- Sample worksheets and FAQs are available on the Nursing website.
- List the cumulative GPA from your most recently completed semester in college and the school where you were enrolled.
- Complete the worksheet (on reverse) using the points formula below. You may only list courses that have been completed and which are listed on the *ADN Stage II College Course List*.
- If you received different grades in a science class and corresponding lab, list the course and lab on separate lines (see example below). This counts as only one course.
- You may list alternate approved courses in the blank spaces provided. Refer to the *ADN Stage II College Course List* on the Nursing Department website for the full list of approved courses.
- Use the approved courses that give you the most points.
- Do not exceed the maximum number of courses or points per category.
- List your highest HESI A2 cumulative score which meets the minimum requirements for reading comprehension, math, and cumulative scores.
- Submit this worksheet and transfer credit documents (if applicable) to the Nursing Department in Kennedy Hall, Room 125. If you are unable to submit the worksheet in person, please contact the Nursing Department at 910-695-3834.
