CAREER TECHNICAL PATHWAYS - CAREER AND COLLEGE PROMISE

Career Technical Pathway Career and College Promise (CTE CCP)

Students may earn college credits toward a credential, certificate or diploma in a technical career. Curriculum Career Technical Pathways take the form of certificates which may be completed while in high school. These pathways allow students to explore potential career areas. Courses may be offered on one of the SCC campuses, on one of the high school campuses or online. Not all courses are offered at all of the high schools. A description of the curriculum standards can be found under the specific program in the Applied Science programs section of this Catalog.
