HYBRID or INTERNET COURSES: For HYBRID courses, students should check Moodle for communication from their instructors on the first day of the class. For INTERNET courses, all Internet courses include an orientation activity to verify your attendance in the course. You must login to your course and complete the activity within the **first three days of the semester** to demonstrate you are actively participating in the course. If you do not complete the activity, you will be dropped from the course.

Please note: All curriculum courses to include face-to-face delivery utilize online resources to support the learning environment. Students must have access to the internet or be prepared to utilize on-campus computer labs.
