I. Background

Since the adoption of a revised Independent Comprehensive Articulation Agreement between the North Carolina Community College System (NCCCS) and the North Carolina Independent Colleges and Universities (NCICU) in 2015, the two organizations have worked collaboratively to strengthen the transfer relationship and to provide greater opportunity for students. Accordingly, community college and NCICU visual arts faculty, department chairs, and administrators have been focused on forging productive, collaborative relationships founded on the common goal of best serving students pursuing visual arts in North Carolina's institutions of higher education.

The Associate in Fine Arts in Visual Arts to Bachelor of Fine Arts Articulation Agreement is an agreement jointly created by the NCCCS Associate in Fine Arts (AFA) in Visual Arts programs and the signatory NCICU Bachelor of Fine Arts programs. The AFA in Visual Arts to Bachelor of Fine Arts Articulation Agreement is focused on facilitating transfer for students who begin visual arts studies at a community college and then transfer to one of the signatory NCICU Bachelor of Fine Arts programs. There are multiple Bachelor of Fine Arts-granting institutions within the NCICU. While the individual names of these Bachelor of Fine Arts degrees may vary slightly between NCICU programs, for the sake of consistency and clarity we will refer to all such four-year degrees as "Bachelor of Fine Arts" within this document. The specific title of each degree will be listed in Appendix A, under Participating Programs.

II. Purpose and Rationale

This document presents a uniform, statewide academic progression agreement that will promote educational advancement opportunities for Associate in Fine Arts in Visual Arts graduates moving between North Carolina community colleges and the signatory institutions of the North Carolina Independent Colleges and Universities in order to complete Bachelor of Fine Arts degrees. It describes a progression degree plan that includes required general education and prerequisite courses that are acceptable to all signatory Bachelor of Fine Arts programs. AFA in Visual Arts graduates will meet entrance requirements at all of the signatory North Carolina Independent Colleges and Universities and will meet entrance requirements for application directly to the Bachelor of Fine Arts programs. AFA in Visual Arts graduates must meet the admission requirements and associated timelines as published by each Bachelor of Fine Arts program. Acceptance into any Bachelor of Fine Arts program is not guaranteed.

The goal of this agreement is the creation of a more seamless and rational transfer process for community college Associate in Fine Arts in Visual Arts students.

III. Policies

The AFA in Visual Arts to Bachelor of Fine Arts Articulation Agreement is made between the State Board of the North Carolina Community College System and signatory NCICU institutions. It applies to all North Carolina community colleges that offer the Associate in Fine Arts in Visual Arts program and to those signatory NCICU institutions that operate Bachelor of Fine Arts Programs. For the list of participating programs, see Appendix A. The AFA in Visual Arts to Bachelor of Fine Arts Articulation Agreement applies to all community college students who successfully complete the AFA in Visual Arts Degree.

A. AFA in Visual Arts to Bachelor of Fine Arts Independent Transfer Committee (AFABFAITC)

Authority to interpret and make changes in the AFA in Visual Arts to Bachelor of Fine Arts rests with the AFA to Bachelor of Fine Arts Independent Transfer Committee (AFABFAITC). The AFABFAITC is an ad-hoc eight-member co-chaired committee appointed by the Chief Academic Officer (CAO) of the North Carolina Community College System and the President of North Carolina Independent Colleges and Universities. Questions concerning the AFA in Visual Arts to Bachelor of Fine Arts should be directed to the appropriate system's Chief Academic Officer with an explanation of the institutional policy that may (appear to) conflict with the AFA in Visual Arts to Bachelor of Fine Arts. The CAO will forward unresolved questions to the AFABFAITC for resolution. Each entity will appoint one ex-officio non-voting member of the AFABFAITC. For further details, see Appendices B and C.

B. Transfer Credit Appeal

AFA in Visual Arts to Bachelor of Fine Arts students who perceive that the terms of the AFA in Visual Arts to Bachelor of Fine Arts have not been honored may follow the AFA in Visual Arts to Bachelor of Fine Arts Transfer Credit Appeal Process as outlined in Appendix D.

IV. Regulations

A. Transfer of Credits

The AFA in Visual Arts to Bachelor of Fine Arts Articulation Agreement establishes the procedures governing the transfer of credits for students who graduate from North Carolina Community College AFA in Visual Arts programs and apply to Bachelor of Fine Arts programs at signatory NCICU institutions. The AFA in Visual Arts to Bachelor of Fine Arts Articulation Agreement does not address admission to a specific institution or Bachelor of Fine Arts program within an institution, nor does it imply a specific time toward degree completion.

1. Eligibility

To be eligible for the transfer of credits under the AFA in Visual Arts to Bachelor of Fine Arts Articulation Agreement, an applicant must earn an AFA in Visual Arts degree in a North Carolina Community College with a GPA of at least 2.0 and a grade of C or better in all transfer courses. An applicant must meet the receiving institutions admissions requirements.

The student's program of study must meet the criteria set forth in the AFA in Visual Arts curriculum standard as defined in Appendix E.

2. Procedures governing transfer of Associate in Fine Arts in Visual Arts into Bachelor of Fine Arts

- a. The agreement enables students who have graduated from a NCCCS institution with an AFA in Visual Arts to complete a common list of courses that meet the entrance requirements at all of the Bachelor of Fine Arts programs at signatory NCICU institutions. NCICU visual arts program admissions are competitive, therefore no student is guaranteed admission to a visual arts program. In addition to meeting entrance requirements, transfer students may also be required to submit evidence of their creative work and/or portfolio, depending on the requirements for each institution.
- b. A student who completes an AFA in Visual Arts with a GPA of at least 2.0 and a grade of C or better in the AFA in Visual Arts to Bachelor of Fine Arts courses listed in Appendix E and meets the receiving institution's admissions requirements will have fulfilled the Bachelor of Fine Arts program entry requirements, and all courses in the Universal General Education Transfer Component will transfer with course equivalency to fulfill general education requirements for the Bachelor of Fine Arts. This agreement does not exempt students from meeting the minimum admissions requirement.
- c. Graduates of the AFA in Visual Arts program will receive at least 60 semester hours of academic credit for courses with a grade of C or better toward the appropriate Bachelor of Fine Arts degree upon admission to a signatory NCICU institution.

3. Certification of the Associate of Fine Arts in Visual Arts degree completion

Certification of completion of the Associate of Fine Arts in Visual Arts degree is the responsibility of the community college at which the courses were completed. Transcript identification of the Universal General Education Transfer Component Courses is also the responsibility of the community college at which the courses were completed.

4. Transfer of Courses not originated at North Carolina community colleges

Transfer courses that do not originate in a North Carolina Community College or signatory NCICU institution may be used under the AFA in Visual Arts to Bachelor of Fine Arts Articulation Agreement with the following stipulations:

- a. Courses must be completed at a regionally accredited institution of higher education;
- b. Courses must meet general education requirements; and
- c. Courses may total no more than 14 hours of general education course credit.
- d. If the courses are used to complete the AFA in Visual Arts degree, the courses will transfer as part of the degree.

5. Transfer of Advanced Placement (AP) course credit

Advanced Placement (AP) course credits, awarded for a score of three or higher, are acceptable as part of a student's successfully completed AFA in Visual Arts degree under the Agreement.

B. Impact of the AFA in Visual Arts to Bachelor of Fine Arts on other articulation agreements

The AFA in Visual Arts to Bachelor of Fine Arts takes precedence over bilateral articulation agreements established between signatory NCICU institutions and the North Carolina Community College System but does not necessarily preclude such agreements. Institution-to-institution articulation agreements that fall within the parameters of the AFA in Visual Arts to Bachelor of Fine Arts and enhance transferability of students from community colleges to senior institutions are acceptable. Institutional agreements conflicting with the AFA in Visual Arts to Bachelor of Fine Arts are not permitted.

AFA in Visual Arts to Bachelor of Fine Arts Articulation Agreement Independent Transfer Committee Procedures

Articulation between the North Carolina Community College System (NCCCS) and signatory North Carolina Independent Colleges and Universities (NCICU) is a dynamic process. To ensure the currency of the AFA in Visual Arts to Bachelor of Fine Arts Articulation Agreement, occasional modifications to that agreement may be necessary. The AFA in Visual Arts to Bachelor of Fine Arts Independent Transfer Committee (AFABFAITC) will receive requests for modification only upon the recommendation of the chief academic officer of the NCCCS or NCICU. Because the modification process involves faculty and administrative review, this process may require up to 12 months for final action. Decisions made by the AFABFAITC will be consistent with all pertinent accreditation standards.
