr. Cathy Cowling .....	<i>Engineering, Construction, and Computer Technologies</i>
Susan Crandall .....	<i>Nursing</i>
Mandy Croy .....	<i>English and Humanities</i>
Dena Cumberbatch .....	<i>Cosmetology</i>
Ronald Currie .....	<i>Health Sciences</i>
Deborah Davies .....	<i>Culinary and Pastry Arts</i>
Patricia DeGraffenreidt .....	<i>Health Sciences</i>
Dr. Garron Deshazer .....	<i>Science</i>
Tricia Donadio .....	<i>Health Sciences, Nursing</i>
Jack Douglas .....	<i>Engineering, Construction, and Computer Technologies</i>
Holly Eatmon .....	<i>Nursing</i>
Felicia Everts .....	<i>Culinary and Pastry Arts</i>
Lindsey Farmer .....	<i>English and Humanities</i>
Laura Farrell .....	<i>Mathematics</i>
Mary Fedele .....	<i>Management and Business Technologies</i>
Virginia (Ginny) Ferguson .....	<i>Engineering, Construction, and Computer Technologies</i>
Paul Gauthier .....	<i>Transportation Services</i>
Caitlin Gironda .....	<i>Fine Arts</i>
Samantha Godsey .....	<i>Mathematics</i>
Christine Harner .....	<i>Nursing</i>
Angela Heroux .....	<i>Nursing</i>
Ryan Hinesley .....	<i>Transportation Services</i>
Heather Hodge .....	<i>Nursing</i>
Aimie Hoover .....	<i>Public Services</i>
Caroline Hudson .....	<i>English and Humanities</i>
Daniel Hunt .....	<i>Health Sciences</i>
Micaela Hunt .....	<i>English and Humanities</i>
Shawn Jackson .....	<i>Science</i>
Jasmine Johnson .....	<i>Social and Behavioral Sciences</i>
Dr. Caitlin Jones-May .....	<i>Social and Behavioral Sciences</i>
Dr. Andrew Jung .....	<i>English and Humanities</i>
Hannah Keller .....	<i>English and Humanities</i>
Kimberly Kiesewetter .....	<i>Social and Behavioral Sciences</i>
Eric Kopecky .....	<i>Fine Arts</i>
Elizabeth Long .....	<i>English and Humanities</i>
Marciarose Long .....	<i>English and Humanities</i>
Dr. Denise Lowe .....	<i>English and Humanities</i>
Dr. Patricia Lyons .....	<i>English and Humanities</i>
Jennifer MacDonald .....	<i>Health Sciences</i>
Joe Mancos .....	<i>Health Sciences</i>
Haley Martin .....	<i>Management and Business Technologies</i>
Angela Matthews .....	<i>Fine Arts</i>
Dr. Carmen McCann .....	<i>Fine Arts</i>
Taylor McCaskill .....	<i>Public Services</i>

---

 COLLEGE PERSONNEL
 

---

Scott McGuire .....	<i>Public Services</i>
Matthew McLane .....	<i>Public Services</i>
Dr. Rufus McLean.....	<i>Science</i>
Dr. Jaime McLeod.....	<i>English and Humanities</i>
Kacey McLester .....	<i>Nursing</i>
Mark Melvin .....	<i>Public Services</i>
Lindsay Miller.....	<i>English and Humanities</i>
Lisa Moore.....	<i>Cosmetology</i>
Don-Carlos Moniz.....	<i>Transportation Services</i>
Rita Oldham .....	<i>Management and Business Technologies</i>
Jean Ontiveros-Squier .....	<i>Mathematics</i>
Judy Osborne .....	<i>Fine Arts</i>
Alison Parker .....	<i>English and Humanities</i>
Dr. Robert Patrick .....	<i>Social and Behavioral Sciences</i>
Kim Pennington .....	<i>Nursing</i>
Herb Pike .....	<i>Health Sciences</i>
Nicolas Polidori.....	<i>Public Services</i>
Leah Popoca.....	<i>Health Sciences</i>
Tramaine Pride.....	<i>Health Sciences</i>
John Regan.....	<i>Social and Behavioral Sciences</i>
Ryan Riggan.....	<i>Health Sciences</i>
Dr. Rebecca Rodriguez .....	<i>Engineering, Construction, and Computer Technologies</i>
Mercedes Saulsbury .....	<i>Health Sciences</i>
Tenille Shriver.....	<i>Engineering, Construction, and Computer Technologies</i>
Amber Simpson.....	<i>English and Humanities</i>
Dr. Frances Sinclair.....	<i>Fine Arts</i>
Jordan Smith .....	<i>Public Services</i>
Michael E Smith.....	<i>Social and Behavioral Sciences</i>
Chantel Stanfield.....	<i>Nursing</i>
Kathryn Stephens .....	<i>Science</i>
Dr. Daniel Stewart.....	<i>English and Humanities</i>
Arnetta Sturdivant .....	<i>Health Sciences</i>
Dr. Karen Tharrington.....	<i>English and Humanities</i>
Robert Thome .....	<i>Social and Behavioral Sciences</i>
Dr. David Townsend .....	<i>English and Humanities</i>
Paula Tugman .....	<i>Nursing</i>
Ronald Turk .....	<i>Public Services</i>
Silke Turner .....	<i>Health Sciences</i>
Allison Vetter.....	<i>Mathematics</i>
Heather Weeks .....	<i>English and Humanities</i>
Denetric Williams .....	<i>Public Services</i>
Anna Yeatts.....	<i>Science</i>

### Academic Support

Wendy Kauffman.....	<i>Dean of Academic Support</i>
---------------------	---------------------------------

Crystal Cumbee.....	<i>eLearning Instructional Designer &amp; Data Specialist</i>
Kadesia Durham.....	<i>eLearning Support Specialist</i>
Scott Robinson.....	<i>Assistant Director of eLearning and Online Accessibility</i>
Whitney Cherekos.....	<i>Coordinator, Tutoring</i>

## Athletics

Michael Apple.....	<i>Athletic Director</i>
Alicia Riggan.....	<i>Assistant Athletic Director</i>
Ryan Riggan.....	<i>Assistant Athletic Director</i>

## Buildings and Grounds Maintenance

Steven Garner.....	<i>Facilities Director</i>
Kenneth Dowdy.....	<i>Construction &amp; Safety Coordinator</i>
Dennis Holder.....	<i>Maintenance Director</i>
Charla Matthews.....	<i>Administrative Assistant</i>
Ellen Spencer.....	<i>Office Coordinator</i>

### DAY STAFF

Jeremy Beal.....	<i>Fleet Mechanic/Locksmith</i>
Jonathan Black.....	<i>General Maintenance</i>
George Bridschge.....	<i>General Maintenance</i>
Thomas Burns.....	<i>Grounds Maintenance</i>
Addison Cagle.....	<i>Grounds Maintenance</i>
David Clevenger.....	<i>Lead Maintenance Technician</i>
Kenneth Collins.....	<i>Housekeeping Director</i>
J.P. Easterly.....	<i>Mail/Shipping/Receiving Clerk</i>
Daniel Kennedy.....	<i>Grounds Maintenance</i>
Mark Pracht.....	<i>Maintenance Grounds Supervisor</i>
Frederick Ray.....	<i>Housekeeping Event Technician</i>
Jarvis Smith.....	<i>HVAC Technician</i>
Hilda Swinnie.....	<i>Housekeeping Technician</i>
Darren Taylor.....	<i>Structural Maintenance</i>
David Townsend.....	<i>Structural Maintenance</i>
Phillip Williams.....	<i>Housekeeping and Set-up Technician</i>

### EVENING STAFF

Glen Barner.....	<i>Evening Housekeeping Floor Technician</i>
Phillip Dorsey.....	<i>Evening Housekeeping Technician</i>
David Horton.....	<i>Evening Housekeeping Supervisor</i>
Jarris McNeill.....	<i>Evening Housekeeping Supervisor</i>
Derwin Royster.....	<i>Evening Housekeeping Technician</i>
Ricky Stephens.....	<i>Evening Housekeeping Technician</i>
Michael Watts.....	<i>Evening Housekeeping Technician</i>

---

 COLLEGE PERSONNEL
 

---

### **Business Office and Finance**

Elizabeth Thomas .....	<i>Associate Vice President for Finance and Chief Financial Officer</i>
Traci Batson .....	<i>Accounts Payable Manager</i>
Tara Jarrell .....	<i>Payroll Accountant</i>
Stephanie Lang .....	<i>Director of Business Services/Purchasing</i>
Taylor Murphy .....	<i>Finance Business Analyst</i>
Dan Shea .....	<i>Printing Services Coordinator; Inventory Control Specialist</i>
Karen Walker .....	<i>Controller</i>
Tess Weber.....	<i>Business Office Manager</i>

### **Campus Police and Public Safety**

Dwight Threet .....	<i>Director of Police and Public Safety</i>
Rodney Allred.....	<i>Campus Police Officer – Hoke Center</i>
Rick Bickel .....	<i>Emergency Preparedness/Campus Police Officer</i>
Walter Rea .....	<i>Campus Police Officer – Hoke Center</i>
Jessica Smith.....	<i>Campus Police Officer</i>
Cindy White .....	<i>Campus Police Officer</i>

### **Career and College Promise**

Kimberly McMillan .....	<i>Associate Dean of Instruction</i>
Lisa Davis .....	<i>Career and College Promise Coordinator, Hoke County</i>
Elizabeth Yarrington.....	<i>Career and College Promise Coordinator, Moore County</i>

### **Hoke County Center**

Dr. Twana McKnight .....	<i>Associate Vice President of the Hoke Center</i>
Rodney Allred.....	<i>Campus Police Officer</i>
Obie Blue .....	<i>Maintenance/Grounds Technician</i>
Delia Burnett.....	<i>Coordinator, Career and College Readiness, Hoke Center</i>
Lisa Davis .....	<i>Career and College Promise Coordinator, Hoke County</i>
Margaret Dousharm .....	<i>Instructor, Nursing Assistant Program</i>
Rosa McAllister-McRae ...	<i>Director of Student Services, Hoke Center/ Personal Counselor</i>
Kelly Peele.....	<i>Program Associate</i>
Walter Rea .....	<i>Campus Police Officer</i>
Diane Reynolds .....	<i>Program Coordinator</i>

### **Human Resources**

Chreatha Alston .....	<i>Senior Director of Human Resources</i>
Emily Alston .....	<i>Human Resources Specialist</i>
Estefany Guerrero .....	<i>Human Resources Specialist</i>

### **Information Technology Services**

Roderick B. Brower .....	<i>Chief Information Officer</i>
--------------------------	----------------------------------

Billy Barber .....	<i>Information Technology Analyst II-Support</i>
Julian Carrington.....	<i>Information Technology Analyst II-Support</i>
Jeremy Chase Ferguson.....	<i>Information Technology Support Specialist</i>
Juan Danny Garcia .....	<i>System Analyst</i>
Brandon Hussey .....	<i>Network Administrator</i>
Donald Crump Karst .....	<i>Telecommunications Coordinator</i>
Jose Cruz Martinez.....	<i>Network Analyst/Security</i>
Jonathan McLeod .....	<i>Director of IT Infrastructure</i>
Jose Perez.....	<i>CIS System Administrator</i>
Tara Taylor.....	<i>Receptionist/Switchboard Operator</i>
Charlotte Tomeski.....	<i>Receptionist/Switchboard Operator</i>
Suzanne Via .....	<i>Director of Technology Support</i>

### **Instructional Support**

Mary Lou Coffey .....	<i>BLET Records Management Specialist</i>
Lauren Easterly .	<i>Coordinator, Instructional Support and Student Engagement, Logan Hall</i>
Virginia Ferguson	<i>Coordinator, Instructional Support and Student Engagement, Steed and</i>
.....	<i>Sirotek Hall</i>
Cathy McLean .....	<i>Faculty Secretary</i>
Nichole Stiff.....	<i>Faculty Secretary</i>
James Jones .....	<i>Coordinator, Instructional Support and Student Engagement, Little Hall</i>

### **Learning Resources**

#### **(Boyd Library and Learning Resources Computer Lab)**

Tammy Stewart.....	<i>Dean of Learning Resources &amp; Head Librarian</i>
Winnie Barnes .....	<i>Technical Service Supervisor</i>
Carl Danis .....	<i>Associate Dean of Library Resources</i>
Judy Hines .....	<i>Director of Learning Resources Computer Lab</i>
Brenda Quick .....	<i>Director of Circulation Services</i>

### **Planning and Research**

Lindsey Farmer .....	<i>Dean of Planning and Research/SACSCOC Liaison</i>
Brittany D'Agostino .....	<i>Data Analyst</i>
Stephanie Miller.....	<i>Research and Assessment Analyst</i>

### **Student Services and Enrollment Management**

Dr. DJ Farmer .....	<i>Vice President of Student Services and Enrollment Management</i>
Kimberly Aliago .....	<i>College Navigator</i>
Sarah Barber.....	<i>Financial Aid Associate</i>
Jean Blue.....	<i>Director of Records and Registration</i>
Susan Carmac.....	<i>Records and Registration Associate</i>
Dana Diaz Cuellar.....	<i>Director of Student Life</i>
Jami Dandridge .....	<i>Director of Financial Aid and Veterans Affairs</i>

---

 COLLEGE PERSONNEL
 

---

Dave Daniels.....	<i>Veterans Affairs Coordinator</i>
Emily Davis .....	<i>Transfer Advisor</i>
Lisa Davis .....	<i>Career and College Promise Coordinator, Hoke County</i>
Jennifer Fields.....	<i>Administrative Assistant to the VP of Student Services and</i> <i>Enrollment Management</i>
Laura Flynn.....	<i>Assistant Director of Records and Registration</i>
Linda Fowler.....	<i>Records and Registration Associate</i>
Jonathan Garrison .....	<i>Director of Sandhills Promise, Scholarships, and Recruitment</i>
Cary Greene .....	<i>Director of Purpose Center</i>
Tonelli Hackett .....	<i>Special Populations Advocate</i>
April Ikner.....	<i>Director of Student Onboarding and Engagement</i>

 ..... *Dedman Center for Business Leadership*

## COMPLIANCE STATEMENTS

Sandhills Community College is committed to the elimination of all discrimination based on race, color, national origin, religion, sex, age, sexual orientation, gender identity, or disability. While aware that the College bears a significant responsibility for aggressively pursuing an equal opportunity policy designed to ensure the employment of qualified men and women, Sandhills Community College is also firmly committed to day-by-day policies that ensure that students, faculty, and staff members of any race, color, national or ethnic origin, ancestry, age, religion or religious creed, disability or handicap, sex or gender, gender identity and/or expression (including a transgender identity), sexual orientation, military or veteran status, genetic information, or any other characteristic protected under applicable federal, state or local law will receive fair, courteous, and congenial treatment commensurate with the atmosphere of the College as a whole. Denial of such treatment to any individual on the Sandhills campus will not be tolerated.

In terms of hiring practices, the College has established policies and procedures to ensure that no person who is qualified shall be excluded from employment on the basis of any race, color, national or ethnic origin, ancestry, age, religion or religious creed, disability or handicap, sex or gender, gender identity and/or expression (including a transgender identity), sexual orientation, military or veteran status, genetic information, or any other characteristic protected under applicable federal, state or local law. In addition, Sandhills has established a college-wide outcome that states, "The diversity of Sandhills faculty and staff will reflect the respective diversity in the college service areas of Moore and Hoke Counties." Employees should at least be equal to their proportionate representation in the relevant labor markets for faculty, administrative, and non-academic staff positions. This outcome has been approved by the Trustees of the College. The President of the College shall oversee and monitor the use of this outcome assessment through the Senior Director of Human Resources in cooperation with the faculty and staff.

Equal employment opportunity is viewed as an integral part of the mission and purpose of Sandhills Community College. The College is dedicated to the upward mobility and advancement of all people within its reach and seeks to comply with all federal, state, and local statutes, regulations, and orders, including those that promote equal protection and equal opportunity for students, employees, and applicants.

It shall be the policy of Sandhills Community College to comply with all federal and state statutes that are pertinent to the operation of institutions of higher learning. These statutes include but are not limited to those listed on the following pages.

### **Civil Rights Act of 1964**

Sandhills Community College complies with the Civil Rights Act of 1964, which prohibits discrimination based on race, color, religion, sex, national origin, sexual orientation, and gender identity in programs and activities.

### **Age Discrimination in Employment Act of 1967**

Sandhills Community College complies with the Age Discrimination in Employment Act of 1967 (ADEA), which protects certain applicants and employees 40 years of age and older from discrimination on the basis of age in hiring, promotion, discharge, and compensation; or in the terms, conditions, and privileges of employment.

### **Age Discrimination Act of 1975**

Sandhills Community College complies with the Age Discrimination Act of 1975, which prohibits discrimination on the basis of age in programs and activities receiving federal financial assistance. The Act, which applies to all ages, permits the use of certain age distinctions and factors other than age that meet the Act's requirements.

### **Occupational Safety and Health Act of 1970**

Sandhills Community College complies with the Federal Occupational Safety and Health Act of 1970 (PL 91-596). The College shall comply with occupational safety and health standards and all rules, regulations, and orders issued pursuant to college policies developed for the purpose of implementation of the Act.

### **Hepatitis B Vaccine Policy**

Sandhills Community College complies with OSHA regulations requiring that college employees who may encounter occupational exposure to Hepatitis B through contact with blood and/or other bodily fluids be provided – at no cost– the Hepatitis B vaccine.

### **Section 504 of the Rehabilitation Act of 1973**

Sandhills Community College provides equality of treatment and access for disabled students as required by Section 504 of the Rehabilitation Act of 1973, which guarantees protection of disabled persons against discrimination. Employees and students are expected to assist disabled students in ways that will facilitate their participation in campus life and their access to programs and activities.

### **Pregnancy Discrimination Act of 1973**

Amendment to Title VII of the Civil Rights Act of 1964 to prohibit sex discrimination on the basis of pregnancy (P.L. 95-555).

### **The Genetic Information Nondiscrimination Act of 2008 (GINA)**

To prohibit discrimination on the basis of genetic information with respect to health insurance and employment.

### **Family Educational Rights and Privacy Act of 1974**

#### **Definition of the Law**

The Family Educational Rights and Privacy Act of 1974 (FERPA) protects the privacy and accessibility rights of eligible students enrolled in a postsecondary institution in relation to their education records.

- “Eligible student” is defined as a student 18 years of age or older, or a student who enters a postsecondary institution at any age.
- “Education record” is defined as those records that contain information directly related to the student and that are maintained by the educational institution.

#### **Specific FERPA Rights**

The law provides eligible students with specific rights under FERPA:

- The right to inspect and review information contained in their education records within 45 days after the institution receives the request.
- The right to challenge the contents of their education records, which are believed to be inaccurate, misleading, or in violation of the student’s privacy right under FERPA.
- The right to have a hearing if the outcome of the challenge is unsatisfactory.
- The right to submit explanatory statements for inclusion in their files if they feel that the decisions of the hearing panel are unacceptable.
- The right to file a complaint with the U.S. Department of Education (Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue SW, Washington, DC, 20202) concerning alleged failures by the institution to comply with FERPA requirements.
- The right to provide written consent prior to the institution disclosing personally identifiable information from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

#### **Limitations for Record Review**

Students may not inspect and review the following:

- Education records of other students, even if they are contained within the same record of the student requesting the review
- Financial information, including parental records
- Confidential letters and recommendations associated with admission, employment, or academic honors

### **Directory Information**

FERPA permits the release of some general student information known as “directory information” without written approval of students.

Sandhills Community College considers the following directory information:

- The student’s name
- City and county of residence
- Photograph
- Major field of study
- Participation in officially recognized activities and sports
- Dates of attendance
- Grade level
- Degrees, honors, and awards received
- The most recent educational agency or institution attended by the student
- Student email address

Students who do not want any or all of this information released to the general public must sign a request form in the Office of Records and Registration no later than two (2) weeks after the first day of class each semester.

### **Third Parties Exempt from Consent Requirements**

The College does not provide access to or disclose a student’s education records to third parties without the student’s written consent except in cases of:

- Authorized personnel within the institution, including administrators, faculty, and staff members with legitimate educational interest seeking to fulfill their job responsibilities.
- Authorized officials of other institutions in which student seeks to enroll.
- Persons or organizations providing the student financial aid.
- Accrediting agencies carrying out their accreditation function.
- Persons involved in an emergency situation in order to protect the health or safety of students or of other persons.
- Persons in compliance with a judicial order or lawfully issued subpoena.
- Federal, state and local authorities involved in the audit or evaluation of compliance with educational programs.

---

**COMPLIANCE STATEMENTS**

---

- Organizations conducting studies for or on behalf of the institution.
- Parents of a dependent student as defined by the IRS for tax purposes.
- Directory information being released
- An alleged victim of a violent crime or non-forcible sex offense, to whom the results of a disciplinary hearing may be disclosed.
- Parents of a student related to the student's violation of any Federal, State, local or institutional law or policy regarding the use or possession of alcohol or controlled substance if the student perpetrated a disciplinary violation, as determined by the institution, and the student is under that age of 21 years of age.

**Personnel Contact Information**

- The Director of Records and Registration directs the procedures for students interested in inspecting or reviewing their education records and for student who do not want their directory information released by the institution.
- The Administrative Assistant to the Vice President of Student Services & Enrollment Management has been designated by the College to consider and coordinate inspection and review requests from third parties for students' educational records.
- The Administrative Assistant to the Vice President of Student Services & Enrollment Management oversees the process and maintains the records of FERPA release forms for eligible students.

**Drug-Free Workplace Act and the Drug-Free Schools & Communities Act of 1988**

In accordance with the Drug-Free Workplace Act of 1998 and the Drug-Free Schools and Communities Act of 1989 (Public Law 101-226), as well as the Underage Drinking Laws and the laws of the state of North Carolina, the College has endorsed the following drug and alcohol policy.

The abuse and use of drugs and alcohol are subjects of immediate concern in our society. These problems are extremely complex and ones for which there are no easy solutions.

From a safety perspective, the users of drugs or alcohol may impair the well-being of all employees, students, and the public at large; drug and alcohol uses may also result in damage to college property. Therefore, it is the policy of this College that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance or alcohol is prohibited while in the workplace, on college premises, or as part of any college-sponsored activities. Any employee or student violating this policy will be subject to disciplinary action up to and including termination or expulsion and referral for prosecution.

The specifics of this policy are as follows:

1. Sandhills Community College does not differentiate between drug users or sellers. Any employee\* or student who possesses, uses, sells, gives, or in any way transfers a controlled substance to another person or manufactures a controlled substance while in the workplace, on college premises, or as part of any college-sponsored activity will be subject to disciplinary action up to and including termination or expulsion and referral for prosecution.
2. The term “controlled substance” means any drug listed in 21 CFR PART-1308 and other federal regulations, as well as those listed in Article V, Chapter 90 of the North Carolina General Statutes. Generally, these are drugs that have a high potential for abuse. Such drugs include, but are not limited to, heroin, marijuana, cocaine, PCP, and “crack.” They also include “legal drugs” that are not prescribed by a licensed physician.
3. If any employee or student is convicted of violating any criminal drug statute while in the workplace, on college premises, or as part of any college-sponsored activity, the employee will be subject to disciplinary action up to and including termination or expulsion. Alternatively, the College may require the employee or student to successfully finish a drug abuse program sponsored by an approved private or governmental institution as a precondition for continued employment or enrollment at the College.
4. Each employee or student is required to inform the College, in writing, within five (5) days after they are convicted for violation of any federal, state, or local criminal drug statute wherein such violation occurred while in the workplace, on college premises, or as part of any college-sponsored activity. A conviction means a finding of guilt (including a plea of *nolo contendere*) or the imposition of a sentence by a judge or jury in any federal or state court. Students may lose federal student aid eligibility as a result of drug violations. The institution must provide notice describing the ways in which the student can regain eligibility.
5. Convictions of employees working under federal grants, for violating drug laws in the workplace, on college premises, or as part of any college-sponsored activity shall be reported to the appropriate federal agency. The Senior Director of Human Resources must notify the U. S. government agency with which the grant was made within ten (10) days after receiving notice from the employee or otherwise receives actual notice of a violation of a criminal drug statute occurring in the workplace. The College shall take appropriate disciplinary action within 30 calendar days from receipt of notice. As a condition of further employment on any federal government grant, the law requires all employees to abide by this policy.

---

**COMPLIANCE STATEMENTS**

---

6. Any employee or student who unlawfully possesses, uses, sells, or transfers alcoholic beverages to another person while in the workplace, on college premises, or as part of any college-sponsored activity will be subject to disciplinary action up to and including termination or expulsion and referral for prosecution.
7. If an employee or student is convicted of violating any alcoholic beverage control statute while in the workplace, on college premises, or as part of any college-sponsored activity, they will be subject to disciplinary action up to and including termination or expulsion. Alternatively, the College may require the employee or student to complete successfully an alcoholic rehabilitation program sponsored by an approved private or governmental institution as a precondition for continued employment or enrollment at the College.
8. The term “alcoholic beverage” includes beer, wine, whiskey, and any other beverage listed in Chapter 18B of the General Statutes of North Carolina.
9. Each employee or student is required to inform the College, in writing, within five (5) days after they are convicted of any alcoholic beverage control statute where such violation occurred while in the workplace, on college premises, or as part of any college-sponsored activity.

\*Students employed under the College Work Study Program are considered to be employees of the College if the work is performed for the College in which the student is enrolled. For work performed for a federal, state, local public agency, a private non-profit or a private for-profit agency, students are considered to be employees of the College unless the agreement between the College and the organization specifies that the organization is considered to be the employer.

**Educational Programs & Activities:** The College provides a variety of opportunities for students to learn more about the dangers of alcohol and drug abuse.

1. Annual written notification during registration informing every student of the college policy concerning alcohol and substance abuse.
2. A variety of special events, speakers, workshops, and programs that address current issues as related to alcohol and substance abuse.
3. Academic courses in health, physical education, and wellness.
4. Academic courses in drug abuse prevention, chemical dependency, and family therapy.
5. Academic courses in student success.

**Counseling Provisions:** In addition to providing counseling for students with alcohol/drug-related problems by members of the counseling staff of the Student Services Division, the College also provides the following assistance to those with abuse issues.

- Referral resource for students requiring long-term counseling or hospitalization
- Schedules for area meetings of AA, NA, Al-Anon support groups
- Schedule AA meeting on campus upon request
- Materials for dissemination on related topics

### **Student Right-to-Know, the Campus Crime and Security Act, and the Jeanne Clery Act**

Sandhills Community College fully complies with the disclosure and reporting requirements of the Student Right-to-Know, the Campus Crime and Security Act of 1990, and the Jeanne Clery Act, 1990, amended 1992, 1998, and 2000. These requirements include graduation or completion rates, campus security policies and procedures, and statistical reports on security matters. The Jeanne Clery Act expands on the security requirements and affords victims of campus sexual assault certain basic rights. SCC stands in full compliance with this Act.

The SCC sexual assault policy is detailed in the Sandhills Community College *Catalog* and in the *Policy and Procedures Manual*. It is also published online at [www.sandhills.edu](http://www.sandhills.edu). Further information or copies of this policy can be obtained by calling 910-692-6185.

The College endeavors to provide an environment that is safe for all students, faculty, staff, and visitors. Under the reporting provisions of the Student Right-to-Know, the Campus Crime and Security Act, and the Clery Act, the College is required to provide information about serious crimes on campus, as defined by the Act, which have occurred within the last three years. A full copy of the college's annual report on this subject is available free of charge to all students, potential students, and other interested parties. Those interested are invited to call the College at 910-692-6185. The full annual security report is also published online at [www.sandhills.edu](http://www.sandhills.edu).

### **Violence Against Women Act and the Sexual Violence Elimination (SaVE) Act**

The College complies with the Violence Against Women Act (1994; Renewed 2013, reauthorized in 2021) and the SAVE Act in providing campus awareness of these acts. "SaVE requires that incidents of domestic violence, dating violence, sexual assault, and stalking be disclosed in annual campus crime statistic reports. Additionally, students or employees reporting victimization will be provided with their written rights to:

- Be assisted by campus authorities if reporting a crime to law enforcement;

---

## COMPLIANCE STATEMENTS

---

- Change academic, living, transportation, or working situations to avoid a hostile environment;
- Obtain or enforce a no contact directive or restraining order;
- Have a clear description of their institution’s disciplinary process and know the range of possible sanctions;
- Receive contact information about existing counseling, health, mental health, victim advocacy, legal assistance, and other services available both on-campus and in the community.”

Students may reference information about sexual violence at <http://www.sandhills.edu/safety-security/what-is-sexual-assault/>.

### **IPEDS Graduation Rate**

To determine its graduation rate, Sandhills Community College used the Federal cohort of students who entered fall 2019 as first-time diploma or degree-seeking full-time students and who graduated by August 2022. This graduation rate was 40%.

This rate is comparable with those of other community colleges. Students enrolled in community colleges often take several years to complete a degree as they balance studies with employment and other activities. Some choose to transfer instead of completing a degree.

### **Americans with Disabilities Act (ADA)**

Sandhills Community College seeks to comply fully with the Americans with Disabilities Act (ADA), enacted July 26, 1991, as an extension of the Civil Rights Act of 1964 to the disabled and as amended in 2009 and 2011. The College is committed to removal of physical barriers, psychological barriers, and policies or procedures that hinder full access to enrollment or employment opportunities.

The Office of Disability Services also manages services for disabled students. Responsibilities of this office include advising the administration concerning academic barriers and the adequacy of policies and procedures for protecting and providing access for disabled students and prospective students, planning and developing training for ADA awareness concerning accommodations for the disabled, and providing suggestions for “reasonable accommodations” to faculty and staff members.

The College expects that all students and employees will be aware of, and sensitive to, the needs of persons with disabilities and that the administration and staff will make every effort to make those “reasonable accommodations” that permit disabled persons to participate in the various programs and services offered by the College.

## **Procedure for Complaints of Discrimination**

In accordance with Federal and State Guidelines, any staff member or student who believes that a Sandhills Community College employee has discriminated against him/her on the basis of gender, gender identity, genetic information, or disability, thus violating Title IX of the Education Amendment Act of 1972 including the SaVE Act, which is an amendment to the Cleary Act regarding sexual assault and other intimate partner violence, Title VII of the 1964 Civil Rights Act (race, color, national origin, sexual orientation, and gender identity), The Pregnancy Discrimination Act, The Age Discrimination in Employment Act of 1967 (ADEA), Title I of the Americans with Disabilities Act of 1990 (ADA), Sections 501 and 505 of the Rehabilitation Act of 1973 (disability), and The Genetic Information Nondiscrimination Act of 2008 (GINA) may file a complaint.

Complainants should be made through our online Incident Reporting Form (<http://www.sandhills.edu/incident-reporting/>) or to the Senior Director of Human Resources, who is the designated Title IX Coordinator, at (910)246-2868 or at [scchr@sandhills.edu](mailto:scchr@sandhills.edu). The title IX policy and procedures are located at [www.sandhills.edu/title-ix/](http://www.sandhills.edu/title-ix/).

## **Constitution and Citizenship Day**

On September 17 of each year (or at the first opportunity should that date fall on a weekend), Sandhills Community College commemorates the September 17, 1787, signing of the United States Constitution by holding a variety of educational programs for students, faculty and staff. This Congressional initiative is authorized by Section 111 of Division J of Pub. L. 108-447, the Consolidated Appropriations Act, 2005, “Dec. 8, 2004.”

## **Public Complaints**

In accordance with its *Policies and Procedures Manual*, Sandhills Community College offers a range of policies and procedures to address both student and public complaints.

- The Student Grievance Policy,
- The Student Grievance Procedure,
- The Mission Statement commitment to public satisfaction with the practices of the institution, and
- The associated Public Complaint Policy.

## **Procedure for Responding to Public Complaints**

Sandhills Community College recognizes its obligation as a tax-supported member of the North Carolina Community College System (NCCCS) to provide the public the opportunity to direct both informal and formal complaints related to its adherence to its core values and its mission. To that

---

## COMPLIANCE STATEMENTS

---

end, the College has established the following procedure for addressing such complaints:

1. When a member of the public wishes to address an informal or formal complaint, that person should contact the Office of Human Resources, who will gather information as necessary and convene the appropriate dean or administrator from that area of the college to which the complaint is linked.
2. When possible, the Senior Director of Human Resources will convene the concerned parties to reach an informal resolution to the complaint. If an informal resolution cannot be reached, complainant will be apprised of his or her right to initiate a formal complaint.
3. The member of the public will draft and submit a letter to the Senior Director of Human Resources detailing the nature of the complaint. In instances in which the complaint is related to Human Resources, the letter should be submitted to the Chief Operating Officer.
4. The Senior Director of Human Resources will submit a written response to the complainant acknowledging receipt of that complaint and will provide a copy of the complaint and the written response to the academic or administrative officer under whose purview the complaint is directed.
5. In such cases, the administrative officer will gather information and provide a written response to the complainant within one week of receiving the complaint, addressing the issue and, where applicable, offering reasonable resolution to the complaint.
6. If the complainant is not satisfied with the response, the complainant may file a written complaint with the President. In such cases, the President will gather information and provide a final written response to the complainant.

Individuals are strongly encouraged to make every attempt to resolve matters through the aforementioned administrative processes. However, when matters cannot be resolved through these, the student or member of the public has these avenues of further recourse:

- For complaints associated with the institution's compliance with academic program quality, fulfillment of its mission, or adherence to accrediting standards, individuals should complete the Student Complaint Form (NCCCS) found at <https://www.sandhills.edu/wp-content/uploads/2017/02/Student-Complaint-Form-NCCCS.pdf> and send it to the NCCCS per directions in the text of the form.
- For issues related to compliance with SACSCOC accreditation standards or policies, individuals should follow SACSCOC's "Complaints Against SACSCOC or Its Accredited Institutions Policy," found at [www.sacscoc.org](http://www.sacscoc.org). Individuals must "attempt to resolve the issue through all means available to the complainant, including follow the institution's own published grievance

procedures, before submitting a complaint to SACSCOC.” Additionally, individuals must submit a formal, written complaint using SACSCOC’s Complaint Form, which is linked in the SACSCOC policy located at [www.sacscoc.org](http://www.sacscoc.org).

- Residents outside the state of North Carolina enrolled in online courses from SCC who wish to resolve a grievance should first follow the college’s student grievance procedure outlined in the college *Catalog*. If the complaint is still not satisfactorily resolved, the final step would be for the student to file a complaint with his or home state.

Each year, Sandhills Community College (Institution #199364) files an annual report via survey in accordance with the federal government’s Equity in Athletic Disclosure Act (outlined below):

### **Equity in Athletics Disclosure Act (EADA) Survey**

The *2014 Equity in Athletics Disclosure Act* is designed to make prospective students aware of a school’s commitment to providing equitable athletic opportunities for its men and women students. Any co-educational institution of higher education that participates in a federal student aid program must prepare an EADA report by October 15. Institutions must also report data to the U.S. Department of Education via this online survey. This is a mandatory survey.

Data collected in this survey will be published by the Office of Postsecondary Education on the Equity in Athletics *Data Analysis Cutting Tool* website located at <http://ope.ed.gov/athletics>.

As part of the federally mandated Equity in Athletics Disclosure Act, information about athletic programs available at the college – including annual coaching participation specifics – can be found by visiting <https://www.sandhills.edu/equity-in-athletics/>.

### **EADA and Title IX Compliance**

The data collected in this survey are provided by institutions in accordance with the EADA and may not be the same as data used for determining compliance with other Federal or state laws, including Title IX of the Education Amendments of 1972.

The compiled data for the most recent academic term is posted on the SCC website so that students and the public have access to this information related to SCC compliance; it is updated prior to October 1<sup>st</sup> each year.

### **Completion/Graduation and Transfer-Out Rates for Students Receiving Athletics-Related Student Aid**

Information on Sandhills Community College's completion/graduation, retention, and transfer-out rates can be found by visiting the National Center for Education Statistics website at <https://nces.ed.gov/collegenavigator/?q=sandhills+community+college&s=NC&id=199634>.

Graduation and Transfer-out rates must be provided to student-athletes, their parents, high school coaches, and guidance counselors when an athletics-related student aid offer is made. As an NJCAA Division III institution, Sandhills Community College does not offer financial aid to student based on athletic ability. For more information, please contact the Athletic Director at (910) 246-2864.

### **The Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA 38 U.S.C. 4301-4335)**

The Uniformed Services Employment and Reemployment Rights Act of 1994 was passed by U.S. Congress and signed into law by U.S. President Bill Clinton on October 13, 1994, to protect the civilian employment of active and reserve military personnel in the United States called to active duty. USERRA is a federal statute that protects servicemembers' and veterans' civilian employment rights. Among other things, under certain conditions, USERRA requires employers to put individuals back to work in their civilian jobs after military service.

### **Immigration Reform and Control Act (IRCA) of 1986**

The Immigration Reform and Control Act (IRCA) was passed by Congress in 1986 and signed into law by President Ronald Reagan on November 6, 1986. The law made it illegal for employers to knowingly hire individuals unauthorized to work in the United States and established a system for verifying the legal status of employees.

### **State Authorization**

Sandhills Community College has been approved by North Carolina to participate in the National Council for State Authorization Reciprocity Agreements (NC-SARA). SARA is an agreement among member states, districts, and territories that establishes comparable national standards for interstate offering of postsecondary distance education. SCC is approved to serve students in all 50 states, the District of Columbia, Puerto Rico and the U.S. Virgin Islands (St. Thomas, St. Croix, and St. John).

Students who live in a state or pursue programs of study other than those for which we are approved will be admitted to SCC but will not be allowed to register until authorization has been obtained. Students are encouraged to consult with their state prior to enrolling in programs that require licensure or certification.

Sandhills Community College determines a student's location for the purposes of state authorization at the time of a student's initial enrollment. If a student's location changes, a Change of Student Information Form is completed by the student and is processed by the Registrar's Office.
