Ordinance Governing Traffic, Parking, and Registration of Motor Vehicles

Be it resolved that, pursuant to the authority vested in it by Chapter 115D-21 of the General Statutes of North Carolina, the Board of Trustees of Sandhills Community College adopts and records in its proceedings the following rules governing parking, traffic, and registration of motor vehicles on the campuses of Sandhills Community College.

These regulations are intended only to supplement the Motor Vehicle Laws of North Carolina, all provisions of which, under the terms of the above statute, now apply to the campuses of Sandhills Community College. From the date of the filing of these regulations in the Office of the Secretary of State, they shall apply to and be in effect on the streets, roads, sidewalks, walkways, parking spaces, parking areas, and parking lots on all parts of the campuses of Sandhills Community College.

The safety of our students, staff and faculty is a primary concern. The Sandhills Community College Police Department is a fully sanctioned law enforcement agency and sworn officers have full powers of arrest pursuant to North Carolina General Statute 115D-21.1.

Repeat offender: Any person committing three (3) or more traffic or parking violations within an academic year.

Student: Any person registered or enrolled in a full or part-time academic study who is not an employee.
**Visitor:** Any person not identified as an employee or student according to the definitions above.

**Parking Permit/Decal:** A sticker or temporary parking card from Sandhills Community College bearing printed message, including expiration date, giving permission to park in designated parking areas.

**Section 2. Authority**

As approved by North Carolina General Statutes, Chapter 115D-21, the Board of Trustees of Sandhills Community College through their designee, Executive Vice President, shall be responsible for the registration, flow, and parking of vehicles on property; that is owned or leased in whole or in part by the State of North Carolina, and under control of the Board of Trustees of Sandhills Community College. Notwithstanding the above, the Police Department shall be responsible for the registration of student vehicles. The provisions of the regulations shall apply to the operators of all vehicles operated on any Sandhills Community College campuses and shall be in effect 24 hours a day, except as herein provided.

**Liability:** Sandhills Community College assumes no liability or responsibility for damage to or theft of personal property of any vehicle parked, or in operation, on the properties leased by or under the control of the Board of Trustees of the College.

**Section 3. Violation of Ordinance**

In addition to the criminal penalties set out by the North Carolina General Statutes, any person violating this or any regulation issued hereunder is subject to a civil penalty as set forth in this Ordinance.

**Rules of Evidence:** When a vehicle is found to be in violation of this Ordinance, it shall be considered prima facie evidence that the vehicle was parked:

- By the person holding the College parking permit for that vehicle, or
- By the person on file as owner of said vehicle with the North Carolina Division of Motor Vehicles or corresponding agency of another state.

**ARTICLE II. VEHICLE REGISTRATION AND PARKING PERMITS**

**Section 1. Permit Eligibility**

**General Provision:** All faculty, staff, and students in good standing with the college are eligible for and may obtain a parking permit. Motor vehicles parked on campus by students, faculty, or staff must be registered with the college and must display a valid, official Sandhills Community College vehicle parking permit.

**Parking permits:** Become invalid under the following conditions:

- Ownership of the vehicle is transferred to another person or entity.
• The permit holder's association with the college ends.
• The permit holder is issued another permit relating to the same vehicle.
• The permit holder's parking privileges are forfeited as a result of disciplinary sanctions.
• The permit holder commits three (3) or more traffic or parking violations in an academic year.

Section 2. Registration of Motor Vehicles

Faculty/Staff vehicles: Must be registered through the Campus Switchboard. There is no cost to employees for vehicle registration and no limit on the number of vehicles that can be registered.

Faculty/Staff parking permits are for the exclusive use of employees and do not entitle friends or relatives of employees to park in staff spaces, even with the permit.

Student vehicles: Must be registered as part of the college registration process. Vehicles brought onto campus after the college registration period has ended must be registered promptly through the Campus Switchboard.

Registered students are not considered as visitors at any time. Students using alternate vehicles that are not registered with the college are to park in the student parking area and not in visitor areas.

Faculty, staff, and students who have been issued a vehicle registration permit are responsible for parking violations involving the vehicle for which that permit has been issued.

Temporary parking permits must be obtained when a permit holder vehicle is unavailable and he/she drives and parks another vehicle on campus.

Parking permits must be properly displayed on the vehicles for which they have been issued on the rear windshield or bumper, driver side, lower left hand corner.

Parking on campus is often limited and there is strict enforcement of traffic rules and regulations.

Additionally, North Carolina G.S. 20-219.11 provides the following:

Whenever a vehicle with a valid registration plate or registration is towed as provided in G.S. 20-219.11, the authorizing person shall immediately notify the last known registered owner of the vehicle of the following:

• A description of the vehicle.
• The place where the vehicle is stored.
• The violation with which the owner is charged, if any.
• The procedure the owner must follow to have the vehicle returned to him.
• The procedure the owner must follow to request a probable cause hearing on the towing.

The owner or any other person entitled to claim possession of the vehicle may request in writing a hearing to determine if probable cause existed for the towing. The request shall be filed with the magistrate in the county where the vehicle was towed. The magistrate shall set the hearing within 72 hours of his receiving the request.

The only issue at this hearing is whether or not probable cause existed for the towing. If the magistrate finds that probable cause did exist, the tower's lien continues. If the magistrate finds that probable cause did not exist; the tower's lien is extinguished. Any aggrieved party may appeal the magistrate's decision to district court.

For a more complete explanation of the above procedure, refer to North Carolina General Statutes, Chapter 20-219.11.

The Chief of Police along with the Dean of Campus Life (if a student) or the employee’s Vice President, in addition to any other penalty, may suspend for up to one year the parking privileges of any individual found to be a repeat offender in flagrant violation of this Ordinance.

Section 5. Failure to Settle Fines, Fees, and Charges

Failure to settle outstanding traffic and parking fines, fees, and charges within 14 days after issuance of a citation may result in the collection of fees in the following manner:

• Penalties owed by faculty members and other employees of the college may be deducted from payroll checks.
• Penalties owed by students will be placed on the student's record until the penalties are paid.

Section 6. Petition/Appeal Procedure
