

**Adopted: 09-10-2025**

## **I. OVERVIEW**

The College's technology systems include technology hardware, electronic mail and other forms of electronic communications, Internet access and use of computing devices. As the owner of property and services, the College has the right to monitor activities and to access information on the College's technology systems stored, sent, created or received by faculty, staff, students or other users. Any individual using the College's technology systems should not expect individual privacy in their use of the technology systems including, but not limited to, the use of the College's electronic mail system.

When using the College's technology systems, all users shall adhere to the College's information technology policies and procedures.

## **II. PUBLIC AND CONFIDENTIAL RECORDS**

Unless otherwise confidential by law, records generated using the College's technology systems are considered public records and must be maintained as public records pursuant to the College's policies and procedures. Student education records and certain personnel information are protected by law and are confidential.

## **III. EMPLOYEE USE OF TECHNOLOGY SERVICES**

Employees using College technology hardware, software, or systems should adhere to the following guidelines.

- A. Employees shall adhere to Procedure 9.2.3 – Internet and Network Acceptable Use Policy.
- B. Portable computing devices, such as laptops or tablets, shall
  - 1. Use encryption or other measures to protect confidential information, including personal information, from unauthorized disclosure;
  - 2. Be labeled with tamper-resistant tag, permanently engraved label or ID number, or both identifying the device as the College's property;
  - 3. Be used in compliance with all applicable security requirements for the College's computers; and
  - 4. Include Bitlocker password on such devices, if applicable.

- C. The College's mobile technology equipment, such as laptops and tablets, may be used at home by College personnel provided:
  - 1. Use of the equipment at home will not interfere with the College's operational needs;
  - 2. Supervisor approval;
  - 3. Personnel return items to campus upon request for system maintenance, upgrades, inventory, and verification.
- D. The College's Information Technology Services Department ("ITS") maintains all of the College's technology equipment. ITS supports the use and setup of the College's technology equipment on Internet, network and computing resources owned, maintained, and authorized by the College.
- E. The College recognizes that employees may occasionally receive personal email on College computers, use College equipment to complete an online course and for other personal reasons. Personal use of College computers and equipment is acceptable provided that employees adhere to the following:
  - 1. Personal use may not interfere with the College's operational needs;
  - 2. Equipment may not be checked out or borrowed solely for the purpose of personal use;
  - 3. Users understand that data stored on College equipment or sent using College email or other communication methods is not private;
  - 4. Users will adhere to all state and federal laws and the College's policies and procedures;
  - 5. Equipment or information resources are not used for illegal, malicious or obscene purposes;
  - 6. Equipment or information resources are not used to seek or exchange electronic information or software unrelated to one's job duties and responsibilities;
