

HCHS SCC WCE CCP Classes – 2021 -2022

Certified Medical Administrative Assistant (CMAA)

(1 semester, 1 block/period)

Offered fall and spring

Medical Administrative Assistants are valuable members of the healthcare team handling a broad range of duties, including patient registration, telephone, scheduling, medical records, accounts receivable, data entry, and medical claims. This class prepares you for the CMAA national certification exam offered by the National Healthcareer Association (NHA).

- Location: Hoke County High School Campus
- Block/Period: 1st block
- Days: MTWThF

Sandhills Promise Credit: 1

Electrocardiogram Technician (EKG)

(1 semester, 1 block/period)

Offered Fall and Spring

Learn the required skills to become a certified EKG Technician and work in a variety of healthcare settings. Topics include cardiac anatomy and physiology, cardiac cycle, EKG strip analysis, 12 lead EKG, and EKG procedures. This class prepares students for the EKG certification with ASPT.

- Location: Hoke County High School Campus
- Block/Period: 3rd block or 4th block
- Days: MTWThF

Sandhills Promise Credit: 1

Pharmacy Technician

(1 semester, 1 block/period)

Offered Spring only

Prepare for the Pharmacy Technician Certification Exam through the Pharmacy Technician Certification Board (PTCB) and for entry-level employment. Topics include technical procedures for preparing and dispensing prescriptions, packaging and labeling, controlled substance procedures, inventory control, pharmacy calculations, and over-the-counter drugs.

Note: Students must be 2nd semester seniors to enroll in the Pharmacy Technician class. Students must be within 60 days of obtaining a high school diploma to sit for the Pharmacy Technician Certification exam

- Location: Hoke County High School Campus
