2:00 - 4:30

Tuesday, May 9

8:00 - 10:30
11:00 - 1:30
2:00 - 4:30

**The 2:00 - 4:30 exam periods on Friday, May 5 and Tuesday, May 9 should be used to schedule exams for classes and laboratories not covered by the exam schedule. Any special exam times will be announced by the instructor.

Instructors must make certain that all classes, including evening classes, meet the required number of contact hours per semester. Five-hour classes must meet a total of 4,000 minutes; three-hour classes, 2,400 minutes; two-hour classes, 1,600 minutes; and one-hour classes, 800 minutes

Evening exams should be held on the last scheduled meeting time during the final exam period. Please contact the Vice President of Instruction (695-3715) if you have a question about evening exams

Each class will hold its last class session according to this schedule, even though a final examination may not be given. The work of the semester will be planned to include the final examination or last class session. Final examination or last class sessions for laboratories may be held during the ** 2:00 - 4:30 exam periods on Friday, May 5 and Tuesday, May 9.
