

## COVID-19 Case Update:

While the College has effective procedures for slowing the spread of the virus, with a campus of several thousand curriculum and continuing education students and over 400 faculty and staff, it is virtually impossible for our campus to avoid being impacted by the COVID-19.

Because communication is essential to the success of any plan, we also want to provide transparency on the status of our COVID-19 Cases. Below is a link that includes weekly updates on the number of confirmed positive cases we have recorded.

Thank you to our faculty, staff, students, and community for everything you are doing to keep our campus safe.
