

To ensure the College's mission statement remains aligned with the mission of the North Carolina Community College System and fulfills the statutory purpose outlined in NCGS §115D-1.

The College shall periodically review its mission statement to ensure continued relevance and alignment with the mission of the North Carolina Community College System.

Any proposed revisions to the mission statement shall be reviewed through the College's institutional planning and effectiveness process and submitted to the Board of Trustees for approval.

The College President or designee shall ensure that the mission statement review process and approvals are documented and retained as part of the College's official records of institutional effectiveness and accreditation compliance.
