

9.1.1 Information Technology Resources Allocation

Status: *Rescinded and Archived*

Rescinded Date: 8-6-2025

Revised: October 1, 2012; October 1, 2018

Edited for grammar: December 2013

The allocation of technology resources is prioritized to support the main educational goals of the college with targeted areas of concern. The policy is evaluated annually by the Integration Technology Committee and through the review process of the *Policy and Procedures Manual*.
